Please approve our appointment request since it is a matter of urgency.

Chapter 4 of the Kenyan constitution, article 21.3 states that "All State organs and all public officers have the duty to address the needs of vulnerable groups within society, including women, older members of society, persons with disabilities, children, youth, members of minority or marginalised communities, and members of particular ethnic, religious or cultural communities." and we hereby seek appointment we express ourselves before the committee. We earlier met with the CS, deliberated on the same and shared our comprehensive report

which he declined to implement as per the agreement. We wrote a letter cautioning him on risking contempt of court (attached below) but no farther action taken by him. We hereby request to treat this letter as a matter of urgency.

NOTE

We have seeked a meeting with the principal secretary for sports, culture and heritage Hon Jonathan Mueke twice but all has gone futile, however we shared the comprehensive report too to his seceratriat.
