- c. Contains a matter which in the option of the Committee should more properly be dealt with in an Act of the Parliament;
- d. Contains imposition of Taxation;
- e. Directly or indirectly bars the jurisdiction of the court;
- f. Gives retrospective effect to any of the provision in respect to which the Constitution does not expressly give any such power;
- g. Involves expenditure from the consolidated fund or other public revenues;
- h. Is defective in its drafting or for any reason form or part of the statutory instrument calls for any elucidation;
- i. Appears to make some unusual or unexpected use of the power conferred by the Constitution or the Act pursuant to which it is made;
- j. Appears to have had unjustifiable delay in its publication or laying before Parliament;
- k. Makes rights, liberties or obligations unduly dependent upon non-renewable decisions;
- l. Makes rights, liberties or obligations unduly dependent insufficiently defined administrative powers;
- m. Inappropriately delegates legislative powers;
- n. Imposes a fine, imprisonment or other penalty without express authority having been provided for in the enabling legislation;
- o. Appears for any reason to infringe on the rule of law;
- p. Inadequately subjects the exercise of legislative power to Parliamentary scrutiny; and,

- q. Accords to any other reason that the Committee considers fit to examine.

**Standing Order No. 210(4) provides that if the Committee-**

- a. Resolves that the statutory instrument, be acceded to, the Clerk shall convey that resolution to the relevant state department or the authority that published the statutory instrument.
- b. Does not accede to the statutory instrument, the Committee may recommend to the House that the Assembly resolves that all or part of the statutory instrument be annulled.
- c. The Clerk shall submit the resolution under paragraph 4(b) above to the relevant state department or the authority that published the statutory instrument.

**1.3 The Kenya Technical Trainers Order, 2014.**

Pursuant to the Technical and Vocational Education Training Act (No.29 of 2013) the Cabinet Secretary for Education, Science and Technology on 7<sup>th</sup> November, 2014, submitted to the Clerk of the National Assembly, the Eldoret National Polytechnic Order, 2014. The Order was tabled on 11<sup>th</sup> November, 2014 and thereafter was referred to the Select Committee on Delegated Legislation, by the Hon. Speaker for review and scrutiny pursuant to section 12(1) of the Statutory Instruments Act, 2013 and Standing Order 210 of the National Assembly.

**1.4 Committee Meetings**

The Committee held two sittings and scrutinized the Order pursuant to the Provisions of Section 13 of the Statutory Instruments Act and Standing Order No. 210.

**1.5 Committee's Observations and recommendations**

The Committee observed that save for paragraphs 20 and 21, the Order as published complies with the requirements of section 13 and other enabling provisions of the Statutory Instruments Act and Standing Orders of the National Assembly. Paragraphs 20 and 21

Contravene section 13 (m) of the Statutory Instruments Act, 2013 and protection of the institutions name has no basis in the Parent Act.

**In view of the foregoing and pursuant to provisions of section 13 of the Statutory Instruments Act and Standing Order 210 (4) (b), the Committee recommends to the House that paragraphs 20 and 21 be annulled.**

### **1.6 Acknowledgement**

The Committee wishes to sincerely thank the Offices of the Speaker and the Clerk of the National Assembly for the necessary support extended to it in the execution of its mandate;

I take this opportunity to thank all the Members of the Committee for their useful and immense contribution in scrutinizing the Eldoret National Polytechnic Order, 2014.

The Committee further wishes to record its appreciation for the services rendered by the staff of the National Assembly that enabled the production of this Report.

## **2.0 COMMITTEE'S CONSIDERATION OF THE ELDORET NATIONAL POLYTECHNIC ORDER, 2014**

The Order is made pursuant to section 26(2) of the Technical and Vocational Education and Training Act which mandates the Cabinet Secretary to make Orders to establish the various categories of technical institutions.

The Order establishes the Eldoret National Polytechnic as a body corporate and specifies its objects and functions. It further provides for the management council of the college and various offices to administer the College and related purposes.

### **2.1 Committee Observations**

The Committee on Delegated Legislation scrutinized the Eldoret National Polytechnic Order, 2014, and observed as follows;

- a. Except for Orders 20 and 21, the Order conforms to the Constitution, relevant considerations under the provisions of section 13 of the Statutory Instruments Act, 2013 and the Parent Act being the Technical and Vocational Education and Training Act.
- b. The Parent Act under section 58, allows for the extension of all existing orders in respect to Technical Institutions provided that they seek accreditation from the Technical and Vocational Education and Training Board established under section 8 of the Act within two years of establishment.
- c. The Order was accompanied by an Explanatory Memorandum which provides for its purpose and the Legislative context, and traces the policy background of the Order sessional paper No.14 of 2012 which provided for the governance, management, development among others of the Technical and Vocational Education and Training of the accords to the requirements of section 11 of the Statutory Instruments Act, 2013
- d. The Explanatory memorandum provides the extent of public participation and the outcome thereof, the guidance on establishment of the institution, its impact on public and private sector, its impact on fundamental rights and freedoms as enshrined under Articles 43(1)(f) and 55(a) of the Constitution.
- e. Order 20 seeks to delegate to the Council the authority to make Regulations. A delegatee may not delegate further the

powers conferred on them and the Order inappropriately delegates legislative powers contrary to section 13 (m) of the Statutory Instruments Act, 2013. To this end this provision amounts to abuse of delegated authority.

- f. The Statutory instruments Act under section 13 (m) mandates the Committee in scrutiny of any statutory instrument to consider whether the instrument inappropriately delegates legislative powers.
- g. Order 21 seeks to provide for the protection of the name of the institution under a Statutory Instrument. This is regulated by the laws regulating patents and Registration of business names and Companies and should therefore not be in the Order.

The Committee found that except for paragraphs 20 and 21, the Order as published accords with the provisions of the Constitution, the Act Pursuant to which it is made, the Statutory Instruments Act, 2013, Standing Orders 210 (3) and other relevant written laws.

### **3.0 Committee Recommendation**

In view of the Committee's considerations, observations and findings under 2.0 and 2.1 above and pursuant to the provisions of section 13 and other relevant provisions of the Statutory Instruments Act (No.23 of 2013) and Standing Order No.210 and other relevant legislations, **the Committee hereby recommends to the House that paragraphs 20 and 21 of the Eldoret National Polytechnic Order 2014 be annulled.**
