ii

Key achievements during the year

The Constituency, during the year, implemented a few projects majorly because of slow cash flow from the NG-CDF Board. The projects included issuance of bursary which formed bulky of the implementation, emergency and security. Some of the projects were carried out during the year are:

1. Kakithya Primary School

The project was allocated Kshs. 2,000,000 for renovation. Activities that were carried out were reroofing, construction of ring beam, fixing shutters and doors and painting:

2. Kenze Primary School

The project was allocated Kshs. 2,000,000 for renovation. Activities that were carried out were reroofing, construction of ring beam, fixing shutters and doors and painting:

Emerging issues and challenges

One of the major challenge is that the Constituency is vast and some of the roads are impassable especially when it rains. This makes monitoring of projects a difficulty exercise in some of the areas. The NG-CDF management is seeking partnership with other government entities responsible for establishment of access roads so that they help make all places accessible. Additionally Kitui south NG-CDF has ordered for office motor vehicle Toyota Land cruiser which shall help out during monitoring of projects.

iv

Finally, Kitui South management expresses gratitude towards the NG-CDF Board for their efficiency in handling issues in regards to projects approval, disbursement of fund and monitoring.

The other special thanks also go to the Office of the Auditor General for their every year input, especially advisory in our processes that have continuously improved our service delivery to the constituents.

5. Capacity building of NG-CDFC Members

In the financial year 2022/2023 the NGCDF Board organized training of NG-CDFC members.. During the training, critical areas such as overview of NG-CDF Act 2015 and Regulations, public finance, project planning, procurement, complaint management, and performance management were covered to equip them with the prerequisite knowledge and skills to ensure effective and efficient management of NG-CDF Kitui South.

6. Ethics & conduct

Members of NGCDFC are required to observe the following ethical issues;

- i. Confidentiality-the NGCDFC members have a responsibility to ensure confidentiality unless in situations required by law.
- ii. Honesty and integrity-NGCDFC members have a duty to declare any private interest relating to their public duties and to take steps to resolve any conflict arising in a way that protects the public interest.
- iii. Leadership NGCDFC members should promote leadership in the constituency.

During the financial year 2022/2023 members of NGCDFC Kitui South adhered to the above ethical issues.

7. Members' remuneration

NG-CDFC members are not entitled to payment of salary but sitting allowances as guided by the NG-CDF circulars. However, the chairperson of NGCDFC is entitled to an allowance of ksh7,000 per meeting and all other members an allowance of ksh.5,000 per sitting. All NGCDFC members should adhere to general ethics and code of conduct as stipulated in the NG-CDF Act.

In this financial year the NGCDFC members adhered to the cabinet secretary's circular on members sitting and field allowances.

8. Disclose policy on conflict of interest

A member who has an interest in any contract, or other matter present at a meeting shall at the meeting and as soon as reasonably practicable after the commencement, disclose the fact thereof and shall not take part in the consideration or discussion of, or vote on, any questions with respect to the contract or other matter, or be counted in the quorum of the meeting during consideration of the matter. A disclosure of interest made shall be recorded in the minutes of the meeting at which it

is made. In the financial year 2022/2023 no member of NGCDFC Kitui South contravened conflict of interest policy.

9. Risk management

Risk management has been integrated in the constituency operations through the following; training of the NGCDF staff in their respective technical areas of service to ensure they carry out their roles efficiently, training of the NGCDFCs and the PMCs to equip them with additional knowledge to carry out their duties efficiently within their mandates and regulations, the Fund account manager avails himself with all the support and required resources to ensure that the identified risk does not hamper the delivery of service.

Some of the risk mitigation strategies that NGCDFC Kitui South has implemented include the following: Implementing audit findings and recommendations, adherence and compliance with NGCDF Act 2015 and other laws and regulations to ensure an effective and efficient control system, ensuring that NGCDFC members are actively engaged in the projects implementations and overall fund utilization in the constituency, ensuring that the staff responsible for statutory deductions are well aware of the due dates of remittance, allocating insurance fund in the constituency budget, preparation of procurement plan, budget and Monitoring & evaluation plan for the financial year. Conducting public participation within the prescribed time lines to ensure the constituents are involved in project identification.

VI. Environmental and Sustainability Reporting

Kitui South NG-CDF exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on social sector, namely, Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

1. Sustainability strategy and profile -

To ensure sustainability of Kitui South NG CDF, the committee funds the following key sectors with the following sustainable priorities.

- a. **Education and Training**: Kitui South NG-CDF focus on human capital for constituency development is entrenched in its strategy to support needy and bright students from each ward of the constituency. The intention is to empower the constituents such that in years to come, the beneficiaries at secondary school levels would have transitioned to Tertiary institutions while those at tertiary level would have transitioned to the job market as employees or employers thereby contributing positively to the economic growth of the constituency. This strategy takes care of both marginalised groups including girls and people living with disabilities.
- b. **Security Sector Support:** Among its key pillars; NGCDF has security as a priority area with intention to provide better working environment for the security providers within the constituency as well a secure constituency. The strategy is to have a long-term collaborative working approach that enhances community engagement in security activities. This is aimed at eliminating crime and vices in the long run by providing a better working environment for the law enforcement agencies while collaborating with community in trust on matters of security.
- c. **Environment:** The Constituency acknowledges that all its operation has an impact on environment. Cognizant of the Sustainable development goals, the NG-CDF has allocated part of its budget on environment conservation through activities such as tree planting, water conservation, sensitization forums for agro-forestry as well as best practices to reduce soil erosion.

d. **Sports:** The NG-CDF has taken sports as a key pillar of cohesion and integration. To sustain this pillar, the strategy taken is that of developing skills through sports with intention of identifying, nurturing talent and encouraging physical fitness among the constituents.

To attain this level of sustainability, we acknowledge challenges currently arising from the effects of Covid- 19 that have adversely affected the sporting activities and thereby limiting the potential benefits envisaged in using sports as development strategy within the constituency. On macro levels FY 22/23 has been a challenging year with limited funding towards these activities which may hamper the success of priority strategies undertaken.

2. Environmental performance

- ➤ Kitui South Constituency is situated in arid areas and therefore the NG-CDFC do not consider tree planting because of lack of sustainability in terms of seasonal rains.
- > The Kitui South NG-CDF planned but did not implement a sand dam within the financial year which was to help in conservation of environment through retention of sand and making available water for agricultural use. This was due to delay in disbursement of the final tranche of the funds. The same shall be implemented next financial year.

3. Employee welfare

We invest in providing the best working environment for our employees. Kitui South Constituency recruitment is guided by Employment Act, NGCDF Act and other regulations as issued from time to time. In line with the law and regulations, the Constituency offers equal opportunity to all while adhering to the one third gender rule and special groups. We also Recognize and appreciate of our employees for exemplary performance. The reward and sanctions system is based on performance appraisal.

The constituency promotes a healthy lifestyle and provides all employees with health insurance cover through a reliable insurance Scheme. Employees are encouraged and supported to continually build on their skills and knowledge. Kitui South Constituency invests in capacity building programs for employees. These include courses on technical competencies relevant to each employee and continuous sensitization on cross cutting issues.

The committee has a policy on safety in compliance with Occupational Safety and Health Act of 2007, (OSHA) and has ensured the work environment is conducive for everybody in terms of movement and accessibility within the office. The Constituency has also put in place disaster mitigating measures including fire extinguishers and accessible escape routes in case of emergency.

4. Market place practices-

Kitui South NGCDF is committed to fair and ethical market practises.

The Procurement of goods and services is done through a transparent and competitive bidding process that allows equal opportunities to all participants. We support local vendors drawn from the constituency for purposes of uplifting them economically. Our ethical market practises ensure the fund get value for money on all goods and services procured.

We are also committed to healthy relations with our suppliers which is enhanced through organized sensitization forums that relate to the procurement legal framework and ethical subject matters. We are dedicated to honouring all contracts and settling payments promptly.

NGCDF has put in efforts to ensure:

- a) Responsible competition practice by encouraging fair competition and zero tolerance to corruption
- b) Good business practice including cordial Supply chain and supplier relations by honouring contracts and respecting payment practices.
- c) Responsible marketing and advertisement
- d) Product stewardship by safeguarding consumer rights and interest

5. Community Engagements-

Kitui South NGCDF has endeavoured to sustain community engagement through CSR as well as appreciating our existence through engaging local contractors and suppliers when necessary. We have also engaged the community through sports and community projects.

Public Participation in Project Identification and Implementation and Monitoring

The NG-CDFC deliberated on project proposals from all the wards in the constituency and considered the most beneficial to the constituency, considering the national development plans and policies and the constituency strategic development plan. The identified list of priority projects, both immediate and long term, was submitted to the NG CDF Board in accordance with the Act.

Public participation is the process that directly engages the concerned stakeholders in decision-making and gives full consideration to public input in making that decision.

The NG CDFC during bursary programme, engaged the community through the community leaders to identify the needy students to be awarded with the bursary.

Public Awareness

This includes mechanisms for participation and cooperation with local, regional and national agencies, and for conducting community-based needs assessments and public awareness campaigns and holding community meetings.

Kitui South NG-CDF has continually practiced public participation and public awareness during project identification and proposal collections in all the wards in the constituency.

VII. Statement of Management Responsibilities

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-Kitui South Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 202X. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-Kitui South Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the *constituency's* financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2023, and of the entity's financial position as at that date. The Accounting Officer charge of the NGCDF- Kitui South Constituency further confirms the completeness of the accounting records maintained for the *constituency*, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF Kitui South Constituency confirms that the constituency has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for.

Further the Accounting Officer confirms that the *constituency*'s financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Enhancing Accountability

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - KITUI SOUTH CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2023

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on the Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of the National Government Constituencies Development Fund - Kitui South Constituency set out on pages 1 to 49, which comprise of the statement of financial assets and liabilities as at 30 June, 2023 and the statement of receipts and payments, statement of cash flows and summary statement of appropriation for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015.

Report of the Auditor-General on National Government Constituencies Development Fund - Kitui South Constituency for the year ended 30 June, 2023

I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund - Kitui South Constituency as at 30 June, 2023, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the National Government Constituencies Development Fund Act, 2015 (Amended 2022).

Basis for Qualified Opinion

1. Unsupported Bursary Disbursements

The statement of receipts and payments reflects other grants and transfers amount of Kshs.30,848,501 which as disclosed in Note 8 to the financial statements includes bursary to secondary schools totalling Kshs.17,802,842. Review of the cash book and bursary acknowledgement receipts revealed that disbursements to two (2) Secondary Schools amounting to Kshs.251,000 were not recorded in the ledger. In addition, the expenditure on bursary for secondary schools and tertiary institutions of Kshs.17,802,842 and Kshs.8,953,649 respectively were not supported with schedule of bursary beneficiaries, vetting reports, and acknowledgements from the beneficiary institutions.

In the circumstances, the accuracy and completeness of other grants and transfers amount of Kshs.26,756,491 in respect of bursaries could not be confirmed.

2. Unsurrendered Project Management Committee Accounts Balances

Note 19.4 to the financial statements reflects Project Management Committee (PMC) accounts balances totalling Kshs.11,110,013. However, review of the supporting Annex 5 revealed that PMC account balances amounting to Kshs.1,606,283 had remained idle for a long period with some dating back to the financial year 2013/2014. The amounts had not been returned to the Constituency fund account.

In the circumstances, the accuracy and completeness of PMC balance of Kshs.11,110,013 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Kitui South Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

2

Emphasis of Matter

Budgetary Control and Performance

The summary statement of appropriation reflects final receipts budget and actual amount on comparable basis of Kshs.165,664,275 and 103,781,101 respectively, resulting to under-funding of Kshs.61,883,174 or 37% of the budget. However, the Fund spent Kshs.67,613,772 against the actual receipts of Kshs.103,781,101, resulting to under-utilization of Kshs.36,167,329 or 35% of the actual receipts.

The under-funding and under-utilization affected the planned activities and impacted negatively on service delivery to the public.

My opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Unresolved Prior Year Matter

In the audit report of the previous year, several issues were raised under the Report on Financial Statements, Report on Lawfulness and Effectiveness in Use of Public Resources and Report on Effectiveness of Internal Controls, Risk Management and Governance. Management has however, not resolved the issues or provided explanation for failure to resolve the issues.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Anomalies in Project Implementation

The statement of receipts and payments reflects transfers to other Government units of Kshs.21,600,000 which includes transfers to primary schools' amount of Kshs.19,600,000 as disclosed in Note 7 to the financial statements. However, review of the project records revealed the following anomalies:

- (i) Management transferred an amount of Kshs.2,000,000 to the PMC of Kenze Primary School for renovation of five (5) classrooms. The PMC on 09 June, 2023 entered into contract with a firm for the renovation of five classrooms at a contract sum of Kshs.1,900,000. The contractor was paid Kshs.1,715,241 for certified works. A site visit on 12 March, 2024 revealed that the renovation of the five classrooms was completed in August, 2023. However, two (2) out of the five renovated classrooms were not in use seven months after completion of the project.
- (ii) Management transferred an amount of Kshs.2,000,000 to the PMC of Vutu Primary School for renovation of five (5) classrooms. The PMC entered into contract for the renovation of five classrooms at a contract sum of Kshs.1,899,940. The contractor was paid Kshs.1,715,186 for certified works and retention of Kshs.94,997. A site visit on 12 March, 2024 revealed that the renovation of the five (5) classrooms was completed in December, 2023. However, the classrooms had visible cracks on the outer walls and poor workmanship of painting works. The contractor did not remedy the defects before settlement of the total contract sum.
- (iii) Review of expenditure supporting documents revealed that the Constituency Development Funds Committee (CDFC) actively participated procurement process including tender opening, evaluation and award of contracts contrary to Regulation 15(6) of National Government Constituencies Development Funds Regulations, 2016 which provides that a Constituency Committee shall not convert itself into a Project Management Committee.

In the circumstances, value for money on expenditure of transfer to other government units of Kshs.21,600,000 could not be confirmed.

2. Anomalies in Security Projects

The statement of receipts and payments reflects expenditure on other grants and transfers of Kshs.30,848,501 as disclosed in Note 8 to the financial statements. Review of records revealed the following:

- (i) Management transferred an amount of Kshs.1,500,000 to the PMC of Enzou Police Post for construction of five (5) offices. The PMC entered into contract with a construction company for the construction of the five (5) offices at a sum of Kshs.1,235,000. A site visit on 12 March, 2024 revealed that the project was completed in August, 2022. However, the offices had not been occupied for more than one year since completion of the project.
- (ii) The statement of receipts and payments reflects other grants and transfers amount of Kshs.30,848,501 which includes emergency expenditure of Kshs.492,000 as disclosed in Note 8 to the financial statements. However, emergency expenditure reports to the Board were not provided for audit. This contravenes Regulation 20(2) of the National Government Constituencies Development Fund Regulations, 2016 which provides that the Constituency Committee to ensures that the utilization of the emergency reserve is reported to the Board within thirty (30) days of the occurrence of the emergency, in the format prescribed by the Board.

In the circumstances the value for money for expenditure on other grants and other transfers of Kshs.1,727,000 could not be confirmed.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON THE EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matter described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

Failure to Appoint the Constituency Oversight Committee

During the year under audit review, the Constituency Oversight Committee had not been appointed contrary to Section 53(1) of the National Government Constituencies Development Fund Act, 2015 (Amended 2022), which provides that Constituency Oversight Committee for projects undertaken under the Act be established.

In the circumstances, the public did not get assurance on the effectiveness on the identification and implementation of fund's activities and programs.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of

the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of applicable basis of
 accounting and, based on the audit evidence obtained, whether a material uncertainty
 exists related to events or conditions that may cast significant doubt on the Fund's
 ability to sustain its services. If I conclude that a material uncertainty exists, I am
 required to draw attention in the auditor's report to the related disclosures in the
 financial statements or, if such disclosures are inadequate, to modify my opinion. My
 conclusions are based on the audit evidence obtained up to the date of my audit report.
 However, future events or conditions may cause the Fund to cease to continue to
 sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

XIV. Significant Accounting Policies

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits (gratuity and retentions).

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the NGCDF-Kitui South Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs.), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the entity for all the years presented.

a) Recognition of Receipts

The entity recognises all receipts from the various sources when the event occurs, and the related cash has actually been received by the Entity.

Significant Accounting Policies continued

Transfers from the National Government Constituency Development Fund (NG-CDF)

Transfers from the NG-CDF to the constituency are recognized when cash is received in the Constituency account.

Proceeds from Sale of Assets

Proceeds from disposal of assets are recognized as and when cash is received in the constituency account.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from sale of tender documents, rent receipts, interest earned on bank balances, hire of Plant/Equipment/Facilities, Unutilized funds from PMCs among others.

Unutilized Funds from PMCs.

All unutilized funds of the Project Management Committee (PMC) are returned to the constituency account. Unutilized funds from PMCs are recognised as other receipts upon return to the constituency account.

External Assistance

External assistance refers to grants and loans received from local, multilateral and bilateral development partners. In the year under review there was no external assistance received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the entity.

Significant Accounting Policies continued

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each constituency and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

5. In-kind contributions

In-kind contributions are donations that are made to the constituency in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the constituency includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

Significant Accounting Policies continued

6. Cash and Cash Eequivalent.

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

For the purposes of these financial statements, Deposits (gratuity and retentions) held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. Gratuity earned on monthly is held on behalf of the employee and later paid at the end of the contract period. This is an enhancement to the cash accounting policy adopted by National Government Constituencies Development Fund as prescribed by PSASB. Other liabilities including pending bills are disclosed in the financial statements.

Significant Accounting Policies continued

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the entity at the end of the financial year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest which is accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on 30th June 2023 for the period 1st July 2022 to 30th June 2023 as required by law. Included in the adjustments are Cash book opening balance, AIA generated during the year and constituency allocations not yet disbursed at the beginning of the financial year.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

Significant Accounting Policies Continued

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2023.

14. Errors

Material prior period errors are corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa.

XV. Notes to the Financial Statements

Annex 6: Progress On Follow Up of Auditor Recommendations

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor and subsequent progress made on the resolution of the issues.

| Report as at 30 th June 2022 | Unsupported Transfers: The statement of receipts and payments reflects transfers to other government entities amount of ksh 132,400,000 as disclosed in Note 6 to the financial statements which included transfers to primary schools of Ksh 113,500,000. However, the expenditure was not supported with work plans and expenditure returns showing how the funds were utilised. In the circumstances, the accuracy and completeness of transfers to primary schools amount of ksh 113,500,000 would not be confirmed. | Work plans are to be drawn by the PMCs and the same has been noted for future implementation of projects. In addition PMCs will be trained on preparation of project work plans under the guidance of public works Office. All expenditure returns are in individual PMC files and were availed to the auditor during audit. | Unresolved | December 2023 |

In the circumstance management was in breach of the law. | from Kitui Town where one can get registered companies offering the service will be too costly because of the distance. Secondly, many transport operators fear the terrain of the area which is bad hence wear and tear of the vehicles is high. This has made that business less attractive to many people leaving only Mutomo Cab Tours. We have begun the process of procuring our own vehicle as evidenced through specifications from Mechanical Department and LPO issued to CFAO Kenya Ltd. | | |
