1. PROJECT INFORMATION AND OVERALL PERFORMANCE

1.1 Name and registered office

Name: The Project's Official Name is

Kenya Youth Employment and Opportunities Project

Objective: The key objectives of the project is to increase employment and earnings opportunities for targeted youth.

Address: The project offices are headquartered in Nairobi, Nairobi County, Kenya.

The address of its registered office is:

Commercial Street, Industrial Area Nairobi.
P.O Box 74494-00200, Nairobi

The project also has county offices in the following counties:

- Mombasa
- Kisumu
- Nakuru
- Kwale
- Kilifi
- Mandera
- Kakamega
- Migori
- Turkana
- Nyandarua
- Kitui
- Kiambu

Contacts: The following are the project contacts

Telephone: (+254) -020-2695586/9

E-mail: directorgeneral@nita.go.ke

Website: www.nita.go.ke

1.2 Project Information

Project Start Date:	The project start date was 20/05/2016
Project End Date:	The project end date is 31/12/2021
Project Manager:	The Project Director is Mr Joseph Kinuthia
Project Sponsor:	The project sponsor is the International Development Association

*NITA-KYEOP Project
Reports and Financial Statements
For the financial year ended June 30, 2019*

1.3 Project Overview

Line Ministry/State Department of the project	The project is under the overall supervision of the Ministry of Public Service Youth and Gender Affairs (MPSYGA). NITA-KYEOP Reports through its line Ministry, the Ministry of Labour and Social Protection (ML&SP).
Project number	5812-KE
Strategic goals of the project	The strategic goals of the project are as follows: (i) Increase Employment for Youth (ii) Increase Earning Opportunities for Youth
Achievement of strategic goals	The project management aims to achieve the goals through the following means: (i) Improving Youth Employability (ii) Support for Job Creation (iii) Improving Labour Market Information (iv) Strengthening Youth Policy Development and Project Management
Other important background information of the project	The project consists of four components to be implemented by four agencies. Component 1, being implemented by NITA and MPSYGA addresses the skills mismatch of youth by engaging training providers and private sector employers to offer training and work experience to targeted youth. Component 2, being implemented by Micro Small Enterprise Authority(MSEA), responds to the need for job creation with initiatives to help launch new businesses, support innovative approaches to improve job and earning opportunities among the hard to serve youth. Component 3 being implemented by ML&SP, plans to improve access to and quality of labour market information. Component 4, being implemented by MPSYGA provides support for strengthening youth policy development, monitoring and evaluation and general supervision of the entire project.
Current situation that the project was formed to intervene	The project was formed to intervene in the following areas: (i) Improving Youth Employability (ii) Support for Job Creation (iii) Improving Labour Market Information (iv) Strengthening Youth Policy Development and Project Management
Project duration	The project started on 20 th of May 2016 and is expected to run until 31 st December 2021.

1.4 Bankers

The following is the banker for the current year:

- (i) Kenya Commercial Bank

1.5 Auditors

The project is audited by the Office of the Auditor General.

1.6 Roles and Responsibilities

List the different people who will be working on the project. This list would include the project manager and all the key stakeholders who will be involved with the project. Also, record their role, their positions, and their contact information.

Names	Title designation	Key qualification	Responsibilities
 Dr. Kamau Gachingi	Chairman, National Industrial Training Board	B.Sc. (Hons) in Materials Science, University of Bath (UK) 1985-1988 M.S. in Solid State Science, IMRL, The Pennsylvania State University (USA) 1990-1993 PhD. in Solid State Science, IMRL, The Pennsylvania State University (USA) 1993-1996	Chair of the AD HOC Steering Committee of the Board Charged with the Overall Stewardship of NITA-KYEOP

*NITA-KYEOP Project
Reports and Financial Statements
For the financial year ended June 30, 2019*

1.7 Funding summary

The Project is for a duration of 5 years from 2016 to 2021 with an approved budget of US\$ 58,000,000 (SDR 41,170,000 as per the Financing Agreement) equivalent to KShs 5,800,000,000 as highlighted in the table below:

Below is the funding summary:

Source of funds	Donor Commitment-		Amount received to date – (30/06/2019)		Undrawn balance to date (30/06/2019)	
	Donor currency	KShs	Donor currency	KShs	Donor currency	KShs
	(A)	(A')	(B)	(B')	(A)-(B)	(A')-(B')
(i) Credit	USD	KSHS	USD	KSHS	USD	KSHS
International Development Association	58,000,000	5,800,000,000	9,472,575	959,287,641	47,800,063	4,840,712,359
Total	58,000,000	5,800,000,000	9,472,575	959,287,641	47,800,063	4,840,712,359

1.8 Summary of Overall Project Performance:

- The Budget approved for the financial year was Kshs 928,187,007. This comprised a balance of Kshs 88,187,007 at the beginning of the financial year and National Treasury estimates, revised/supplementary and approved of Kshs 840,000,000 for the 2018-2019 financial year. Receipts for the year totalled Kshs 705,407,641 inclusive of a miscellaneous receipt of Kshs 120,000. Together with the balance brought forward the aggregate receipts totalled to kshs 793,594,648, representing 85% of the approved budget for the year. The project was able to absorb funds to the tune of Kshs 514,371,728 representing an absorption rate of 55% of the overall budget. This rate of absorption was slightly below the rate achieved in the previous year majorly as a result of late on boarding of beneficiary youth from the Ministry of Public Service, Youth and Gender Affairs(MPSYGA). In addition, actual numbers of beneficiary youth received by NITA from MPSYGA were slightly less compared to the numbers that had been budgeted for as a result of attrition. Major funds absorption related to payment of stipends and fees to beneficiary youths and Training providers respectively, Capacity building through foreign travel and Preparatory activities through domestic travel, salaries for consultants and pedagogical upskilling of identified Master Craftsmen.
- More progress is expected to be achieved in terms of absorption, in the next financial year as a result of strict adherence to timelines as stipulated in the payment protocol and more importantly, close collaboration with MPSYGA in ensuring strict adherence to timelines are met in on boarding of beneficiary youths, transition to NITA and reduction of attrition.

1.9 Summary of Project Compliance:

- No significant cases of non-compliance with applicable laws and regulations, and essential external financing agreements/covenants were reported in the financial year.

2. STATEMENT OF PROJECT MANAGEMENT RESPONSIBILITIES

The *Director General* for the **Authority** (NITA) and the *Project Director* for **Kenya Youth Employment and Opportunities Project (NITA-KYEOP)** are responsible for the preparation and presentation of the Project's financial statements, which give a true and fair view of the state of affairs of the Project for and as at the end of the financial year ended on June 30, 2019. This responsibility includes: (i) maintaining adequate financial management arrangement and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Project; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statement, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the Project; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The *Director General* for the **Authority** and the *Project Director* for **NITA-KYEOP** accept responsibility for the Project's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards.

The *Director General* for the **Authority** and the *Project Director* for **NITA-KYEOP** are of the opinion that the Project's financial statements give a true and fair view of the state of Project's transactions during the financial year/period ended June 30, 2019, and of the Project's financial position as at that date. The *Director General* for the **Authority** and the *Project Director* for **NITA-KYEOP** further confirm the completeness of the accounting records maintained for the Project, which have been relied upon in the preparation of the Project financial statements as well as the adequacy of the systems of internal financial control.

The *Director General* for the **Authority** and the *Project Director* for **NITA-KYEOP** confirm that the Project has complied fully with applicable Government Regulations and the terms of external financing covenants, and that Project funds received during the financial year/period under audit were used for the eligible purposes for which they were intended and were properly accounted for.

Approval of the Project financial statements

The Project financial statements were approved by the *Director General* for the **Authority** and the *Project Director* for **NITA-KYEOP** on 26th of August, 2019 and signed by them.

Ag. Director General
Stephen Ogenga

3. REPORT OF THE INDEPENDENT AUDITORS ON THE NITA-KYEOP PROJECT

REPORT ON FINANCIAL STATEMENTS

We have audited the accompanying financial statements of *NITA-KYEOP*, set out on pages 1 to 22 which comprise the statement of receipts and payments for the financial year/period ended June 30, 2019, and a summary of significant accounting policies and other explanatory notes.

Responsibility for the Financial Statements

The *Director General* for the **Authority** and the *Project Director* for *NITA-KYEOP* are responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (IPSAS). This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an independent opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depended on our professional judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we considered the internal controls relevant to the company's preparation and fair presentation of the financial statements in order to design audit procedures that were appropriate in the circumstances, but not for the purpose of expressing an opinion on the company's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion the accompanying financial statements give a true and fair view of the state of financial affairs of the *NITA-KYEOP* for the financial year/period ended June 30, 2019 in accordance with International Public Sector Accounting Standards (IPSAS).

*NITA-KYEOP Project
Reports and Financial Statements
For the financial year ended June 30, 2019*

REPORT ON PROJECT PERFORMANCE AND VALUE FOR MONEY ACHIEVEMENT

Based on our audit, we report that nothing came to our attention to indicate substantial non-achievement of value for money objectives. However, we identified a few minor cases of non-achievement of value for money objectives, which have been included in our separate Management Letter to the *Director General* for the Authority and the *Project Director*.

REPORT ON COMPLIANCE WITH APPLICABLE LAWS AND REGULATIONS

Based on our audit, we report that nothing came to our attention to indicate substantial non-compliance with applicable laws and regulations, as well as essential external financing covenants. However, we identified a few minor cases of non-compliance, which have been included in our separate Management Letter to the *Director General* for the Authority and the *Project Director*.

REPORT ON CONTRACTS WITH DEBARRED FIRMS

Based on our audit, we report that nothing came to our attention to indicate that debarred firms, both by the government and external financiers, were awarded any contracts under the Project during the financial year/period under review.

REPORT OF THE AUDITOR-GENERAL ON KENYA YOUTH EMPLOYMENT OPPORTUNITIES PROJECT (CREDIT NO. 5812-KE) FOR THE YEAR ENDED 30 JUNE, 2019 – NATIONAL INDUSTRIAL TRAINING AUTHORITY

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Kenya Youth Employment and Opportunities Project (Credit No. 5812-KE) set out on pages 1 to 18, which comprise the statement of financial assets as at 30 June, 2019, statement of receipts and payments, statement of cash flows and the statement of comparative budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Kenya Youth Employment and Opportunities Project as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Credit Agreement No.5812-KE dated 4 July, 2016 between the International Development Association (IDA) and the Government of Kenya and the Public Finance Management Act, 2012.

Basis for Qualified Opinion

Unsupported Payments

As disclosed under Note 8.6 to the financial statements, the statement of receipts and payments reflects purchase of goods and services of Kshs.416,567,658 which includes training expenditure of Kshs.300,236,916. Included in training expenses is Kshs.1,752,279 paid to Kenyatta University out of which an expenditure amounting to Kshs.351,845 had not been supported with invoices. Further, comparison of payroll from the centers and payment schedules from headquarters resulted to unreconciled variance of Kshs.7,294,500.

In view of the foregoing, purchase of goods and services of Kshs.300,236,916 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of Kenya Youth Employment and Opportunities Project Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Emphasis of Matter

Non-Remittance of Erroneous Miscellaneous Receipts

As disclosed under Note 8.4 to the financial statements, the statement of receipts and payments reflects miscellaneous receipts of Kshs.120,000. This amount has been explained to have been erroneously deposited in the Project account by the Ministry of Environment. The Management explained that the amount relates to conference income that should have been banked to the National Industrial Training Authority (NITA) account. The error had not been corrected by the time the audit exercise was concluded.

My opinion is not modified in respect to this matter

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Budget Control and Performance

The statement of comparative budget and actual amounts reflects final receipts budget and actual on comparable basis of Kshs.928,187,007 and Kshs.793,474,648 respectively resulting to an under-funding of Kshs.134,712,359 or 15% of the budget. Similarly, the Project spent Kshs.518,719,342 or 35% of the approved budget of Kshs.928,187,007. Management has attributed the under absorption to non-recruitment of additional staff and late procurement process.

The under absorption could have affected the planned activities and could have impacted negatively on service delivery to the public.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matter described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else

has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

1. Ineffective Project Monitoring and Evaluation

The Management spent Kshs.300,236,916 on training expenses relating to stipend to beneficiary youth and fees for master craftsmen and formal training providers for the months of June, 2018 to June, 2019. An audit inspection during the month of September, 2019 revealed that some stations were not opened throughout the working hours and attendance registers for both trainers and trainees were not maintained and updated daily as required. Further, in Mombasa County, with ninety-three (93) craftsmen based in all the eight (8) sub counties, only one Project Coordinator was supposed to carry out physical spot checks and attendance monitoring by commuting to the sub counties.

The feasibility of the coordination could not be confirmed or whether there are measures to ensure effectiveness of Internal Controls put in place to ensure the Project succeeds.

2. Untagged Fixed Assets

The statement of financial assets reflects total assets of Kshs.109,141,639 as disclosed under Note 8.7 to the financial statements. Included in this figure are assets worth Kshs.9,113,180 that had not been tagged and serialized for ease of identification. Further, no evidence was made available to prove that the assets were verified quarterly as required by the project implementation manual.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by International Development Association (IDA), I report based on my audit, that: -

- i. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit;
- ii. In my opinion, adequate accounting records have been kept by the Project, so far as appears from the examination of those records; and,
- iii. The Project's financial statements are in agreement with the accounting records and returns.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Project's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of intention to liquidate the Program or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the Project monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems

are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Project's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Project to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Project to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

8. NOTES TO THE FINANCIAL STATEMENTS

The principal accounting policies adopted in the preparation of these financial statements are set out below:

8.1 Basis of Preparation

8.1.1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of Accounting, as prescribed by the PSASB and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

The accounting policies adopted have been consistently applied to all the years presented.

8.1.2. Reporting entity

The financial statements are for the National Industrial Training Authority-Kenya Youth and Opportunities Project under National Government of Kenya. The financial statements encompass the reporting entity as specified in the relevant legislation, PFM Act 2012 .

8.1.3. Reporting currency

The financial statements are presented in Kenya Shillings (KShs), which is the functional and reporting currency of the Project and all values are rounded to the nearest Kenya Shilling.

8.2 Significant Accounting Policies

a) Recognition of receipts

The Project recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Government.

• Transfers from the Exchequer

Transfer from Exchequer is recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

- **Other receipts**

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognised in the financial statements the time associated cash is received.

b) Recognition of payments

The Project recognises all payments when the event occurs and the related cash has actually been paid out by the Project.

- **Compensation of employees**

Salaries and Wages, Allowances, Statutory Contribution for employees are recognized in the period when the compensation is paid.

- **Use of goods and services**

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. If not paid for during the period where goods/services are consumed, they shall be disclosed as pending bills.

- **Acquisition of fixed assets**

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the consolidated financial statements.

c) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorized public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

d) Accounts receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

e) Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Project at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

f) Budget

The budget is developed on a comparable accounting basis (cash basis), the same accounts classification basis (except for accounts receivable - outstanding imprest and clearance accounts and accounts payable - deposits, which are accounted for on an accrual basis), and for the same period as the financial statements. The Project's budget was approved as required by Law and National Treasury Regulations, as well as by the participating development partners, as detailed in the Government of Kenya Budget Printed Estimates for the year. The Development Projects are budgeted for under the MDAs but receive budgeted funds as transfers and account for them separately. These transfers are recognised as inter-entity transfers and are eliminated upon consolidation.

A high-level assessment of the Project's actual performance against the comparable budget for the financial year/period under review has been included in an annex to these financial statements.

g) Comparative figures

Where necessary comparative figures for the previous financial year/period have been amended or reconfigured to conform to the required changes in financial statement presentation.

Reports and Financial Statements
For the financial year ended June 30, 2019

Purchase of goods and services	776,014,042	416,567,658	359,446,384	54%	The low absorption was majorly as a result of a higher allocation made on training cost vote to cater for stipends and fees for training provider as per the set timelines. Cycle 2 training was scheduled to begin in the month of September 2018, but began in the month of January 2019. Cycle 3 was scheduled to begin in the month of March 2019 but began in June 2019. This had a negative effect in our absorption as a result of delays in receipt of these beneficiary youth from the Ministry of Public service, youth and gender affairs as per the set timelines. Funds budgeted could only be incurred once we received these youth .
Acquisition of non-financial assets	98,244,965	76,636,050	21,608,915	78%	The low absorption was brought about by late procurement process of 5 additional vehicles for cycle 3 counties of Mandera, Nyandarua, Kisii and Kilifi
Total payments	928,187,007	518,719,342	409,467,665	56%	

Explain all variance below 90% and above 100%

ANNEX 3 – SUMMARY OF FIXED ASSET REGISTER

Asset class	Opening Cost (KShs) 2017/18 (a)	*Purchases/Additions in the Year (KShs) 2018/19 (b)	**Disposals in the Year (KShs) 2018/19 (c)	Closing Cost (KShs) 2019 (d)= (a)+ (b)-(c)
Office equipment, ICT equipment, furniture and fittings	17,325,970	21,950,668	0	39,276,638
Software	15,179,619	8,040,382	0	23,220,001
Motor vehicles	0	46,645,000		46,645,000
Total	32,505,589	76,636,050	0	109,141,639

Notes

Purchase of household furniture for the 2017/18 financial year has been included under purchase of office furniture & general equipment in the 2018/19 financial year. This includes laptops, desktop computers, tablets, printers, LED Projector screen and furniture purchased for PIU staff in Nairobi and County Project Coordinators in the counties earlier mentioned. Purchase of Specialized equipment/Intangibles relates to Purchase of the M.I.S. system software to cater for the operations of the project especially in Stipends for youth and fees management for Master craftsmen and Formal Training Providers. Purchase of Vehicles relates to 10 vehicles purchased meant for the 10 counties in cycle 1 and 2.
