## **2.0 OVERVIEW OF THE OFFICE OF THE COUNTY PRINTER BILL, 2021**

4. The main objective of the Bill is to establish the office of county printer in each county, to provide for the functions, mandate, management and administration of the office. It also provides for the printing and publication of a county gazette in each county. The county gazette will be a gazette published by the authority of the county government.
5. The object and purposes of the proposed Act are to—
  - (a) provide for the establishment of the office of the county printer in each county; and
  - (b) provide for the printing and publication of a county gazette in each county.
6. Clause 4 of the Bill provides for the establishment of the office of the county printer in each county whose office shall be an office in the office of the county executive committee member.
7. Clause 5 provides that the county printer shall print and publish county documents and advise the county executive on all matters appertaining printing and publication of county documents. The bill also provides for co-ordination and liaison with the office of the government printer. In performing its functions under clause 6, the county printer shall coordinate and liaise with the office of the government printer and shall ensure that there is no duplication in the printing and publication of documents. The Bill has been passed by the Senate and is pending before the National Assembly.

### **Legal framework governing publication**

8. Article 199 of the Constitution deals with publication of county legislation. It provides that:
  - “(1) County legislation does not take effect unless published in the Gazette.
  9. (2) National and county legislation may prescribe additional requirements in respect of the publication of county legislation.”
10. There are two levels of publication dealt with by the County Government Act. First is the need to publish (gazette) Bills once developed so that citizens can be aware of their provisions to aid the process of public participation. Secondly, is the publication of the Bill once assented to so that it comes into force. The first publication is dealt with by Section 23 of the County Government Act, which provides that “a Bill shall be published by including the Bill as a supplement in the county Gazette and the Kenya Gazette.”
11. Section 25 of the County Government Act then provides for publication of county legislation after enactment, stipulating that county legislation is to be published within seven days of assent by the County Governor.
12. Section 25 (2) of the County Government Act also provides that “*Subject to subsection (3), the county assembly legislation shall come into force on the fourteenth day after its publication in*

the Kenya Gazette unless the legislation stipulates a different date on, or time at which, it shall come into force.”

### 3.0 PUBLIC PARTICIPATION

13. In compliance with the provisions of Article 118 of the Constitution and National Assembly Standing Orders 127(3), the Committee, through local daily newspapers of Friday, 12<sup>th</sup> November, 2021 published advertisements inviting the public to submit memoranda on the Bill. However the Committee did not receive any comments from the public.

### 4.0 COMMITTEE OBSERVATIONS

10. In considering the Office of County Printer Bill, 2021 the Committee made the following observations:

- a) Article 199(1) provides that County legislation does not take effect unless published in the Gazette, further, Section 25 (2) of the County Government Act also provides that “*Subject to subsection (3), the county assembly legislation shall come into force on the fourteenth day after its publication in the Kenya Gazette unless the legislation stipulates a different date on, or time at which, it shall come into force;*”
- b) The Bill is not comprehensive as it does not spell out the steps in the publication process after passage of a Bill at county level and the procedure at the Government printer;
- c) There is need to anchor the operations of the office of the Government Printer so that decentralization of services is feasible in order to better serve counties; and
- d) The Bill has not taken into consideration publication of county legislation under Article 199 of the Constitution.

### 5.0 COMMITTEE RECOMMENDATIONS

The Committee recommends the House **rejects** the Office of the County Printer Bill (Senate Bill No. 13 of 2021) because the Bill is not comprehensive as it does not spell out the steps in the publication process after passage of a Bill at county level and the procedure at the Government printer.

**MIN No. 38/2022:-**

**PRELIMINARIES AND COMMUNICATION FROM THE CHAIRPERSON**

The Chairperson called the meeting to order at 9.23am with a word of prayer.

The agenda was adopted after being proposed by Hon. William Chepkut, MP and seconded by Hon. Oku Kaunya, MP.

**MIN No. 39/2022:-**

**ADOPTION OF THE REPORT ON THE NATIONAL FLAG, EMBLEMS & NAMES (AMENDMENT) BILL (SENATE BILL NO. 36 OF 2020)**

The Committee considered the report and made the following observations and recommendation-

**Observations**

- a) Copyright exists to give the owner of a work the exclusive right to control how their work is used, communicated and distributed in any medium. In copyright law, protection of a creative work lasts for the lifetime of the author and an extra fifty to seventy years after death. After this period the work goes into a commonly shared space called the Public Domain, where anyone can freely use the work in any manner (including commercially) without having to ask for any permissions. With regards to Government works, this varies jurisdictionally.
- b) In Kenya, per the present Copyright Act, 2001 (Section 25) the copyright for a Government commissioned musical work lasts for fifty years from the date of first publication.
- c) The national anthem is protected under the Constitution (Chapter 2, Article 9) as one of the national symbols of the Republic of Kenya. Although, the Kenyan national anthem is in the public domain, the different arrangement in a new work which incorporates it is entitled to copyright protection as a derivative work.

**Recommendation-**

The Committee recommends that the House approves the National Flags and Emblems (Amendment Bill) Senate Bill No. 36 of 2020.

**The report was unanimously adopted after having been proposed and seconded by Hon. Peter Masara, MP and Hon. Oku Kaunya, MP respectively.**

**MIN No. 40/2022:-**

**ADOPTION OF THE REPORT ON THE KENYA CITIZENSHIP & IMMIGRATION (AMENDMENT) BILL (SENATE BILL NO. 33 OF 2021)**

In considering the Kenya Citizenship and Immigration (Amendment) Bill, 2021 the Committee came with the following observations and recommendation:

**Observations**

- a) There is a duplication of roles that are already granted to the Foreign Service by the Foreign Service Act (No. 12 of 2001) and those granted by virtue of this proposed law to a department within the Ministry.
- b) The functions will be undertaken by two entities under two different Acts of Parliament. This is a duplication of roles, efforts and resources to one main function.

The Bill is therefore unnecessary as it what it seeks to cure is already provided for in law;

- c) That the Fourth Schedule, Part 1, paragraph 1, foreign affairs, foreign policy and international trade is a function given by the Constitution to the National Government;
- d) That the proposer should amend the Foreign Service Act and require the responsible Cabinet Secretary to propose regulations with regard to Kenyans living abroad.

**Recommendation-**

Arising from the aforementioned observations, the Committee recommends that the House rejects the Bill.

**The report was unanimously adopted after having been proposed and seconded by Hon. Abdi Shurie, MP and Hon. Oku Kaunya, MP respectively.**

**MIN No. 41/2022:-**

**ADOPTION OF THE REPORT ON THE COUNTY GOVERNMENTS (AMENDMENT) BILL (SENATE BILL NO. 38 OF 2021)**

In considering the County Governments (Amendment) Bill, 2021 the Committee made the following observations and recommendations:

- a) That the Bill seeks to amend section 12 of the County Governments Act in order to provide clarity on instances when the office of the Speaker is vacant;
- b) That the Bill intends to safeguard the position of the chairperson of the Board where he or she is absent from a meeting;
- c) That the Bill also seeks to include the senate in the consideration of annual performance reports of the county executive committee and public service board;
- d) That the Bill seeks to establish a county leaders forum which is to among others, consider the views of the county government on the Budget Policy Statement before its adopted, the formula for revenue allocation before it is adopted, the annual division Bills and county Allocation of Revenue Bills before adoption and appropriations from the equalization fund before adoption;
- e) The proposal for the county leader's forum and the proposed functions seeks to bring confusion in the consideration of the BPS, formula for revenue allocation, annual division of revenue bill and county allocation of revenue bills and appropriations from the equalization fund because there is already a structure provided for in law in consideration of the above;
- f) It is not line with the Public Finance Management Act and the Constitution to subject the BPS to the County leaders Forum. The BPS deals with proposed expenditure of national government

### **Recommendation-**

Arising from the aforementioned observations, the Committee recommends that the House to approves the following clauses—

- a) Clause 1;
- b) Clause 2; and
- c) Clause 3;

And that further, the House rejects—

Clause 4 of the Bill.

**The report was unanimously adopted after having been proposed and seconded by Hon. Aduma Owour, MP and Hon. Abdi Shurie, MP respectively.**

### **MIN No. 42/2022:-**

### **ADOPTION OF THE REPORT ON THE OFFICE OF THE COUNTY PRINTER BILL (SENATE BILL NO. 13 OF 2021)**

In considering the Office of County Printer Bill, 2021 the Committee made the following observations and recommendation:

### **Observations-**

- a) Article 199(1) provides that County legislation does not take effect unless published in the Gazette, further, Section 25 (2) of the County Government Act also provides that *“Subject to subsection (3), the county assembly legislation shall come into force on the fourteenth day after its publication in the Kenya Gazette unless the legislation stipulates a different date on, or time at which, it shall come into force;*
- b) The Bill is not comprehensive as it does not spell out the steps in the publication process after passage of a Bill at county level and the procedure at the Government printer;
- c) There is need to anchor the operations of the office of the Government Printer so that decentralization of services is feasible in order to better serve counties; and
- d) The Bill has not taken into consideration publication of county legislation under Article 199 of the Constitution.

### **Recommendation-**

The Committee recommends the House rejects the Office of the County Printer Bill (Senate Bill No. 13 of 2021) because the Bill is not comprehensive as it does not spell out the steps in the publication process after passage of a Bill at county level and the procedure at the Government printer.

**The report was unanimously adopted after having been proposed and seconded by Hon. Aduma Owour, MP and Hon. Abdi Shurie, MP respectively.**
