SUMMARY OF THE REPORT OF THE AUDITOR-GENERAL ON THE FINANCIAL STATEMENTS FOR MINISTRIES, DEPARTMENTS, COMMISSIONS, FUNDS AND OTHER ACCOUNTS OF THE NATIONAL GOVERNMENT FOR THE YEAR 2016/2017

1.0 General

1.1 Legal Mandate of the Office of the Auditor-General

- Office of the Auditor-General is established as an Independent Office under Article 248(3) of the Constitution of the Republic of Kenya.
- The Auditor-General is appointed in accordance with Article 229 of the Constitution.
- The statutory duties and responsibilities of the Auditor-General are given in Article 229(4) (5) (6) and (7) of the Constitution and Public Audit Act, 2015.

I have already issued my audit reports to the respective accounting officers for the financial statements for 2016/2017 of their respective Ministries, Agencies, Departments and Funds.

This report provides a Summary of my audit findings of the financial statements of the National Government of the Republic of Kenya for the financial year ended 30 June 2017.

The scope of the audit in National Government includes Ministries, Government Departments, Agencies, Funds and Development Partners' funded Projects.

1.2 Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of financial statements in accordance with International Public Sector Accounting Standards (IPSAS) - Cash Basis and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit, 2015.

1.3 Auditor-General's Responsibility

I carried out my audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. It also includes evaluating the accounting policies used and significant estimates made by Management, as well as evaluating the overall presentation of the financial statements. Further, it includes procedures to determine whether public money has been applied lawfully and in an effective way.

I considered the public entities' internal control systems in order to determine my auditing procedures for the purpose of expressing an opinion on their financial statements. To ensure that the execution of the National Budget was in conformity with the provisions of existing laws, regulations and prescribed procedures, the audit essentially covered authorization and approval of expenditure, budget procedures, management of bank accounts and a review of the internal control systems set up by the audited public entities.

The sections below highlight key findings noted during the audit of the financial statements for the year ended 30 June 2017.

2.0 National Government Budgetary and Expenditure Review

2.1 Budget Review

2.1.1 Budget Trend Analysis

The gross estimated Government expenditure has increased over the last five years from Kshs.1,485,438,350,899 in the year 2012/2013 to Kshs.2,541,568,251,270 in the year 2016/2017 representing an increase of Kshs.1,056,129,900,371 or approximately 71% over the five year period. Similarly the actual gross expenditure has increased over the years from Kshs.1,275,862,845,060 in the year 2012/2013 to Kshs.2,390,531,985,901 in the year 2016/2017 representing an increase of Kshs.1,114,669,140,841 or approximately 87% over the period. This implies that the scope of my audit has also more than doubled over the last five years. The tabulation below depicts this trend:

Budget Trend Analysis for the last Audited Five Years					
	2012/2013 Kshs.	2013/2014 Kshs.	2014/2015 Kshs.	2015/2016 Kshs.	2016/2017 Kshs.

In 2016/2017 the Approved Estimated Gross Expenditure was Kshs.2,541,568,251,270 while approved Appropriations-In-Aid (AIA) were Kshs.448,217,771,819 resulting in Net Approved Expenditure of Kshs.2,093,350,479,451 as follows:-

National Government	Gross Estimated Expenditure (Kshs.)	Estimated AIA (Kshs.)	Approved Net Expenditure (Kshs.)	Net Expenditure as a % of Approved total Net Expenditure
Recurrent Votes	929,104,106,437	88,491,935,859	840,612,170,578	40%

As shown above, 40% of the approved net expenditure was budgeted for meeting the National Government recurrent expenditures and 21% for development expenditures. Consolidated Fund Services including repayments of Public Debt accounted for another 25%, while County Governments accounted for 14% of the total budgeted net expenditure.

The 2016/2017 gross budget of Kshs.2,541,568,251,270 was shared between the National Government and the County Governments at the ratio of 89% and 11% respectively as follows:-

Comparison of National Government and County Governments Gross Estimated Expenditure		
	Gross Estimated Expenditure Kshs	As a %age of Gross Estimated Expenditure
National Government	2,256,845,896,270	89%
County Governments	284,722,355,000	11%
Grand Total	2,541,568,251,270	100%

Gross Estimated Expenditure: Counties Versus National Government

The County Governments allocation of Kshs.284,722,355,000 for the year 2016/2017 was however based on the audited revenue for the year 2013/2014, since the audited financial statements for 2014/2015 had not been tabled in the National Assembly by Public Accounts Committee. The County Governments expenditure has been accounted for and reported individually by each of the forty-seven (47) County Governments and the respective audit reports issued for County Governments and County Assemblies.

2.2 2016/2017 Net Actual Expenditure for the National Government

2.2.1 The financial statements for the year 2016/2017 for the National Government show total Actual Expenditure of Kshs.2,026,052,946,211 representing 90% of the gross estimated expenditure of Kshs.2,256,845,896,270. In addition, the actual expenditure of Kshs.2,026,052,946,211 represents an increase of Kshs.291,097,875,295 or 17% when compared with actual expenditure of Kshs.1,734,955,070,916 in 2015/2016 Financial Year, as shown below:

Votes	Gross Estimated Expenditure 2016/2017 Kshs in Billions	Actual Expenditure 2016/2017 Kshs in Billions	Absorption as a %age of Estimated Expenditure	Proportion as a % of actual 2016/2017	Previous Year (2015/16) Actual Expenditure Kshs	%age Increase in 2016/17
Combined Recurrent and Development Votes	1,730.63	1,526.24	88%	75%	1,258.45	18%
Consolidated Fund Services	526.21	499.81	95%	25%	476.50	5%
Totals	2,256.85	2,026.05	90%	100%	1,734.96	14%

2.2.2 The Actual Expenditure of Kshs.2,026,052,946,211 comprised expenditure amounting to Kshs.1,526,243,383,761 or 75% and Kshs.499,809,562,450 or 25% of the total actual expenditure under combined Recurrent and Development Votes and Consolidated Fund Services respectively.

2.2.3 The actual expenditure of Kshs.2,026,052,946,211 represents an increase of 3% when compared to the actual expenditure of Kshs.1,734,955,070,916 incurred in 2015/2016. This increase is occasioned by a combination of an increase of Kshs.267,790,929,283 or 21% of the combined Recurrent and Development Votes and an increase of Kshs.23,306,946,012 or 5% in Consolidated Fund Services.

2.2.4 There was a gross under-expenditure of Kshs.230,792,950,059 made up of under-expenditure of Kshs.204,391,303,075 for combined Recurrent and Development Votes and under-expenditure of Kshs.26,401,646,984 for Consolidated Fund Services as follows:-

	Gross Estimated Expenditure 2016/2017	Actual Expenditure 2016/2017	Under/(Over) Expenditure	% Under/(Over) Expenditure
Recurrent and Development	1,730,634,686,836	1,526,243,383,761	204,391,303,075	12%

Total	2,256,845,896,270	2,026,052,946,211	230,792,950,059	10%

2.2.5 The under-expenditure of Kshs.204,391,303,075 under combined Recurrent and Development Votes was mainly attributed to inadequate exchequer issues and delayed disbursement of donor funds. Detailed reasons for the under-expenditures are provided in the respective financial statements for 2016/2017.

2.3 Revenue Analysis

2.3.1 Ordinary Revenue Budget Trend Analysis

The budgeted revenue from tax and non-tax receipts (ordinary revenue) increased over the last five years from Kshs.870,518,584,891 in the year 2012/2013 to Kshs.1,387,966,307,421 in the year 2016/2017. This is an increase of approximately 59% over the five year period. However, when compared to the gross estimated expenditure, the overall deficit has increased over the years from Kshs.614,919,766,008 in the year 2012/2013 to Kshs.1,153,601,943,849 in the year 2016/2017 representing an increase of approximately 100% over the period as follows:-

Gross Budgeted Expenditure Vs Budgeted Ordinary Revenue

Year	Gross Budget Expenditure Kshs.	Budgeted Ordinary Revenue (Tax & Non Tax Receipts) Kshs.	Deficit Kshs.	Deficit as % of Gross Budget
2012/2013	1,485,438,350,899	870,518,584,891	614,919,766,008	41%
2013/2014	1,557,192,721,388	959,854,104,424	597,338,616,964	38%
2014/2015	2,099,370,186,391	1,098,167,501,267	1,001,202,685,124	48%
2015/2016	2,253,494,806,467	1,141,863,174,093	1,111,631,632,374	49%
2016/2017	2,541,568,251,270	1,387,966,307,421	1,153,601,943,849	45%

The deficit between the gross budgeted expenditure and the budgeted ordinary revenue is funded through borrowings either from domestic markets (Treasury Bills and Treasury Bonds) or borrowings from external development partners.

2.3.2 Estimated Receipts versus Actual Receipts of Ordinary Revenue

The estimated receipts from tax and non-tax receipts (ordinary revenue) increased over the last five years from Kshs.870,518,584,891 in the year 2012/2013 to Kshs.1,387,966,307,421 in the year 2016/2017. This is an increase of approximately 59% over the five year period. Similarly, the actual receipts from tax and non-tax receipts has increased over the years from Kshs.784,497,879,683 in the year 2012/2013 to Kshs.1,319,297,139,846 in the year 2016/2017 representing an increase of approximately 66% over the five year period as follows:-

Year	Budgeted Ordinary Revenue(Tax Non Tax Receipts) Kshs.	Actual Ordinary Revenue(Tax &Non Tax Receipts) Kshs.	Revenue Shortage/(Excess) Kshs.	% Shortage
2012/2013	870,518,584,891	784,497,879,683	86,020,705,208	9.9%
2013/2014	959,854,104,424	932,034,925,773	27,819,178,651	2.9%
2014/2015	1,098,167,501,267	1,047,908,306,414	50,259,194,853	4.6%
2015/2016	1,141,863,174,093	1,160,726,658,504	-18,863,484,411	-1.7%
2016/2017	1,387,966,307,421	1,319,297,139,846	68,669,167,575	4.9%

2.4 Actual Revenue

2.4.1 During 2016/2017 financial year total revenue recorded under various revenue statements as received by the National Government amounted to Kshs.1,357,698,178,325 representing an increase of Kshs.164,079,039,661 or about 14% when compared to actual collections of Kshs.1,193,619,138,664 realized in 2015/2016.

2.4.2. Total revenue of Kshs.1,357,698,178,325 when compared to total budgeted receipts of Kshs.1,449,051,153,281 resulted in an under-collection of revenue of Kshs.91,352,974,959 or 6%. The total revenue of Kshs.1,357,698,178,325 comprised of Kshs.1,319,297,139,846 and Kshs.38,401,038,479 relating to Recurrent and Development revenues respectively. However, actual Recurrent Revenue collected during the year reflected a shortfall of Kshs.68,669,167,578 or 4.9% while there was a shortfall of Development Revenue collected of Kshs.22,683,807,381 or 37% as follows:-

Details	2016/17 Estimated Receipts Kshs	2016/17 Actual Receipts Kshs	2016/17 Excess/ (Shortfall) Kshs	Shortfall % age	2015/16 Actual Receipts Kshs
Recurrent Revenue	1,387,966,307,421	1,319,297,139,846	(68,669,167,578)	-4.9%	1,160,726,658,504
Development Revenue	61,084,845,860	38,401,038,479	(22,683,807,381)	-37%	32,892,480,160
Total	1,449,051,153,281	1,357,698,178,325	(91,352,974,959)	-6.3%	1,193,619,138,664

2.4.3. The reasons provided for the 37% under-collection of Development Revenue include non-release of funds by development partners and low absorption of funds by projects and programmes.

2.5 The Exchequer Account as at 30 June 2017

2.5.1 The Statement of Receipts into and Issues from the National Exchequer Account for 2016/2017 reflects an overall net deficit of Kshs.28,880,736,111.91 as at 30 June 2017 compared to a net surplus of Kshs.59,808,758,120.81 as at 30 June 2016. Comparison of Public Debt vs Actual Gross Expenditure

The growth in public debt is attributed to disbursements of new loans to the Government by various development partners and additional borrowings from the domestic market through Treasury Bonds and Treasury Bills.

3.0 Summary of the Audit Results

3.1 Accounting Framework

The financial statements for National Government were prepared using the International Public Sector Accounting Standards (IPSAS) framework as prescribed by the Public Sector Accounting Standards Board of Kenya in compliance with Section 194 of the Public Finance Management Act 2012.

3.2 Overall Audit Results

3.2.1 The total number of National Government Financial Statements (FS) relating to the year ended 30 June 2017, examined were One Hundred and Twenty Nine (129). Forty-Six (46) or 36 % of these FS had clean (unqualified) audit opinion, Fifty-Nine (59) or 46% had qualified audit opinion, thirteen (13) or 10% had an adverse opinion expressed while eleven (11) or 8% no opinion could be expressed hence a disclaimer of opinion was issued.

The tabulation below shows audit opinions expressed on financial statements in the last Five Years:

3.2.2 Overall there has been an improvement in the number of Financial Statements with unqualified audit opinion. The unqualified opinion percentage improved from 27% in 2015/16 to 36% in 2016/2017.

I have expressed the above types of audit opinions based on the following criteria: -

a) Unqualified Opinion

An unqualified opinion is expressed when I have concluded that the financial statements give a true and fair view or are presented fairly, in all material respects, in accordance with Public Finance Management Act, 2012 and public funds have been applied lawfully and in an effective manner. The financial statements with unqualified opinion are listed in Appendix A.

b) Qualified Opinion

I have expressed qualified opinion when the misstatement or limitation on my audit is material but not pervasive. I have thus expressed an 'except for' opinion based on the effects of the matter(s) to which the qualification relates. The financial statements with qualified opinion are listed in Appendix B.

c) Adverse Opinion

I have expressed adverse opinion when audit matters on the financial statements are material and pervasive that I have concluded the financial statements are misleading or incomplete. The financial statements with adverse opinion are listed in Appendix C.

d) Disclaimer of Opinion

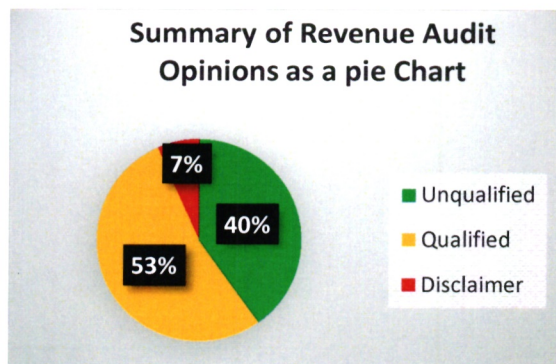

I was not able to express an opinion where the possible effects of limitations on my audit were so material and pervasive that I was unable to obtain sufficient appropriate audit evidence and accordingly unable to express any meaningful audit opinion on the financial statements. I was not able to establish whether expenditure reflected in the fifteen (15) financial statements with disclaimer of opinions were incurred lawfully and in an effective way as required by Article 229(6) of the Constitution as detailed in Appendix D.

3.3 Audit of Revenue Statements

3.3.1 During the year under review, fifteen (15) revenue statements were audited. Out of these, six (6) revenue statements had a clean opinion, eight (8) Revenue Statement were qualified while in one (1) revenue statement, I was unable to confirm whether the revenue collected was accurately recorded in absence of proper records.

4.0 Summary of Material Observations

4.1 Presentation of Financial Statements

During the last two years, there has been general improvement in the presentation of Financial statements and maintenance of accounting records compared to previous years. The improvement is attributed to adoption of the International Public Sector Accounting Standards (IPSAS) accounting framework by National Government entities when accounting for public funds. This is in addition to other interventions by National Treasury aimed at improving accountability in the public sector.

However, viewed holistically the presentation of Financial Statements is still below par.

4.2 Weak accounting for Cash and Cash Equivalent

As reported in the previous years the Audit of Cash and Cash Equivalent revealed a number of anomalies. The key weaknesses include:

- (i) Poor maintenance of Cashbooks -where it was noted a number of Government entities continued to reflect material receipts and payments in the Cashbooks not reflected in the Bank Statements and also receipts and payments in the Bank Statements not reflected in the Cashbooks.
- (ii) Analyzed entries -Entries in the Bank Statements were not analyzed while others have been outstanding for a long period of time.
- (iii) Unreconciled items, Failure to perform Bank Reconciliations
- (iv) Variation between the Cashbook Balance and the IFMIS Balance
- (v) Un-surrendered Deposits;
- (vi) Unsupported Cash and Cash Equivalent's Balances;

Owing to risk associated with Cash and Cash Equivalent items it recommended that the accounting officers address the issues noted and comply with Regulation 90(1) of the Public Finance Management (National Government) Regulations, 2015. This regulation requires the Accounting Officer to ensure that bank reconciliation statements are completed and submitted to the National Treasury with a copy to the Auditor General not later than 10th of the subsequent month for each bank account held by a National Government entity. Further, Regulation 90(3) requires the Accounting Officer to ensure that any discrepancies noted during the bank reconciliation exercise are investigated immediately and appropriate action taken including updating the relevant cashbooks.

4.3 Pending Bills

During the year ended 30 June 2017, a number of National Government entities did not settle bills amounting to Kshs.16,712,379,101. In comparison to previous years, there has been a decrease in pending bills not settled at the end of the Financial Year. In the year 2015/16 the amount was Kshs.20,472,313,203 while in 2014/15 pending bills amounted to Kshs.43,212,107,778.

Failure to settle bills during the year they are incurred adversely affect the next year's budgeted programmes. The Government entities with unpaid bills as at 30 June 2017 are listed in the table below: -

Entity	Amount Kshs.
State Department of Infrastructure	5,013,942

State Department for Devolution	3,296,627,373
Total	16,712,379,101

Further it was observed that some Government entities settled previous years' bills without proper supporting documents and approvals.

4.4 Unsupported amounts

(a) Unsupported Expenditure

Proper supporting documentation for expenditure totalling at least Kshs.8,204,931,845 was not availed for audit verification. The entities which did not adequately support their expenditure included:

Total	8,204,931,845	

(b) Unsupported Balances

It was noted that most National Government entities continued to report huge unsupported and un analyzed balances. The unsupported balances were mostly noted under Accounts Payable's Statements of Assets and Liabilities and on Cash and Cash Equivalent items. The details of this finding is in the detailed report.

4.5 Stalled/Incomplete Projects

During the year under review it was noted that Government continued to incur huge expenditure for projects which had either stalled or remained incomplete for a long time even after the expiry of their completion dates. In other instances, payments were made for work not done. This casts doubt on value for money for such expenditure. Some of the stalled/incomplete projects are listed below:

Stalled/Incomplete Projects

1	State Department of Sports Development	National Sports Fund: Incomplete partitioning of their new offices at Flamingo Towers	7,091,718

4.6 Management of Imprests

Review of management of imprests indicate that imprests continue to remain unaccounted for at the end of the Financial Year. During the year under review un-surrendered/unaccounted for imprests amounted to Kshs.518,096,643. Failure to account for imprests on due date is in contravention of Government Regulations.

Audit Opinions on the Financial Statements

Unqualified Certificate

REPORT OF THE AUDITOR-GENERAL ON THE ACCOUNTS OF THE GOVERNMENT OF KENYA FOR THE YEAR ENDED 30 JUNE 2017

I have audited the financial statements of the Government of Kenya for the year ended 30 June 2017 which are listed in Appendix A in accordance with Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

Auditor-General's Responsibility

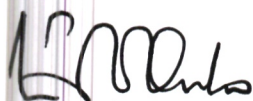

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229 of the Constitution. The audit was conducted in accordance with International Standards of Supreme Audit Institutions. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements listed in Appendix A, present fairly, in all material respects, the financial position of the Government of Kenya and its Funds as at 30 June 2017, and of its operations for the year then ended, in accordance with the International Public Sector Accounting Standards (IPSAS)-Cash Basis and comply with Government Financial Regulations and Procedures and Public Finance Management Act, 2012.

In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my adverse audit opinion.

Basis for Adverse Opinion

Details of the Basis for Adverse Opinion regarding the Financial Statements listed in Appendix C are as per accompanying detailed audit report. This includes various material misstatements, unexplained discrepancies and omission of expenditure from the financial statements.

Adverse Opinion

In my opinion, because of the significance of the matters discussed in the Basis for Adverse Opinion paragraphs, the financial statements listed in Appendix C, do not present fairly, in all material respects, the financial position of the Government of Kenya and its Funds as at 30 June 2017 and of its operations for the year then ended, in accordance with International Public Sector Accounting Standards (IPSAS)-Cash Basis and do not comply with the Government Financial Regulations and Procedures and Public Finance Management Act, 2012.

REPORT OF THE AUDITOR-GENERAL ON THE ACCOUNTS OF THE GOVERNMENT OF KENYA FOR THE YEAR ENDED 30 JUNE 2017

I have audited the financial statements of the Government of Kenya for the year ended 30 June 2017 which are listed below in accordance with Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

Auditor-General's Responsibility

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229 of the Constitution. The audit was conducted in accordance with International Standards of Supreme Audit Institutions. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

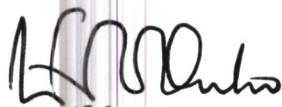

Because of the matters described in the detailed Report of the financial statements contained in Appendix D, I was unable to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

Details of the Basis for Disclaimer of Opinion regarding the Financial Statements listed in Appendix D are as per the accompanying detailed audit Report. This includes various unexplained discrepancies, omission of expenditure from the Accounts, lack of documentation to support some of the figures shown in the financial statements listed in Appendix D and failure by the Accounting Officers to provide information and explanation considered necessary for the purpose of the audit.

Disclaimer of Opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraphs, I have not been able to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on the financial statements contained in Appendix D.
