II. FOREWORD BY THE CLERK OF THE NATIONAL ASSEMBLY

This annual report and financial statements detail the financial performance of the National Assembly for the financial year 2018/2019. The National Assembly implements one programme, National Legislation, Representation, and Oversight with the sole objective of strengthening the legislative capacity, oversight and representation functions of the National Assembly.

In the Financial year under review, the National Assembly had an approved recurrent budget of Kshs. 20.7 Billion, including Kshs. 12.3 Billion for Compensation of Employees, Kshs. 7.6 Billion for Use of Goods, and Kshs. 701 Million for other recurrent expenditure. These expenditures were to be fully financed from exchequer receipts.

The exchequer issues allocated to the National Assembly during the financial period aggregated to Kshs. 17.9 Billion. There was Kshs 572 million brought forward from 2017/2018 financial year which made a total of 18.5 billion available resources for the 2018/2019 financial year. Kshs. 149,391,585.25 that remained unspent from the previous period was returned to the National Treasury. By the end of the Year, the National Assembly had utilized a total of Kshs. 18.1 Billion.

The balances held by the National Assembly at the end of the year included Kshs. 249,769,919 held in bank balances Kshs. 2,467,603 in unbanked cheques and Kshs. 19 Million in outstanding imprest and advances.

The utilization of resources allocated translates to 87% budget performance. The performance of the recurrent expenditure is attributed to the timely provision of exchequer receipts during the reporting period as well as improved transaction processing speed of the Integrated Financial Management Information System (IFMIS).

Moving forward, the National Assembly will endeavour to address the few challenges in order to improve our resource utilization. The institution shall continue to coordinate with the National Treasury in enhancing timely exchequer releases and absorption.

III. STATEMENT OF NATIONAL ASSEMBLY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2013 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the National Assembly is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2019. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the National Assembly accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the entity's financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2019, and of the entity's financial position as at that date. The Accounting Officer charge of the National Assembly further confirms the completeness of the accounting records maintained for the entity, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the National Assembly confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The National Assembly's financial statements were approved and signed by the Accounting Officer on 05th September, 2019.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL ASSEMBLY FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the accompanying financial statements of the National Assembly set out on pages 13 to 30, which comprise the statement of assets and liabilities as at 30 June, 2019, and the statement of receipts and payments, statement of cash flows and summary statement of appropriation - recurrent for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of the National Assembly as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Assembly in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Pending Bills

Note 10 to the financial statements indicate that the National Assembly had pending bills totalling Kshs.209,828,666 as at 30 June, 2019, which were not settled in 2018/2019 financial year. Out of this amount, bills totalling Kshs.121,494,384 were brought forward

from the previous years. Management has explained that the bills were unpaid due to the Integrated Financial Management Information System (IFMIS) challenges, missing supporting documents and delayed Exchequer releases.

Failure to settle bills during the year in which they relate, adversely affects the provisions of the subsequent year to which they are charged.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the ability of the National Assembly to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to dissolve the National Assembly or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material

weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of National Assembly to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the National Assembly to cease sustaining its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the National Assembly to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

(a) Below is explanations on the underutilization of allocated resources

i. Other grants and transfers (56%)

Other grants and transfers include provisions for car grants for any new member of parliament. For the year 2018/2019 there were only 2 new members of parliament hence underutilization of resources.

ii. Social Security Benefits (23%)

Social security benefits includes provisions for ex gratia for Members and staff of Parliament whenever necessary. There was minimal ex gratia paid for the period 2018/2019.

iii. Acquisition of Assets (25%)

There was a slight delay on the acquisition of assets as sourcing and procurement process did not end by the end of the period 2018/2019

The National Assembly's financial statements were approved and signed by the Accounting Officer on 05th September, 2019.

X. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the National Assembly. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the National Assembly for all the years presented.

a) Recognition of Receipts

The National assembly recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

- **Tax Receipts**

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

- **Transfers from the Exchequer**

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

- **External Assistance**

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30th June 2019, National Assembly did not receive external assistance loans.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

- **Compensation of Employees**

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

- **Use of Goods and Services**

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

- **Acquisition of Fixed Assets**

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

There were no in-kind contributions during the period.

6. Third Party Payments

There were no third party payments made by The National Assembly during the period.

7. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

8. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

9. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

10. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2019 for the period 1st July 2019 to 30th June 2020 as required by Law and there were two supplementary adjustments to the original budget during the year.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

Government Development Projects are budgeted for under the MDAs but receive budgeted funds as transfers and account for them separately. These transfers are recognised as inter-entity transfers.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2019.

14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, there were no errors that needed corrections. However, prior period adjustments have been disclosed under note 9.

15. Related Party Transactions

Related party relationships are a normal feature of commerce. There were no related party transactions during the reporting period
