EXECUTIVE SUMMARY

The Constitution of Kenya, 2010 under Article 227 mandates Parliament to enact a legislation to provide for amongst others protection or advancement of persons or categories of persons or groups previously had been disadvantaged by unfair competition. To that end, the Public Procurement and Asset Disposal Act, 2015 (the Act) was enacted and came into force on 7th January, 2016. The Act under Part XII provides for promotion of different forms of preference and reservation in public procurement. Specifically, Section 157 focuses on disadvantaged groups (women, youth and persons living with disabilities); of which Section 157 (5) further instructs Accounting Officers to ensure they reserve not less than 30% of their procurement spend to the disadvantaged groups.

As a consequence, Section 157(12) & (13) of the Act directs all public entities to report to the Authority every six months on the number and value of the contracts awarded to the target groups. In addition, to ensure uniform and consistent reporting, the Authority developed and disseminated templates for reporting by public entities vide PRRA Circular No. 01/2016 of 16th December, 2016.

To ensure compliance with Section 157(14) of the Act, the Authority has analyzed and consolidated the reports received from the public entities and hereby submits the report to Parliament for consideration and necessary action. The report is generally organized into three parts: Part One presents the background information; Part Two presents level of compliance with the requirement to reserve at least 30% and lastly Part Three details the number and value of contracts awarded to the disadvantaged groups.

As at the time of compilation of this report, only **155** public entities had reported; of which, **148** were from National Government and **7** from the County Governments. The National Government procuring entities comprised of **6** Ministries, State Departments and State House; **105** State Corporations, **29** Universities & Colleges and **7** Constitutional Commissions and Independent Offices. The remaining **7** were from County Governments, comprising **5** County Executives and **2** County Assemblies. This reporting half recorded a **15.7%** increase in the number of procuring entities that submitted reports to the Authority on contracts awarded to the target groups; from **134** in the previous half. There is however, a persistent poor reporting to the Authority by the procuring entities.

From the review of the requirement that the procuring entities reserve at least **30%** of their annual planned procurement spend for the target groups; cumulatively, the two levels of Government reserved **Kes. 46,869,469,839.06** for the target groups (Youth, women and PWDs) out of an aggregated annual planned procurement budget of **Kes. 256,199,255,070.20**. Therefore, cumulatively, the two levels of Government reserved an average of **18.29%** of the total planned annual procurement budget. Thus a number of procuring entities at both levels of

Government did not reserve the requisite **30%** of their procurement budgets for the target groups.

In terms of number and value of contracts awarded to the target groups by different entities, the **155** procuring entities that reported awarded a total of **14,737** (**14,499** contracts by National Government and **238** contracts by County Governments) contracts amounting to **Kes. 15,913,758,978.50**.

When disaggregated, the Women category received the highest share of **7,788** contracts followed by youth category at **6,048** contracts while PWDs received the least at **901** contracts. In terms of value, the Youth category received the highest amount of **Kes.8, 021,293,162.68** followed by Women at **Kes 6,647,437,849.46** and the PWDs received the least at **Kes 1,245,028,466.34**.

The State Corporations reported the highest number of contract awards at **10,463** followed by Universities, Colleges, and Polytechnics & Technical Institutions at **3,318**, then Ministries, State Departments & State House at **510**, Constitutional Commissions & Independent Offices at **208**, County Executives at **2014** and County Assemblies awarded the least number of contracts standing at **34 contracts**. The low number of contracts awarded by the Ministries & State Departments, Constitutional Commissions & Independent Offices and County Governments was attributed to their continued poor reporting to the Authority.

In terms of value of contracts awarded to the target groups, State Corporations reported the highest value at **Kes. 12,603,825,411.64** followed by Ministries, State Departments & State House at **Kes 1,841,981,548.35**, then Universities, Colleges, Polytechnics & Technical Institutions at **1,003,612,738.80**. Constitutional Commissions and Independent Offices and County Assemblies awarded the least value standing at **Kes. 120,389,082.81** and **17,039,995.00** respectively.

In summary, we noted that PWDs were awarded the least number of contracts across all the categories of procuring entities that reported with some entities awarding nil contracts to this target group. We further noted that a number of public entities did not reserve at least the required minimum of **30%** of their procurement spend to the target groups.

1 BACKGROUND INFORMATION

1. The public procurement and asset disposal system is anchored in the Constitution of Kenya 2010 under article 227 (a)(b) which specifically states that public entities shall set aside categories of preference in the allocation of contracts and protection or advancement of persons or categories of persons or groups previously disadvantaged by unfair competition.
2. The Public Procurement and Disposal Act, 2005 was repealed, on 7th January 2016 through a Kenya Gazette Supplement No.207. It was replaced with the Public Procurement and Asset Disposal Act 2015(PPADA, 2015). This new Act aligned the procurement law with the Constitution of Kenya, 2010, Kenya Vision 2030, clarified the role of the National Treasury as the policy developer, Public Procurement Regulatory Authority as regulator, Public procurement Administrative Review Board as an adjudicator in tendering and asset disposal procedures. It also established the County Treasury to be responsible for monitoring public procurement and asset disposal procedures at the county level.
3. The Public Procurement and Disposal Act, 2005 had provided for preferences and reservations under Section 28 and which was operationalized through the Public Procurement and Disposal (Preference and Reservations) Regulations 2011 and Amended Regulations 2013.
4. In order to foster compliance with the Preference and Reservations Scheme, the Authority together with the National Treasury lobbied for the Preference and Reservations Scheme to be anchored in the PPADA, 2015.
5. One of the key features of the Act is that it underscores the need to promote local industry and provides procurement opportunities to the disadvantaged and marginalized groups. These provisions are covered under **Part XII** of the Act on **Preferences and Reservation in Procurement**. Specifically, the Act provides for Preferences and Reservations under Sec.155 through to 158 setting out the eligibility, target groups, application and monitoring of the scheme.
6. Section 157 (12) & (13) of the Act instructs procuring entities at the National and County levels to submit reports to the Authority every six (6) months demonstrating compliance with the legal provisions on implementation of the preferences and reservation scheme. The report should be disaggregated to indicate the number of youth, women and persons with disability from whom goods, works and services have been procured by the procuring entity as required under Section 157 (13) (b) of the Act. This is a mandatory report to be submitted to the Authority to enable preparation of a

report to Parliament pursuant to Section 157 (14) of the Act. It is against this background that this report is submitted to the Parliament.

7. The performance report presented herein for the special groups under the 30% preference and reservation scheme during the first half (July – December, 2017) of the 2017/2018 financial year is presented in two (2) parts. Part 1 presents the allocation/setting aside of the 30% procurement budget to the target groups; Women, Youth and Persons with Disabilities (PWDs) while Part 2 depicts the contract awards to the target groups in terms of number and value. Further each part is segregated into National Government and County Government Entities.
8. In order for procuring entities to prepare and submit this report in line with Section 157(12) and (13) of the Act, the Authority issued reporting guidelines vide PPRA Circular No. 1/2016 of 16thDecember, 2016 to all Accounting Officers. The Circular detailed the formats to be used by the procuring entities when preparing the reports as per the requirements set out in Section 157(13) of the Act. Further, the Circular requires the procuring entities to submit the reports to the Authority within 14 days after end of the half of the Financial Year (i.e. by January 14th and July 14threspectively).
9. As at the time of compilation of this report, only **155** procuring entities had reported of which **148** were from National Government, comprising of **7** Ministries, State Departments and State House; **105** State Corporations, **29** Universities, Polytechnics, Colleges& Technical Institutions and **7** Commissions & Independent Offices. The remaining **7** were from County Governments, comprising of **5** County Executives and **2** County Assemblies. This indicates that more procuring entities reported to the Authority compared to the previous reporting period (January - June, 2017), where only **134** entities from National and County Governments reported.

2 PART ONE: RESERVED PROCUREMENT SPEND FOR THE TARGET GROUPS

10. Section 155 of the Public Procurement and Asset Disposal Act, 2015 (the Act) makes it mandatory for Public Entities to comply with the provisions of Part XII of the Act on Preference and Reservations in Procurement. Section 53(6), and 157(5)& (10) of the Act requires Accounting Officers of public entities to "... reserve a prescribed percentage of its procurement budget, which shall not be less than 30%, to the disadvantaged group and comply with the Act and the Regulations in respect of preference and reservations. Table 2.0 below presents the level of reservation of procurement spend for the target groups by categories of procuring entities.

Table 2.0: Summary of Reserved Procurement Spend for the Target Groups by Procuring Entities at National and County Government Levels

Grand Total	256,199,255,070.20	46,869,469,839.06	18.29

11. The **155** procuring entities from National Government and County Governments cumulatively reserved **Kes. 46,869,469,839.06** for the target groups (Youth, women and PWDs) out of an aggregated annual planned procurement budget of **Kes. 256,199,255,070.20**. This represents an average reservation of **18.29%** of the annual planned procurement spends; which implies that a majority of the procuring entities at both levels of Government reserved less the required minimum of **30%**. Similarly, National Government and County Governments made average percentage reservation of **17.95%** and **29.31%** respectively.
12. Figure **2.0** below presents the level of compliance with the Act on the requirement that procuring entities should reserve at least 30% of their annual planned procurement spend for the target groups (youth, women and PWDs). On average, none of the categories of procuring entities, except the County Executives, reserved at least the required minimum of **30%** as directed by the Act.

2.1 NATIONAL GOVERNMENT PROCURING ENTITIES

15. During the reporting period, the **148** National Government entities cumulatively reserved a total of **Kes. 44,618,600,206.36 (exclusive of the amount reserved by the Public Service Commission)**, out of an aggregate annual planned procurement budget of **Kes. 248,520,099,854.20**; representing an average percentage reservation of **17.95%**. This implies that a majority of the National Government procuring entities that reported did not reserve at least **30%** of their annual procurement budgets for the target groups. Table 2.1 below presents the summary of the reserved procurement spends for the target groups by the different categories of National Government procuring entities.

Table 2.1 Cumulative Summary of the Amounts Reserved by National Government Entities

2.1.1 Ministries and State Departments

16. During the reporting period of July to December, 2017, only seven (7) Ministries & State Departments and State House out of the forty two (42) Ministries and State Departments submitted their reports to the Authority. The reports were analyzed and the summary of the level of reservation of total planned annual procurement spend for the target groups is presented in table 2.2.1 below.

Table 2.1.1: Level of Reservation of Procurement Budgets to the Target Groups by Ministries and State Departments

17. As can be noted from table 2.2.1 above, five (5) Ministries & State Departments and State House reported a cumulative annual procurement spend budget of **Kes.13,084,555,923.17** of which **Kes. 1,804,836,214.25(13.79%** on average) was set aside for the Youth, Women, and PWDs. On the other hand, Ministry of Interior and Coordination of National Government and Ministry of Devolution and Planning (State department for Special Programmes) did not disclose their total planned procurement budget as well as the amounts reserved for the target groups. Further, four (4) of the five(5) procuring entities under this category set aside the required minimum of **30%** of their annual planned procurement budgets for the target groups. The National Treasury reserved less than the required minimum at **1.0%**.

2.1.2 Constitutional Commissions and Independent Offices

18. During the reporting period, only seven (7) out of sixteen (16) Constitutional Commissions & Independent Offices submitted reports on procurement reservations for the target groups. The data has been summarized and presented in table 2.1.2 below.

Table 2.1.2: Level of Reservation of Procurement Spend by Commissions and Independent Offices

	TOTAL	2,217,357,759.00	1,088,697,522.32	28.77

19. From the table above, only five of the seven (7) procuring entities under this category reported on the planned annual procurement budget and the value of the procurement spend reserved for the target groups. The total annual procurement planned for the five entities was **Kes. 2,217,357,759.00** of which **Kes. 637,812,737.32 (this is exclusive of the amount reserved by the Public Service Commission)**; which translated to an average reservation of **28.77%** for the Youth, Women, and PWDs. Public Service Commission (did not disclose the planned annual procurement spend) and Teachers Service Commission did not disclose both the planned annual procurement spend and the value of procurement spend reserved for the targets; thus were not included in this analysis.

20. The five entities reserved at least **30%** of their procurement spends for the target groups except the Office of the Auditor General which reserved less than the required minimum of 30% at **26%**.

2.1.3 State Corporations

21. During the reporting period, **105** State Corporations submitted reports to the Authority on contracts awarded to the youth, women and persons living with disabilities (PWDs). During the 2017/2018 financial year, the **105** State Corporations reserved a total of **Kes. 40,180,717,561.54** out of a cumulative planned procurement budget of **Kes. 224,629,900,709.87**; for procurement of goods, works and services from the target groups (Youth, Women and PWDs). This represented on average **17.89%** which was less than the required minimum of **30%**. Table 2.2.3 presents the list of the State Corporations that reported and the level of reservation of at least **30%** of their procurement spends for the target groups.

22 After a review of the requirement that procuring entities reserve at least **30%** of their total procurement budgets for the target groups; it was established that only **81** State Corporations reserved at least **30%** with Nyayo Tea Zones Development Corporation reserving the highest

amount represented by **75**, followed by Bomas of Kenya at **58%**. A further **15** State Corporations did not reserve the minimum 30% of their procurement budget for the target groups as envisaged by the Act; with Kenya Electricity Generating Company reserving the least percentage at **3%** followed by Kenya Revenue Authority **4%** and Kenya National Library Service at **6%** amongst others.

- 23 The remaining six (**6**) entities namely; Kenya Ports Authority, Kenya Veterinary Vaccines Production Institute, Kenya Law Reforms Commission, Kenya Plant Health Inspectorate Service, Kenyatta National Hospital, and National Museums of Kenya did not disclose their total planned procurement budgets as well as the amounts reserved for the target groups to enable us estimate their level of compliance with the Act.

2.1.4 Universities, Colleges, Polytechnics and Technical Institutions

- 24 During the reporting period, twenty nine (**29**) Universities, Colleges, Polytechnics and Technical Institutions submitted reports to the Authority on the level of implementation of preference and reservation scheme for the target groups. These institutions reserved a total of **Kes.1, 995,233, 693.25** out of their cumulative annual procurement spend of **Kes. 8,588,285,462.16**. This translated to an average reservation of **23.23%**; implying that most entities under this category reserved less than the required 30% of their procurement budgets for the target groups (youth, women and persons living with disabilities). Table **2.2.4** below details the level of reservation of procurement spends for the target groups by this category of procuring entities.

25. From the review of the requirement that every procurement entity reserves at least **30%** of their procurement budget for the target groups, it was noted that twenty five (**25**) Universities, Colleges, Polytechnics and Technical Institutions reserved at least 30%, with Egoji Teachers College reserving the highest amount represented by **71%**.

26. A further three (3) procuring entities under this category namely, South Eastern Kenya University, University of Eldoret and Chuka University reserved less than the required minimum at **25%, 18% and 5%** respectively.
27. Notably, Wote Technical Training Institute did not provide information on their total planned annual procurement budget as well as the total value of procurement reserved for the target groups hence it was not possible to determine if they met the required threshold.

2.2 COUNTY GOVERNMENT PROCURING ENTITIES

28. During the period under review, only seven (7) out of the ninety four (94) County Government Entities submitted reports to the Authority. The 7 County Government Entities reserved a total of **Kes. 2,477,472,626.00** for the target groups out of a cumulative procurement budget of **Kes.8,390,231,860.00**. The aggregate amount reserved by the procuring entities under this category on average translated to **29.53%** of the total procurement budget. This implied that a number of procuring entities under this category did not reserve the required minimum of 30%.The summary is presented in table 2.3.1 and figure 2.3.1 below.

Table 2.2: Reserved Procurement Budget for the Target Groups by County Government Entities

2.2.1 County Executives

29. During the reporting period, only five (5) out of 47 County Executives submitted their reports to the Authority. The five (5) County Executives reserved a total of **Kes. 2,375,695,019.30** out of a cumulative annual procurement spend of **Kes 7,820,861,711.00** representing **30.2%** of the total annual procurement spends on average. Elgeyo Marakwet County Executive reserved the highest amount represented by **47%**.Table 2.3.2 below presents the level of reservation of the procurement spends for the target groups by the procuring entities under this category.

2.2.2 County Assemblies

30. During the reporting period, only two (2) out of 47 County Assemblies (**Kitui County Assembly and Kilifi County Assembly**) reported to the Authority on the contracts awarded to youth, women and PWDs. The two procuring entities under this category reserved **Kes 103,797,606.70** out of a cumulative annual planned procurement budget of **Kes.569,370,149.00** representing **18%** on average. Kitui County Assembly reserved less than the required minimum of 30% of its annual procurement spend to the target groups (women, youth and PWDs), at **11%**. The details are presented in table 2.3.3 below.

3.2 CONTRACT AWARDS BY NATIONAL GOVERNMENT PROCURING ENTITIES

35. The table 3.2.1 below presents the summary of the number and value of contracts awarded by the **148** National Government procuring entities to target groups (women, youth and PWDs). The table below shows that the national government entities awarded a total of 14,499 contracts worth **Kes. 15,569,808,782.83** against the cumulative reserved procurement spend of **Kes. 45,069,484,991.36**. This represents an average absorption rate of 34.55% of the cumulative value of procurements reserved for the target groups.

3.2.1 Ministries and State Departments

38. The table below presents a summary of the number and value of contracts awarded to the targets groups for the period July to December, 2017 by Ministries & State Departments and State House. From the table it can be noted that these procuring entities awarded a total of **510** contracts valued at **Kes. 1,841,981,548.35** out of a total reserved budget of **Kes.1,804,836,214.25**; representing an absorption rate of **102.06%** of the budget reserved for the target groups.

39. However, we note that Ministry of Interior and Coordination of National Government, and Ministry of Devolution and Planning (State department of Special Programmes) did not specify the amount of procurements reserved for the target groups respectively. The remaining five (5) Ministries & State Departments and State House that respectively specified the value of procurements reserved for the target groups; awarded contracts valued at **Kes.974,507,099.75** out of a total reserved budget of **Kes.1,804,836,214.25**; representing an absorption rate of 53.99% of the procurement budget reserved for the target groups.

	TOTAL	1,804,836,214.25	510	1,841,981,548.35	102.06

40. As can be noted from table 3.2.3 above, the Ministry of Education (State Department of Basic Education) awarded the highest value of contracts against the reserved procurement budget at **178.93%**; whereas State House awarded the least value of contracts against the reserved procurement budget at **13.42%**. On the other hand, Ministry of Interior and Coordination of National Government and the Ministry of Devolution and Planning (State department of Special Programmes) did not specify their respective total Value of Procurement Reserved and therefore level of absorption could not be computed.

41. A disaggregated data on the number and value of contracts awarded to women, youth and PWDs by Ministries & State Departments and State House during the reporting period are presented in table 3.2.4 below.

43. In terms of the number of contracts, Youth category was awarded the highest number at **272** represented by **53.33%** of total number of contracts awarded; while **43.53%** to the Women and the PWDs category was awarded the least number of contracts at **16** contracts representing **3.14%** of all contracts reported by Ministries & State Departments and State House. Figure 3.2.3 below presents this summary.

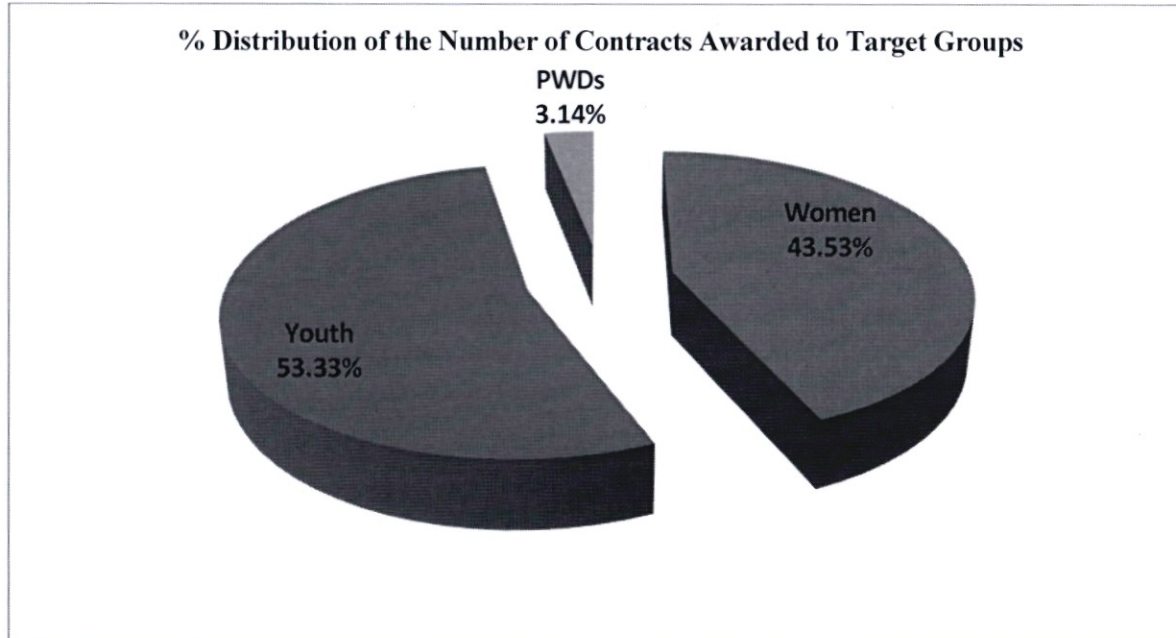

Figure 3.2.3: Distribution of contracts awarded to Youth, Women and PWDs

44. On the other hand, in terms of value, the Youth category was awarded the largest share at **70.95%** of the total value of the contracts followed by the Women category at **28.04%** of the total value of contracts awarded. The PWDs category was awarded the lowest value at **1.01%** of the total value of the contracts. Figure 3.2.6 below presents the distribution.

3.2.3 State Corporations

50. During the reporting period, **105** State Corporations that reported to the Authority awarded a total of **10,463** contracts worth **Kes. 12,603,825,412.37**, against the total reserved procurement spend for the disadvantaged groups of **Kes. 40,180,717,561.54**; which represents on average an absorption rate of **31.37%**. However, some of the entities reported over 100% absorption of the amounts reserved, which was as a result of open tender procurements (not reserved for disadvantaged groups) but some of the disadvantaged groups participated in and were awarded contracts. Table 3.2.9 below details the performance of each entity.

3.2.4 Universities, Colleges, Polytechnics and Technical Institutions

54. During the reporting period, **29** Universities, Colleges, Polytechnics and Technical Institutions reported on the contracts awarded to the target groups (Youth, Women and PWDs). The **29** procuring entities under this category awarded a total of **3,318** contracts worth Kes. **1,003,612,738.80** against the cumulative reserved procurement spend for the disadvantaged groups of **Kes. 1,995,233,693.25**; which represents an average absorption rate of **50.30%**.

55. In terms of absorption of the procurement spend reserved for the target groups, University of Eldoret , Mukiria Technical Training Institute, Kenyatta University, University of Eldoret, University of Embu, Garissa University and Taita Taveta University had exhausted the value of procurements reserved for the target groups at **100.00%, 100.79%, 106.98%, 108.49%,113.05%and 599.31%**, respectively. Table 3.2.12below details the performance of each entity in terms of absorption of the reserved procurement spends.

3.3.1 County Executives

62. During the period under review, only five (5) out of 47 County Executives reported on the number and value of contracts awarded to the target groups. The contracts awarded by the five procuring entities were worth **Kes. 326,910,201.88** against the cumulative reserved procurement budget of **Kes.2,147,072,026.10**. This represents an absorption rate of **15.23%** of the reserved procurement spend. Murang'a County Executive reported the highest absorption rate of its reserved procurement spend at **109%**, while Kisumu County had utilized the least amount of its reserved procurement spend at **8.3%**. On the other hand, Uasin Gishu County Executive filed nil returns on contract awarded to the target groups on account that they did not award any contract to the categories over the reporting period.

4 CONCLUSION AND RECOMMENDATIONS

72. This report was prepared pursuant to Section 157 (14) of the Act in fulfillment of the statutory requirement that compels the Authority to report to Parliament every six months on the performance of the preference and reservation scheme targeting youth, women and persons living with disabilities (PWDs). As analyzed above, the Authority observed a slight improvement in mandatory reporting by the Procuring Entities from 134 procuring entities that submitted the reports for the previous period (January – June, 2017) to 147 procuring entities during this current reporting period. After reviewing the submitted reports; a number of issues were noted; which included:

- a) A number of procuring entities reserved less than the required minimum of 30% of their annual procurement budget for the preference and reservation scheme, which is against the provisions of Section 157(5) of the Act.
- b) PWDs were awarded the least contracts in terms of number and value by all the procuring entities that reported. Some procuring entities did not award contracts to this target group at all.
- c) Despite the requirement under the Act and the circular on mandatory reporting issued by the Authority to all procuring entities, the reporting rate by the entities is still low and poor.

73. A number of milestones have been achieved under the preference scheme including: The National Treasury and the Authority have issued directives in form of circulars to Accounting Officers on implementation requirements as part of the operationalization of preferences and reservations. Additionally, the Authority has invested heavily in building the capacity of procuring entities and suppliers.

74 However, despite these major achievements, the uptake of the 30% procurement spend reserved for the target groups is still low. Consequently, the Authority has commissioned a consultancy study to identify and assess factors influencing the uptake of the thirty percent (30%) procurement spend set aside for youth, women and people with disabilities in Kenya. The study will unearth the bottlenecks and propose recommendations on how to increase the uptake.
