MACHAKOS UNIVERSITY COLLEGE

MACHAKOS UNIVERSITY COLLEGE

CHAIRMAN'S REPORT

It is my great pleasure to present the University College Annual Report and Financial Statements for the year ended 30th June 2013. During this financial year the University College celebrated its first year since it started operating as a University college on October 2012.

It is worth to note that as from then the University College has embarked on a programme to transform the University College with a view of attaining a fully-fledged status. To do so the University developed a 5 year strategic plan that has enabled the University to achieve the enormous growth.

In line with its mission of providing high level manpower through quality research consultancy and community service, the University College has set up structures in place to construct new infrastructure and refurbish the existing ones in order to enroll for academic programs and provide an ample studying and teaching environment.

We are pleased by the achievements so far realized these despite the enormous challenges faced especially on set up of management and modes of teaching that focus on both innovation and technology.

This has seen a steady increase in student population which has exerted a lot of pressure on the existing infrastructure thereby need for putting up more facilities. The council in collaboration with the relevant stakeholders is committed towards delivering the same.

I take this opportunity to thank the Government of Kenya and all collaborating partners, both external and internal for their continued support.

Last but not least, I want to thank my fellow members of council, members of staff, students, the local community and all the stakeholders for their tireless efforts and team work which has enabled the University to achieve these results in the initial year just ended June 2013.

Dr. Charles Maranga

Chairman council

MACHAKOS UNIVERSITY COLLEGE

PRINCIPAL'S REPORT

I am pleased to present the financial statements of Machakos University College for the year ended 30th June 2013. During the year under review, the University College has remained in course by developing the maiden 2012-2017 Strategic vision Plan; the main focus being quality, relevance and sustainability intended to enable a smooth transition from a technical institute to a fully-fledged University.

During the year, the University College put in place the necessary financial, procurement and internal control structures on resources to ensure that we meet the targets of revenue collection and cost control.

Despite the many challenges related to transition and set-up that the university college has faced, I am glad to report that the university college has remained on course towards establishing a model institution of higher learning.

In order to achieve the afore said Machakos University College is set to embark on various projects geared towards achieving these objectives. These include but not limited to; construction of the proposed ultra- modern lecture halls, library, hostels, ICT integration Centre and administration block.

I am humbled to convey my appreciation and gratitude to the University College Council, Management, all the members of staff for their commitment and dedication to their work and their timeless and splendid efforts that have seen Machakos University College move towards attaining stability after transition.

Finally, I would like to thank the Government of Kenya, the local community, donor agencies, our bankers, suppliers and service providers for their support and cooperation.

Special recognition is made to all the students who have chosen Machakos University College as place of study.

Prof .Francis M. Mathooko

Principal

MACHAKOS UNIVERSITY COLLEGE

STATEMENT OF MACHAKOS UNIVERSITY COLLEGE COUNCIL MEMBERS RESPONSIBILITIES FOR THE YEAR ENDED 30TH JUNE 2013

Machakos University College is required to prepare statements and give a true and fair view of the state of affairs of the University College as at the end of the financial year, and of its surplus or deficit for that year. The University College Council is required to ensure that the University College maintains proper accounting records, which disclose, with reasonable accuracy, the financial position of the University College. The Council is also responsible for safeguarding the assets of the University College.

Council accepts responsibility for the financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgments and estimates, and in conformity with International Financial Reporting Standards. The Council is of the opinion that financial statements give a true and fair view of the state of the financial affairs of the University College as at 30th June 2013 and of its statement of income for the ended 30th June 2013.

The Council further confirms the accuracy and completeness of the accounting records maintained by the University College, which have been relied upon in the preparation of the financial statements, as well as on the adequacy of the system of internal financial control.

Nothing has come to the attention of the Council that the University College will not remain a going concern for at least twelve months from the date of this statement.

This statement is approved by the Council and is signed on its behalf by:

Dr. Charles Maranga

Chairman of council

Prof. Francis M. Mathooko

Principal

MACHAKOS UNIVERSITY COLLEGE

Being a constituent college of Kenyatta University, the core business of the University College is provided in the University of Kenyatta Act. 1985. The Act provides in section 4 (i) the functions and objectives of the University which includes;-

- To provide directly or in collaboration with other institutions of higher learning, facilities' for University education including technological and professional education research.
- To provide and advance University education and training to appropriately qualified candidates leading to the award of degrees, diplomas and certificates as council and senate shall from time to time determine and in so doing contribute to the manpower needs of Kenya.
- To conduct examinations for and to grant such academics awards as may be provided for in the statutes.
- To participate in the discovery, transmission and presentation of knowledge and to stimulate cultural and intellectual life of the society.
- To determine who may teach and what may be taught and how it may be taught in the University.
- To play an effective role in the development and expansion of opportunities to Kenyans wishing to continue with their education.

MACHAKOS UNIVERSITY COLLEGE

The council is the governing body of the University. Its responsibilities are:

- To administer the property and funds of the University.
- Shall receive gifts, grants or other moneys on behalf of the University and make disbursement there from.
- May enter into association with other Universities.
- Shall provide for the welfare of the students and other institutions of learning
- Make regulations governing the conduct and discipline of staff and students of the University.

OFFICE OF THE AUDITOR-GENERAL

REPORT OF THE AUDITOR-GENERAL ON MACHAKOS UNIVERSITY COLLEGE FOR THE YEAR ENDED 30 JUNE 2013

REPORT ON THE FINANCIAL STATEMENTS

I have audited the accompanying financial statements of Machakos University College as set out on pages 10 to 26, which comprise the statement of financial position as at 30 June 2013, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 14 of the Public Audit Act, 2003. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 13 of the Public Audit Act, 2003.

Auditor-General's Responsibility

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 15(2) of the Public Audit Act, 2003 and submit the audit report in compliance with Article 229(7) of the Constitution of Kenya. The audit was conducted in accordance with International Standards on Auditing. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor

considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the University College's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Basis for Qualified Opinion

Property, Plant and Equipment

Property, plant and equipment balance of Kshs.1,082,064,392 as at 30 June 2013 includes the value of land-Kshs.360,000,000, buildings-Kshs.369,350,000, motor vehicles-Kshs.10,025,000, computer and software-Kshs.8,514,619 and furniture and equipment of Kshs.97,881,765 which were inherited from the defunct Machakos Teachers Training Institute (M.T.T.I) whose supporting documents were not availed for audit verification. In addition, the opening balance of work in progress balance of Kshs.188,604,606 includes Kshs.70,287,002 in respect of civil building workshop which was based on the contract value and no actual valuation certificates were availed for audit verification.

In the circumstances it has not been possible to establish the ownership status and that the accuracy of property plant and equipment balance of Kshs.1,082,064,392 is fairly stated as at 30 June 2013.

Qualified Opinion

In my opinion, except for the effects of matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects the financial position of the University College as at 30 June 2013, its financial performance and its cash flows for the year then ended, in accordance with International Financial Reporting Standards and comply with the Universities Act, 2012.

Edward R. O. Ouko, CBS
AUDITOR-GENERAL

Nairobi

MACHAKOS UNIVERSITY COLLEGE

1. SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS AS AT 30TH JUNE 2013

(i) Basis of Preparation

The financial statements are prepared in accordance with the International Financial Reporting Standards promulgated by the International Standards Board. The Financial Statements are prepared under historical costs convention to include revaluation of certain assets.

(ii) Fees income

Fees revenue is recognized as and when received and balance accrued at the end of the year.

(iii) Assets

-All assets valued less than Ksh 1000.00 are expensed and categorized as inventories and monitored by inventories register.

-Biological assets are reported in accordance with IAS 41 i.e at their market value in addition to all cost incurred to point of sale.

(iv) Stocks

-Stocks are stated at lower cost net realizable value.

-Donated loose tools inventories are valued at the market price in accordance with IAS 20.

(v) Property, Equipment, and Depreciation

Property and equipment are stated at cost or valuation less accumulated depreciation. Depreciation is calculated on straight line basis over the estimated useful lives of the assets.

The annual rates in use are:

Land	0%
Buildings	2.5%
Motorvehicles	25%
Property, plant and Equipment	12.5%
Computers & computer softwares	33.33%

MACHAKOS UNIVERSITY COLLEGE

(vi) Retirement Benefits

The University College is yet to determine a defined contribution benefits scheme, however Machakos University College Pensions Fund contributions for its employees for the ended 30th June 2013 is held in a separate bank account awaiting the resolution.

(vii) Assets and Liabilities

The financial statements are reported in Kenya shilling currency.

(viii) Grants and Donations

-Values for grants and donations related to property, equipment and other assets are estimated by the University or as advised by donors.

-Donations in Kind of current nature are recognized in the year received and categorized as inventories while those of capital nature are prorated in their useful life in a systematic manner and categorized as deferred income in the financial statements in accordance with IAS 20.
