#### III. NG-CDFC Chairman's Report

PAUL K. TIONGIK-NGCDFC CHAIRMAN

During the year under review, the Constituency was able to absorb funds up to **70%** of the total budget. This was mainly due to late disbursement of funds from the Board.

#### Achievements and Major Undertakings

During the year, the Committee disbursed a total of Kshs 37.5 M as bursary to needy students in secondary and tertiary institutions and this benefitted over 3000 students in various institutions. Major physical facilities funded are educational infrastructure such as classrooms, administration blocks, laboratories, dormitories and toilets. The committee is also funding the construction of Chiefs' offices as a way of enhancing security of our people. The continued funding towards the education sector in the Constituency has contributed to increased enrolment in primary, secondary and tertiary institutions whilst increasing retention and transition rates while equally reducing the burden of education for low income families.

#### **Budgetary** Appropriations

During the financial year 2022/2023, the overall budget utilization stood at 70% percent based on the funds received against the total budget for the year. This was achieved due to expeditious disbursement of funds received to earmarked projects by the NGCDF Committee despite delay in disbursement from the NG-CDFB. During the period **Kshs** 124,949,505 was received against the total expected budget of Kshs 179,037,108. Out of the received amount, a total of Ksh 76,791825 was spent on various programmes.

#### Development Planning

The National Government Constituency Development Funds continue to draw a lot of interest from the community and various stakeholders. This has seen the receipt of many proposals from the community spanning various sectors. To ensure focus and fast track Constituency development, the Committee is planning to develop a five-year strategic plan as a blue print that spells out where the Constituency is going over the next five years in project identification, implementation and management taking cognizance of the global Sustainable Development Goals, Kenya Vision 2030 and related County Integrated Development Plans. The NGCDF Committee is convinced that the strategic plan shall help the Constituency in setting priorities, focusing energy and resources,

strengthening operations and ensuring that the Committee, its employees and other stakeholders are working towards a common goal.

Challenges

Despite the above impressive performance and plans, the Committee has noted various challenges in project implementation and management during the FY 2022/2023. These includes, inadequate record keeping by PMCs, failure by some project management committees to comply with the public procurement procedures and regulations as well as delayed submission of the required returns for funds disbursed..

The NG-CDFC plans to continue with the capacity building as well as monitoring and evaluation programmes during the ensuing financial year so as to strengthen service delivery to the constituents.

PAUL TIONGIK

CHAIRMAN NGCDF COMMITTEE

(Rules of Natural Justice must apply i.e. No man can judge his own case, right to a fair and impartial hearing)

The functions of a Constituency Committee shall be to –

- ✓ build the capacity of project management committees and sensitize the Community on the operations of the Fund;
- ✓ consider all project proposals from all wards in the Constituency and any other projects which a Constituency Committee considers beneficial to the Constituency;
- ensure that all proposed projects that are approved for funding meet the requirements of section 24 of the Act;
- ✓ Ensure project proposals submitted to the Board include detailed budget proposals, procurement plans and work plans.
- ✓ Satisfy itself that the projects submitted to the board fall under the functions of the National Government under the constitution.
- ✓ Consult with relevant government departments to ensure cost estimates for projects are realistic.
- ✓ Enter into memoranda of understanding for joint projects.
- ✓ Rank projects in order of priority but ensure that on-going projects take precedence.
- ✓ Ensure all projects receive adequate funding and are completed within 3 years.
- ✓ Where project involves the purchase of land or buildings, ensure ownership documents are authenticated with relevant government agencies.
- ✓ Monitor the implementation of projects in accordance with a framework issued by the Board.
- ✓ Ensure project reports are prepared and submitted to the Board.
- ✓ Ensure formation of PMC's, opening of accounts, implementation of projects and closure of projects.

The committee is being inducted through NGCDFC trainings organised by both the board and the Constituency for purposes of building capacity on project management and good governance.

The remuneration for the committee (payment of applicable allowances) is drawn from the administration and recurrent and monitoring and evaluation votes. The Act provides for a maximum of 24 sittings in a financial year, including sub-committee meetings. However, during the financial year 2022/2023, the committee held 16 meetings and therefore operating within the requirements of the act.

**Risk Management**: This involves understanding, analysing and addressing risk to make sure the organization achieve its objectives.

The constituency has put in place a Risk register for tracking and monitoring risks through Key Risk Indicators (KRIs) and compliance attestation.

#### VI. Environmental and Sustainability Reporting

Chesumei NG-CDF exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on social sector, namely, Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

#### 1. Sustainability strategy and profile -

To ensure sustainability of Chesumei NG CDF, the committee funds the following key sectors with the following sustainable priorities.

- a. Education and Training: Chesumei NG-CDF focus on human capital for constituency development is entrenched in its strategy to support needy and bright students from each ward of the constituency. The intention is to empower the constituents such that in years to come, the beneficiaries at secondary school levels would have transitioned to Tertiary institutions while those at tertiary level would have transitioned to the job market as employees or employers thereby contributing positively to the economic growth of the constituency. This strategy takes care of both marginalised groups including girls and people living with disabilities.
- b. Security Sector Support: Among its key pillars; NGCDF has security as a priority area with intention to provide better working environment for the security providers within the constituency as well a secure constituency. The strategy is to have a long-term collaborative working approach that enhances community engagement in security activities. This is aimed at eliminating crime and vices in the long run by providing a better working environment for the law enforcement agencies while collaborating with community in trust on matters of security.
- c. **Environment:** The Constituency acknowledges that all its operation has an impact on environment. Cognizant of the Sustainable development goals, the NG-CDF has allocated part of its budget on environment conservation through activities such as tree planting, water conservation, sensitization forums for agro-forestry as well as best practices to reduce soil erosion.

d. Sports: The NG-CDF has taken sports as a key pillar of cohesion and integration. To sustain this pillar, the strategy taken is that of developing skills through sports with intention of identifying, nurturing talent and encouraging physical fitness among the constituents.

To attain this level of sustainability, we acknowledge challenges currently arising from the effects of Covid-19 that have adversely affected the sporting activities and thereby limiting the potential benefits envisaged in using sports as development strategy within the constituency. On macro levels FY 22/23 has been a challenging year with limited funding towards these activities which may hamper the success of priority strategies undertaken.

#### 2. Environmental performance

Protection of the environment in which we live and operate is part of Chesumei NG-CDF initiatives. Care for the environment is one of our key responsibilities and an important aspect in the way in which we carry out our operations.

In this policy statement Chesumei NG-CDF commits to:

- •Organize for training of constituents on conservation of the environment
- •Regularly communicating our environmental performance to our employees and other significant stakeholders

#### 3. Employee welfare

We invest in providing the best working environment for our employees. Chesumei constituency recruitment is guided by Employment Act, NGCDF Act and other regulations as issued from time to time. In line with the law and regulations, the Constituency offers equal opportunity to all while adhering to the one third gender rule and special groups. We also Recognize and appreciate of our employees for exemplary performance. The reward and sanctions system is based on performance appraisal.

The constituency promotes a healthy lifestyle and provides all employees with health insurance cover through a reliable insurance Scheme. Employees are encouraged and supported to continually build on their skills and knowledge. Chesumei constituency invests in capacity building programs for employees. These include courses on technical competencies relevant to each employee and continuous sensitization on cross cutting issues.

The committee has a policy on safety in compliance with Occupational Safety and Health Act of 2007, (OSHA) and has ensured the work environment is conducive for everybody in terms of movement and accessibility within the office. The Constituency has also put in place disaster mitigating measures including fire extinguishers and accessible escape routes in case of emergency.

#### 4. Market place practices-

Chesumei NGCDF Constituency is committed to fair and ethical market practises.

The Procurement of goods and services is done through a transparent and competitive bidding process that allows equal opportunities to all participants. We support local vendors drawn from the constituency for purposes of uplifting them economically. Our ethical market practises ensure the fund get value for money on all goods and services procured.

We are also committed to healthy relations with our suppliers which is enhanced through organized sensitization forums that relate to the procurement legal framework and ethical subject matters. We are dedicated to honouring all contracts and settling payments promptly.

#### NGCDF has put in efforts to ensure:

- a) Responsible competition practice by encouraging fair competition and zero tolerance to corruption
- b) Good business practice including cordial Supply chain and supplier relations by honouring contracts and respecting payment practices.
- c) Responsible marketing and advertisement
- d) Product stewardship by safeguarding consumer rights and interest

#### 5. Community Engagements-

Chesumei NGCDF has endeavoured to sustain community engagement through CSR as well as appreciating our existence through engaging local contractors and suppliers when necessary. We have also engaged the community through sports and community projects.

#### Public Participation in Project Identification and Implementation and Monitoring

The NG-CDFC deliberated on project proposals from all the wards in the constituency and considered the most beneficial to the constituency, considering the national development plans and policies and the constituency strategic development plan. The identified list of priority projects, both immediate and long term, was submitted to the NG CDF Board in accordance with the Act.

**Public participation** is the process that directly engages the concerned stakeholders in decision-making and gives full consideration to public input in making that decision.

The NG CDFC during bursary programme engaged the community through the community leaders to identify the needy students to be awarded with the bursary.

#### Public Awareness

This includes mechanisms for participation and cooperation with local, regional and national agencies, and for conducting community based needs assessments and public awareness campaigns and holding community meetings.

Chesumei NG-CDF has continually practiced public participation and public awareness during project identification and proposal collections in all the wards in the constituency.

Harun K. Chebii

Fund Account Manager.

#### VII. Statement Of Management Responsibilities

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-Chesumei Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2023. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-Chesumei Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the *constituency's* financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2023, and of the entity's financial position as at that date. The Accounting Officer charge of the NGCDF- Chesumei Constituency further confirms the completeness of the accounting records maintained for the *constituency*, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF Chesumei Constituency confirms that the constituency has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted

for. Further the Accounting Officer confirms that the *constituency*'s financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - CHESUMEI CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2023

#### **PREAMBLE**

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment and the internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

#### **Qualified Opinion**

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Chesumei Constituency set out on pages 1 to 43, which comprise of the statement of assets and liabilities as at 30 June, 2023 and the

statement of receipts and payments, statement of cash flows and summary statement of appropriation for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the basis for qualified opinion section of my report, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund - Chesumei Constituency as at 30 June, 2023 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the National Government Constituencies Development Fund Act, 2015 (Amended 2022).

#### **Basis for Qualified Opinion**

#### **Unsupported Project Management Committee (PMC) Bank Balances**

Note 19.4 to the financial statements reflects Project Management Committee (PMC) bank balances of Kshs.4,240,987 in respect to thirty-four (34) bank accounts in various commercial banks as detailed in Annex 5 to the financial statements. However, cash books, banks reconciliation statements, certificate of bank balance and bank statements for the thirty-four (34) bank accounts were not provided for audit review.

In the circumstances, the accuracy and completeness of the Project Management Committee bank balances could not be confirmed.

The audit was conducted in accordance with the International Standards for Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Chesumei Constituency Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

#### **Emphasis of Matter**

#### **Budgetary Control and Performance**

The summary statement of appropriation reflects receipts budget and actual on a comparable basis of Kshs.179,037,108 and Kshs.124,949,505, respectively resulting to under-funding of Kshs.54,087,603 or 30% of the budget. Similarly, the Fund spent Kshs.76,791,826 against actual receipts of Kshs.124,949,505 resulting to an under-utilization of Kshs.48,157,679 or 39% of the actual receipts.

The under-funding and under-utilization affected the planned activities and may have impacted negatively on service delivery to the public.

My opinion is not modified in respect of this matter.

#### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

#### Other Matter

#### **Unresolved Prior Year Audit Matters**

In the audit report of the previous year, several issues were raised under the Report on the Financial Statements and Report on Lawfulness and Effectiveness in Use of Public Resources. However, Management had not resolved the issues or provided explanation for failure to implement the recommendations.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

#### Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matter described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

#### **Basis for Conclusion**

#### Non-Implementation of Approved Projects

During the year under review, the Fund had planned to implement one hundred and sixteen (116) projects with a budget of Kshs.184,945,476. However, out of this number, one hundred and eleven (111) projects costing Kshs.139,037,385 or 96% of the projects had not started.

In the circumstances, value for money on one hundred and eleven (111) projects with an approved budget of Kshs.139,037,385 could not be confirmed.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

#### Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

#### **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

#### Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal controls, as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

#### Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Fund's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

 Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the applicable basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

### XIV. Significant Accounting Policies

The principle accounting policies adopted in the preparation of these financial statements are set out below:

### 1. Statement of Ccompliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits (gratuity and retentions).

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

#### 2. Reporting Entity

The financial statements are for the NGCDF-Chesumei Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

#### 3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

### 4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the entity for all the years presented.

#### a) Recognition of Receipts

The entity recognises all receipts from the various sources when the event occurs, and the related cash has actually been received by the Entity.

Significant Accounting Policies continued

## Transfers from the National Government Constituency Development Fund (NG-CDF)

Transfers from the NG-CDF to the constituency are recognized when cash is received in the Constituency account.

#### Proceeds from Sale of Assets

Proceeds from disposal of assets are recognized as and when cash is received in the constituency account.

#### Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from sale of tender documents, rent receipts, interest earned on bank balances, hire of Plant/Equipment/Facilities, Unutilized funds from PMCs among others.

#### Unutilized Funds from PMCs.

All imutilized funds of the Project Management Committee (PMC) are returned to the constituency account. Unutilized funds from PMCs are recognised as other receipts upon return to the constituency account.

#### External Assistance

External assistance refers to grants and loans received from local, multilateral and bilateral development partners. In the year under review there was no external assistance received.

#### b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the entity.

Significant Accounting Policies continued

#### Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

#### Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

#### Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each constituency and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

#### 5. In-kind contributions

In-kind contributions are donations that are made to the constituency in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the constituency includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

### Significant Accounting Policies continued

#### 6. Cash and Cash Eequivalent.

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various commercial banks at the end of the financial year.

#### 7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

#### 8. Accounts Payable

For the purposes of these financial statements, Deposits (gratuity and retentions) held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. Gratuity carned on monthly is held on behalf of the employee and later paid at the end of the contract period. This is an enhancement to the cash accounting policy adopted by National Government Constituencies Development Fund as prescribed by PSASB. Other liabilities including pending bills are disclosed in the financial statements.

### 9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the entity at the end of the financial year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

#### 10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015

#### 11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest which is accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on 30<sup>th</sup> June 2022 for the period 1<sup>st</sup> July 2022 to 30<sup>th</sup> June 2023 as required by law. Included in the adjustments are Cash book opening balance, AIA generated during the year and constituency allocations not yet disbursed at the beginning of the financial year.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

#### 12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

Significant Accounting Policies Continued

#### 13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2023.

#### 14. Errors

Material prior period errors are corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

### 15. Related Party Transactions

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa.

| 1.0  | Unsupported PMC-Account Balances     | The Project Management Committees' (PMCs) account balances as at30th June 2022 are supported by the bank statements. However, going forward we have advised the PMCs to prepare bank reconciliation statements so as to properly support the balances. Our office staff will play a key role in assisting the PMCs who may be having challenges in preparing the bank reconciliation statements. | Not resolved                            | June 2024   |
