The NGNGCDFCs wish that the issues of having the project on going for more than 2 years be stopped and the NGCDF board to reduce the rate of staff turnovers in Constituencies i.e. FAM transfers.

### **OFFICE OF THE AUDITOR-GENERAL**

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - MAKADARA CONSTITUENCY FOR THE YEAR ENDED 30 JUNE 2016

### REPORT ON THE FINANCIAL STATEMENTS

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Makadara Constituency set out on pages 5 to 24, which comprise the statement of assets as at 30 June 2016, and the statement of receipts and payments, statement of cash flows and summary statement of appropriation for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the International Public Sector Accounting Standard (Cash Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

### **Auditor-General's Responsibility**

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. The audit was conducted in accordance with the International Standards of Supreme Audit Institutions. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial

Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund - Makadara Constituency for the year ended 30 June 2016

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. An audit also includes evaluation of the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

### **Basis for Qualified Opinion**

### **Unexplained Amended Comparative Figures**

The following differences have been noted between comparative figures (2014/2015) reflected in the financial statements for the year ended 30 June 2016 and the balances shown in the audited financial statements for 2014/2015:

| Item                      | 2014/2015<br>Comparative<br>Figures<br>Kshs. | 2014/2015<br>Audited<br>Balance<br>Kshs | Variance<br>Kshs |

| Committee Expenses        |  | 2,683,000                               | (2,683,000)      |
| Use of goods and Services | 6,167,439                                    | 3,484,439                               | 2,683,000        |
| Social Security           |  | 16,800                                  | (16,800)         |

However, the above differences have not been explained. In addition, the nature of the error and respective amounts of the corrections in the comparative figures have similarly not been disclosed in the notes to the financial statements.

### **Qualified Opinion**

In my opinion, except for the effects of matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund – Makadara Constituency as at 30 June 2016, and of its financial performance and its cash flows for the year ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015.

### **Other Matter**

### **Budgetary Control and Performance**

### 1. Budget Performance

During the year under review, Makadara Constituency Fund incurred expenditure totalling Kshs.75,069,568 against an approved budget of Kshs.100,080,848 and thus recorded approximately 75% budget absorption rate and under-expenditure of Kshs.25,011,280 or 25% as shown below:

| Item                                | Budgeted<br>Amount<br>Kshs. | Actual<br>Expenditure<br>Kshs. | Utilization<br>Difference<br>Kshs. |
|-------------------------------------|-----------------------------|--------------------------------|------------------------------------|
| Compensation of Employees           | 2,644,848                   | 2,330,088                      | 314,760                            |
| Use of Goods and Services           | 6,086,786                   | 6,088,774                      | (1,988)                            |
| Transfers to Other Government Units | 58,546,240                  | 51,830,314                     | 6,715,926                          |
| Other Grants and Transfers          | 31,633,974                  | 14,151,392                     | 17,482,582                         |
| Acquisition of Assets               | 169,000                     | 169,000                        | 0                                  |
| Other Payments                      | 1,000,000                   | 500,000                        | 500,000                            |
| Total                               | 100,080,848                 | 75,069,568                     | 25,011,280                         |

The under expenditure is an indication of funds not utilized fully and approved programs not implemented. The budget did not, therefore, fully meet the intended objectives of improving delivery of services to the residents of Makadara Constituency.

### 2. Transfers to Other Government Entities

During the year, under review, the Fund budgeted for Kshs.58,546,240 on transfers to other government entities but spent Kshs.51,830,314 only resulting in a net under-expenditure of Kshs.6,715,926 on the item as detailed below:

Reports and Financial Statements For the year ended June 30, 2016

### VIII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

### 1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the NGCDF and all values are rounded to the nearest shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the NGCDF.

### 2. Recognition of revenue and expenses

The NGCDF recognises all revenues from the various sources when the event occurs and the related cash has actually been received by the NGCDF. In addition, the NGCDF recognises all expenses when the event occurs and the related cash has actually been paid out by the NGCDF.

### 3. In-kind contributions

In-kind contributions are donations that are made to the NGCDF in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the NGCDF includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

### 4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

Reports and Financial Statements For the year ended June 30, 2016

SIGNIFICANT ACCOUNTING POLICIES (Continued)

### 5. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the NGCDF at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

### 6. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The NGCDF's budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the NGCDF's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

### 7. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

### 8. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2016.
