## II. FORWARD BY THE CHAIRMAN NATIONAL GOVERNMENT-CONSTITUENCY DEVELOPMENT FUND COMMITTEE (NG-CDFC)

The introduction of the IPSAS mode of preparing Financial Statements is a great milestone in achieving our end goal of ensuring development and proper utilization of funds. Accountability has been enhanced and the committee has been more empowered in decision making with regards to utilization of funds.

The financial year 2015/2016 was generally a good year in terms of achieving the development targets set in the onset. We have been able to utilize at least 70% of the funds allocated and disbursed. The major achievement and most felt project is the Bursary kitty. This year we have issued bursaries to over 2,500 beneficiaries as compared to 2014/2015 where we had around 1,800 beneficiaries. Our target is that as the NG-CDF allocation grows, the bursary beneficiaries also grows and we impact to more and more people in the constituency.

The above success of course has some constraints. Firstly, the allocation to Embakasi Central Constituency has always been one of the least as compared to other constituencies. This has made it a challenge to really show impact in terms of developmental projects within the constituency. We always hope that the allocation criteria is revised so that at least we can have an improvement in that area. Secondly, disbursement of funds from the NG-CDF Board is a challenge. Many projects delay due to the delayed disbursement of these funds. We also hope that this is given some thought so that we can have timely disbursement to ensure timely implementation of projects.

Otherwise the impact of the NG-CDF kitty is felt countrywide and we hope and pray that the fund lives longer and longer in order to impact more and more lives in Kenya.

#### **OFFICE OF THE AUDITOR-GENERAL**

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND – EMBAKASI CENTRAL CONSTITUENCY FOR THE YEAR ENDED 30 JUNE 2016

#### REPORT ON THE FINANCIAL STATEMENTS

I have audited the accompanying financial statements of National Government Constituencies Development Fund – Embakasi Central Constituency set out on pages 7 to 33, which comprise the statement of financial assets and liabilities as at 30 June 2016, and the statement of receipts and payments, statement of cash flows and summary statement of appropriation for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

#### **Auditor-General's Responsibility**

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. The audit was conducted in accordance with International Standards of Supreme Audit Institutions. Those standards require compliance with ethical requirements and that the audit be planned and performed with a view to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of

Report of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund - Embakasi Central Constituency for the year ended 30 June 2016 the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

#### **Basis for Qualified Opinion**

#### 1. Unexplained Comparative Figures

The following differences have been noted between comparative figures (2014/2015) reflected in the financial statements for the year ended 30 June 2016 and the balances shown in the audited financial statements for 2014/2015:

ITEM	2014/2015 Comparative Figures Kshs	2014/2015 Audited Balance Kshs	Variance Kshs
Use of goods	5,865,320	1,879,522	3,985,798
Committee expenses	-	3,985,798	(3,985,798)
Social security benefits	-	28,000	(28,000)

However, no explanations have been provided in the notes to the financial statements for the above differences. In addition, the nature of the error and the respective amounts of the corrections for the items have similarly not been disclosed.

#### 2. Bank Balance

The statement of financial assets and liabilities reflects a bank balance of Kshs.14,723,446.64 as at 30 June 2016. However, certificate of bank balance as at 30 June 2016 in support of reconciliation statement for June 2016 has not been provided for audit verification. Consequently, the accuracy and existence of bank balance of Kshs.14,723,446.64 as at 30 June 2016 cannot be confirmed.

#### 3. Development of Strategic Plan

The Fund engaged and paid a firm Kshs.1,800,000 for development of strategic plan for the Embakasi Central NGCDF. However, the strategic plan and payment vouchers to

support the expenditure were not availed for audit review. Consequently, the propriety of the expenditure amounting to Kshs.1,800,000 cannot be ascertained.

#### **Qualified Opinion**

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund – Embakasi Central Constituency as at 30 June 2016, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015.

#### Other Matter

#### 1. Budget and Budgetary Performance

During the year under review, Embakasi Central Constituency Fund incurred expenditure totalling Kshs.61,466,539 against an approved budget of Kshs.122,763,090 resulting in under expenditure of Kshs.61,296,552 as shown below:

Item	Budgeted Amount Kshs	Actual Expenditure Kshs	Under/Over Expenditure Kshs
Compensation of Employees	2,481,490	2,473,624	7,866
Use of goods and services	6,350,079	6,021,775	328,304
Transfers to Other Government Units	18,220,965	15,648,331	2,572,634
Other grants and transfers	57,411,408	35,023,661	22,387,747
Acquisition of Assets	38,299,148	2,299,148	36,000,000
Total	122,763,090	61,466,539	61,296,551

The under expenditure is an indication of funds not utilized fully and approved programs not fully implemented. The budget did not, therefore, fully meet the intended objectives of improving delivery of services to the residents of Embakasi Central Constituency.

#### 2. Non Implementation of Projects

As at the 30 June 2016, two (2) projects with a total budget of Kshs.37,851,462 had not been implemented at all as detailed below:

Project	Budgeted	Actual	Under/ Over
	Amount	Expenditure	Expenditure
	Kshs.	Kshs.	Kshs.
Sport Activities	1,851,462	-	1,851,462
Acquisition of la	and 36,000,000	-	36,000,000
Total	37,851,462	-	37,851,462

Consequently, the constituents of Embakasi East did not obtain the intended services from the two projects that were not implemented during the year.

#### 3. Revenue

During the year under review, the Constituency budgeted to receive Kshs.92,573,105 from the Constituency Development Fund Board but only realized Kshs.46,000,000 resulting in underfunding of Kshs.46,573,105, a 50% short fall in receipts from the Constituency Development Fund Board. The underfunding if not addressed could adversely affect delivery of services to the constituents of Embakasi Central Constituency.

# NATIONAL GOVERNMENT -CONSTITUENCIES DEVELOPMENT FUND — EMBAKASI CENTRAL CONSTITUENCY Reports and Financial Statements For the year ended June 30. 2016 (Kshs'000)

#### VIII SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

#### 1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the *NG-CDF* and all values are rounded to the nearest shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the *NG-CDF*.

#### 2. Recognition of revenue and expenses

The NG-CDF recognises all revenues from the various sources when the event occurs and the related cash has actually been received by the NG-CDF. In addition, the NG-CDF recognises all expenses when the event occurs and the related cash has actually been paid out by the NG-CDF.

#### 3. In-kind contributions

In-kind contributions are donations that are made to the NG-CDF in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the NG-CDF includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

#### 4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorized public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 5. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the *NG-CDF* at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

#### 6. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The NG-CDF's budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the NG-CDF's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

#### 7. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

#### 8. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2016.
