CHAIRMAN'S FOREWORD

The Statute Law (Miscellaneous Amendments) (No. 2) Bill, 2018 National Assembly Bill No. 13 of 2018 was published on 10th April 2018 and read first time on 18th April, 2018. The bill is in keeping with the practice of making amendments which do not merit the publication of separate Bills and consolidating them to one Bill. The bill therefore proposes amendments to various Acts of Parliament. Pursuant to the provisions of Standing Order 127 (1), of the National Assembly Standing Orders which provides *that a Bill having been read a first time shall stand committed to the relevant Departmental Committee* it is on this basis that the Committee makes this Report.

I take this opportunity to thank all Members of the Committee for their input in the consideration of the Statute Law (Miscellaneous Amendments) (No. 2) Bill, 2018. The Committee also takes this opportunity to thank the Offices of the Speaker and of the Clerk of the National Assembly for the logistical support accorded to it during the exercise. The Committee also appreciates the role played by the media following its coverage of the proceedings, thus enhancing accountability and transparency.

Pursuant to provisions of Standing Order 199 (6), and on behalf of the Departmental Committee on Agriculture and Livestock, it is my pleasant privilege and honor to present to this House the Report of the Committee on the Statute Law (Miscellaneous Amendments) (No. 2) National Assembly Bill No. 13, 2018.

In considering the bill, the Committee received submissions from the following stakeholders;

- i. The Ministry of Agriculture and Irrigation
- ii. The Kenya Dairy Processors Association
- iii. The Commodities Fund
- iv. Kenya Bixa Limited
- v. The Attorney General

The Committee sincerely thanks the Offices of the Speaker and the Clerk of the National Assembly for the immense and timely technical and logistical support accorded to it in the execution of its mandate. I also thank all the Members of the Committee for their commitment and hard work which enabled us to complete the tasks related to the scrutiny of the proposed amendments and compilation of this report.

The Committee is also grateful to stakeholders who made submissions in relation to the Consideration of the Bill.

On behalf of the Departmental Committee on Agriculture and Livestock pursuant to provisions of Standing Order 127, it is my pleasant privilege and honor to present the Report of the Committee on its consideration of the Statute Law (Miscellaneous Amendments) (No. 2) National Assembly

Bill No. 13 of 2018. .DATE SIGNED..... THE HON. HON. ADEN HAJI ALI, MP

2

CHAIRPERSON

DEPARTMENTAL COMMITTEE ON AGRICULTURE AND LIVESTOCK COMMITTEE MANDATE

The Departmental Committee on Agriculture and Livestock is established pursuant to the provisions of Standing Order No. 216(5) of the National Assembly and in line with Article 124 of the Constitution which provides for the establishment of the Committees by Parliament. The mandate and functions of the Committee is to;

- a) Investigate, inquire into, and report on all matters relating to the mandate, management, activities, administration, operations and estimates of the assigned Ministries and departments;
- b) Study the programmes and policy objectives of the Ministries and departments and the effectiveness of the implementation;
- c) Study and review all legislation referred to it;
- d) Study, assess and analyze the relative success of the Ministries and departments as measured by the results obtained as compared with its stated objectives;
- e) Investigate and inquire into all matters relating to the assigned Ministries and departments as they may deem necessary, and as may be referred to them by the House;
- f) Vet and report on all appointments where the constitution or any law requires the National Assembly to approve, except those under Standing Order 204, and
- g) Make reports and recommendations to the House as often as possible, including recommendation of proposed legislation.

COMMITTEE MEMBERSHIP

INTRODUCTION

This report details the Consideration of the Statute Law (Miscellaneous Amendments) (No. 2) (NATIONAL ASSEMBLY BILL NO. 13 OF 2018). The Bill's main objective is to amend the following;

- The Dairy Industry Act (Cap.336)
 The Bill proposes to amend the Dairy Industry Act to enlarge the definition of milk to include goat and camel milk. It also seeks to enhance penalties under the Act as well as allow for regulations on the standards, manner of installation and operation of milk dispensers.

 The Crops Act 2013 (No. 16 of 2013)
- 2. The Crops Act, 2013 (No. 16 of 2013) The Bill seeks to amend the Crops Act, 2013 to provide for the benefit of value addition to agricultural produce in relation to export.
- 3. The Fisheries Management and Development Act, 2016 (No. 35 of 2016) The Bill proposes to amend the Fisheries Management and Development Act, 2016, to harmonize various definitions in the Act.

It also seeks to introduce a new provision which empowers the Cabinet Secretary to make Regulations with regard to the conduct of the affairs of the standing committee and the technical committee and to prescribe the minimum standards for crew working on fishing vessels.

The Committee considered the amendment proposals in the Bill during its sitting of Tuesday 31st May and Thursday 7th June, 2018.

The Committee's decisions on the amendments were based on the Constitutional requirements and views from the relevant stakeholders. The Committee has deliberated on the Bill and considering the views from the stakeholders, recommends that the House approves the amendments as below;

PUBLIC PARTICIPATION

Article 118 of the Constitution provides that, *Parliament shall facilitate public participation and involvement in the Legislative and other business of Parliament and its committees*

Standing order 127 (3) provides that, '' the Departmental Committee to which a bill is committed shall facilitate public participation and shall take in to account views and recommendations of the public when the committee makes its report to the House.

1.

STATUTE LAW (MISCELLANEOUS AMENDMENT) (NO.2) BILL 2018

In the Consideration of the Bill, the committee invited memoranda from the public vide a notice in the local dailies Pursuant to Article 118 of the Constitution and Standing order 127 (3). The Committee received various memoranda from institutions and persons who are stakeholders. Their proposals are presented in a concise manner in the table below;

ACT	DRODOGED	VENIVA DAIDV	COLINICIL OF	
ACI	PROPOSED AMENDMENT	KENYA DAIRY PROCESSORS ASSOCIATION	COUNCIL OF GOVENORS	
3. Interpretation "milk" means milk from a cow;	s.3 Insert the words "goat or camel whether in liquid, solid or any other form" immediately after the word "cow" appearing in the definition of "milk".	We unanimously support this inclusion as it will improve on the quality of milk consumed in the country including previously excluded sectors.		
		"This would include Importers in the regulation by the KDB.		
"producer" means a person who produces, processes, manufactures, prepares or treats dairy produce for sale;	Insert the word "imports" immediately after the word "manufactures" appearing in the definition of "producer".	Support the recommendation in so far as it does not contradict any signed treaties by the Government such as COMESA, EAC Treaties.		
		In the event that such contradiction occurs, it would have a punitive impact on processors who wish to export to those countries due to counter measures likely to be imposed		
		NEW		
		(b) five members, being producers selected for appointment from a

(d) regulating and controlling the manufacture of any form of dairy produce;		agriculture is a developed function, any			
(e) imposing a levy or cess, payable to the Board, on any form of dairy produce, or		policy and regulation formulated by			
imposing different rates as between different forms of produce, or as between produce		 National government concerns County			
for export and produce for consumption in Kenya;		Governments and as such consultation is			
(f) prescribing the terms and form in which contracts for the sale of milk by producers, other than producers who sell direct to		inevitable			
consumers, shall be made, and making provision for the Board to be joined as an additional					
party to any such contract;			-		
(g) providing for the creation and administration by the Board of schemes for the pooling of dairy					
produce by producers in such area or areas as may be prescribed and for the					
distribution to producers of the proceeds of sale of such dairy	- -				
produce after payment to the Board, therefrom, of such sums as may be prescribed;		,			
(h) controlling the sale, purchase and delivery by any person of dairy produce in such area as may be prescribed:					
				5	
Provided that no distributor or retailer shall be compelled to buy dairy produce from a producer or distributor and a producer or					
distributor unless the Board guarantees a regular and sufficient supply of the dairy produce;					
 (i) prescribing the areas within which retailers may sell dairy produce to consumers; 					
(j) requiring the registration and licensing, in such manner and upon payment of such fees as may be prescribed, of distributors of dairy produce;					
(k) requiring the giving of such security to the Board as the Board may specify a licensed distributor or retailer in respect					
of payment for dairy produce which a producer or distributor is					

directed by the Board to sell to the distributor or retailer;			
(1) prescribing fees or charges for services rendered under this Act by the Board or its officers, servants or agents;			
(m) prescribing the manner in which delegates to represent registered producers for the purposes of section 21 may be selected;			
(n) equiring returns, reports and estimates to be furnished to the Board by producers, distributors and retailers;			
(o) prescribing the forms of application, and of licences, marks, registers and all other documents to be used for the purpose of this Act;			
(p) prescribing the manner of marking articles intended for use in connection with dairy produce, including wrappers or packages intended to contain dairy produce;			
(q) prescribing the qualifications, powers and duties of inspectors and other persons appointed to exercise powers and perform duties under this Act;			
(r) for the examination, inspection, analysis and testing of dairy produce or any article used in connection with dairy produce, prescribing charges in respect thereof, and the conditions upon and the manner in which samples of such produce may be taken, whether compulsorily or otherwise;			
(s) authorising the opening by prescribed persons or officers, for the purpose of inspection, of any package which contains or is reasonably thought to contain dairy produce;			
 (t) prescribing the books, accounts, vouchers and records to be kept by persons carrying on business in dairy produce; 			
(u) authorising the examination and inspection by prescribed persons or officers of all books and documents relating to the production, manufacture,			

distribution or sale of any dairy produce; (v) making different provisions with respect to different cases or classes of case, different areas, seasons or circumstances, and for different purposes of this Act and may impose conditions and restrictions and make exceptions.				
	New Insert the following new paragraphs immediately after paragraph (v)–	Improve on the quality of dispensed milk.		
	"(w) prescribing the requirements for the licensing of milk dispensers and other dispensers of other dairy produce;	Further consultation to ensure that the proposed regulations and in line with discussions held at KARI.		
	(x) prescribing the manner of handling, storage, dispensing and the general management dairy produce."	All stakeholders should be involved		
 20. General provisions with regard to regulations Regulations made under this Act may provide for— (a) their application to any specified area, or class of persons, or type or description of dairy produce; (b) empowering such authorities or persons as may be specified in the regulations to make orders or issue directions for any of the purposes for which regulations are authorised by this Act to be made; (c) imposing a fine or imprisonment or both for the breach of any such regulation, order or direction but so that the fine shall not exceed ten thousand shillings and the period of imprisonment shall not exceed one year; (d) the particulars, information, proof or evidence to be furnished as to any question or matter arising under this Act or such regulations; 	s.20 Insert the following new paragraphs immediately after paragraph (e)– "(f) punishment for a fine not exceeding three million shillings or a term of imprisonment not exceeding three years or both."	Contradicts with the current Section 20(c) which prescribes a fine not exceeding ten thousand shillings and a period of imprisonment not exceeding one year. Reconcile the two conflicting sections. Define what breaches will lead to imprisonment to avoid misuse of the act.		

(e) imposing on any person accused of an offence under this Act or regulations the burden of proving particular facts, but not so as to impose on an accused person the general burden of proving his innocence.				
	New Insert the following new section immediately after section 23– Dairy regulatory levy. 23A. (1) There shall be payable to the Board by every producer a dairy regulatory levy at the rate of one per centum of ex-factory price per kilogram of marketed processed milk and milk pFoducts.	We oppose any new levies to be charged on dairy products for the following reasons:- 1. Only 20% of milk produced in Kenya is sold in the formal sector. KPDA, in line with the government policy to improve on the manufacturing sector, (Big Four) is committed to reduce the price of processed milk to the consumer and hence increase milk consumption in Kenya as recommended by the World Health Organization.	Insert the following new subsection 23A (1A) immediately after section 23A(1) – 23A (1A) the levy shall be shared between the Board and County Governments on a ratio of 40%:60% respectively. The amount due to County Governments shared on prorata basis based on production	
		Double taxation particularly on processors who are based in all the counties. Different rates may be imposed by different county governments hence increasing the cost of doing business in Kenya which will ultimately make Kenyan milk uncompetitive.	Justification Regulation of dairy products is done by both County and national government with big chuck of activities happening at the County Level happens. Thus the Council is of the opinion the sharing formulae takes account of the functional mandate of both level to develop the dairy industry	
	(2) Despite subsection (1), a county government may, pursuant to Article 209(3) (c), impose a cess, payable to the county government on any milk or milk product	Further consultation on this matter with dairy stake holders. Status quo to remain		

	produced within the county.				
 31. "Primary producer" defined In this Part, "primary producer" means a person who produces milk for sale, but does not include persons employed by him for that purpose. 	s.31 Insert the words "or an import" immediately after the word "produces" appearing in the definition of "primary producer".	We welcome this amendments as it protects the Kenyan dairy industry.	"or import"		
33. Penalty for failure to register After the appropriate period of one month referred to in section 32 has elapsed, a primary producer to whom this Part applies who carries on business as such without being registered in accordance with this Part, or who wilfully neglects to supply the particulars prescribed by that section, or who knowingly or recklessly supplies any such particulars which are materially false, shall be guilty of an offence and liable to a fine not exceeding two thousand shillings.	s.33 Delete the expression "two thousand shillings" and substitute therefor the expression "one million shillings or imprisonment for a term not exceeding one year or to both"	We welcome the amendment.			
The Crops Act, 2013 (No.16 of 20)13)				
ACT	PROPOSED	COMMODITIES FUND	COUNCIL OF GOVENORS	KENYA BIXA LTD	
2. Interpretation	 s.2 Insert the following new definitions in proper alphabetical sequence– "Board of Trustees" means the board trustees of the Fund; "Fund" means the commodities fund established under section 9 of the Act. 	"Board of trustees" means the Board of the Commodities Fund. "The Fund "means the Commodities Fund established under section 9 of the Act.		Include Bixa has a Scheduled crop	Outside the scope of proposed amendments- SO 133(5)
8. Promotion of scheduled crops	s.8(n) Insert the following words at the beginning of the		Add the following word "in consultation with County		Redraft

 crops; (n) promote and advise on strategies for value addition prior to the export of crops from Kenya; (o) recommend general industry agreements between farmers and processors of scheduled crops; (p) prescribe the minimum period within which farmers are to be paid for crops delivered and penalties for delayed payments; and (q) perform any other relevant function. 	By declaring the Free t	Schedule 4 part 2(7) of the Constitution gives County Governments powers to develop and regulate markets including- markets, trade licensing and fair trading practices. In realizing this mandate County Government enforce National standards on marketing and trade practices. Thus, National governments should only enforce standards on export and imports.	
 9. Commodities Fund (1) There is established a Fund to be known as the Commodities Fund. (2) The Fund shall consist of- (a) monies paid as license fees, commission, export or import agency fees and fees that may accrue to or vest in the Authority 	By declaring the Fund a body corporate with perpetual succession and a common seal, the Fund obtains legal entity status. This should be inserted immediately after the establishment of the Fund to read as follows "the Fund shall be a body corporate with	9(2)(a) Add the word "export and import" immediately after the words" monies paid as" Schedule 4 part 2(7) of the Constitution gives the County Governments the

 18. Manufacturing licence (1) A person shall not manufacture or process a scheduled crop product for sale except under and in accordance with a licence issued under this Act. 	s.18(1) Insert the following expression "and other applicable Acts including Special Economic Zones Act, 2015; Export Processing Zones Act, 1990 and Micro and Small Enterprises Act, 2012" immediately after the word "Act".			
The Fisheries Management and	Development Act, 2016			
(No. 35 of 2016)				
		COUNCIL OF GOVERNORS		
 2. Interpretation 2. Interpretation In this Act, unless the context otherwise requires— "artisanal fishing vessel" means any local fishing vessel, canoe or un-decked vessel with a length overall of not more than ten meters, which is motorised or not motorised by an outboard or inboard engine not exceeding forty horsepower, or powered by sails or paddles, but does not include decked or undecked semi-industrial fishing vessels or vessels used for recreational fishing; "fishing" means— 	s.2 Delete the definitions to the expressions "artisanal fishing vessel", "fishing", "fish product", "industrial fishing vessels" and "semi- industrial fishing vessel" and substitute therefor the following new definitions in proper alphabetical sequence- "artisanal fishing" means small scale traditional fishing carried out for subsistence purposes in which the owner is directly involved in the day-to-day running of the enterprise and relatively small amounts of capital	The definition of the following words should be maintained; "artisanal fishing vessel" "industrial fishing vessels" and "semi-industrial fishing vessel" The Bill does not give an alternative definition yet the words are used widely in the parent Act.		
(a) searching for or taking of	are used;			
 (b) the attempted searching for or taking of fish; (c) engaging in any other activity which can reasonably be expected to 	"fishing" means attempting, attracting, searching for, locating, catching, taking or harvesting or any

. .

1	result in the locating or taking of fish; placing, searching for or recovering any fish aggregating device or associated equipment including radio beacons;	activity which can reasonably be expected to result in the attempting, attracting, searching for, locating, catching, taking or harvesting of fish,			
(e)	any operation on Kenya fishery water or on the high seas in support of or in preparation for any activity described in paragraphs (a), (b), (c) or (d);	and includes the use of an aircraft for any of the aforementioned activities, except for flights in emergencies			
	use of an aircraft which is related to any activity described in paragraphs (a), (b), (c) or (d), except for flights in	involving the health or safety of a crew member or the safety of the vessel, but does not include aquaculture or the transportation of fish; and			
	emergencies involving the health or safety of a crew member or the safety of a vessel, but does not include aquaculture or the transportation of fish;	and			
	"fish product" means any product or part thereof (including oil) obtained by fish processing, and intended for use as human food, animal feed or raw material ingredient in the manufacture of other commodities of commercial or ornamental value;				
	"industrial fishing vessel"means a decked fishing vessel with an overall length of twenty meters or greater and with an inboard engine;	"fish product" means any product or part thereof (including oil) obtained from nature by fish			
	 "semi-industrial fishing vessel" includes— (a) a decked fishing vessel with an overall length of not less than ten meters and 	processing, or as products secreted by fish and intended for use as human food, animal feed or raw material ingredient in the manufacture of other commodities of commercial or ornamental value;			

not more than fifty GRT and not powered by an inboard engine ; and (b) an undecked vessel with a length of not ten meters an more than tw meters with 1 fifty GRT an- powered by e of at least for power;			
 58. Competent authority (1) The Ministry responsible for the Service shall be the competent authority responsible for the official control of the safety of fish, fish products and fish feed. (2) The Cabinet Secretary shall establish a technical committee on Fish Quality and Safety. (3) The functions of the Committee shall be to— (a) monitor the production of fish products and fish feed with a view to assessing risks to humans; (b) regulate fish handling, landing, transportation, processing and marketing; (c) work in collaboration with other Government agencies in matters related to this section; (d) carry out inspection of operational fishery enterprises for compliance with fish safety regulations issued by the Cabinet Secretary; (e) lay down all procedures to be followed for compliance with provisions under paragraph (f); (f) specify conditions for the placing on the market of fish, fish products and fish feed; (g) maintain a register of fishery enterprises approved by the competent authority. (h) issue health certification of fish, fish products and fish feed subject to the consignment 	s.58(2) Insert the expression "standing committee" immediately before the expression "technical committee".	 Delete the proposed amendment and maintain the section 58(1) of the Act. amend section 58(2) to read as follows: (2) The Cabinet Secretary shall establish a technical committee on Fish Quality and Safety which shall include representation from the County Governments. The technical committee is sufficient for the purposes of assessing fish quality and safety in the Country. Further, under the Fourth Schedule of the Constitution fisheries is a devolved function and as such the County Governments who are the primary implementers should be represented in the technical Committee. 	

(i) perform such other functions as may be necessary or expedient for food safety conditions of fish products in accordance with this Act.		Amend by deleting the word "standing Committee" and replace with "Technical	
		Committee" to read as follows	
(4) The Cabinet Secretary may for the purposes of subsection (2) make regulations, and such regulations shall regard to conduct of the affairs of the standing committee.		58(4) The Cabinet Secretary may for the purposes of subsection (2) make regulations, and such regulations shall regard to conduct of the affairs of the technical committee.	
		The Council opines that the standing Committee being proposed will have no role under the Act hence the technical committee should be maintained	
	Delete and substitute therefor the following new subsection -		
	(4) The Cabinet Secretary may, for purposes of subsection (2), make regulations with regard to the conduct of the affairs of the standing committee and the technical committee		
81 Registers of licences and authorizations			
(1) The Director-General shall establish and maintain a national register of licences and authorizations issued under this Act in accordance with such requirements as may be prescribed or required by the Minister			
(2) The register established under subsection (1) shall include—			
· · · · · · · · · · · · · · · · · · ·			

(a) information on applications for licences and authorizations under this Act;				
(b) information on each licence and authorization issued, renewed, suspended or cancelled under this Act, including the activity, date and duration;

COMMITTEE'S OBSERVATIONS

•

s . .

The Committee made the following observations;

REPORT OF THE DEPARTMENTAL COMMITTEE ON AGRICULTURE & LIVESTOCK ON STATUTE LAW 2, 2018

1. The Dairy Industry Act (Cap.336)

The Bill proposes to amend the Dairy Industry Act to enlarge the definition of milk to include goat and camel milk. It also seeks to enhance penalties under the Act as well as allow for regulations on the standards, manner of installation and operation of milk dispensers.

The Committee agreed to the Ministry of Agriculture and Irrigation, as well as the Attonery Generals proposal that, Committee stage amendments are prepared to delete the provisions relating to the Dairy Industry Act.

The justification by the Ministry was that there was need for more consultation on the matters.

2. The Crops Act, 2013 (No. 16 of 2013)

The Bill seeks to amend the Crops Act, 2013 to provide for the benefit of value addition to agricultural produce in relation to export. Members agreed with the proposals contained in the Bill as published.

3. The Fisheries Management and Development Act, 2016 (No. 35 of 2016) The Bill proposes to amend the Fisheries Management and Development Act, 2016, to harmonize various definitions in the Act.

It also seeks to introduce a new provision which empowers the Cabinet Secretary to make Regulations with regard to the conduct of the affairs of the standing committee and the technical committee and to prescribe the minimum standards for crew working on fishing vessels. The bill sought to introduce new provisions to streamline the issue of liscencing for fisheries activities.

COMMITTEE'S RECOMMENDATIONS

The Committee having considered the Bill, made the following recommendations

1. The Dairy Industry Act (Cap. 336)

Clause (3) The Committee proposes deletion.

Clause (19) The Committee proposes deletion.

Clause (20) The Committee proposes deletion.

Clause (31) The Committee proposes deletion.

Clause (33) The Committee proposes deletion.

2. The Crops Act, 2013 (No. 16 of 2013)

The Committee agreed to the proposals contained in the Bill.

3. The Fisheries Management and Development Act, 2016 (No. 35 of 2016) Clause 86.(3) The Committee Proposes deletion.

Clause 88.(1) The Committee Proposes the deletion of the words "including in" after national jurisdiction.
