For the year ended 30th June, 2019**

CHAIRMAN'S STATEMENT

On behalf of the Board, I am encouraged by the integrity, responsiveness and sheer determination of the Directors, Management and employees which has been key in meeting water services needs within our area of jurisdiction despite the various challenges faced, it is therefore, with great pleasure that I present the Reports Financial Statement of the year ended 30th June 2019.

The Company's mission is to provide water and waste water services that are economically viable, environmentally friendly, socially responsible and responsive to customers' needs and expectations. This in its self is a major challenge but which I want to assure you that the company is capable of achieving.

We have faced challenges of water demand exceeding the available water supply, aged and dilapidated reticulation system, limitation of the pipeline coverage scope water losses and increased operating costs which outstretch the available revenues. Some of these challenges have been addressed through internally generated resources and the National Government of Kenya through the Ministry of Water and Irrigation, and its agencies, such as the Water Services Trust Fund.

The limited expansion of the Company's pipe network and facilities to support the increasing demand has gone a long way to build on customer confidence and satisfaction. Over the years we have intensified implementation of system expansion, reinforcement and upgrade projects aimed at improving the reliability of water supply, reducing system losses and creating capacity for new customer connections and extension of service coverage.

It is clear that the future will be equally as challenging as the past taking into consideration the rapid urbanization within our area of service. The Board is therefore committed to the insistence on good Governance and accountability to overcome these inevitable challenges. The Board shall continue to transform the Company into a dynamic, pro-active, and consumer conscious organization so as to prevail over existing and emerging challenges and also to attain its vision *"To be the industry leader and water service provider of choice"*.

Finally, I am humbled and to sincerely express my gratitude and appreciation to all stake holders who include: The shareholders, our esteemed customers, my fellow Directors, the Management team, staff, Government of Kenya, investment partners, and our valued suppliers for their continued support which has contributed to achieving our mandate as a water service provider.

Thank you

Patrick Mugo.
Chairman

Oloolaiser Water and Sewerage Company Limited

**Reports and Financial Statements
For the year ended 30th June, 2019**

REPORT OF THE MANAGING DIRECTOR

The water company, under certificate of operation by Water Services Regulatory Board and through a Service Provision Agreement with Tanathi Water Services Board (a state Corporation) provides water and waste water services within Kajiado North and Kajiado West Sub Counties of Kajiado County and has a coverage area of approximately 716km² targeting an estimated population of 307,455 persons.

The Company has achieved a service coverage of 89km² and 172,175 persons being an achievement of 12.4% and 56% respectively, the low coverage is attributed to a limited reticulation networks which is majorly present within the urban areas of Ongata Rongai, Kiserian, Ngong and Matasia and their immediate environs, for instance Olkeri and Bulbul areas. Water is a key driver of social-economic development, during the year under review, the Company centered on demand focused distribution of water, albeit inadequate, while still ensuring accessibility to all, this enhanced reliability of the service coupled with improved customer service.

The financial year 2018-2019 has been particularly difficult due to a period of drought, high costs especially on some operational costs and the challenge of high Non-Revenue Water Levels. Challenges of an old dilapidated reticulation networks, poor designs coupled with wrong sizing of pipes and poor class of materials has contributed to physical water losses. Other contributions of water loss has been through poor meter installation techniques, aged consumer meters, wrong meter positioning, meter inefficiencies, incidences of illegal reconnections, meter by passes and water theft making contribution to commercial losses.

As the utility charged with the responsibility of providing water and sewerage services within Kajiado North and Kajiado West Sub Counties, the people of this sub counties look upon us to deliver, I am pleased to state that through the years, we have set ourselves ambitious performance goals and have consistently delivered against them. Though the years have been exceptionally challenging, we have substantially increased our customer base through investments in the expansion of our infrastructure and improvements in the quality of service to our customers

Ladies and Gentlemen, The Company has intensified exploration, planning, designing and implementation of system expansion targeted at improving the quality and reliability of the service by construction of pipeline extension of various diameters and additional storage tanks.

Thank you

Dickson Ntikoisa
Managing Director

Oloolaiser Water and Sewerage Company Limited

CORPORATE GOVERNANCE STATEMENT

The Board of Directors regard corporate governance as pivotal to the successes of the company and are unreservedly committed to ensuring that as a public service institution, the company's decisions are guided by the core tenets as prescribed in the code of conduct. Accordingly the Board of Directors and the established Committees of the Board regularly evaluate the standard of service so as to continuously deliver on our mandate and remain a sustainable and viable entity.

CORPORATE SOCIAL RESPONSIBILITY STATEMENT

Oloolaiser Water and Sewerage Company recognize that we must be responsible towards its stakeholders, society and our environment in order to achieve a sustainable system in Kenya. As a Company we acknowledge our responsibility to the environment and to our local communities in which we operate. We aim to embrace responsibility for corporate actions and to encourage a positive impact on the environment and stakeholders including customers, employees, investors, *communities and others*. *The Company actively encourages our staff to recognise those responsibilities and behave in a responsible manner toward the society in which we function. We regard the setting of good examples as an important practice in this regard. Below are some examples of how the Company and its staff have shown commitment to practice responsible corporate behaviour and to establish and support initiatives in the offices.*

Environment

The Company seek to participate and contribute to a cleaner environment and hence involved in community exercises which include clean up exercises especially in towns within its areas of jurisdiction and by so doing reduces impact on the environmental pollution. The company also actively gets involved in tree planting in its various Stations. The company also contributes to the society by giving donations especially during public national holidays.

Employees

The success of the company is based on its people. The Company seek to recruit, retain, reward and develop the best talent in the company. It recognises the need to inculcate among our employees the culture of being sensitive to safety, security, society and the environment. This ensures that employees act with integrity and responsibility with the people they deal with and the environment they interact with. It train employees to value each other, provide necessary support systems for people with different needs and have a system in place that encourages acceptance of cultural diversity. Further, it continually seeks to improve its employees through structured programs for personal and professional development.

Health and Safety

The Company aim to ensure a safe and healthy working environment for all our employees and customers. The Company aims to comply with all relevant legislation or regulations and best practice guidelines recommended by national health and safety authorities. It also liaise with staff regarding policies and practices so that it can continue to maintain a healthy, safe and enjoyable work environment.

For the year ended 30th June, 2019

**REPORT OF THE INDEPENDENT AUDITORS
ON THE OLOOLAISER WATER AND SEWERAGE COMPANY LIMITED**

We have audited the financial Statements of *Oloolaiser Water and Sewerage Company Limited* for the year ended 30th June, 2019, which comprise: (i) a statement of comprehensive income; (ii) a statement of financial position as at 30 June, 2019; (iii) a statement of cash flows; (iv) a summary of significant accounting policies; and (v) other explanatory notes.

Management's responsibility for the financial statements

The Directors are responsible for the preparation and fair presentation of the financial statements which give a true and fair view of the entity's state of affairs and its operating results in accordance with International Financial Reporting Standards, and for such internal control as the Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on the financial statements based on our audit in accordance with the International Standards on Auditing which require that the auditor comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to Oloolaiser Water and sewerage company preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

REPORT OF THE AUDITOR-GENERAL ON OLOOLAISER WATER AND SEWERAGE COMPANY LIMITED FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Oloolaiser Water and Sewerage Company Limited set out on pages 14 to 27, which comprise of the statement of financial position as at 30 June, 2019, statement of profit and loss and other comprehensive income, statement of changes in equity, statement of cash flows and the statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the Oloolaiser Water and Sewerage Company Limited as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Financial Reporting Standards and comply with the Water Act, 2016 and the Companies Act, 2015.

Basis for Qualified Opinion

1. Undisclosed Material Threat to Going Concern

The statement of financial position reflects current liabilities of Kshs.160,990,067 against the current assets of Kshs.56,262,137 resulting to a negative working capital of Kshs.104,727,930, an indication that the Company is experiencing financial difficulties that has impacted on its sustainability and edging towards bankruptcy. Further, the statement of comprehensive income reflects a loss of Kshs.25,635,491 which increased by Kshs.10,626,136 from Kshs.15,009,355 as at 1 July, 2018 resulting to an increased loss of 71%. Management has not disclosed this fact in the explanatory notes to the financial statements.

In the circumstances, the continued existence of the Company is dependent on the support of donors and creditors.

2. Inaccuracy in Cash and Cash Equivalents

As disclosed in Note 10 to the financial statements, the statement of financial reflects a balance of Kshs.3,864,492 as cash and cash equivalents as at 30 June, 2019. However, review of bank certificate balances revealed that a donor account held at Kenya Commercial Bank Account with a balance of Kshs.411,899 was not disclosed in the financial statements while supporting bank certificate for a deposit account held at the same bank reflects a balance of Kshs.964,218 against financial statements balance of Kshs.978,718 resulting to unreconciled balances of Kshs.14,500.

Further, review of records revealed that Management made a cash withdrawal of Kshs.1,890,000 for repair and relocation of various pipelines which was above the set ceiling of Kshs.150,000 contrary to a resolution of Risk and Audit Committee. A physical verification carried out on 27 November, 2019 did not find any evidence of relocation of water pipelines.

In view of the above, the accuracy, completeness and validity of cash and cash equivalent balance of Kshs.3,864,492 as at 30 June, 2019 could not be confirmed.

3. Unsupported Expenditure

Examination of payment vouchers and cash book postings revealed missing payment vouchers amounting to Kshs.19,815,516 and unsupported petty cash withdrawals payment vouchers amounting to Kshs.2,942,262 that were not adequately supported and approved all totalling to Kshs.22,757,778.

Consequently, the accuracy, completeness and validity of expenditure totalling to Kshs. 22,757,778 for the year ended 30 June, 2019 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Oloolaiser Water and Sewerage Company Limited Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Information

The Board of Directors is responsible for the other information. The other information comprises the report of Board of Directors as required by the Companies Act, 2015, and the statement of the Board of Directors responsibilities which are obtained prior

to the date of this report, and the annual report which is expected to be made available after that date. The other information does not include the financial statements and the auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express an audit opinion or any form of assurance thereon.

In connection with the audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or the knowledge obtained in the audit, or otherwise appears to be materially misstated. If based on the work I have performed,, I conclude that there is material misstatement of this other information, I am required to report that fact.

I have nothing to report in this regard.

Other Matter

1. Budgetary Control and Performance

The statement of comparison of budget and actual amounts reflects final income budget and actual on comparable basis of Kshs.197,496,493 and Kshs.156,206,456 respectively resulting to an under collection of Kshs.41,290,037 or 21% of the budget. Similarly, the statement reflects final expenditure budget and actual on comparable basis of Kshs.197,471,589 and Kshs.181,841,987 respectively resulting to an under expenditure of Kshs.15,629,642 or 8% of the budget.

Based on the approved estimates, under funding affected the planned activities and may have impacted negatively on service delivery to the public.

2. Unresolved Prior Year Matters

In the audit report of the previous year, several issues were raised under the Report on Financial Statements, Report on Lawfulness and Effectiveness in Use of Public Resources, and Report on Effectiveness of Internal Controls, Risk Management and Governance. However, the Management has not resolved the issues or given any explanation for failure to adhere to the provisions of the Public Sector Accounting Standards Board templates and The National Treasury's Circular Ref: PSASB/1/12 Vol.1(44) of 25 June, 2019.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that,

Report of the Auditor-General on Oololaiser Water and Sewerage Company Limited for the year ended 30 June, 2019

nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Irregular Award of Tenders

Review of procurement records for suppliers, contractors and consultants including payment details revealed that a number of suppliers were awarded contracts to supply various goods and services amounting to Kshs.2,304,141. However, the suppliers were not included in the prequalified list of suppliers of the Company. This is contrary to Section 57(1), 93(1) and 95(3) of the Public Procurement and Asset Disposal Act, 2015.

Consequently, the Management is in breach of the law.

2. Non-Compliance with Non-Revenue Water Guidelines

During the year under review, the Company produced 2,512,660 m³ of water. Out of this, 1,674,834 m³ was billed to customers resulting to a balance of 837,817 m³ or 33.34% un-accounted for water which is 8.34% above industry ceiling of 25% loss. This is contrary to WASREB Regulatory Guidelines. The recommended average rate is Kshs.83.00 per m³ of water. This means the Company may have incurred a loss of 837,817 m³ equivalent to Kshs.69,538,811.

Consequently, the Management is in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall

governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Kenyan Companies Act, 2015, I report based on the audit, that:

- i. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit;
- ii. In my opinion, adequate accounting records have been kept by the Company, so far as appears from the examination of those records; and,
- iii. The Company's financial statements are in agreement with the accounting records and returns.

Responsibilities of Management and Board of Directors

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to liquidate the Company or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, the Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

The Board of Directors is responsible for overseeing the financial reporting process, reviewing the effectiveness of how the Company monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting

from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Company to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide the Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

REPORT OF THE AUDITOR-GENERAL ON OLOOLAISER WATER AND SEWERAGE COMPANY LIMITED FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Oloolaiser Water and Sewerage Company Limited set out on pages 14 to 27, which comprise of the statement of financial position as at 30 June, 2019, statement of profit and loss and other comprehensive income, statement of changes in equity, statement of cash flows and the statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the Oloolaiser Water and Sewerage Company Limited as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Financial Reporting Standards and comply with the Water Act, 2016 and the Companies Act, 2015.

Basis for Qualified Opinion

1. Undisclosed Material Threat to Going Concern

The statement of financial position reflects current liabilities of Kshs.160,990,067 against the current assets of Kshs.56,262,137 resulting to a negative working capital of Kshs.104,727,930, an indication that the Company is experiencing financial difficulties that has impacted on its sustainability and edging towards bankruptcy. Further, the statement of comprehensive income reflects a loss of Kshs.25,635,491 which increased by Kshs.10,626,136 from Kshs.15,009,355 as at 1 July, 2018 resulting to an increased loss of 71%. Management has not disclosed this fact in the explanatory notes to the financial statements.

In the circumstances, the continued existence of the Company is dependent on the support of donors and creditors.

2. Inaccuracy in Cash and Cash Equivalents

As disclosed in Note 10 to the financial statements, the statement of financial reflects a balance of Kshs.3,864,492 as cash and cash equivalents as at 30 June, 2019. However, review of bank certificate balances revealed that a donor account held at Kenya Commercial Bank Account with a balance of Kshs.411,899 was not disclosed in the financial statements while supporting bank certificate for a deposit account held at the same bank reflects a balance of Kshs.964,218 against financial statements balance of Kshs.978,718 resulting to unreconciled balances of Kshs.14,500.

Further, review of records revealed that Management made a cash withdrawal of Kshs.1,890,000 for repair and relocation of various pipelines which was above the set ceiling of Kshs.150,000 contrary to a resolution of Risk and Audit Committee. A physical verification carried out on 27 November, 2019 did not find any evidence of relocation of water pipelines.

In view of the above, the accuracy, completeness and validity of cash and cash equivalent balance of Kshs.3,864,492 as at 30 June, 2019 could not be confirmed.

3. Unsupported Expenditure

Examination of payment vouchers and cash book postings revealed missing payment vouchers amounting to Kshs.19,815,516 and unsupported petty cash withdrawals payment vouchers amounting to Kshs.2,942,262 that were not adequately supported and approved all totalling to Kshs.22,757,778.

Consequently, the accuracy, completeness and validity of expenditure totalling to Kshs. 22,757,778 for the year ended 30 June, 2019 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Oololaiser Water and Sewerage Company Limited Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Information

The Board of Directors is responsible for the other information. The other information comprises the report of Board of Directors as required by the Companies Act, 2015, and the statement of the Board of Directors responsibilities which are obtained prior

to the date of this report, and the annual report which is expected to be made available after that date. The other information does not include the financial statements and the auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express an audit opinion or any form of assurance thereon.

In connection with the audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or the knowledge obtained in the audit, or otherwise appears to be materially misstated. If based on the work I have performed,, I conclude that there is material misstatement of this other information, I am required to report that fact.

I have nothing to report in this regard.

Other Matter

1. Budgetary Control and Performance

The statement of comparison of budget and actual amounts reflects final income budget and actual on comparable basis of Kshs.197,496,493 and Kshs.156,206,456 respectively resulting to an under collection of Kshs.41,290,037 or 21% of the budget. Similarly, the statement reflects final expenditure budget and actual on comparable basis of Kshs.197,471,589 and Kshs.181,841,987 respectively resulting to an under expenditure of Kshs.15,629,642 or 8% of the budget.

Based on the approved estimates, under funding affected the planned activities and may have impacted negatively on service delivery to the public.

2. Unresolved Prior Year Matters

In the audit report of the previous year, several issues were raised under the Report on Financial Statements, Report on Lawfulness and Effectiveness in Use of Public Resources, and Report on Effectiveness of Internal Controls, Risk Management and Governance. However, the Management has not resolved the issues or given any explanation for failure to adhere to the provisions of the Public Sector Accounting Standards Board templates and The National Treasury's Circular Ref: PSASB/1/12 Vol.1(44) of 25 June, 2019.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that,

Report of the Auditor-General on Oloolaiser Water and Sewerage Company Limited for the year ended 30 June, 2019

nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Irregular Award of Tenders

Review of procurement records for suppliers, contractors and consultants including payment details revealed that a number of suppliers were awarded contracts to supply various goods and services amounting to Kshs.2,304,141. However, the suppliers were not included in the prequalified list of suppliers of the Company. This is contrary to Section 57(1), 93(1) and 95(3) of the Public Procurement and Asset Disposal Act, 2015.

Consequently, the Management is in breach of the law.

2. Non-Compliance with Non-Revenue Water Guidelines

During the year under review, the Company produced 2,512,660 m³ of water. Out of this, 1,674,834 m³ was billed to customers resulting to a balance of 837,817 m³ or 33.34% un-accounted for water which is 8.34% above industry ceiling of 25% loss. This is contrary to WASREB Regulatory Guidelines. The recommended average rate is Kshs.83.00 per m³ of water. This means the Company may have incurred a loss of 837,817 m³ equivalent to Kshs.69,538,811.

Consequently, the Management is in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall

governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Kenyan Companies Act, 2015, I report based on the audit, that:

- i. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit;
- ii. In my opinion, adequate accounting records have been kept by the Company, so far as appears from the examination of those records; and,
- iii. The Company's financial statements are in agreement with the accounting records and returns.

Responsibilities of Management and Board of Directors

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to liquidate the Company or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, the Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

The Board of Directors is responsible for overseeing the financial reporting process, reviewing the effectiveness of how the Company monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting

from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Company to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide the Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

STATEMENT OF COMPARISON OF BUDGET AND ACTUAL AMOUNTS

STATEMENT OF BUDGET AND ACTUAL COMPARISON						
	ITEM	APPROVED BUDGET 2018/2019	ANNUAL INCOME AND EXPENDITURE TOTALS	ANNUAL INCOME AND EXPENDITURE VARIANCE	ANNUAL PERFORMANCE RATING	REMARKS
	INCOME					
1	Total Billing	193,310,485.20	147,712,302.42	(45,598,182.78)	76%	Decline in billing was caused by frequent power disconnection within the financial year and drought that led to water rationing hence low billing.
2	Water Billing Collections	189,444,275.50	133,215,087.50	(56,229,188.00)	70%	The Collection efficiency was disrupted by lack of water, during the days of power disconnection, customers did not pay well since they did not have water.
	<i>Other Incomes</i>					
3	News connection fees	3,900,000.00	1,475,900.00	(2,424,100.00)	38%	Due to the drought, the production was low and the Company could not engage in new connections.
4	Grants	-	6,100,000.00	6,100,000.00		Payments done by County Government to Kenya power to settle outstanding bills.
5	VAT refunds	-	584,246.00	584,246.00		The refunds were not budgeted for, since it was not yet clear how much was expected.
6	Staff houses maintenance	286,008.00	334,008.00	48,000.00	117%	More company's utility houses were vacated and issued to other staff who could be deducted
	projection	197,496,493.20	156,206,456.42	(41,290,036.78)	79%	
7	Total Administration Expenses	26,434,425.00	27,980,264.16	(1,545,839.16)	106%	Due to the legal fees , professional fees for VAT refund and frequent travels which were not expected.
8	Total Board Expenses	6,787,472.00	7,361,834.00	(574,362.00)	108%	Due to frequent meetings following suspension and consequently dismissal of management staff.
9	Total operational Expenses	76,957,550.09	72,761,896.33	4,195,653.76	95%	
10	Staff Costs	87,292,141.62	73,737,952.65	13,554,188.97	84%	
	Grand Expenditure	197,471,588.71	181,841,947.14	15,629,641.58	92%	
	Income less expenses	24,904.49	(25,635,490.72)	(25,660,395.20)		

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES & NOTES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. STATEMENT OF COMPLIANCE AND BASIS OF PREPARATION

The financial statements have been prepared on a historical cost basis and liabilities at their present value. The preparation of financial statements in conformity with International Financial Reporting Standards (IFRS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the *Oloolaiser Water and Sewerage Company Ltd* accounting policies.

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of *Oloolaiser Water and Sewerage Company Ltd* and all values are rounded to the nearest thousand.

The financial statements have been prepared in accordance with the PFM Act, the State Corporations Act, and International Financial Reporting Standards (IFRS). The accounting policies adopted have been consistently applied to all the years presented.

a) Revenue recognition

Revenue is recognised to the extent that it is probable that future economic benefits will flow to *Oloolaiser Water and Sewerage Company* and the revenue can be reliably measured. Revenue is recognised at the fair value of consideration received or expected to be received in the ordinary course of *Oloolaiser Water and Sewerage Company Ltd* activities, and when specific criteria have been met for each of the *Oloolaiser Water and Sewerage Company Ltd* activities as described below.

- i) **Revenue from the sale of Water** is recognised in the year in which the *Oloolaiser Water and Sewerage Company Ltd* bills the customer which is after, the customer has consumed water and collectability of the related receivables is reasonably assured.
- ii) **VAT refunds from Kenya Revenue Authority** are recognised in the year in which the *Oloolaiser Water and Sewerage Company Ltd* actually receives after claiming for input tax
- iii) **Reimbursement from National Industrial Training Authority** is recognized in the year which the company has received as a result of offering attachment/Internship services.

b) Property, plant and equipment

All categories of property, plant and equipment are initially recorded at cost less accumulated depreciation.

Oloolaiser Water and Sewerage Company Limited

1.2 RELATED PARTY RELATIONSHIP

Board of Directors

The board of directors actively shapes the Company's mission and strategic direction. The board is also responsible for policy formulation, approval of utilization of Company funds, administration of the Company and protection of the property and assets of the Company. The responsibilities and limitations of the directors are primarily set out in the articles of Association of the Company and Corporate Governance Guidelines by the sector regulator.

Management Team

This is the management team chaired by the Managing Director and comprises of Head of Departments and Sections reporting directly to the Managing Director. The committee meets at least twice a month to review performance and to consider policy and business issues including strategic measures.

2.CRITICAL JUDGMENTS POLICIES

In the process of applying the entity's accounting policies, management has made assumptions that affect the reported amounts of assets and liabilities within the next financial period. Estimates and judgments are continually evaluated and are based on historical experience and other factors including expectations of future events that are believed to be reasonable under the circumstances. These are dealt with below:-

a)The Entity Assumption

Oloolaiser Water and sewerage Company Ltd is considered to be an accounting entity that controls resources and engages in economic activities and is assumed to be separate and distinct from all other entities regardless of the form of the organization. The affairs of the Oloolaiser Water and sewerage Company are distinguished even from those of its owners and information is compiled for the entity alone and the accounting and reporting process is concerned with the transactions and events that affect it.

b) The 'Going – concern' or Continuity Assumption.

Oloolaiser Water and Sewerage Company Ltd is assumed that it will continue in operation for the foreseeable future and that it has neither the intention nor the necessity of liquidation or of curtailing materially the scale of its operations. This assumption provides the foundation for accrual accounting where, revenues are to be recognized when the effort to earn that revenue is complete or substantially completed irrespective of whether cash is received or not and expenses are recognized when incurred irrespective of whether cash has been received or not. The

Oloolaiser Water and Sewerage Company Limited

Reports and Financial Statements

For the year ended 30th June, 2019

Company has measures in place to increase its revenue and cut costs which will help improve the negative working capital of Kshs. 104,727,930. Some of the measures include development projects such as Kimuka, Ngurumani, Iloodariak and KWF water projects.

c) The Monetary or Unit of Measure Assumption.

Oloolaiser Water and Sewerage Company Ltd has considered money as its standard of measure to bring financial transactions together in a meaningful way as it considers money as the best for the purpose of measuring financial transactions in terms of stability.

In Kenya the monetary unit is the shilling.

3 RISK MANAGEMENT POLICIES

The company's activities expose it to a variety of financial risks. These activities involve the analysis, evaluation, acceptance and management of some degree of risk or combination of risks. Taking risk is core to the business and the operational risks are an inevitable consequence of being in business. The Company is exposed to credit risk when the consumers do not pay their bills when they fall due which end up being bad debts the Company is also exposed to liquidity risk due to the Company inability to settle its short term obligations when they fall due. The company's aim is therefore to achieve an appropriate balance between risk and return and minimize potential adverse effects on the company's financial performance. The company's risk management policies are designed to identify and analyze these risks, to set appropriate risk limits and controls, and to monitor the risks and at the same time ensuring adherence to laid down limits. This is achieved by means of reliable and up to-date information systems

Prepared in accordance with the Cash Basis of Accounting Method under the International Public-Sector Accounting Standards (IPSAS)

COUNTY GOVERNMENT OF KERICHO
Special Funds Reports and Financial Statements
For the Quarter ended 30th Jun, 2019

LEGAL BACKDROP

As set out in Section 166 of the Public Finance Management Act, 2012, an Accounting Officer is required to prepare quarterly reports for County Government entity as follows;

(1) An accounting officer for a county government entity shall prepare a report for each quarter of the financial year in respect of the entity.

(2) In preparing a quarterly report for a county government entity, the accounting officer shall ensure that the report—

(a) Contains information on the financial and non-financial performance of the entity; and

(b) Is in a form determined by the Accounting Standards Board.

(3) Not later than fifteen days after the end of each quarter, the accounting officer shall submit the quarterly report to the County Treasury.

COUNTY GOVERNMENT OF KERICHO
Special Funds Reports and Financial Statements
For the Quarter ended 30th Jun, 2019

1. FOREWORD

This is the County Government of Kericho Quarterly Financial Report for the 4th Quarter in the 2018-2019 financial period ending 30th Jun, 2019 for the Staff Car Loan Fund. This report was prepared and presented as required by Section 168 of the *Public Financial Management (PFM) Act 2012*. The report expounds on the expenditure incurred by the county government in staff car provision.

The guiding regulations are the Kericho County Executive Staff Car Loan regulations of 2015 in line with the Salary and Remunerations Commission. The Fund Administrator is Chief Officer Economic Planning and its primary purpose is to advance loans to staff for purchase of motor vehicles. The key challenges were noted during the period included improper sale agreements between the seller and the buyer and this can be improved by proper provision of guidelines on how the fund is to be administered.

Hon. Charles K Birech

**County Executive Committee Member- Finance and Economic Planning and
Head of County Treasury**

COUNTY GOVERNMENT OF KERICHO
Special Funds Reports and Financial Statements
For the Quarter ended 30th Jun. 2019

2. STATEMENT OF MANAGEMENT RESPONSIBILITIES

Section 166 of the PFM Act requires that an Accounting Officer for a County Government entity prepares a report for each quarter of the financial year in respect of the entity. The County Executive Committee (CEC) member for finance being the head of the County Treasury is responsible for the preparation and presentation of the County Government of Kericho financial statements, which give a true and fair view of the state of affairs of the County Government of Kericho for and as at the end of the quarter ended on 30.6.2019. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the County Government of Kericho; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the County Government; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The CEC member for finance accepts responsibility for the County Government of Kericho financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public-Sector Accounting Standards (IPSAS). The CEC member for finance is of the opinion that this report gives a true and fair view of the state of the County Government's transactions during the quarter ended 30.6.2019, and of its financial position as at that date. The CEC member for finance further confirms the completeness of the accounting records maintained for the County Government which have been relied upon in the preparation of this report as well as the adequacy of the systems of internal financial control.

The CEC member for finance confirms that the County Government has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the County Government's funds received during the quarter under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the CEC member for finance confirms that the County Government's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public-Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The County Government's financial statements were approved and signed by the CEC member for finance on 02.8.2019

REPORT OF THE AUDITOR-GENERAL ON KERICHO COUNTY EXECUTIVE STAFF CAR LOAN SCHEME FUND FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Disclaimer of Opinion

I have audited the accompanying financial statements of Kericho County Executive Staff Car Loan Scheme Fund set out on pages 4 to 6, which comprise the statement of financial assets and statement of receipts and payments as at 30 June, 2019 and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015.

I do not express an opinion on the accompanying financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for Disclaimer of Opinion

1.0 Presentation of Financial Statements

Review of the financial statements for the year ended 30 June, 2019 revealed the following observations: -

- i. The statement of receipts and payments and statement of financial assets were presented per quarter instead of annual amounts. Further, the comparative amounts were omitted from the financial statements.
- ii. The Header on each page of the financial statements reads County Government of Kericho special Funds instead of Kericho County Executive Staff Car Loan Scheme Fund.
- iii. The financial statements were prepared on Cash Basis as opposed to Accrual Basis of accounting.
- iv. The following statements and reports were omitted from the financial statements:
 - The statement of changes in net assets
 - Statement cash flows

- Statement of comparison of budget and actual amounts
- A summary of significant accounting policies
- Statement of performance against county entity's predetermined objectives
- The Board of Trustees
- Key entity information and management
- Report of the Fund Administrator
- Board Chair report
- Corporate governance statement
- Corporate social responsibility statement/sustainability reporting
- Report of the Trustees
- Statement of Management's responsibilities

Consequently, the financial statements do not conform to the reporting requirements prescribed by the Public Sector Accounting Standards Board reporting template for the year ended 30 June, 2019.

2.0 Cash and Cash Equivalents

The statement of financial assets reflects a bank balance of Kshs.2,471,628 as at 30 June, 2019. However, no cashbooks, bank reconciliation statements or bank confirmation certificate were provided for audit verification.

Under the circumstances, the accuracy and completeness of the cash and cash equivalents balance of Kshs.2,471,628 as at 30 June, 2019 could not be confirmed.

3.0 Car Loan Balances and Recoveries

The statement of receipts and payments reflects nil recoveries since the inception of the Fund and loan disbursements amounting to Kshs.17,760,722. However, the bank statements provided for audit review indicated that recoveries amounting to Kshs.1,219,591 were made but omitted from the financial statements. Further, the statement of assets did not reflect a car loans issued balance even though the loans are financial assets recoverable through a check off system casting doubt on the accuracy of the financial statements.

Under the circumstances, the accuracy and completeness of the financial statements for the year ended 30 June, 2019 could not be confirmed.

4.0 Failure to Adhere to the Car Loan Scheme Fund Regulations

Regulation 9(2) of Kericho County Executive Staff Car Loan Scheme Fund Regulations require the log books for the vehicles be in joint ownership between the Kericho County Government and the borrower. However, the log books are yet to be registered in joint ownership with the County Government.

Further, Regulation, 12 of Kericho County Executive Staff Car Loan Scheme Fund Regulations requires the repayments to be effected from the month subsequent from the date of disbursement. A review of the bank statements and records maintained by the Fund revealed that the recoveries were not done as per the regulations as shown below:

Name	Amount of Loan Kshs.	Month of Loan Advancement	Start Date of Loan Recoveries	No. of Months in Arrears
Charles Birech	3,000,550	Jul-2018	Dec-2018	4
George Kirer	1,950,000	Aug-2018	Dec-2018	3
Anthony Koskei	910,722	Aug-2018	Dec-2018	3
Emily Chepkirui Sang	2,000,000	Aug-2018	Dec-2018	3

The Fund Management was therefore in breach of the law.

5.0 Late Submission of Financial Statements for Audit

The financial statements for the year ended 30 June, 2019 were submitted to the Auditor-General for audit on 18 November, 2019 a delay of one and half months after the statutory deadline of 30 September, 2019. This is contrary to Section 47 of the Public Audit Act, 2015 which requires that financial statements be submitted to the Auditor-General within three (3) months after the end of the fiscal year to which the accounts relate.

The Management was therefore in breach of the law.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

I do not express a conclusion on the lawfulness and effectiveness in the use of public resources as required by Article 229(6) of the Constitution. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for my audit conclusion

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

I do not express a conclusion on the effectiveness of internal controls, risk management and overall governance as required by Section 7(1)(a) of the Public Audit Act, 2015. Because of the significance of the matters described in the Basis for Disclaimer of Opinion

section of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for my audit conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control.

In preparing the financial statements, Management is responsible for assessing the Funds ability to continue to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective manner.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the financial statements in accordance with International Standards of Supreme Audit Institutions (ISSAIs) and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. However, because of the matters described in the Basis for Disclaimer of Opinion section of my report, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

In addition, my responsibility is to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them, and that public

resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution. I also consider internal control, risk management and governance processes and systems in order to give an assurance on the effectiveness of internal controls, risk management and governance in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. However, because of the matters described in the Basis for Disclaimer of Opinion section of my report, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit conclusion on lawfulness and effectiveness in use of public resources, and on effectiveness of internal controls, risk management and governance.

I am independent of the Kericho County Executive Staff Car Loan Scheme Fund Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya.

CPA Nancy Gathungu, CBS
