## Introduction

Section 50 of the National Government Constituencies Development Fund (NG-CDF) Act, 2015 as amended in 2022 establishes the National Assembly Select Committee (NASC) on the NG-CDF whose main functions include but not limited to;

- (a) Oversee the implementation of the Act and in this respect, shall after every two years submit a report to the National Assembly and where necessary propose any amendments to this Act, in particular, with respect to the quantum of funds repayable into the Fund in accordance with section 4 of the Act;
- (b) Oversee the policy framework and legislative matters that may arise in relation to the Fund;
- (c) Continually review the framework set out for the efficient delivery of development programmes financed through the Fund;
- (d) Consider and report to the National Assembly, with recommendations, names of persons required to be approved by the National Assembly under this Act;

Section 51(1) of the Act further stipulates that the Board shall, on a quarterly basis, submit a report to the National Assembly Select Committee detailing the following;

- a) A summary of the project proposals received from the Constituencies in the preceding quarter and indicating the approval status of such projects;
- (b) A summary of the status of disbursements of funds to the Constituencies for that preceding quarter;
- (c) A summary of the status of disbursements from the National Treasury to the National Account;
- (d) Any restriction imposed on a Constituency account in accordance with the Act.

It is based on the foregoing that the National Government Constituencies Development Fund (NG-CDF) Board is submitting its report for the third quarter of 2023/24 Financial Year detailing the following:

**A. A summary of the Project Proposals received from the Constituencies in the preceding quarter and indicating the approval status of such projects**

The National Government Constituencies Development Fund (NG-CDF) was allocated a total of Kshs.53,531,500,000 for the 2023/2024 financial year. Subsequent to the allocation, the Board determined the budget ceiling for each constituency with the approval of the National Assembly Select Committee in line with Section 6 and 34 of the NG-CDF Act. This paved way for the National Government Constituency Development Fund Committees (NG-CDFCs) to embark on preparation of project proposals for the 2023/2024 financial year.

A further, Kshs.3.4 billion was allocated to the Fund under supplementary Estimate 1 as a conditional grant towards implementation of infrastructure projects in Junior Secondary Schools (JSS). Additionally, Kshs.1 billion was allocated towards schools' infrastructure in Nairobi County. This brought the total allocation to the Fund in the 2023/2024 Financial Year to Kshs.57,931,500,000

The Board has to date received Project Proposals from two hundred and ninety (290) Constituencies out of which one hundred and eighty six (186) have been considered by the Board while Project Proposals from one hundred and four (104) Constituencies are at various levels of review by Management.

B. Summary of the status of disbursement of funds to the Constituencies for Financial Years 2023/24, 2022/23, 2021/2022, 2020/2021, 2019/20, 2018/19 as at 31<sup>st</sup> March 2024.

### C. Summary of the status of disbursements from the National Treasury to the National Account

The National Government Constituencies Development Fund (NG-CDF) was allocated a total of Kshs.57,931,500,000 for the 2023/2024 financial year.

The Board has to date received Kshs.30 billion from the National Treasury.

### D. Restriction imposed on a constituency account

Section 5 (7) of the NG-CDF Act, 2015 states that “the Board may impose reasonable requirements, including restrictions, on a particular constituency and such restrictions or requirements shall be reported together with the quarterly returns to be submitted to the Cabinet Secretary and the National Assembly Committee in accordance with the Act”

During the second quarter of 2023/24 Financial Year, the NG-CDF Board imposed restrictions on Kimilili and Kuria East Constituencies’ accounts.

#### 1. Kimilili Constituency

The Board has to date disbursed a total Kshs.57,000,000 for the 2022/23 Financial Year out of an allocation of Kshs.138,215,033. The funds were disbursed to cater for bursaries, administration and emergencies.

The restriction on the Kimilili Constituency account was informed by need to address various complaints received by the Board ranging from non payment of contractors, stalled projects and funding of projects that had not been approved by the Board. As a result, the NG-CDF Board Management undertook reconciliation of projects expenditures and verification visits to projects aimed at establishing why some contractors had not been paid, establish status of projects implemented without the approval of the Board among other issues. Further, the Board engaged the state department for public works in carrying out technical assessment of 37 projects out of which ten (10) were found to be unsound hence requiring remedial measures to be undertaken while one project was condemned and recommended for demolition.

The Board in a meeting held on 11<sup>th</sup> January 2024 considered the reports and resolved that the NG-CDFC revises the Project Proposal for 2022/23 Financial Year taking into consideration recommendations of technical audit towards remedying defective works and allocating additional funds to specific projects to facilitate settling of contractors' claims.

The NG-CDFC is yet to submit the revised Project Proposal.

## 2. Kuria East Constituency

The Board has to date disbursed a total **Kshs.57,000,000** for the 2022/23 Financial Year out of an allocation of Kshs.145,087,603. The funds were disbursed to cater for bursaries, administration and emergencies.

The Board, while considering the Project Proposal for Kuria East for 2022/23 Financial Year noted anomalies on some of the proposed projects that required verification. During verification by Management it was noted that some of the proposed projects in 2022/23 Financial Year's Project Proposal had already been undertaken while some projects that had been funded previously had not been undertaken.

As a result, the Board mandated management to carry out reconciliation of financial records including verification of projects funded between 2017/18 and 2021/22 Financial Years so as to ascertain how allocated and disbursed funds were utilized during the stated period.

The exercise revealed that;

1. Projects in forty five(45) institutions with a total approved budgetary allocation of **Kshs.139,836,207** had a cumulative expenditure of **Kshs.189,207,821** resulting to an *over expenditure of Kshs.49,371,614*
2. Forty six (46) institutions were not implemented or funded as approved by the Board. The projects had approved budget totaling to **Kshs.197,702,028** while the cumulative expenditure was **Kshs.94,105,075** resulting to underfunding of **Kshs.103,596,953**
3. There were unsupported expenditures amounting to Kshs.1,272,441 - Review of the bank statement revealed that two payments were made out of the constituency committee bank account without supporting documents.
4. The NG-CDFC over utilized funds allocated under votes with statutory ceilings (Administration and Recurrent, Monitoring and Evaluation, emergency, Bursary and sports) by **Kshs.37,034,375**.

5. The NG-CDFC implemented projects without the approval of the Board
6. The NG-CDFC changed scope of works without the approval of the Board
7. The NG-CDFC failed to adhere to procurement law, policies and procedures in procurement of works and services
8. The NG-CDFC failed to deduct and remit relevant taxes and other statutory deductions such VAT, income tax, NSSF, PAYE
9. The NG-CDFC failed to maintain proper books of accounts
10. The NG-CDFC did not adequately involve the State Department for Public Works in the implementation of projects

The Board in a meeting held on 11<sup>th</sup> January 2024 considered the report and resolved that the NG-CDF Committee submits documents to account for the over expenditure among other resolutions.

The documents submitted were not adequate to account for the over expenditure in the forty five (45) institutions hence the Board mandated Management to carry out physical verification of all the projects reported to have been undertaken with the funds.

Management undertook the verification exercise between 2<sup>nd</sup> and 6<sup>th</sup> April 2024 and a report on the findings shall be tabled before the Board in its next meeting.
