### 3. Statement by the CECM Finance

#### Financing of the County Governments

Article 202 of the Constitution of Kenya provides that revenue raised nationally shall be shared equitably among the National Government and the County Governments. Each County Government's equitable share of revenue raised nationally, is determined yearly through the County Allocation of Revenue Act (CARA). The revenue-sharing formula is developed by the Commission on Revenue Allocation and approved by Parliament in accordance with Article 217 of the Constitution.

The county also finances its operations through its own generated revenues. These are revenues collected within the County. The key local revenue sources for Bomet County included business permits, land rates, business plan approval, advertising fees, cesses, and various other administrative charges. The County continues to explore new and innovative ways of increasing its local revenue collections. Some of the steps that the County has taken towards improving its revenue collections include: Automation of all revenue streams, strict enforcement of the finance Act, capacity building timely enactment of Finance Act, increasing the tax base and updating of valuation roll

In the year ended 30<sup>th</sup> June 2023, the County Government had projected revenues of **KSh 8,287,338,500** consisting of **KSh. 300,000,000** from own sources, **ksh 6,691,099,118** equitable Share, **KSh 760,951,455** from donors and **Ksh 535,287,927** Balances from previous year. A graphical representation of the revenue budget is as shown below:

**Revenue Collected**

Total county revenue received included exchequer releases, transfers from other government agencies and local revenue collection amounted to Kshs **7,682,213,143** against a target of Kshs **8,287,338,500** representing a performance of 93 per cent with a positive deviation of Ksh **608,056,838** from the planned target. There was also an increase in revenue by 6.9 per cent in the year under review compared to actual receipt in financial year 21/22. Figure I below demonstrates the total County Receipts by source.

Revenue classification	Revenue budget (KSh)	Actual (KSh)	Realisation (%)
Equitable share	6,691,099,118	6,691,099,118	100%

**Conclusion**

FY 2022/2023 was a good year in general. Good progress was made and momentum has been created to enable Bomet County Government to continue on a trajectory into prosperity. We have identified gaps and areas to improve on in the subsequent years.

I take this opportunity to thank H.E. the Governor and the Deputy Governor for their support. I also thank my colleagues, the County Executive Committee Members in charge of other departments who we have worked hand in hand to ensure that Bomet County Government achieves its mission. I thank all staff in the entire County for their continued commitment and dedication through hard work in delivering services to the people of Bomet County.

*County Government of Bomet  
County Revenue Fund  
For the financial year ended 30<sup>th</sup> June 2023*

In FY 2022/23, the County generated a total of Kshs 244,066,652 as own-source revenue. This amount represented an increase of 20.8 per cent compared to Kshs. 201,511 million realised in FY 2021/22 and was 81 per cent of the annual target. The County continues to explore new and innovative ways of increasing its local revenue collections. Some of the steps that the County has taken towards improving its revenue collections include: Automation of all revenue streams, strict enforcement of the finance Act, capacity building timely enactment of Finance Act, increasing the tax base and updating of valuation roll. The county rolled automated revenue system called Jambo pay that has resulted in increased revenue as shown in diagram below:

### **Exchequer Issues**

The Controller of Budget approved Kshs. 7,042,824,061 as withdrawals from the CRF account during the reporting period. The amount comprised Kshs 1,227,046,718 (17.4 per cent) for development programmes, Kshs 5,534,077,113 (78.6 per cent) for recurrent programmes and Kshs 281,700,230 (4 per cent) for Special Purpose Accounts.

### **Overall Expenditure Review**

The County spent Kshs. 6.94 billion on development and recurrent programmes during the reporting period. This expenditure represented 98 per cent of the total funds released by the CoB and comprised of Kshs. 1.03 billion and Kshs.5.9 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 53 per cent, while recurrent expenditure represented 93 per cent of the annual recurrent expenditure budget.

## 5. Overview of the County Revenue Fund Operations

### Background

Article 207 of the Constitution of Kenya provides for the establishment of a County Revenue Fund into which shall be paid all money raised or received by or on behalf of the County Government. As outlined under Section 109 of the Public Finance Management (PFM) Act, 2012 the County Treasury is responsible for administration of the County Revenue Fund. The County Revenue Fund is maintained as the County Exchequer Account at the Central Bank of Kenya.

### Receipts into the County Revenue Fund

County Government revenue is received through appointed County Receiver of Revenue by the County Executive Committee Member for finance to the County Treasury pursuant to Section 157 (1) of the PFM Act 2012. Receipts include Exchequer releases, grants from development partners, proceeds from domestic and foreign borrowings, and other miscellaneous deposits in the County Revenue Fund Account.

### Transfers from the County Revenue Fund

The withdrawal of funds from the County Revenue Fund is authorized by the County appropriation Act. The County Treasury is required to seek the Controller of Budget's approval for withdrawal of funds from the County Revenue Fund to the County Executive and County Assembly bank accounts. These entities are responsible for the administration of their respective approved budgets.

### Financial Reporting requirements

The Accounting Officer for the County Revenue Fund is required to prepare and submit the financial statements to the Auditor-General and a copy to the Controller of Budget, and the Commission on Revenue Allocation.

This statement therefore covers the operations of the County Exchequer Account for the financial year ended 30<sup>th</sup> June 2023.

## 6. Statement of Management Responsibility

Article 207 of the Constitution, Sections 109 and 167 of the Public Finance Management Act, 2012 requires a County Revenue Fund established by the Constitution, an Act of Parliament or county legislation to prepare financial statements for the Fund for each financial year in a form prescribed by the Public Sector Accounting Standards Board and submit to the Auditor General and a copy to the Commission on Revenue Allocation and the Controller of Budget.

The Accounting Officer at the County Treasury is responsible for the preparation and presentation of the County Revenue Fund financial statements, which give a true and fair view of the state of affairs of the Fund as at the end of the financial year ended on *June 30, 2023*. This responsibility includes: (i) Maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) Maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the County Revenue Fund; (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the Financial Statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) Safeguarding the assets of the County Revenue Fund; (v) Selecting and applying appropriate accounting policies; and (iv) Making accounting estimates that are reasonable in the circumstances.

The Accounting Officer accepts responsibility for the County Revenue Fund's financial statements, which have been prepared on the Cash Basis Method of financial reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the County Revenue Fund's financial statements give a true and fair view of the state of the County Revenue Fund's transactions during the financial year ended *June 30, 2023*, and of its financial position as at that date.

The Accounting Officer further confirms the completeness of the accounting records maintained for the County Revenue Fund which have been relied upon in the preparation of its financial statements as well as the adequacy of the systems of internal financial control. The Accounting Officer confirms that the County Revenue Fund has complied fully with applicable Government Regulations and the terms of external financing covenants. Further, Accounting Officer confirms that the County Revenue Fund's Financial Statements have been prepared in a form that complies with relevant Accounting Standards prescribed by the Public Sector Accounting Standards Board of Kenya.

### Approval of the Financial Statements<sup>T</sup>

The County Revenue Fund's financial statements were approved and signed on 22/01 2024.

## **REPORT OF THE AUDITOR-GENERAL ON COUNTY REVENUE FUND FOR THE YEAR ENDED 30 JUNE, 2023 - COUNTY GOVERNMENT OF BOMET**

---

### PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on the Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal control, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

### REPORT ON THE FINANCIAL STATEMENTS

#### **Adverse Opinion**

I have audited the accompanying financial statements of County Revenue Fund - County Government of Bomet set out on pages 1 to 11, which comprise of the statement of

---

*Report of the Auditor-General on County Revenue Fund for the year ended 30 June, 2023 - County Government of Bomet*

receipts and payments and statement of comparison of budget and actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, because of the significance of the matters described in the Basis for Adverse Opinion section of my report, the financial statements do not present fairly, in all material respects, the financial position of County Revenue Fund - County Government of Bomet as at 30 June, 2023 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and do not comply with the County Government Act, 2012 and the Public Finance Management Act, 2012.

### **Basis for Adverse Opinion**

#### **1. Variance Comparative Amounts**

The statement of receipts and payments reflects two (2) comparative amounts of Kshs.1,486,045 in respect of closing fund balance and deficit for the year of Kshs.1,822,285 both of which are at variance with the prior year audited financial statements reported amounts of Kshs.1,291,426,427 and Kshs.1,288,118,097 respectively resulting to an unexplained and unreconciled variance of Kshs.1,289,940,382 and Kshs.1,286,295,812 respectively.

In the circumstances, the accuracy and completeness of the comparative amounts of Kshs.1,486,045 and deficit amount of Kshs.1,822,285 in respect of closing fund balance for the year and opening fund balance brought forward for the year under review could not be confirmed.

#### **2. Inaccuracies in the Statement of Comparison of Budget Actual Amounts**

The statement of comparison of budget and actual amounts reflects amounts of Kshs.8,287,338,500, Kshs.7,682,213,143 and Kshs.605,716,922 in respect of final receipts budget, actual receipts on comparable basis and budget realization difference respectively. However, re-casting the accuracy of budget realization difference in the statement revealed an amount of Kshs.605,125,357 resulting to an unexplained and unreconciled variance of Kshs.591,565.

In the circumstances, the accuracy and completeness of the amount of Kshs.605,716,922 in respect of budget realization difference could not be confirmed.

#### **3. Transfers from Other Government Agencies**

As disclosed in Note 2 to the financial statements, the statement of receipts and payments reflects an amount of Kshs.211,513,973 in respect of transfers from other government agencies. However, review of the County Revenue Fund (CRF) bank statements revealed

transfers from other government agencies totalling Kshs.182,798,598 resulting to unexplained and unreconciled variance of Kshs.28,715,380.

In the circumstances, the accuracy and completeness of transfers from other government agencies amount of Kshs.211,513,973 could not be confirmed.

#### **4. Own Source of Revenue**

As disclosed in Note 3 to the financial statements, the statement of receipts and payments reflects an amount of Kshs.244,066,652 in respect of own source revenue. However, review of CRF bank statements for the year under review reflects own source revenue transfer totalling Kshs.220,094,217 from revenue collection bank accounts to CRF bank account resulting to an unexplained and unreconciled variance of Kshs.23,972,435.

In the circumstances, the accuracy and completeness of an amount of Kshs.244,066,652 in respect of own source revenue could not be confirmed.

#### **5. Transfers to County Executive**

As disclosed in Note 5 to the financial statements, the statement of receipts and payments reflects an amount of Kshs.5,966,951,222 in respect of transfers to county executive. However, review of the CRF bank statements revealed transfers to county executive totalling Kshs.5,594,512,931 resulting to an unexplained and unreconciled variance of Kshs.372,438,291.

In the circumstances, the accuracy and completeness of an amount Kshs.5,966,951,222 in respect of the transfers to county executive could not be confirmed.

#### **6. Fund Closing Balance**

As disclosed in Note 7 to the financial statements, the statement of receipts and payments reflects an amount of Kshs.640,875,127 in respect of closing fund balance. However, review of the cash book balance, bank statements and certificate of bank balance as at 30 June, 2023 revealed a balance of Kshs.960,625,607 resulting to unexplained and unreconciled variance of Kshs.319,750,480. Further, the closing fund balance for the year under review was not supported with bank reconciliation statements. There was also no reconciliation of the opening fund balance of Kshs.1,288,118,097 to the closing fund balance.

In the circumstances, the accuracy and completeness of the amount of Kshs.640,875,127 in respect of closing fund balance for the year could not be confirmed.

The audit was conducted in accordance with the International Standards for Supreme Audit Institutions (ISSAIs). I am independent of the County Revenue Fund - County Government of Bomet Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my adverse opinion.

## **Emphasis of Matter**

### **Budgetary Control and Performance**

The statement of comparison of budget and actual amounts reflects final receipts budget and actual on comparable basis amounts of Kshs.8,287,338,500 and Kshs.7,682,213,143 respectively resulting to an under-realization of revenue amount of Kshs.605,716,922 or 7% of the budget. Similarly, the statement reflects final budgeted payments and actual on comparable basis amounts of Kshs.8,287,338,500 and Kshs.7,042,824,061 respectively, resulting to an under-absorption of an amount of Kshs.1,244,514,439 or 15% of the budget.

The under-realization and under-absorption adversely affected the planned activities of County Government of Bomet and delivery of services to the public.

My opinion is not modified in respect of this matter.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

### **Other Matter**

### **Unresolved Prior Year Matters**

The report of the Auditor-General for the prior year had several issues under report on the financial statements that remained unresolved as at 30 June, 2023. However, the Management has not given any explanation for failure to adhere to the provisions of the Public Sector Accounting Standards Board templates and The National Treasury's Circular.

## **REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES**

### **Conclusion**

As required by Article 229(6) of the Constitution, because of the significance of the matters discussed in the Basis for Adverse Opinion section of my report, I confirm that public resources have not been applied lawfully and in an effective way.

### **Basis for Conclusion**

The audit was conducted in accordance with the International Standards for Supreme Audit Institutions (ISSAI) 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

# REPORT ON THE EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

## **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, because of the significance of the matters discussed in the Basis for Adverse Opinion section of my report, I confirm that internal controls, risk management and governance were not effective.

## **Basis for Conclusion**

The audit was conducted in accordance with the International Standards for Supreme Audit Institutions (ISSAIs) 2315 and 2330. The Standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **Responsibilities of Management and those Charged with Governance**

The Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

## **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal controls that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal controls components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,

forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

## **10. Significant Accounting Policies**

### **a) Statement of compliance and basis of preparation**

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the Cash-Basis of accounting, as prescribed by the PSASB and Section 167 of the PFM Act 2012.

The Financial Statements are presented in Kenya Shillings, which is the functional and reporting currency of the Fund, all values are rounded to the nearest Kenya Shilling. The accounting policies adopted have been consistently applied to all the years presented.

### **b) Reporting entity**

This report relates to financial operations of the County Revenue Fund domiciled at the County Treasury and bank account maintained at Central Bank of Kenya.

### **c) Receipts**

Receipts include funds deposited in the County Revenue Fund pursuant to Article 207 of the Constitution of Kenya and Section 109 of the PFM Act 2012.

The receipts collected include Exchequer releases, own source revenue, grants from development partners, proceeds from domestic and foreign borrowings, and other miscellaneous deposits in the County Exchequer Account.

Transfers from the exchequer and own source revenue are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

### **d) Payments**

Payments are based on the County Government Appropriation Act. The exchequer requests are received by County Treasury, which rationalizes the requests based on the available balance, consolidates the requests and forwards them to Controller of Budget (COB) for approval. Once the approval of COB is obtained, the funds are released to the County Assembly and County Executive operational accounts appropriately.

**Significant Accounting Policies (Continued)**

**e) Fund Balances**

Fund balances comprise bank balances in County Exchequer Account held at Central Bank of Kenya.

**f) Restriction on Cash**

Restricted cash represents amounts that are limited/restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation or *There were no restrictions on cash during the year.*
