RE: PETITION TO THE SENATE ON INSECURITY CAUSED BY ILLEGAL CAMEL HERDERS IN TERI B RANCH IN TAITA TAVETA COUNTY.

We the undersigned;

Citizens of the republic of Kenya, being representatives of Teri B group ranch Committee members and the general membership, wish to present to the senate, this petition on the insecurity caused by illegal camels and cattle herders from North Eastern Kenya in Teri B group ranch.

We humbly draw the attention of the senate on the following:

1. THAT in the recent past, herders from North Eastern Kenya invaded Teri B group ranch with thousands of camels and cattle and settled there without the knowledge and consent of the group ranch committee, the group ranch members and the county government of Taita Taveta.
2. THAT the said illegal herders have been claiming that they have contractual agreements with some individuals to graze in the ranch, but have failed to produce the same to the group ranch committee and group ranch members when requested to do so.
3. THAT the illegal herders are not confined in any specific area, but graze their animals all over the ranch, including in the ranch members farms, and have been attacking ranch members who attempt to stop them from doing so.
4. THAT the illegal herders are suspected to be responsible for the deaths of the following Teri B group ranch members in a bid to silence them and to instill fear among the members against agitating for them to leave :
 - a) Patrick Mwandoe Mwanjala who was murdered on 5/11/2012
 - b) Kea Mwafusi Kinyume who was murdered on 5/10/2012
 - c) Siku Mghalu Mshambala who was murdered on 16/8/2004
 - d) Mathew Gae Kitoro who was murdered on 15/1/2013 while leading other ranch members in an operation to flush them out.

① DLPS
Please deal.
18/10/18

5. THAT the illegal herders injured the following Teri B group ranch members:

- a) Peter Mwadilo who was in May this year cut on the head, back and hands with a panga by a camel herder because of stopping him to graze his camels in his farm.

PETITION TO THE SENATE ON INSECURITY CAUSED BY ILLEGAL CAMEL HERDERS IN TERI B RANCH IN TAITA TAVETA COUNTY.

b) Arnold Mwakughu Mwanyasi who was in November 2012, beaten and his three teeth removed by camel herders for stopping them from grazing in his farm.

c) Gilbert Mwambisi Mwanyasi who was in August 2016 attacked by camel herders but raised an alarm which made the attackers to escape.

d) Jacob Nzano who was attacked by camel herders in 2012 and his livestock stolen, but was lucky the livestock was later recovered at MacKinnon road after he raised alarm.

6). **THAT** the camels and cattle may spread disease to our livestock since they come to a disease free area without movement permits, or getting a no objection notice from the veterinary department of the county government contrary to The Animal Diseases act of Kenya of 2012.

7. **THAT** the camels and the cattle have caused overstocking in the ranch and are causing environmental degradation.

8. **THAT** the county security organs have been reluctant to protect the Teri B ranch citizens from the attacks by the camel herders, to investigate and to prosecute the attackers and to flush them out ,due to the fact the owners of the camels are purported to be influential people in the national government .

9. **THAT** by acting in a partisan manner while providing security ,failing to investigate and prosecute the illegal herders who attacked innocent citizens , the county security organs violated Article 239 section (3) sub section (a) and article 244 of the constitution .

10. **THAT** we have made every effort within our means to resolve the matters raised in this petition with the county security organs but have proved futile.

11. **THAT** there is no case pending in a court of law, constitutional or any other legal body on the matters raised in this petition.

HEREFORE your humble petitioners pray that the senate through its relevant committee:

1. Deals with this petition immediately in view of the urgency and seriousness of the matters raised herein.

2. Investigates the circumstances that enabled the camel herders to move from their home counties and settle in Teri B group ranch without the knowledge and consent of the group committee and the county government.

3. Investigates the circumstances that influenced the failure of the county security organs to provide security to the citizens of Teri B group ranch members against attacks by the illegal herders, their reluctance to investigate and to prosecute the attackers and to flush out the illegal herders from the ranch when requested to do so.

4. Recommends that the illegal camel herders be flushed out of the group ranch forthwith and are made to pay for the time they had illegally been grazing in Teri B ranch.

5. Recomends that the government compensates the families of the persons who were allegedly murdered and those injured by the illegal herders during their illegal stay in the ranch.

PETITION TO THE SENATE ON INSECURITY CAUSED BY ILLEGAL CAMEL HERDERS IN TERI B RANCH IN TAITA TAVETA COUNTY.

6. Takes any other appropriate action it deems fit to restore the peace and tranquility enjoyed by the citizens of Teri B ranch before the invasion by the camel herders.

And your Petitioners will ever pray.

Dated this 5th day of October 2018.
