#### II.FORWARD BY THE CHAIRMAN NGCDF COMMITTEE

SUBUKIA constituency is one of the constituencies in Nakuru County. The development committee development fund committee comprises of very young and energetic men and women who are dedicated to developing their constituency through NG-CDF. The constituency is expansive and have very poor road networks with no tarmac. The committee endures rough rides which worsen during rainy season.

The constituency has 27 registered public secondary schools and 49 registered primary schools. The constituency disbursed Ksh. 54,790,932,40 being transfers to other government units reflecting a 45% of total expenditure. The Adjustments were of Ksh. 54,784,483.15 were monies which were meant for financial year 2017/2018 which we received in 2018/2019 financial year, and Ksh. 31,961,601.15 which were opening balances for 2018/2019 financial year.

The constituency disbursed Ksh. 37,825,946 as bursaries which sponsored several students who transited to secondary and tertiary levels, others on full scholarship. The bursary from NG-CDF although not enough, has benefited many needy students in Subukia Constituency.

#### Some of the Success Factors

- Smooth implementation of projects
- Quality of projects implemented
- Smooth Disbursement of bursaries

Some of the challenges that we face as a committee are;

- Insufficient funding against the needs of Subukia Constituency
- Delay disbursement of funds from the NG-CDFB
- Low allowances especially to the officials yet they spend much of their time in the NG-CDF offices serving wananchi.

#### The following are the committee members;

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - SUBUKIA CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2019

#### REPORT ON THE FINANCIAL STATEMENTS

#### **Qualified Opinion**

I have audited the accompanying financial statements of National Government Constituencies Development Fund (NGCDF) - Subukia Constituency set out on pages 6 to 37, which comprise of the statement of financial assets and liabilities as at 30 June, 2019, statement of receipts and payments, statement of cash flows and the summary statement of appropriation - recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the NGCDF - Subukia Constituency as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015 and the Public Finance Management Act, 2012.

#### **Basis for Qualified Opinion**

#### 1.0 Errors in the Annual Report and the Financial Statements

The annual report prepared and presented for audit had the following errors: -

- 1.1 Note 15.4 to the financial statements indicates that annex to PMC accounts balances is at Annex 4 instead of Annex 5; and
- **1.2** Blank page for the insertion of the Auditor General's report at page 6 has been omitted.

This is contrary to the format prescribed by the Public Sector Accounting Standard Board (PSASB) in accordance with Section 194(1) (d) of the Public Finance Management Act, 2012.

Consequently, the annual report and the financial statements for the year ended 30 June, 2019 as prepared and presented are not International Public Sector Accounting Standards (IPSAS) and PSASB compliant.

#### 2.0 Inaccuracies in the Financial Statements

The financial statements prepared and presented for audit, had the following inconsistencies: -

- **2.1** The statement of receipts and payments reflects other receipts of Kshs.140,000 which was not supported by way of a detailed schedule;
- 2.2 The statement also reflects transfers from CDF-Board of Kshs.108,784,483 which differs from the receipts in the summary statement of appropriation: recurrent and development combined of Kshs.140,746,084 resulting to a variance of Kshs.31,961,601 which was not reconciled.
- **2.3** The statement of receipts and payments reflects comparative surplus of Kshs.30,424,874 which differs from the audited figure of Kshs.30,354,875 resulting to a variance of Kshs.69,999.

In the circumstances, the accuracy and completeness of the financial statements as prepared and presented for the year ended 30 June, 2019 could not be confirmed.

#### 3.0 Transfers to Other Government Units

#### 3.1 Unsupported Bursary Payments

The statement of receipts and payments reflects transfers to other government units of Kshs.54,195,405;(2018-Kshs.6,800,000) and as disclosed under Note 7 to the financial statements. However, out of bursary payments of Kshs.37,825,946, payments amounting to Kshs.4,728,018 were not supported by way of detailed beneficiary listing, indicating their respective admission numbers. The validity of the indicated beneficiaries could not be established.

Consequently, the accuracy and validity of the transfers to other government units of Kshs.54,195,405 for the year ended 30 June, 2019 could not be confirmed.

#### 4.0 Committee Allowances Paid to Non Members

The statement of receipts and payments reflects use of goods and services amount of Kshs.9,753,742;(2018-Kshs.4,001,034) and as disclosed under Note 5 to the financial statements. Included in the committee allowance amount of Kshs.2,240,000 is Kshs.1,413,000 paid out to non-committee members as allowances. This payment was not supported or explained.

In the circumstances, the accuracy and regularity of the use of goods and services amount of Kshs.9,753,742 for the year ended 30 June, 2019 have not been confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the NGCDF - Subukia Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

#### **Other Matter**

#### **Budgetary Control and Performance**

The summary statement of appropriation - recurrent and development combined reflects final receipts budget and actual on comparable basis of Kshs.195,686,958 and Kshs.140,886,084 respectively resulting to an under-funding of Kshs.54,800,874 or 28% of the budget. Similarly, the Fund spent Kshs.120,658,757 against an approved budget of Kshs.195,686,958 resulting to an under-expenditure of Kshs.75,028,201 or 38% of the budget. The underfunding and underperformance affected the planned activities and may have impacted negatively on service delivery to the residents of Subukia Constituency.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

#### Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

#### **Basis for Conclusion**

#### 1. Unsupported Emergency Projects

Note 7 to the financial statements discloses payments towards emergency projects of Kshs.5,600,000. However, these payments were not supported by documentary evidence indicating the nature of the emergency and related procurement documents. The projects though completed were not in use.

Consequently, it was not possible to confirm whether the expenditure was in conformity with the provisions of NGCDF Act, 2015 Section 8 and 10.

#### 2. Projects Implementation Status

The statement of receipts and payments reflects transfers to other government units of Kshs.54,790,932;(2018-Kshs.6,800,000) and as disclosed under Note 6 to the financial statements.

Review of the project implementation status report as of 30 June, 2019 indicated that out of sixty-four (64) projects with an allocation of Kshs.77,550,000 eight (8) were complete and in use, twelve (12) were ongoing and forty four (44) had not started.

#### 2.1. Unsatisfactorily Implemented Projects

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

#### **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to

influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if

such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Reports and Financial Statements For the year ended June 30, 2019

#### IX. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

#### 1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

#### 2. Reporting Entity

The financial statements are for the NGCDF-Subukia Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

#### 3. Reporting Currency

The financial statements are presented in Kenya Shillings (KShs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

#### 4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

For the year ended June 30, 2019

#### SIGNIFICANT ACCOUNTING POLICIES

#### External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30<sup>th</sup> June 2019, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

#### Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

#### b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

#### Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

#### Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

#### Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

## NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) –SUBUKIA CONSTITUENCY

**Reports and Financial Statements** 

For the year ended June 30, 2019

#### SIGNIFICANT ACCOUNTING POLICIES

#### 5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

#### 6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

#### 7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

#### 8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

#### 9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

#### 10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2)

and sec 7(2) of NGCDF Act, 2015.
