REPUBLIC OF KENYA
THE NATIONAL ASSEMBLY (FIRST SESSION)

PUBLIC PETITION

No. 003 of 2022

REGARDING DEGAZETTEMET OF HOLA IRRIGATION SCHEME LAND TO
ALLOW FOR THE EXPANSION OF THE COUNTY HEADQUARTERS OF TANA
RIVER

I, the **UNDERSIGNED** on behalf of residents of Galole in Tana River County;

DRAW the attention of the House to the following: -

1. **THAT**, Hola Irrigation Scheme in Tana River County was gazetted on 26th April 1963 and covers an area approximately 12,630 acres;
2. **THAT**, the scheme was initially used as a settlement scheme to settle thousands of Mau Mau freedom fighters and residents of Tana River in general in the 1960s;
3. **THAT**, the geographical location of Hola Irrigation Scheme at the heart of Hola town has over the years proven to be disadvantageous to area residents in view of the fact that it continues to block the much needed expansion of Hola Town, which is the headquarters of Tana River County;
4. **THAT**, in a bid to address this long-standing challenge, officials of the National Government and the County Government of Tana River, National Irrigation Authority, Members of Parliament, the National Land Commission and other stakeholders met in Hola Town on 15th July 2021 and mutually agreed to degazette 2,000 acres in the southern and eastern parts of the Scheme to facilitate expansion of Hola Town;
5. **THAT**, the meeting further proposed extension of the Scheme's northern borders by a similar acreage of 2,000 acres so as to compensate for the degazettement;

**REGARDING DEGAZETEMENT OF HOLA IRRIGATION SCHEME LAND TO
ALLOW FOR THE EXPANSION OF THE COUNTY HEADQUARTERS OF TANA
RIVER**

6. **THAT**, the proposed degazettement and replacement of the south-eastern segment of the Scheme will secure the expansion of Hola Town and Tana River County in general through economic, social and infrastructural development that is presently hindered by the Scheme's current location;
7. **THAT**, efforts to have the matter by the relevant authorities have not yielded any fruit; and,
8. **THAT**, the issues in respect of which this Petition is made are not pending before any court of law, or other constitutional or legal body.

THEREFORE, your humble petitioners pray that the National Assembly, through the Public Petitions Committee;

- (i) intervenes to facilitate timely degazettement of 2,000 acres in the southern and eastern parts of Hola Irrigation Scheme to facilitate expansion of Hola Town, and to facilitate extension of the scheme's northern borders by a similar acreage of 2,000 acres; and,
- (ii) makes any further orders deemed fit in the circumstances of the Petition.

And your **PETITIONERS** will forever pray.
