PUBLIC PETITION

BY RESIDENTS OF CHEPARERIA WARD ALONG KAPENGURIA -LODWAR
(A1) INTERNATIONAL HIGHWAY

PARLIAMENT
OF KENYA
LIBRARY

ON

LESSERU-KITALE-MARICH PASS (A1)

WE, THE UNDERSIGNED residents of Pokot South Constituency,
Chepareria Ward,

Draw the attention of the House to the following:-

1. **THAT**, aware that the Northern Corridor Transport Improvement Project and in particular Lesseru-Kitale-Marich Pass (A1) is currently under design by Kenya National Highways Authority (KeNHA)
Kitale-Marich Pass section was built to Bitumen standard from 1971 to 1985.
2. **THAT**, the road traverses sharp bends and hilly terrain and it has not been properly maintained.
3. **THAT**, the Kitale-Marich Pass section is a renowned black spot which has occasioned forty seven (47) fatalities and one hundred and ninety eight (198) injuries.
4. **THAT**, efforts by the former Member of Parliament to have this matter addressed by the relevant authorities have not been successful.
5. **THAT**, we hereby confirm that the issues in respect of which this petition is made are not before any court of Law, constitutional or legal body.

THEREFORE, your humble petitioners **PRAY** that Parliament through the Departmental Committee Transport, Housing and Public Works ensures that:-

- a) the Kenya National Highways Authority (KeNHA) considers realignment of the road at Kamatira Hills from Sakat Shopping Centre to Lounon Market.
- b) the gradient is done at the internationally accepted standard of five per cent(5%),
- c) the realignment is done within the ongoing design and should not wait any longer.

And your **PETITIONERS** will ever pray.
