And In the Matter of Consideration by the National Assembly of the:-
Finance Bill (National Assembly Bill No. 22 of 2022)

PUBLIC PARTICIPATION/SUBMISSION OF MEMORANDA

Pursuant to Article 118(1) (b) of the Constitution and Standing Order 127(3) of the National Assembly Standing Orders, the Clerk of the National Assembly hereby invites members of the public and relevant stakeholders to submit memoranda on the Finance Bill (National Assembly Bill No. 22 of 2022).

The Finance Bill (National Assembly Bill No. 22 of 2022) was published on 8th April 2022 and read a First Time on 12th April 2022, and thereafter submitted to the Departmental Committee on Finance and National Planning for consideration and reporting to the House. The Bill proposes amendments to the following statutes:

STATUTE PROPOSED TO BE AMENDED	PROPOSED AMENDMENT
1. The Income Tax Act (Cap. 470)	i. Amendment of Sections 3, 9, 34 and 35 of the Act to introduce taxation of gains from financial derivatives for non-resident persons and set the tax rate at 15% of the gains. ii. Amendment of Section 12E to exempt non-resident persons with a permanent establishment in Kenya from the provisions of the Digital Service Tax. iii. Amendment of Section 15 to allow entities or institutions that make donations to charitable organisations to deduct such donations from their taxable income. iv. Amendment of Section 16 to allow microfinance institutions to make deductions from taxable income gross interest paid or payable to third parties even if it exceeds the 30% limit set by the law. v. Amendment of Section 18B by enhancing the provisions of reporting framework in relation to returns on activities of multinational enterprise groups and their parent entities in Kenya and other jurisdictions. The amendment also specifies that the proposed reporting provisions will apply to the income from the year 2022 onwards. vi. Amendment of Section 34 to increase Capital Gains Tax from 5% to 15% of the gains. vii. Amendment of the Third Schedule to increase Digital Service Tax from 1.5% to 3% of the gross transaction value, among other amendments.
2. The Value Added Tax Act (No. 35 of 2013)	i. To remove from the exemption list, taxable goods for the exclusive use for the construction and equipment of a specialised hospital with a bed capacity of more than 50 upon necessary approvals. ii. To remove from the exemption and zero-rated list the supply of maize flour, cassava flour and wheat flour, among others. iii. To provide exemption on plant and machinery imported for the manufacture of pharmaceutical products. Other proposed exemptions include medical oxygen supplied to registered hospitals, urine bags, adult diapers, artificial breasts, and colostomy or ileostomy bags for medical use. iv. Exemption from VAT inputs and raw materials used in the manufacture of passenger motor vehicles and locally manufactured passenger motor vehicles, among other proposed amendments.
3. The Tax Appeals Tribunal Act (No. 40 of 2013)	The Bill proposes to amend this Act to streamline the process and timelines of resolving disputes and settling such disputes out of the Tax Appeals Tribunal.
4. The Excise Duty Act (No. 23 of 2015)	i. Amend section 10 to provide that the Commissioner (MRA) may, by notice in the Gazette and with the approval of the Cabinet Secretary, exempt specified products from inflation adjustment after considering the conditions prevailing in the economy in that year in respect of such products. ii. Introduce excise duty on liquid nicotine at a specific rate of Kshs. 70 per ml rather than per kg. The excise duty at a rate of 15% will apply to fees charged on advertisements for alcohol, gambling and gaming activities on various media. iii. Increase excise duty rates for various items such as fruit juice, bottled water, alcoholic products, tobacco products, and confectioneries, among others. iv. Increase gambling taxes: gaming, betting, lotteries and price completion from the current 7.5% to 20% of the amount wagered. v. Some proposed exempt items include fertilised eggs for hatcheries, neutral spirits for pharmaceuticals and locally manufactured passenger motor vehicles, among others.
5. Tax Procedures Act (No. 29 of 2015)	i. Amendment to provide for a specified period of six months allowable for deduction of input tax after the end of the tax period in which the supply or importation occurred. ii. Amendment to provide for the security of property for unpaid tax. In so doing, the Commissioner will notify the Registrar in writing that the property, to the extent of the taxpayers' interest in the property, shall be the subject of a security to the unpaid tax specified in the notification. iii. Regularise and streamline the procedures and processes for effecting tax payments and refunds that include offset or refund of overpaid tax, refund of tax paid in error, refund of tax paid on exempted or zero-rated supply.
6. The Miscellaneous Fees and Levies Act (No. 29 of 2015)	i. Make amendments to the First Schedule of the Act to reduce the export levy on raw hides and skins from 80 per cent or USD 0.5 per kilogram to 50 per cent or USD 0.32 per kilogram. ii. Exempt inputs and raw materials imported by manufacturers of pharmaceutical products from payment of Import Declaration Fees and Railway Development Levy. This will encourage investment in the health sector and improve access to affordable health care services by promoting the manufacturing of pharmaceutical products.
7. The Evidence Act (Cap. 80)	The Bill proposes to amend section 133 of the Evidence Act to accommodate all officers involved in administering tax laws as set out in the First Schedule of the Kenya Revenue Authority Act (Cap. 469).
8. The Capital Markets Act (Cap. 485A)	The Bill seeks to amend the Capital Markets Act to address the shortage of investment advisory services being experienced across the country, due to the restrictive nature of the Act, by expanding the spectrum of persons who may act as investment advisers in offering the much-needed investment advisory services.
9. The Insurance Act (Cap. 487)	The Bill proposes to amend sections 10(4) and (8) of the Insurance Act to align the section with section 21A of the Act.
10. The Unclaimed Financial Assets Act (No. 40 of 2011)	The Bill seeks to amend the Unclaimed Assets Act, 2011 to introduce capping penalties and interest to the value of assets found to be reportable and deliverable. This is meant to address the cases where the asset may increase beyond the value of the asset, thus discouraging compliance to avoid penalties.
11. The Statutory Instruments Act (No. 23 of 2013)	The Bill proposes to amend the Statutory Instruments Act, 2013, to exempt statutory instruments legislated under various tax laws from automatic expiry as provided in section 21 of the Act.
12. The Retirement Benefits (Deputy President and Designated State Officers) Act (No. 8 of 2015)	The Bill proposes to amend the Retirement Benefits (Deputy President and State Officers) Act, 2015, to provide for the administration of the benefits payable to entitled persons under the Act by the respective entities.

A copy of the Bill is available at the National Assembly Table Office or <http://www.parliament.go.ke/the-national-assembly/house-business/bills>.

The memoranda may be addressed to the Clerk of the National Assembly, P.O. Box 41842-00100, Nairobi; hand-delivered to the Office of the Clerk, Main Parliament Buildings, Nairobi; or emailed to clerk@parliament.go.ke; to be received on or before Wednesday, 4th May 2022 at 5.00 p.m.

MIN.NO.NA/F&NP/2022/180: CONFIRMATION OF MINUTES
The agenda was deferred.

MIN.NO.NA/F&NP/2022/181: CONSIDERATION OF THE FINANCE BILL, 2022 WITH THE NATIONAL TREASURY AND PLANNING

Hon. Ukur Yatani, Cabinet Secretary for National Treasury and Planning submitted as follows on the Finance Bill, 2022, THAT:

1. The Bill is estimated to generate KSh. 51607 million which is factored in the Budget Estimates for FY 2022/23. Below is a breakdown of the amount of revenue expected to be generated from each tax law that was being amended:

TAX LAW	AMOUNT (KSH. MILLIONS)
Income Tax Act	9,104
VAT Act	6,419
VAT base adjustment for excise duty	4,627
Excise Duty Act	28,921
Miscellaneous Fees and Levies Act	2,536
TOTAL	51,607

2. Amendments proposed under the Income Tax Act include:
 - i. Clarification that donations are deductible expenditure in order to encourage charitable organizations to make donations in Kenya;
 - ii. Provide for taxation of gains accruing to non-residents from transactions involving financial derivatives in Kenya to ensure equity and fairness; and

- iii. Exempt microfinance institutions licensed under the Microfinance Act from the thin capitalization rule that restricts interest based on a ratio of earnings before interest, taxes, depreciation and amortization (EBITDA).
3. Amendments proposed to the Value Added Tax Act include:
- i. Refund of tax paid in error in cases where the supply is exempt or zero-rated under the Act but such exemption or the zero-rating is not processed within the specified period due to circumstances beyond control of the taxpayer and the taxpayer paid the tax to avoid accumulation of demurrages and customs storage charges;
 - ii. Exempt medical oxygen supplied to registered hospitals, urine bags, adult diapers, artificial breasts and colostomy or ileostomy bags for medical use;
 - iii. Exempt inputs and raw materials used in the manufacture of passenger motor vehicles and locally manufactured passenger motor vehicles in order to encourage investment in the manufacture of passenger motor vehicles; and
 - iv. Exempt plant and machinery for use by manufacturers of pharmaceutical products from VAT in order to promote investment in the health sector.
4. Amendments proposed to the Excise Duty Act include:
- i. Empower the Commissioner General, KRA to exclude from inflation adjustment, products that depend on economic and social environment facing them after consultation with the Cabinet Secretary;
 - ii. Exempt eggs imported for hatching by licensed hatcheries upon recommendation by the CS in order to protect local producers of eggs;
 - iii. Exempt locally manufactured passenger motor vehicles in order to encourage investment in the sector;
 - iv. Introduce excise duty of 15% on fees charged for advertisement of gambling, gaming and alcohol in order to discourage their promotion; and
 - v. Increase the excise duty rates of a number of products by 10% in order to generate additional revenue for the Government.
5. Amends the Miscellaneous Fees and Levies Act in order to exempt inputs and raw materials imported by manufacturers of pharmaceutical products from payment of IDF and RDL in order to encourage investment in the health sector.
6. Amendments to the Tax Procedures Act include:
- i. Application by a taxpayer who has overpaid a tax under any tax law to the Commissioner to offset the overpaid tax against the taxpayer's future tax liabilities;
 - ii. Require registrars of ships, aircraft, motor vehicles and other property that may be used as security for unpaid taxes to restrict disposal or transaction of these assets upon receipt of direction from the Commissioner so as to expand categories of assets the Commissioner can put a caveat in order to protect Government revenue;
 - iii. Require a deposit of 50% of disputed tax in a special account at CBK when the Tribunal makes a ruling in favour of the CG, KRA before appealing the decision in court.
7. The CS also submitted additional amendments to the Bill which are contained in Part III of the Report on the consideration of the Finance Bill, 2022.

Committee Observations

The Committee observed:

1. that non-deposit taking institutions are not covered in the Microfinance Act and therefore not covered under thin capitalization. The CS explained that there is a Bill that takes care of both deposit and non-deposit taking microfinance institutions and they are therefore all covered under thin capitalization.
2. the increase of DST from 1.5% to 3% was too high given that the tax had been put in place in the Finance Act, 2021. The CS explained that the intention of the amendment was to align the rate with other jurisdictions that have implemented the tax.
3. the deposit of 50% of disputed tax to the CG before appealing the decision in court is meant to safeguard Government revenue whereby some taxpayers dispose of assets and transfer money to overseas accounts that could have been attached, to avoid access by the Commissioner even if the KRA was to win the case.
4. the imposition of excise duty on bottled water and locally manufactured glass bottles is not a good move. The CS explained that bottled water is only available to a certain category of people hence the increase in excise duty. Imposition of excise duty on glass bottles has been expanded to include other categories that were excluded for uniformity and to prevent discrimination.
5. the increase of CGT from 5% to 15% was too high given that inflation has not been factored. The Committee was informed that the CGT rate in Kenya is lower in comparison to other countries in the region and the government has done a good job in managing inflation and its therefore should not an concern for consideration.
6. the Government needs to put in place a national tax policy. The meeting was informed that there was a draft national tax policy which was undergoing stakeholder engagement.
7. the CS was requested to submit the Court Ruling on inflation adjustment so that Committee can be guided by it when making decisions on the Bill.

MIN.NO.NA/F&NP/2022/153: COMMUNICATION FROM THE CHAIRPERSON

The meeting was called to order at thirty-six minutes past eight o'clock and the Chairperson said the Prayer before calling for self-introduction of those present. The Chairperson then invited the Committee to deliberate on the day's agenda.

MIN.NO.NA/F&NP/2022/154: CONFIRMATION OF MINUTES

The agenda was deferred.

MIN.NO.NA/F&NP/2022/155: BRIEFING ON THE FINANCE BILL, 2022

The Committee was briefed on the amendments proposed by each clause of the Finance Bill, 2022 and its impact to the country by officers from the Parliamentary Budget Office and the Legal Counsel.

The Committee observed that there was an amendment in the Petroleum Products' (Taxes and Levies) (Amendment) Bill (National Assembly Bill No. 48 of 2021) to amend the Excise Duty Act to provide for inflation of adjustment after every two years. Clause 31 of the Bill will therefore be amended accordingly.

MIN.NO.NA/F&NP/2022/156: STAKEHOLDER ENGAGEMENT ON THE FINANCE BILL, 2022

The stakeholders appeared before the Committee in the following order:

1. PricewaterhouseCoopers Limited (PWC)
2. Institute of Certified Public Accountants of Kenya (ICPAK)
3. KPMG Kenya
4. Kenya Bankers Association (KBA)
5. Kenya Association of Manufacturers (KAM)
6. British American Tobacco Plc (BAT)
7. Consol Glass Kenya Limited
8. Westminister Consulting

The stakeholders were opposed to the increment of the Capital Gains Tax from 5% to 15% without provision for indexation allowance which would ascertain the equitable value of the capital asset. They also opposed the depositing of 50% of the disputed amount of money before a taxpayer appeals a decision of the Tax Appeals Tribunal noting that it will deny taxpayers their right to justice which is against the Constitution.

(Details of the submissions made by the stakeholders are in Part III of the Report on the consideration of the Finance Bill, 2022.)

**MIN.NO.NA/F&NP/2022/157: ADOPTION OF THE REPORT ON THE
CONSIDERATION OF THE BUDGET
ESTIMATES FOR FY 2022/23**

The report on the consideration of the Budget Estimates for FY 2022/23 was adopted having been proposed by Hon. Joseph Oyula, MP and seconded by Hon. Edith Nyenze, MP.

**MIN.NO.NA/F&NP/2022/158: ADJOURNMENT/DATE OF NEXT
