The objective of the visit was to assess the situation on the ground and collect views of the residents of Maanoni with an aim of recommending sustainable solution and settle outstanding issues.

1.4 COMMITTEE OBSERVATIONS

Having held meetings and considered the submissions presented on the Petition, the Committee observed as follows, that:-

1. The Petitioners are currently living on the edge of Maanoni dam as squatters;
2. The Petitioners possess title deed for the Land they were allocated as compensation at Nguu Ranch settlement Scheme, which they could not occupy because of hostilities from squatters in Nguu who occupy large portions of the Land;
3. There is siltation in Maanoni dam due to the continuous subsistence farming by the squatters and the plans to expand the Dam have been hindered by the Petitioners;
4. The Government acquired farms belonging to 75 families with the view to

constructing Maanoni Dam.

1.5 RESPONSE TO PRAYERS IN THE PETITION

1.5.1 The Petitioners had prayed that the National Assembly through the Committee,

1. Intervenes to conduct a special inquiry into the circumstances behind the inordinate delay in compensating the victims and failure to have them resettled in the Nguu Settlement Scheme, even after being issued with allotment letters and having paid 10% to SFT in 2009;
2. Urges the Cabinet Secretary for Lands to expediently and justly compensate the victims who have waited for far too long;

1.5.2 In response to the above prayers, The Committee recommends that:

1. The Ministry of Interior and Coordination of National government in conjunction with the County government of Makueni provides security and ensures that the 75 families from Maanoni settle in their allotted land in Nguu settlement scheme;
2. The National Land Commission expedites the formulation of laws to address Historical Land Injustices in the Country.
3. Resources are set aside in the Budget to resettle and compensate the Maanoni Dam Displaced Persons.

1.6 ADOPTION OF THE REPORT

The Members of the Departmental Committee on Lands have pursuant to Standing order 199 adopted this Report on the Petition by Maanoni Dam Displaced Persons on Delayed Land and Crop Compensation as affirmed by the attached Annex I on Friday 29th May 2015.

DEPARTMENTAL COMMITTEE ON LANDS

2.0 BACKGROUND INFORMATION

- 2.0.1 The Petition by Maanoni Dam Displaced Persons was presented to the House by Hon. Daniel Maanzo, M.P pursuant to Article 119. (1) of the Constitution of Kenya 2010 and pursuant to the provisions of Standing Order 225(2) (a);
- 2.0.2 Pursuant to House rules, the Petition was referred to the Committee on Thursday 12th February 2015 for consideration and preparation of a report within 60 days. The Committee considered the petition pursuant to the provisions of Standing order 227;
- 2.0.3 The Petitioners wished to draw to the attention of the House on the following, that:
- (i). Article 40(1) of the constitution entitles every Kenyan to the right to acquire and own property of any description in any part of the Country;
 - (ii). Land as a property is an important factor of production which supports livelihoods of many Kenyan household that thrive on farming;
 - (iii). Article 40(3)(b)(i) obligates Government to promptly and justly compensate persons from whom land is acquired for purposes of putting up public utilities;
 - (iv). In 1984, seventy five (75) plots belonging to residents of Kakutha/Kyemundu location in Mbitini Ward, Makueni Constituency in Makueni County was acquired by the Government to construct Maanoni Dam. The acquisition and subsequent clearance of the land so acquired led to the destruction of crops such as citrus fruits, coffee, arrow roots, sugarcane and a variety of vegetables that supported their livelihoods and earned them income;
 - (v). In 1995, the displaced persons were issued with allotment letters by the District Commissioner to settle in Nguu Settlement Scheme and in 1999, the displaced persons were further issued with acceptance letters by the Ministry of Lands after which they proceeded and paid 10% of the value of the allotted plots to the Settlement Fund Trustees. However, when the victims went to the allotted settlement scheme, they were repelled with

hostility by occupants of Nguu Settlement Scheme forcing them to live as vagrants;

- (vi). Notwithstanding the issuance of allotment letters and payment of 10% to Settlement Fund Trustees, efforts by administrators and Elected Leaders from the region to have these displaced persons settled at Nguu Settlement Scheme have yielded no fruit;
- (vii). These citizens whose goodwill caused them to surrender their land to the Government to pave way for construction of Maanoni dam for public good are now condemned to landlessness and abject poverty;
- (viii). Unwarranted delay by the Government to have Maanoni Dam displaced persons compensated or resettled, over thirty years down the line, is not only a miscarriage of justice but also a fragrant violation of their right to prompt and just compensation as contemplated under Article 40(3)(b)(i) of the Constitution.

2.0.4 The Committee held various sessions in Parliament and visited the area on 6th March 2015 with a view to receiving information regarding the petition.

3.0 SUBMISSIONS AND EVIDENCE

Having been seized of the Petition, the Committee commenced its consideration by inviting the Cabinet Secretary for Lands, Housing and Urban Development and the Chairman, National Land Commission for meetings. During the meetings, written and oral evidence was adduced as recorded hereunder:-

3.1 Meeting with the Principal Secretary Ministry of Lands, Housing, and Urban Development.

The Principal Secretary, State Department of Lands, Ms. Mariamu El Maawy accompanied by Mr. Peter Kahuho, Ag. Secretary – Lands, informed the Committee as follows, that:-

- 3.1.1 Seventy five farms were acquired from the residents of Maanoni for the construction of Maanoni dam;
- 3.1.2 The displaced people were allocated land around Wayani area in Nguu ranch Settlement Scheme. However, they could not take up their farms due to hostilities

from the squatters on the ground who occupied large chunks of land and refused to move out denying the legal allottees access to their plots;

3.1.3 The government would resettle the displaced people subject to availability of suitable alternative land and funds for that purpose;

3.1.4 The Ministry does not have funds allocated for compensation of victims whose crops were destroyed. The matter can however be channeled through the Ministry of Environment, Water and Natural Resources for compensation.

3.2 Meeting with the Chief Executive Officer, National Land Commission

Mr. Tom Aziz Chavangi, Chief Executive Officer accompanied by Mrs. Edith S.L. Olando, Deputy Director Land Administration informed the committee as follows, that:

3.2.1 The farms of 75 residents were acquired for the construction of Maanoni Dam;

3.2.2 The displaced people were allocated land around Wayani area in Nguu Ranch Settlement Scheme;

3.2.3 However they could not take up their farms due to hostilities from the squatters on the ground who occupied large chunks of land and refused to move out denying legal allottees access of their plots;

3.2.4 The displaced persons can only be resettled as suitable land is sourced and funds availed to purchase it.

3.3 Fact finding visit and meeting with the public at Maanoni Dam.

Mr. Daniel M. Muthoka, representing the Deputy County Commissioner, Nzau sub County, Ms. Sabina W. Mule - Assistant County Commissioner, Mr. Shadrack Mulwa-Chief, Mr. Samson Mbiu- Ward administrator, Mr. Benedict M. Mijange - CDF Secretary Makueni, Ms. Phyliss Muindi - CDF representative, Mr. Titus K. Munuve - CDF representative, Mr. Bernard M. Kinyenye - Maanoni Dam Secretary, Mr. Francis Ndambuki- Maanoni Dam Vice Chairman made representations on behalf of the petitioners and informed the Committee as follows; that:-

3.3.1 The Maanoni dam was constructed after the Government acquired seventy five (75) plots of registered lands in 1984 from the people of Maanoni;

3.3.2 The residents were then evicted from their land on which they had planted crops

- such as coffee, citrus fruits, bananas, cassava, sugarcanes, arrowroots and a variety of vegetable which were destroyed and no compensation done;
- 3.3.3 In 1995, the displaced persons were issued with allotment letters to settle in Nguu settlement through the District Commissioner, in an attempt to re-settle them;
- 3.3.4 In 1999, they were also issued with acceptance letters by the Ministry of lands which enabled the victims to pay 10% of the value of the plots to the Settlement Fund Trustees, which they paid. Receipts are attached to each application(Annexe D);
- 3.3.5 In 2002, the then District Commissioner Hassan Farah and the survey officials tried to settle all the victims, in Nguu. However, this exercise failed due to the rebellion from squatters occupying Nguu;
- 3.3.6 With nowhere to go, they returned to Maanoni Damsite where they are now living as squatters;
- 3.3.7 The dam cannot be expanded, desilted or its water put into proper use because these people live on the edges of the dam;
- 3.3.8 There are plans to construct phase two of the dam but the residents are against it;
- 3.3.9 The affected families already have title deeds to the land they were evicted from.

3.0 COMMITTEE OBSERVATIONS

The Committee made the following observations from evidence adduced in meetings and the field visit, that:-

1. The Petitioners are currently living on the edge of Maanoni dam as squatters;
2. The Petitioners possess title deed for the Land they were allocated as compensation at Nguu Ranch settlement Scheme, which they could not occupy because of hostilities from squatters in Nguu who occupy large portions of the Land;
3. There is siltation in Maanoni dam due to the continuous subsistence farming by the squatters and the plans to expand the Dam have been hindered by the Petitioners;
4. The Government acquired farms belonging to 75 families with the view to constructing Maanoni Dam.

4.0 COMMITTEE RECOMMENDATIONS

The Committee recommends that:

1. The Ministry of Interior and Coordination of National government in conjunction with the County government of Makueni provides security and ensures that the 75 families from Maanoni settle in their allotted land in Nguu settlement scheme;
2. The National Land Commission expedites the formulation of laws to address Historical Land Injustices in the Country.
3. Resources are set aside in the Budget to resettle and compensate the Maanoni Dam Displaced Persons.

- v) THAT, the acquisition and subsequent clearance of the land so acquired led to destruction of crops such as citrus fruits, coffee, arrow roots, sugarcane and a variety of vegetables that supported their livelihoods and earned them income;
- vi) THAT, in 1995, the District Commissioner issued the displaced persons allotment letters to settle in Nguu Settlement Scheme;
- vii) THAT, in 1999, the displaced persons were issued with acceptance letters by the Ministry of Lands, after which they proceeded and paid 10% of the value of the allotted plots to the Settlement Fund Trustees;
- viii) THAT, when the victims went to the allotted Settlement Scheme, they were repelled with hostility by occupants of the land, forcing them to live as vagrants;
- ix) THAT, notwithstanding the issuance of allotment letters, acceptance letters and payment of 10% to the Settlement Fund Trustees, efforts by Government administrators and elected leaders from the region to have these displaced persons settled at the Nguu Settlement Scheme have yielded no fruit;

PUBLIC PETITION
BY MANOONI DAM DISPLACED PERSONS ON DELAYED
LAND AND CROP COMPESATION

- x) THAT, these citizen's whose good will caused them to surrender their land to the government to pave way for construction of Manooni dam for public good are now condemned to landlessness and abject poverty;
- xi) THAT, the unwarranted delay by the Government to have the Manooni Dam displaced persons compensated and resettled, over thirty years down the line, is not only a miscarriage of justice but also a flagrant violation of their right to prompt and just compensation as contemplated under Article 40(3)(b)(i) of the Constitution;
- xii) THEREFORE your humble petitioner PRAYS that the National Assembly, through the Departmental Committee on Lands:
- (a) Intervenes to conduct a special inquiry into the circumstances behind the inordinate delay in compensating the victims and failure to have them resettled in the Nguu Settlement Scheme, even after being issued with allotment letters, acceptance letters and having paid 10% to the Settlement Fund Trustees in 1999; and
 - (b) Urges the Cabinet Secretary for Lands to expediently and justly compensate the victims who have waited for far too long;

THAT, to the best of our knowledge, there is no pending case before any court of law in respect to this matter.

And your PETITIONERS will ever pray.

Dear Hon Ngilu,

RE: MANOONI DAMSITE SQUATTERS - COMPULSORY ACQUISITION OF LAND

Greetings,

The above dam was constructed after the Government acquired seventy five (75) plots of registered lands in the year 1984 from the people of Manooni.

The residents were then evicted from their land on which they had planted crops such as coffee, citrus fruits, bananas, cassava, sugarcanes, arrowroots and a variety of vegetables which were destroyed and no compensation done.

In 1995, the displaced persons were issued with allotment letters to settle in Nguu Settlement Scheme through the District Commissioner, in an attempt to re-settle them.

In 1999, they were also issued with acceptance letters by the Ministry of Lands which enabled the victims to pay 10% of the value of the plots to the Land Fund Trustees, which they paid. Receipts are attached to each application.

In 2002, the then District Commissioner Hassan Farah and the survey officials tried to settle all the victims, in Nguu, which failed after they were chased away from Nguu.

[Handwritten signature]

With no where to go, they returned to Manooni Damsite where they are now living as squatters.

The dam can not be expanded, silted or its water put into proper use because these people live on the edges of the dam.

The puzzle now is:-

1. If their land was compulsorily acquired, why were they not compensated?
2. If the Government had plans to re-settle them, why has this exercise failed?

Kindly, find attached herewith a list of the 75 people affected and their supporting documents to this matter.

Kindly, intervene as the squatters are living in squalor conditions with no where to go.

Yours Faithfully,

MUTULA KILONZO JUNIOR

- b. What plans does the government put in place to compensate the victims whose crops were destroyed.
- c. Is the government setting aside funds or land to compensate the victims;
- d. Any other information relevant to the subject matter.

Answers

Seventy Five farms were acquired from the residents of Maanoni for the construction of Manoni Dam. The displaced people were allocated land around Wayani area in Nguu Ranch Settlement Scheme

However they could not take up their farms due to the hostilities from the squatters on the ground who occupied large chunks of land and refused to move out denying legal allottees access of their plots.

The government will resettle the displaced people subject to availability of suitable alternative land and funds for the purpose.

This ministry does not have funds allocated for compensation of victims whose crops were destroyed. The matter can be channeled through the Ministry of Environment, Water and Natural Resources for compensation.

2) Petition by Residents of Maanoni Dam, Makueni County

The farms of 75 residents were acquired for the construction of Maanoni Dam. The displaced people were allocated land around Wayani area in Nguu Ranch Settlement Scheme.

However they could not take up their farms due to hostilities from the squatters on the ground who occupied large chunks of land and refused to move out denying legal allottees access of their plots.

The displaced [persons can only be resettled as suitable land is sourced and funds availed to purchase it.

3) Kamae Resettlement Scheme

a) Information regarding the ownership, allocation, sub division or transfer on LR nos. 11026/R and 11026/2;

Kamae settlement scheme is situated on LR. NO. 11026 which measures approximately 4473 Ha and currently owned by Kenyatta University. The term is 99 years with effect from 1st October, 1977.

Physically the land stretches from Thika road on the East to Kamiti Prison to the West. To the North is the Northern bypass and Kahawa West Estate to the South.

In the year 1984, there was a presidential directive to the University Council to excise 30.82 acres for the purposes of resettling six hundred and seventy (670) squatters that had informally occupied the land. This parcel was then surveyed as LR. NO. 11026/4 and deed plan for title preparation issued.

However, before the Commissioner of Lands finalized the title preparation, the University Council resolved to excise a further 10 acres and add to LR 11026/4 totaling to 40.82 acres. This was to compensate those whose plots had encroached on the riparian reserve. A sub division scheme plan was done and 736 plots were realized ranging from parcels 1404 – 2139.

In November 2000, there was an allegation of another presidential directive to further excise 70 acres. There is no recorded proof, however with the backing of the Provincial Commissioner, letters of allotment labeled Kamae resettlement scheme Phase II were prepared. A total of 1,737 letters of allotment were issued

RE: PEOPLE EVICTED FROM MANOONI DAM

This is to remind you about the plight of the above people. I understand they now want to take the law into their own hands and close the pipes allowing water from the Dam as they say the government is unable to settle them as agreed.

~~This is, therefore, to ask you to urgently meet with them and pledge that the government is still committed to settling them at Mvuu. We shall arrange for security to evict those illegally occupying the said land in Nguu and have Manooni people settled.~~

Further, you are asked to get in touch with me soonest so that we can lay strategies to solve this problem once and for all.

Please expedite.

Dear Sir,

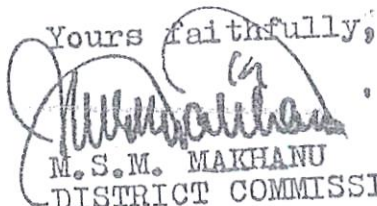

MANOONI DAMSITE OWNER CROP COMPENSATION

Thank you for your letter dated 27th January 1996 on the above subject matter.

Records held in this office show that soon after the acquisition of plots surrounding Manooni Dam a decision was made to compensate those plot owners with land elsewhere. This was done last year and all those whose land and crops were affected were given land in Nguu Ranch.

There is therefore no further compensation that I am aware of.

Yours faithfully,

Dear Sir,

RE: MANOONI BARTH DAM COMPENSATION SCHEME

I have seen a copy of your letter of 18th October, 1986 addressed to the District Officer, Makuani, raising the question of compensation regarding Manooni Dam.

Please note that compensation was not part of the deal in this project and the community of Manooni were properly constantly made aware of this condition to which they consented prior to implementation thereof. We are not switching the clock back.

Yours faithfully,

Answer to a parliamentary question

Concerning Macroni During the
16th Parliament.

MINISTRY OF LANDS

PARLIAMENTARY QUESTION NO.357

The member for Makueni (Mr. Peter Kĩilu) to ask the Minister for Lands:

QUESTION

- a) Is the Minister aware that seventy-five (75) families in Manooni Sub-Location, Kakutha Location in Mbitini Division whose land was acquired by the Government in early 1980's for construction of Manooni Dam have not been resettled, and have since become internally displaced persons (IDPs) living with relatives?
- b) What urgent steps has the Ministry taken to compensate and resettle these families?

ANSWER

Mr. Speaker Sir, I beg to reply:

- a) The Government did not compulsorily acquire any land for construction of Manooni Dam in early 1980's.
- b) Since the Government was not involved in compulsory acquisition of the said land, the question of compensation does not arise and the issue of resettling of families cannot be considered in the context of the alleged acquisition.
