In exercise of the powers conferred by **section 54 of the National Transport and Safety Authority Act, 2012**, the Cabinet Secretary for Transport, Infrastructure, Housing and Urban Development, in consultation with the Board of the National Transport and Safety Authority (NTSA) published the National Transport Safety Authority (Operation of Commercial Vehicles) Regulations, 2018 on 26th January, 2018 vide LN No.3/2018.

Following publication, the Regulations were tabled in the House on 20th March, 2018 and immediately committed to the Select Committee on Delegated Legislation for review and scrutiny in line with section 12 of the Statutory Instruments Act, 2013 and Standing Order 210 of the National Assembly Standing Orders.

The Committee wishes to express its gratitude to the Speaker for the support accorded to the Committee in the discharge of its mandate. The Committee also wishes to record its appreciation to the Office of the Clerk of the National Assembly and the supporting Directorates for providing technical support which was vital in the consideration of this instrument.

HON. GLADYS BOSS SHOLLEI, CBS, MP
CHAIRPERSON, COMMITTEE ON DELEGATED LEGISLATION

EXECUTIVE SUMMARY

The National Transport Safety Authority (Operation of Commercial Vehicles) Regulations, 2018 were tabled in the House on 20th March, 2018 and immediately committed to the Select Committee on Delegated Legislation for review and scrutiny in line with section 12 of the Statutory Instruments Act, 2013 and Standing Order 210 of the National Assembly Standing Orders.

Having considered the Regulations, the Committee observed that they were published on 26th January, 2018 and tabled in the National Assembly on 20th March, 2018. This was within the statutory timeline contemplated under section 11(1) of the Statutory Instruments Act. The Regulations also complied with all the relevant considerations contained in section 13 of the Statutory Instruments Act.

Annexed to the Regulations was an Explanatory Memorandum prepared by the National Transport and Safety Authority. The Committee, however, observed that the Memorandum did not demonstrate the extent to which consultations were undertaken. There was no evidence to ascertain who the participants were and whether public participation was indeed undertaken.

With regard to the public notice in the newspapers inviting members of the public for their comments, Members were concerned about the level of public engagement particularly those who may not have access to print media.

In view of the foregoing, the Committee recommends **that pursuant to Standing Order 210 (4) (b) and section 15 (1) of the SI Act, the National Transport & Safety Authority (Operation of Commercial Vehicles) Regulations, 2018 be annulled *in toto* for lack of clarity on the extent of public participation undertaken, contrary to Art 10 and 118 of the Constitution of Kenya.**

1.0 PREFACE

The Select Committee on Delegated Legislation is established pursuant to *Standing Order No. 210* and is mandated to consider statutory instruments submitted to Parliament for consideration. The Committee is expected to consider in respect of any statutory instrument, whether it is in accordance with the provisions of the Constitution, the Act pursuant to which it is made or other relevant written laws.

1.1 Mandate of the Committee

The Committee is mandated to consider in respect of any statutory instrument, whether it: -

- (i) is in accordance with the provision of the Constitution, the Act pursuant to which it is made or other relevant written laws;
- (ii) infringes on fundamental rights and freedoms of the public;
- (iii) contains a matter which in the option of the Committee should more properly be dealt with in an Act of the Parliament;
- (iv) contains imposition of taxation;
- (v) directly or indirectly bars the jurisdiction of the court;
- (vi) gives retrospective effect to any of the provision in respect to which the Constitution does not expressly give any such power;

The Committee is equally tasked with the responsibility of scrutinizing statutory instruments, whether: -

- (i) it involves expenditure from the consolidated fund or other public revenues;
- (ii) is defective in its drafting or for any reason form or part of the statutory instrument calls for any elucidation;
- (iii) appears to make some unusual or unexpected use of the power conferred by the Constitution or the Act pursuant to which it is made;
- (iv) appears to have had unjustifiable delay in its publication or laying before Parliament;
- (v) makes rights, liberties or obligations unduly dependent upon non-renewable decisions;
- (vi) makes rights, liberties or obligations unduly dependent insufficiently defined administrative powers;
- (vii) inappropriately delegates legislative powers;
- (viii) imposes a fine, imprisonment or other penalty without express authority having been provided for in the enabling legislation;

- (ix) appears for any reason to infringe on the rule of law;
- (x) inadequately subjects the exercise of legislative power to Parliamentary scrutiny; and
- (xi) accords to any other reason that the Committee considers fit to examine.
