

Dear Clients and Partners,

We at the CPST hope that you are keeping safe and preventing yourself and your staff against this challenge of COVID-19. As we all collaborate to enhance preventive measures, we encourage you to minimise physical visits to our offices both in Karen and at Protection House. We instead request you to reach us via email addresses cpst@parliament.go.ke and centreforparliamentarystudies@gmail.com or via telephone number +254 (0)20 2102540.

If your request should make it mandatory that you undertake a physical visit to our offices, as our most valued visitor, we require you to use hand sanitizers, maintain social distance and follow all Government advisories on COVID-19.

We highly value your custom and partnership and pray for all humanity during this unprecedented global crisis.

Prof. Nyokabi Kamau
Executive Director, CPST
