CHAIRMAN'S REPORT

On behalf of the Medical Practitioners and Dentists Board, I hereby submit the Annual Report and Statement of Accounts for the year ended 30th June, 2000 in accordance with Section 31 of the Exchequer and Audit Act, (Cap.412).

The Medical Practitioners and Dentists Board was established by an Act Cap 253 of Parliament to consolidate and amend the Law to make provision for the Registration of Medical Practitioners and Dentists and for purposes connected therewith and incidental thereto. The commencement date was 1st January, 1978. The Board operated as a Branch in the Ministry of Health from 1st January, 1978 to June, 1993 and was therefore, not funded independently until after 30th June, 1993.

The Board is run by a number of established committees as hereunder:-

1. PRIVATE PRACTICE COMMITTEE

This committee is responsible for reviewing applications for licenses to engage in Private Practice and also Registration and Licensing of Private Medical Institutions. The Committee's Chairman is Prof. George Magoha.

2. ASSESSMENT AND REGISTRATION COMMITTEE

This committee processes applications for Registration and License to Render Medical and/Dental Services. It monitors and evaluates Internship Training Programs in the country. The committee also plans and co-ordinates the Assessment and Internship Qualifying Examinations. All degrees in medicine or dentistry other than those conferred by the University of Nairobi and Moi University are not recognized by the Board for purposes of Registration. Graduates from other Universities, both Kenyans and Non-Kenyans, **must** be assessed for suitability to undertake Internship for Registration or the issuance of license to Render Medical/Dental Services.

The committee is chaired by Dr. Chris ... , who is also the Deputy Chairman of the Board

CHAIRMAN
MEDICAL PRACTITIONERS AND DENTISTS BOARD

REPORT OF THE AUDITOR GENERAL (CORPORATIONS) ON THE ACCOUNTS OF
THE MEDICAL PRACTITIONERS AND DENTISTS BOARD FOR THE YEAR ENDED
30 JUNE 2000

**REPORT OF THE AUDITOR GENERAL (CORPORATIONS) ON THE
ACCOUNTS OF THE MEDICAL PRACTITIONERS AND DENTISTS
BOARD FOR THE YEAR ENDED 30 JUNE 2000**

I have examined the Accounts of Medical Practitioners and Dentists Board for the year ended 30 June 2000 in accordance with the provisions of Section 29 (2) of the Exchequer and Audit Act (Cap 412). I have obtained all the information and explanations considered necessary for the purpose of the audit. Proper books of account have been kept and the Accounts, which have been prepared under the historical cost convention, are in agreement therewith.

In my opinion, and except for the matters set out herebelow, the Accounts, when read together with the Notes thereon, give a true and fair view of the financial state of affairs of the Board as at 30 June 2000 and of its excess of income over expenditure for the year then ended.

1. CASH AND BANK BALANCES

As was the case in previous years, no bank reconciliation statements and or physical cash count certificates as at 30 June 2000 were seen to support the Balance Sheet Cash and Bank balances figure of Kshs.4,193,984. In the absence of such reconciliations and physical cash count certificates, it has not been possible to confirm the accuracy or correctness of the figure of Kshs.4,193,984 reflected on the Balance Sheet as Cash on Hand and Bank as at 30 June 2000.

2. HONORARIA PAYMENTS

During the year 1999/2000, the Board made honoraria payments amounting to Kshs.2,736,980 to Board members and staff without authority and approval of Government. In the absence of Government approval and explanation as to how the rates used to pay the honoraria were determined, the propriety of the expenditure of Kshs.2,736,980 incurred on this item during the year under review cannot be confirmed.

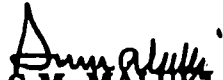

3. PROCUREMENT OF OFFICE FURNITURE

In the year 1999/2000, the Board spent Kshs.890,412 to purchase office furniture from a furniture dealer without following proper procurement procedures. Apart from the fact that the firm had not quoted to supply the furniture, records show that the dealer supplied the furniture at prices higher than the lowest bidder by a total of Kshs.116,650. The Board also bought various furniture items valued at Kshs.551,162 from the same firm through single sourcing. Accordingly and in the absence of any competitive bidding, it has not

been possible to confirm whether the Board got value for money when such procurements were made.

4. UNSUPPORTED EXPENDITURE

During the year under review the Board paid donations and bonuses amounting to Kshs.150,000 without the approval of the management Board while monthly staff allowances totalling Kshs.306,000 were paid by the Board without proper authority of Government. In the circumstances, it has, therefore, not been possible to confirm the propriety of the expenditure.
