### **Petition**

**1. We are a group of IDPs by the name Mchanganyiko based in Olkalou, Nyandarua County**

1.1 **THAT**, we were people of means before the post-election violence of 2007-2008.

1.3 **THAT**, we are currently wallowing in poverty and living in deplorable conditions.

2.1 THAT we understand that the government bought land to resettle Idp's.

2.2 THAT, we were not considered for resettlement and compensation when other Idp groups were being resettled.

2.3 THAT, we have continuously engaged the relevant authorities, but none has a lasting solution to our problems

**3. We are facing eviction from the park that we have currently camped**

3.1 THAT, the Kenya Forest Service has issued us with an eviction notice to vacate the park voluntarily or face forceful eviction.

3.2 THAT, in the event the evictions happen soon, we will be rendered homeless as we don't have anywhere else to go.

4. THAT, I/we have made the best efforts to have these matters addressed by the relevant authorities all of which have failed to give a satisfactory response.

Therefore, the petitioners humbly pray that the Senate investigates this matter and –

That the Ministry should approach such matters with a human face noting that innocent Kenyans are affected by such cases of pollution.

The Cabinet Secretary prevailed upon the National Environmental Complaints Committee (NECC) to file a report within 7 days before the Committee embarks on a site visit.

The Committee resolved to organize a site visit to the residents of Makueni County within the next 14 days together with a team from the Ministry of Environment and Forestry.

- a) **Petition by Mr. Joel Kenduiywa on the resettlement of the minority Ngerek Community following their proposed eviction from South Nandi Forest, in Nandi County;**

The Cabinet Secretary presented as follows:

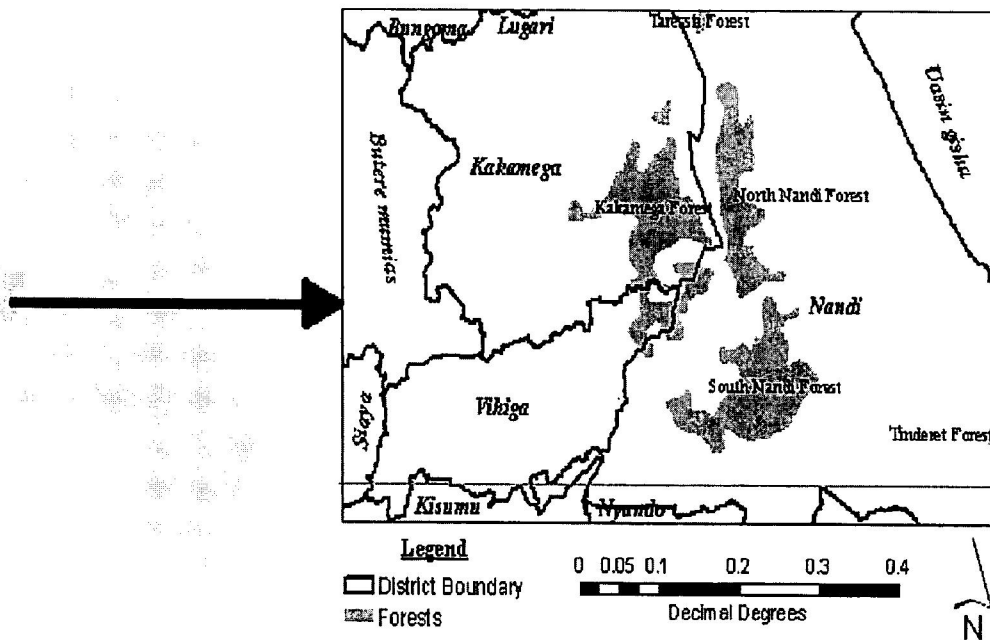

**A. GAZETTED FORESTS IN NANDI COUNTY**

1. The protected forest reserves in Nandi County are **South Nandi Forest** which is managed through **Kobujoi, Kapchorua, Tinderet, and Cerengoni Forest Stations**, and **North Nandi Forest** managed through **North Nandi and Kimondi Forest Stations**. The details of these forest reserves which are managed by Kenya Forest Service (KFS) is tabulated below;

S/N	Forest Station	Forest type / Category (Ha)					Encroachment and excisions	TOTAL (Ha)
		Natural	Plantation	Grasslands	Wetlands	Nyayo Tea Zone		
1.	Kobujoi	16,626.00	300.00	2,464.00	0	300.00	360.00	20,050.00

2.	Tinderet	7,328.90	40.00	0	0	100.00	0	7,468.90
3.	Kapchoru a	3,851.00	9.20	138.80	0	1.00	0	4,000.00
4.	Cerengoni	11,378.0 0	1,194.00	0	0	6.00	0	12,578.00
5.	Kimondi	4,095.55	1,285.35	61.80	196.90	307.10	796.40	6,743.10
6.	North Nandi	8,000.00	850.56	40.20	149.00	410.00	1,050.05	10,499.81
	<b>TOTAL</b>	<b>51,279.4 5</b>	<b>3,679.11</b>	<b>2,704.80</b>	<b>345.90</b>	<b>1124.1 0</b>	<b>2,206.45</b>	<b>61,339.81</b>

2. The map below shows the distribution of these forests in Nandi County;-

### B. THE CHEPKUMIA LAND EXCHANGE PROGRAMME

3. In 1996, there was a government intention of resettling of the minority Ngerek Community from the Ngerek Hill in South Nandi to a portion of the South Nandi Forest. This was to be done under the Chepkumia Land Exchange Programme on an acre for acre basis. This was driven by the desire of removing the Ngerek Community from the ecologically sensitive Ngerek Hill for conversion of this Hill into a conservation area;

4. The resettlement, however, did not materialise because of vested interests among the administrators and politicians in Nandi County. As such, the minority Ngerek Community were not resettled as initially planned;
5. Noteworthy is that the portion of the forest where the Ngerek Community would have been resettled under the Chepkumia Land Exchange Programme was occupied by illegal occupants who were largely backed by the local administrators and politicians;

**C. ALLEGED PROPOSED EVICTION OF THE MINORITY NGERЕК COMMUNITY FROM SOUTH NANDI FOREST**

6. While the Petitioner alleges that there is a proposed eviction from South Nandi Forest of the minority Ngerek Community, I wish to state that this is not true;
7. I am aware that the then Forest Department issued an eviction order to the illegal occupants of the Chepkumia Land Exchange as they had no basis to be settled on the land. This group of persons did not have land to exchange with the Government and are therefore settled on Government land illegally;
8. These illegal occupants challenged this eviction order by filing suit against the District Forest Officer Nandi and the Permanent Secretary of the Ministry of Environment and Natural Resources in 2003 (**HC Civil Suit No. 67 of 2003 - Abdi Keter and 551 others versus District Forest Officer Nandi, PS MENR and the Attorney-General**). The illegal occupants' case was dismissed in 2007 but they nevertheless continue to reside in South Nandi Forest. They therefore have no legal basis for their continued occupation of the forest;
9. This eviction order of 2003 issued by the District Forest Officer Nandi was directed at the illegal occupants of South Nandi Forest, and **NOT** the minority Ngerek Community. This is premised on the fact that the minority Ngerek Community are owners of privately titled land where my Ministry has no jurisdiction. There have never been any eviction orders directed towards the minority Ngerek Community from the Ministry of Environment and Forestry.

**It was therefore agreed that the Petitioners should take the letter to the Ministry of Environment and Forestry for the Cabinet Secretary to revoke the letter that said they should move such that status quo remains as is.**

- b) **Petition by Mr. John Njogu Njoroge on the resettlement of East Mau Forest evictees;**

Cabinet Secretary presented as follows:

1. **THAT East Mau Forest Evictees are composed of ten (10) forests which are in the larger Nakuru District (now Nakuru County);**
2. **THAT the members of the East Mau Forest Evictees lived inside the said forests for 70 years legally as caretakers to our forests during the colonial period in Kenya under the Crown of the Queen of England, President Jomo Kenyatta's Government and during President Moi's Government who later evicted us from the forests in the year 1988;**

**Ministry's Response**

- (a) Since inception of the forestry practice in Kenya in 1907, the formal arrangement was to have laborers (employed to tend trees) residing in forest houses provided by the Government;
  - (b) This arrangement changed in 1988 when the forest laborers were required to work from outside the public forests;
  - (c) This therefore meant that the laborers had to vacate the forest houses and this should not be interpreted to mean evictions.
3. **THAT other persons from other counties e.g. Bomet, Kericho, Baringo etc. were resettled in the same forest areas we were in;**

**Ministry's Response**

- (a) Eastern Mau Forest Reserve was gazetted vide Legal Notice No. 174 of 1964 (Annex II);
  - (b) The said forest has never been degazetted for settlement or any other purpose;
  - (c) Matters of settling Kenyans lies within the jurisdiction of the Ministry of Lands and Physical Planning and not the Ministry of Environment and Forestry.
4. **THAT East Mau Forest Evictees wrote to the TJRC on 21<sup>st</sup> September 2011 and the National Land Commission on 7<sup>th</sup> June 2018 but have never responded;**

**Ministry's Response**

The response to this matter lies with TJRC and the National Land Commission.

5. **THAT members are currently landless and have lived as squatters since 1988 and have never been allocated land;**

**Ministry's Response**

Matters of settling Kenyans lies within the jurisdiction of the Ministry of Lands and Physical Planning and not the Ministry of Environment and Forestry.

c) **Petition by Dundori Forest Evictees on the forceful eviction from Dundori Forest and compensation of land for the excised area from the forest for resettlement;**

The Cabinet Secretary presented as follows:

**1.0 FORMER RESIDENCY PETITIONER**

**That they lived in the former Dundori Forest Villages since the early 1930 up to June 1988 when they were forcefully evicted by the Kenya Forest Department (KFS). The names of the villages were Kieni, Kinari and C. Bonza Forest Villages;**

**Ministry's Response**

- (a) Since inception of the forestry practice in Kenya in 1907, the formal arrangement was to have laborers (employed to tend trees) residing in forest houses provided by the Government;
  - (b) This arrangement changed in 1988 when the forest laborers were required to work from outside the public forests;
  - (c) This therefore meant that the laborers had to vacate the forest houses and this should not be interpreted to mean evictions.
1. **That presently we are residing in the adjacent centre of Dundori Wanyororo, Kabatini, private farms and others are scattered all over Nakuru County.**

**Ministry's Response**

The Committee was informed by the Cabinet Secretary in charge of Environment and Forestry, that he is not in a position to confirm the assertion by the Petitioners.

2. **We rely on Dundori forest land for cultivation, grazing and fuel wood collection under plantations establishment and livelihood improvement scheme (PELIS). Currently all forest where we used to cultivate has been fully planted with trees by government hence no space for shamba system as used to be. We are left with no option except casual labourers (daily).**

**Ministry's Response**

- (a) The Committee was informed that, it is the Government policy to replant all available spaces in all gazetted forests earmarked for development of plantations;
- (b) In the course of establishing the forest plantations, it is Government policy to use PELIS which brings on board communities living adjacent to forests to provide casual labor.

**2 EFFORTS MADE BY PETITIONERS**

- 3 THAT in the year 1994, the government through former county council of Nakuru excised 84.49 Ha (200 acres) from Dundori forest land to settle squatters. The land is L.R. No. 19060 Plan No. 175/340 and was gazetted for settlement on 6<sup>th</sup> July 1994. Unfortunately, none of us benefitted from the programme but outsiders who later sold their plots in December 1997 after realizing what was done to us we peacefully demonstrated to the then Provincial Commissioner's office Rift Valley Province and we told him our grievances. He then referred us to the then District Commissioner Nakuru District who promised us that he will write a report of our grievances and forward it to the government for consideration. Since then there has not been any action taken to address our grievances.

#### **Ministry's Response**

- (a) Bahati Forest was gazetted vide Legal Notice No. 174 of 1964 (Annex III);
- (b) Dundori is a block within Bahati Forest;
- (c) No degazettement has been made to excise the referred area (L.R. No. 19060) from Bahati Forest Block;
- (d) As the Cabinet Secretary in charge of Environment and Forestry, I am not in a position to confirm the rest of the assertions by the Petitioners.

- 4 That in the year 2014 we registered an organization (C.B.O) with Gender and Social Development Office Bahati sub-county.

#### **Ministry's Response**

The Committee was informed by the Cabinet Secretary in charge of Environment and Forestry, that he isn't in a position to confirm this assertion by the Petitioners.

- 5 That on 8<sup>th</sup> April 2016 we wrote a letter to his Excellency President Republic of Kenya Honorable Uhuru Muigai Kenyatta requesting him to intervene on our behalf. We also forwarded copies of our letter to then former governor Nakuru County. His Excellency Kinuthia Mbugua, County Commissioner Nakuru County and Deputy County Commissioner Bahati sub-county. Lastly we have written to the Taskforce implementation of Arusha case on Ogiek and other communities under the Ministry of Environment and Forestry.

#### **Ministry's Response**

The Committee was informed by the Cabinet Secretary in charge of Environment and Forestry that the matters raised in this section of the petition can only be confirmed by the referenced Government institutions and offices.

- d) Petition presented by Sen. Paul Mwangi Githiomi, MP, concerning the resettlement of Internally Displaced Persons in Nyandarua County.

The Cabinet Secretary informed the Committee that the information he has is that its only one family residing in the aforementioned region and that they have refused to vacate houses belonging to KFS Staff.

The Committee informed the Cabinet Secretary to embark on further scrutiny of the matters cited in the Petition and respond back to the Committee within 14 days.

**RE: PETITION TO THE SENATE CONCERNING THE RESETTLEMENT OF IDPS**

Reference is made to your office letter Ref. CON/SUR/NYA/29 dated 22<sup>nd</sup> September, 2020 in regard to the above subject matter.

Reports from the ground indicate that one Ms. Esther Muthoni Njuguna ID/No. 294560 together with her family have been occupying a government house within a Presidential Park (Nyayo Park) in OI'Kalou town.
