## I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

#### (a) Background information

I

The National Government Constituencies Development Fund Act was passed by Parliament in December 2015 and came into force on 19<sup>th</sup> February 2016 thereby effectively replacing the Constituency Development Fund Act 2013.

The objective of the new Act however remains the same, that is to combat poverty and promote equitable growth and development around the country. The implementation of the Fund is now guided by the NG – CDF Act 2015 as well as regulations and circulars released by the NG-CDF Board from time to time in order to stream line the operations of the fund in accordance with best financial and management practices.

Funds are disbursed to the constituency committees and projects implemented are in respect of National Government functions.

The Constituencies Development Fund (CDF) was set up under the CDF Act, 2003 now repealed by the CDF Act, 2003. The CDF Act 2013 aligns the Fund with the Constitution of Kenya 2010 and the Public Finance Management Act 2012 that lays emphasis on citizen participation in public finance management and decision making, transparency and accountability together with equity in public resource utilization. The overall management of the Fund is the responsibility of the Constituencies Development Fund Board.

#### (b) Key Management

The Constituency's day-to-day management is under the following key organs:

- i. National Government Constituencies Development Fund Board(NG-CDFB)
- ii. National Government Constituency Development Fund Board(NG-CDFB)

#### II. FORWARD BY THE CHAIRMAN NATIONAL GOVERNMENT CONSTITUENCY DEVELOPMENT FUND COMMITTEE (NG-CDFC)

NG-CDF has made tremendous and effective impact since inception. Some changes are already experienced due to the Constitution and devolution, as we now have the national function and the County Integrated Development Plan.

In our current budget, we have concentrated on national functions as laid out in the constitution namely, bursary, education facilities etc. The current economic status requires serious adjustment on the NG-CDF allocation, so that our budget suits the range of demand in terms of projects.

#### Key achievements of the NG-CDF

6

-

## The NG-CDF achievements are well exhibited within our constituency

- 1. On the Bursary allocation, the 6,500 plus beneficiaries are pasted on notice board within CDF Offices, Divisional offices, Ward and locational chiefs' offices. On the notice boards we display the name of the beneficiary, institution, ward and the amount awarded to the student.
- 2. Classrooms have been built in all Secondary and Primary schools.
- 3. The people's involvement in identification and implementation of all projects within the Constituency. This has improved the living standards of the community as they work in the projects hence boosting the local economy.

#### Emerging issues related to the NG-CDF

- 1. Entrenching CDF in the new constitutional dispensation as it is facing serious challenges hence the need to enact legislation to align the Fund to the constitution in order to ensure its continuity.
- 2. Duplication of duties where projects that used to be under CDF are neglected.

## Implementation challenges and recommended way forward;

- 1. Late disbursement of funds leading high cost of products due to inflation.
- 2. Students are sometimes chased out of school due to delayed disbursement of bursary.
- 3. Duplication of projects by various development partners due to lack of a clear policy guideline.
- 4. Rigorous and costly litigation processes causing delay in service delivery.
- 5. Limitation of scope of projects to Education and Security only.
- 6. Lack of a proper policy guideline on Bursaries.

#### **II. STATEMENT OF CONSTITUENCY MANAGEMENT RESPONSIBILITIES**

The Accounting Officer in charge of the NG-CDF Nyakach further confirms the completeness of the accounting records maintained for the NG-CDF, which have been relied upon in the preparation of the NG-CDF's financial statements as well as the adequacy of the systems of internal financial control.

## **OFFICE OF THE AUDITOR-GENERAL**

#### REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND – NYAKACH CONSTITUENCY FOR THE YEAR ENDED 30 JUNE 2018

#### REPORT ON THE FINANCIAL STATEMENTS

#### **Qualified Opinion**

I have audited the accompanying financial statements of Nyakach National Government Constituencies Development Fund set out on pages 1 to 19 which comprise the statement of financial assets as at 30 June 2018 and the statement of receipts and payments, statement of cash flows and summary statement of appropriation for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Nyakach National Government Constituencies Development Fund as at 30 June 2018, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with Public Finance Management Act, 2012.

#### **Basis for Qualified Opinion**

#### 1. Inaccuracy in the Financial Statements

#### 1.1 Cash and Cash Equivalents

Included in the statement of financial assets is cash and cash equivalents of Kshs.34,478,683 which also includes bank balances of Kshs.34,478,683 as at 30 June 2018. However, the bank reconciliation statement reflects payments in the cash book not recorded in the bank statement (unpresented cheques) of Kshs.12,529,735. Out of this amount, cheques totaling Kshs.1,856,113 were stale as at 30 June 2018 and had not been reversed in the cash book nor replaced with other cheques. No explanation has been provided by the management for the failure to reverse or replace the stale cheques. However, Section 90 (3) of Public Finance Management (National Government) Regulations 2015 provides that Accounting Officers shall ensure any discrepancies noted

Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund – Nyakach Constituency for the year ended 30 June 2018

during bank reconciliation exercise, are investigated immediately and appropriate action taken including updating the relevant cash books.

Consequently, the accuracy and validity of the bank balance of Kshs.34,478,683 could not be confirmed.

#### 1.2 Summary Statement of Appropriation

Included in the financial statements under note VI is an adjustment receipt of Kshs.44,508,463 composed of opening bank balance of Kshs.1,770,532 and the difference of Kshs.42,737,931 representing receipts as at 30 June 2018 is not explained nor supported. However, Contrary to section 6(2) and section 7(1) of National Government Constituencies Development Funds Act, 2015 which stipulates that unutilized funds are balance available for use in the year under review to fund projects approved in the respective prior financial years.

Under the circumstance, the accuracy and validity of the statement of appropriation and the source of Kshs.42,737,931 receipts could not be confirmed.

#### 1.3 Summary of Fixed assets

Included in the financial statements, under annex 1, is Summary of Fixed Assets figure of Kshs.24,510,000 as at 30 June 2018. However, analysis of the assets register available revealed that it was not updated and the electronic items and their serial numbers were not recorded. Further, the ownership of a New Holland tractor, registration number GK A452T and its asset register reference CDF/71303/038, is in question as ownership documents in the form of a log book were not made available for audit verification. However, contrary to section 143. (1) of the Public Finance Management National Government Regulation 2015 stipulate that the Accounting Officer shall be responsible for maintaining a register of assets under his or her control or possession as prescribed by the relevant laws.

(2) The register of land and buildings shall record each parcel of land and each building and the terms on which it is held, with reference to the conveyance, address, area, dates of acquisition, disposal or major change in use, capital expenditure, lease hold terms, maintenance contracts and other pertinent management details.

In the circumstance, the accuracy of the fixed assets register figure of Kshs24,510,000, and ownership of the New Holland tractor could not be confirmed as at 30 June 2018.

#### 1.4 Unsupported Project Management Committee (PMC) Bank Balances

During the year under review, PMC bank balances of unknown amount were not disclosed nor provided under notes to the financial statements for audit review. Further and contrary to section (100) of Public finance management Act (national government) regulations 2015 stipulates that Accounting Officers shall keep in all offices concerned with receiving cash or making payments a cash book showing the receipts and payments and shall maintain such other books and registers as may be necessary for the proper

maintenance and production of the accounts of the Vote for which he or she is responsible.

As a result, the accuracy and propriety of the unknown amount by the PMC Bank balances could not be confirmed as at 30 June 2018.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of Kisumu Central National Government Constituencies Development Fund in accordance with ISSAI 30 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### **Emphasis of Matter**

#### 1. Budgetary Analysis

Analysis of the approved budget of Kshs.131,318,808 revealed that the fund received Kshs.85,353,447 out of which Kshs.52,645,296 was spent on the various budgeted items resulting to under-absorption of Kshs.32,708,151 which is 38% as summarized below:

| Item                                   | Approved<br>Budget for<br>Kshs. | Actual<br>expenditure<br>Kshs. | Under<br>Absorption<br>in Kshs. | Under<br>Absorption in<br>% |
|----------------------------------------|---------------------------------|--------------------------------|---------------------------------|-----------------------------|
| Compensation of<br>Employees           | 1,869,843                       | 1,629,240                      | 240,603                         | 13%                         |
| Use of goods and services              | 9,003,276                       | 5,906,756                      | 3,096,520                       | 34%                         |
| Transfers to Other<br>Government Units | 35,383,621                      | 12,800,000                     | 22,583,621                      | 64%                         |
| Other grants and transfers             | 85,062,068                      | 32,309,300                     | 52,752,768                      | 62%                         |
| Total                                  | 131,318,808                     | 52,645,296                     | 78,673,512                      | 60%                         |

However, contrary to section 39 of Public Finance Management (national government) Regulation 2015 stipulate that where Parliament approves any changes in the annual estimates of budget under section 39 of the Act, any increase or reduction in expenditure of a Vote, shall not exceed one (1%) percent of the Vote's ceilings'.

Section 33(f) stipulate that the budget estimates shall take into account expenditure priorities which contributes to the realization of the required output and desired policy outcome.

Consequently, failure to utilize all funds as budgeted/disbursed is an indication that programs and activities are not being implemented as planned hence not achieving the

*Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund* – *Nyakach Constituency for the year ended 30 June 2018* 

intended objective of improving delivery of goods and services to the residents of Nyakach Constituency.

#### Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. Except for the matter(s) described in the Basis for Qualified Opinion section, I have determined that there are no other key audit matters to communicate in my report.

REPORT ON COMPLIANCE WITH LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC MONEY

#### Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matter(s) described in the Basis for [Conclusion on Lawfulness and Effectiveness in Use of Public Resources/ Qualified Opinion] section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

#### Basis for Conclusion

#### 1. Funding New Project before Completing Old Ones

Included in the financial statements under Note 6 is transfer to other government entities of Kshs.12,800,000 which includes transfers to secondary schools of Kshs.9,100,000 out of which Miriu Secondary School was disbursed for a new classroom and was constructed to completion and put to use. However, adjacent to the same classroom a 2013/2014 classroom construction remained incomplete with about 60 % complete. However, contrary to section 139. (1)(a) of Public Finance Management National Government Regulation 2015 stipulate that the Accounting Officer of a national government entity shall take full responsibility and ensure that proper control systems exist for assets and that — (a) preventative mechanisms are in place to eliminate theft, security threats, losses, wastage and misuse;

Consequently, the school have not got value for money of the incomplete project which was started earlier.

#### 2. Unbudgeted for Expenditure

Included in the financial statements under Note 7 is other grants and other payments of Kshs.32,309,300 which includes roads amount of Kshs.3,968,000 paid to G-Star Investment Co. Ltd for opening and improvement of Andingo Opanga- Sangoro Road. It was noted that this expenditure was not in the 2017/18 budget. The expenditure was initiated in 2015/16 and there was no explanation as to why the payment was not done at

Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund – Nyakach Constituency for the year ended 30 June 2018

that time. However, contrary to Section 25(2) of the National Government Constituencies Development Regulations, 2016 stipulate that a Constituency Committee shall not incur expenditure unless such expenditure is supported by an approved work plan, a procurement plan and a budget.

Consequently, the propriety of the expenditure of Kshs. 3,968,000 could not be confirmed.

#### 3. Previous Year Matters

The Constituency did not indicate the status and follow up of issues reported in the previous year in the 2016/2017 financial statements as required by Public Sector Accounting Standards Board Reporting Template.

Consequently, how the audit recommendations were resolved could not be confirmed The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON INTERNAL CONTROLS EFFECTIVENESS, GOVERNANCE AND RISK MANAGEMENT SYSTEMS

#### Conclusion

As required by Section 7 (1) (a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matter(s) described in the Basis for [Conclusion on Effectiveness of Internal Controls, Risk Management and Governance/Qualified Opinion] section of my report, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

#### **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 1315 and ISSAI 1330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

#### **Responsibilities of Management and Those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as management determines is necessary to enable the preparation of financial statements that are free from material

*Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund* – *Nyakach Constituency for the year ended 30 June 2018* 

misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control.

In preparing the financial statements, management is responsible for assessing the projects ability to continue to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless the management either intends to liquidate the Nyakach National Government Constituencies Development Fund or to cease operations, or have no realistic alternative but to do so.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public money is applied in an effective manner.

Those charged with governance are responsible for overseeing the Nyakach National Government Constituencies Development Fund financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

#### Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance review is planned and performed to express a conclusion with limited assurance as to whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution. The nature, timing and extent of the

Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund – Nyakach Constituency for the year ended 30 June 2018

compliance work is limited compared to that designed to express an opinion with reasonable assurance on the financial statements.

Further, in planning and performing the audit of the financial statements and review of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7 (1) (a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Nyakach National Government Constituencies Development Fund policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis
  of accounting and, based on the audit evidence obtained, whether a material
  uncertainty exists related to events or conditions that may cast significant doubt on
  the Nyakach National Government Constituencies Development Fund ability to
  continue as a going concern or to sustain its services. If I conclude that a material
  uncertainty exists, I am required to draw attention in the auditor's report to the related
  disclosures in the financial statements or, if such disclosures are inadequate, to modify
  my opinion. My conclusions are based on the audit evidence obtained up to the date
  of my audit report. However, future events or conditions may cause the Nyakach

## VI. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

#### Statement of compliance and basis of preparation a)

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting and relevant legal framework of the Government of Kenya. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the NG-CDF and all values are rounded to the nearest thousand (KShs). The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the NG-CDF.

## b) Recognition of revenue and expenses

The NG-CDF recognises all revenues from the various sources when the event occurs and the related cash has actually been received by the NG-CDF. In addition, the NG-CDF recognises all expenses when the event occurs and the related cash has actually been paid out by the NG-CDF.

#### c) In-kind contributions

In-kind contributions are donations that are made to the NG-CDF in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the NG-CDF includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

## d) Cash and cash equivalents

•

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on each and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various Commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprest and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprest and advances to authorised public officers and/or institutions these financial statements, cash and cash equivalents also include short term cash imprest and advances to authorised public officers and/or institutions these financial statements, cash and cash equivalents also include short term cash imprest and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

#### e) Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods and services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the NG-CDF at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

#### f) Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The NG-CDF's budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the NG-CDF's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

#### g) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

## h) Subsequent events

1

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2018.
