BY THE HIGH RIDGE GIRLS SECONDARY SCHOOL, PARKLANDS ARYA GIRLS AND  
AGA KHAN PRIMARY PARENTS, TEACHERS, STUDENTS AND THE COMMUNITY

WE, THE UNDERSIGNED citizens of Kenya and members of the aforementioned schools.

DRAW the attention of the House to the following;

THAT High Ridge Girls Secondary school, Parklands Arya Girls and Aga Khan Primary schools are located in Westlands constituency and sponsored by the Asian community. These schools were established as public institutions to provide education to students from the locality.

THAT the above mentioned schools have been receiving funding from the Government through the Ministry of Education and have teachers employed by the Teachers Service Commission.

THAT parents, teachers and students of the said schools have been at loggerheads with the Asian Community who claim ownership of the schools and this has affected the smooth running of these schools.

THAT through the Head teachers, PTA and Board of Governors we have sought assistance from the Ministry of Education on the ownership of the schools but the issue has never been resolved conclusively.

THAT the issues within this petition are not pending before any constitutional, legal or judicial body.

THEREFORE your humble petitioners PRAY that;

The National Assembly engages with the Ministry of Education to give the official position on the ownership of the schools and any other sponsored school by the Asian Community within Westland Constituency.

And your PETITIONERS will ever pray

PRESENTED BY,

  
HON. TIM WANYONYI, MP  
WESTLANDS CONSTITUENCY

**DRAW the attention of the House to the following:**

High Ridge Girls Secondary, Parklands Arya Girls and Aga Khan Primary Schools are located in Westlands Constituency and sponsored by the Asian Community. These schools were established as public institutions to provide education to students from their locality. They were determined as aided schools; they receive public funding through the Education Ministry and have TSC teachers. Parents, teachers and students of the schools have however been at loggerheads with the Asian Community who claim ownership to the schools which has affected the harmonious existence between the schools and the Asian Community.
