This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the Ministry; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

OFFICE OF THE AUDITOR-GENERAL

REPORT OF THE AUDITOR-GENERAL ON THE REVENUE STATEMENTS OF THE MINISTRY OF LAND AND PHYSICAL PLANNING FOR THE YEAR ENDED 30 JUNE 2017

REPORT ON THE REVENUE STATEMENTS

Disclaimer of Opinion

I have audited the accompanying revenue statements of the Ministry of Land and Physical Planning set out on pages 7 to 17, which comprise the statement of revenues and transfers for the year ended 30 June 2017, and the statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015.

I do not express an opinion on the accompanying financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

In addition, as required by Article 229(6) of the Constitution, I have not been able to obtain sufficient appropriate audit evidence to confirm that public money has been applied lawfully and in an effective way.

Basis for Disclaimer of Opinion

1.0 Land Rent Collected by KRA on behalf of the Ministry

Note 3 to the revenue statement for the year ended 30 June, 2017 under property income of Kshs.902,364,582 includes Kshs.880,104,997 collected by Kenya Revenue Authority and remitted to the National Treasury as at 30 June 2017. However, as reported previously, the Agency Agreement between the Ministry of Land and Physical Planning was not availed for audit review for confirmation of specific terms and conditions of the agreement.

In the circumstance, it has not been possible to confirm the accuracy and validity of the property income of Kshs.902,364,582 included in the statement of revenues and transfers.

2.0 Other Land Revenue

Note 4 to the revenue statement for the year ending 30 June, 2017 reflects other land revenue amounting to Kshs.685,791,538. The full breakdown/analysis of this figure

Report of the Auditor-General on the Revenue Statements of the Ministry of Land and Physical Planning for the year ended 30 June 2017

was not provided for audit review. Further, the figure was supported with a schedule of banking supposedly made from various land registries across the country. The schedule was obtained purely from the bank and did not include all the revenues collected by the registries during the year under review. In the circumstance, it has not been possible to determine the accuracy and validity of the figure for other Land Revenue of Kshs.685,791,538 included in the statement of revenues and transfers.

3.0 Budgeted and Actual Collection of Revenue

In 2016/2017 financial year, the Ministry of Land and Physical Planning had projected to collect revenue amounting to Kshs.2,950,779,981. However, the Ministry was only able to realize Kshs.1,709,236,113 resulting to a variance of Kshs.1,241,543,868 or 42% as detailed below:-

| Revenue Item | Budget | Actual Collection | Under collection | Over Collection |
|---------------------------|----------------------|----------------------|----------------------|-------------------|
| | Kshs. | Kshs. | Kshs. | Kshs. |
| Taxes on Property | 108,228,668 | 78,720,154 | (29,509,514) | - |
| Other Taxes | - | 10,492,389 | - | 10,492,389 |
| Property Income | 1,897,437,408 | 902,364,582 | (995,072,826) | - |
| Sales of Goods & Services | 945,112,905 | 718,956,845 | (226,156,060) | - |
| | 2,950,779,981 | 1,710,533,970 | 1,250,738,400 | 10,492,389 |

In view of the above, the Ministry failed to collect revenue to the tune of 42% of the budgeted revenue. This may have impacted negatively on the country's budgeted development projects.

4.0 Land Rent Revenue Collected at Headquarters

As previously reported, note 3 to the revenue statements for the year ended 30 June 2017 reflect that Kshs.22,259,585 in respect of land rent revenue was collected at the Ministry's head office. The Ministry uses e-citizen software which is system based to collect land rent revenue. A review of the system indicated the following internal control weaknesses:-

- 4.1 The source documents such as copy of title deed/lease certificate, demand notice generated by the system indicating the amount of land rent payable and bank deposit slip or proof of payment are not maintained by the department making it difficult to ascertain whether the correct amount was billed or received.
- 4.2 The users are able to edit existing data about revenue in the system such as date of latest clearance which may affect the amount payable. This compromises the quality and reliability of the revenue records available.

In the circumstance, it has not been possible to confirm the validity, accuracy and completeness of the land rent revenue of Kshs.22,259,585 included under property income in the statement of revenue and transfers.

5.0 Unexplained Variance between the Ministry and Treasury records

From the statement of revenue and transfers, the ministry transferred Kshs.830,429,072 to the Exchequer. However, as similarly reported in prior years, records maintained by the National Treasury indicated total receipts of Kshs.920,172,684 from the Ministry resulting in a variance of Kshs.89,743,612 which has not been explained or reconciled. In addition, the statement of revenue and transfers indicates that Kenya Revenue Authority collected on behalf of the Ministry and remitted to the Exchequer Kshs.880,104,997 as at 30 June 2017. However, Treasury records indicate the amount received from KRA on account of the Ministry to be Kshs.919,345,537 resulting to additional variance of Kshs.39,240,541 which has not been reconciled or explained. In the circumstance, the accuracy and validity of the total revenue collected of Kshs.1,710,534,069 included in the statement of revenue and transfers could not be confirmed.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these revenue statements in accordance with International Public Sector Accounting Standards (Cash Basis), and for such internal control as management determines is necessary to enable the preparation of revenue statements that are free from material misstatement, whether due to fraud or error.

In preparing the revenue statements, management is responsible for assessing the Ministry's ability to continue as a going concern/sustain services, disclosing as applicable, matters related to sustainability of services and using the going concern basis of accounting unless the management either intends to liquidate the Ministry's/cease operations, or have no realistic alternative but to do so.

Management is also responsible for the submission of the revenue statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

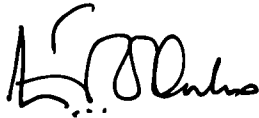

Those charged with governance are responsible for overseeing the Ministry's revenue reporting process.

Auditor-General's Responsibilities for the Audit of the Financial Statement

My responsibility is to conduct an audit of the Ministry's revenue statements in accordance with International Standards of Supreme Audit Institutions (ISSAIs) and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance

with Article 229(7) of the Constitution. However, because of the matter described in the Basis for Disclaimer of Opinion section of my report, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

I am independent of the Ministry of Land and Physical Planning in accordance with ISSAI 30 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya.
