Statement of Corporate Governance

Corporate governance is the process by which organizations are directed, controlled and held to account. University of Nairobi Council is responsible for the overall management of the governance of the Institution and is accountable to the stake-holders for ensuring that the Institution complies with the law and the best practices in educational institute governance and business ethics. The Council members are committed to the need to conduct the business and operations of the University with integrity and in accordance with generally accepted standards and endorse the internationally developed principles of good institute governance.

Council Members

The Council is appointed in accordance with the Universities Act, 2012 (No. 42 of 2012) and includes among others the Chairman, Vice Chairman and the Vice-Chancellor.

The full Council meets at least four times a year. The members receive all information relevant to the discharge of their obligations in accurate, timely and clear manner so that they can guide and maintain full and effective control over strategic, financial, operational and compliance issues. Except for direction and guidance on general policy, the Council has delegated authority for conduct of day-to- day business to the Vice Chancellor and the University Management Board (UMB). The Council nonetheless retains responsibility for establishing and maintaining the institution's overall control of financial, operational and compliance issues as well as implementing strategies for the long term success of the institution.

Committees of the Council

The Council has the following committees, which meet regularly under the terms of reference set by the Council:

- Finance and General Purpose Committee
- Audit Committee
- Building Committee
- Sealing Committee
- Honorary Degrees Committee
- Statutes Committee

Internal Controls

The University has defined procedures and financial controls to ensure the reporting of complete and accurate accounting information. These cover systems for obtaining authority for major transactions and for ensuring compliance with laws and regulations that have significant financial implications. Procedures are also in place to ensure that assets are subject to proper physical controls and that the institution remains structured to ensure appropriate segregation of duties.

Communication With Council

The University is committed to ensuring that stakeholders and the general public are provided with full and timely information about its performance. This is achieved by the distribution of the University's annual report and the release of notices in the press.

Periodically there are press releases announcing other major University developments which could be considered important. The Annual Report and Accounts is published each year and distributed to the National Assembly.

Council Members Emoluments

The Council Members are paid sitting allowance which is included in the Council expenses in the Annual Report and Accounts and no loans are advanced to them.

Chairman of Council Dr Idle Farah (Right), hands over a certificate to one of the best performing student during the prise giving ceremony of 2013.

The Chairman's Statement

am delighted to present the Annual Report and Accounts for the year ended June 30, 2013 of the University of Nairobi. The University was able to promote research function which is a core business of the university through realization of Kshs.2.2 billion from the university research partners. The University also continued with it main teaching functions where the student enrolment recorded an all time high of 63,846 both undergraduates and post-graduates.

Financial Performance

During the year 2012/2013, the University continued with its good financial performance and registered a surplus of KShs 213,037,066 and hence increasing our Revenue Reserve to KShs 793,156,871.

This positive performance has been realized through the dedication of the Council, University Management Board and the Staff who offered valuable contribution.

Strategic Direction

Our vision is to remain a world class University committed to scholarly excellence as envisioned in the reviewed Strategic Plan 2013-2018 by:(i) Managing the University efficiently(ii) Efficiently offering quality academic programmes (iii) Contributing to scientific and technological innovations (iv) Enhancing the competiveness of the University.

To this end therefore the University has endeavored to achieve positive international and local rankings. During the 2011 - 2012 perfomance contracting period the University was ranked best performing University in Kenya and among the best in the East and Central Africa by Webometrics.

Future Outlook

The University will continue with its expansion strategy to cover most parts of the country and beyond. We envisage building University of Nairobi Tower in the main campus to house lecture theatres and offices. This will ease the current shortage of physical facilities. An e-learning programme has been developed in the University to cater for distance learning and thereby improving national literacy level.

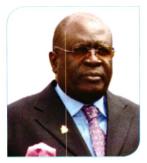

Finally, I would like to thank the government for guidance and support in the realization of university's objectives. Allow me to take this honorable opportunity to thank our research partners, University of Nairobi Alumni among other stakeholders for their support to steer us through another successful year.

IDILE OMAR FARAH MSc. (Nairobi) Ph.D(Uppsala) THE UNIVERSITY COUNCIL.

CHAIRMAN OF THE UNIVERSITY COUNCIL

Vice-Chancellor's Report

t gives me much pleasure in presenting the Annual Report and Accounts of the University of Nairobi for the year ended June 30, 2013.

During the year under review the University realized a surplus of KShs. 213,037,066 (2011/2012 KShs.546, 306,158). The cumulative Surplus for the University as at June 30, 2013 was KShs 793,156,871 (2011/2012 KShs. 580,119,805). The financial performance in the current year was mainly impacted by expansion of academic programmes, refurbishment of teaching facilities, increase of personal emoluments based on improved terms and

conditions of service. The University commenced construction of the University Towers.

As in the previous years the additional expenditure was not matched by Government funding. The total personal emolument was KShs7.37 billion while the funding was KShs 5.77 billion giving a shortfall of KShs 1.60 billion. Despite these challenges, the University continued with prudent financial management of the available resources. The university enhanced income-generating activities through its various campuses as well as the subsidiary company, the University of Nairobi Enterprises and Services Limited (UNES).

The research partners supported the University to the extent of KShs. 2,247,308,120 during the year 2012/2013 (2011/2012 KShs. 2,300,313,360). This went along way in pursuit of the University's mission of teaching and research. The students' total population in this period for both undergraduate and postgraduate was 63,846.

Finally, I would like to express my special thanks to the University community who worked tirelessly to ensure smooth operation of this institution, especially continued commitment of the University performance in accordance with ISO 9001: 2008 Quality Management System.

Core Business of the University of Nairobi

The Core business of the University is provided for in the University of Nairobi Act, 1985. The Act provides in Section 7(I) the functions and objects of the University which include:

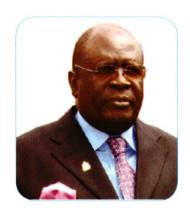

- a. To provide directly or in collaboration with other institutions of higher learning, facilities for University education, including technological and professional, education and for research;
- b. To participate in the discovery, transmission and preservation of knowledge and to stimulate the intellectual life and cultural development of Kenya;
- c. To conduct examinations for and to grant such academic awards as may be provided for in statutes.
- d. Subject to the Universities Act, to cooperate with the Government in planned development of university education and, in particular, to examine and approve proposals for new faculties, new departments, new degree courses, or new subjects of study submitted to it by any constituent college or other post-secondary institution;
- e. To determine who may teach and what may be taught and how it may be taught in the University.

Statement of University of Nairobi Council Members Responsibilities on the Financial Statements for the Year Ended June 30, 2013

The University of Nairobi Council is required to prepare statements which give a true and fair view of the state of affairs of the University as at the end of the financial year and of its surplus or deficit for that year. The Council is required to ensure that the University maintains proper accounting records which disclose, with reasonable accuracy, the financial position of the University. The University Council is also responsible for safeguarding the assets of the University.

The University Council accepts responsibility for the financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgments and estimates, consistent with previous years and in conformity with International Financial Reporting Standards. The University Council is of the opinion that financial statements give a true and fair view of the state of the financial affairs of the University as at June 30, 2013 and of its surplus for the year then ended. The University Council further confirms the accuracy and completeness of the accounting records maintained by the University, which have been relied upon in the preparation of the financial statements, as well as on the adequacy of the system of internal financial control

Nothing has come to the attention of the University Council to indicate that the University will not remain a going concern for at least twelve months from the date of this statement.

This statement is approved by the University Council and is signed on its behalf by:

KENYA NATIONAL AUDIT OFFICE

REPORT OF THE AUDITOR-GENERAL ON UNIVERSITY OF NAIROBI FOR THE YEAR ENDED 30 JUNE 2013

REPORT ON THE FINANCIAL STATEMENTS

I have audited the accompanying financial statements of University of Nairobi set out on pages 12 to 28, which comprise the statement of financial position as at 30 June 2013, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 14 of the Public Audit Act, 2003. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 13 of the Public Audit Act, 2003.

Auditor-General's Responsibility

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 15 of the Public Audit Act, 2003. The audit was conducted in accordance with International Standards on Auditing. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit

procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

Basis for Qualified Opinion

Property, Plant and Equipment

The property, plant and equipment balance of Kshs.94,102,317,145 as at 30 June 2013 includes four parcels of land valued at Kshs.357,348,000 against which ownership documents have not been availed for audit verification.

Under the circumstances, the accuracy and ownership of property, plant and equipment balance of Kshs.94,102,317,145 as at 30 June 2013 could not be confirmed.

Qualified Opinion

In my opinion, except for the effects of matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of the University as at 30 June 2013 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards and comply with the Universities Act, 2012.

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of Preparation

1.1.1 Statement of Compliance

The Financial Statements are prepared in compliance with International Financial Reporting Standards (IFRS).

1.1.2 Basis of Measurement

The Financial Statements are prepared under the historical cost convention as modified by the revaluation of certain Non-Current assets.

1.1.3 Functional and presentation currency

Items included in the financial statements are measured using the currency of economical environment in which the entity operates ("the functional currency"). The financial statements are presented in Kenya shillings (Kshs) which is the functional and presentation currency.

1.2 Income Recognition

- 1.2.1 Income from grants and fees includes only amounts receivable in relation to the current financial year.
- 1.2.2 Income from Endowments and Donations, Research Grants and other services rendered is included only to the extent of the expenditure incurred during the year.
- 1.2.3 Income on short-term deposits is credited to the Statement of comprehensive Income.

1.3 Valuation of Property, Plant and Equipment

- 1.3.1 Property, Plant and Equipment are stated at cost or professional valuation. The valuation is carried out after every five years. The last valuation was done in June 2012.
- 1.3.2 Depreciation is provided for at annual rates estimated to write off the assets over their expected useful lives. The annual rates are:

Furniture and Equipment - 10% on straight line basis
Motor Vehicles - 20% on straight line basis
Academic gowns - 5% on straight line basis
Buildings - 2% on straight line basis
Computers and software development - 20% on straight line basis

With effect from Financial Year 2004/2005, Depreciation is charged to the Capital Fund in relation to Non-Current assets acquired through external grants.

For assets acquired through internally generated revenue, depreciation is charged to the Statement of Comprehensive Income

1.3.3 Values for equipment donated are estimated by the University or as advised by donors.

1.4 Endowment and Trust Fund.

- 1.4.1 Endowment and Trust Fund are funds setup through special donations, the principal amount being invested and the income accruing being applied to scholaships, accademic research, accademic chairs and related administrative costs
- 1.4.2 Endowment and Trust Fund investments are stated at market value in accordance with performance of securities in market and advice from relevant professionals.

1.5 Inventory Valuation.

- 1.5.1 Inventories are valued at the lower of cost and net realisable value.
- 1.5.2 The cost of Library books is written off to expenditure as incurred.

1.6 Research Grants

- 1.6.1 Research funds received from external donors for research purposes. The funds are accounted for in a separate special fund account
- 1.6.2 The Dean Committee Research Grants are funds set aside from University revenue. The uncommitted balance on each research is carried forward until the related research project is completed.

1.7 Employee Retirement Benefits

1.7.1 The University currently operates a defined contribution scheme for its employees. The University obligation to the scheme is the contribution of 20% of basic Salary whereas the employees contribute 10% of their basic Salary. The University also contributes to NSSF currently at the rate of Ksh. 200 per employee per month. The University contribution to the above schemes are charged to the Statement of comprehensive Income in the year to which they relate. The university has no further obligation once the contributions have been remmitted to the pension fund.

1.8 Foreign Currency Conversion

1.8.1 Assets and Liabilities in foreign currencies are converted into Kenya shillings at the rates of exchange ruling at the balance sheet date. Conversion differences are accounted for in the appropriate fund accounts.

1.9 Bad Debt Provision

1.9.1 Provision for bad debt has been made at 5% on sundry debtors.
