OFFICE OF THE AUDITOR-GENERAL

REPORT OF THE AUDITOR-GENERAL ON CONSTITUENCIES DEVELOPMENT FUND - RANGWE CONSTITUENCY FOR THE YEAR ENDED 30 JUNE 2014

REPORT ON THE FINANCIAL STATEMENTS

I have audited the accompanying financial statements of Constituencies Development Fund - Rangwe Constituency set out on pages 4 to 11, which comprise the statement of financial assets as at 30 June 2014, and the statement of receipts and payments, statement of cash flows and a summary statement of appropriation recurrent and development and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 8 of the Public Audit Act, 2003. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 4 of the Public Audit Act, 2003.

Auditor-General's Responsibility

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provision of Section 9 of Public Audit Act, 2003 and submit the report in compliance with Article 229 (7) of the Constitution of Kenya. The audit was conducted in accordance with International Standards of Auditing. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation

and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my adverse audit opinion.

Basis for Adverse Opinion

Inaccuracies in the Financial Statements

- i) The Statement of Assets and Liabilities as at 30 June 2014 does not balance as the financial assets are less than the net funds by Kshs.349,999. Further, the total operating expenses in the statement of cash flows have been indicated as Kshs.102,790,370 instead of Kshs.102,440,370 and thus overstating the payments by Kshs.350,000. The cash brought forward has been stated as Kshs.24,748,685 in the statement of cash flow while the same is indicated as Kshs.2,759,786 in the statement of financial assets. Consequently, the accuracy of cash and cash equivalents balance of Kshs.22,650,881 as at 30 June 2014 could not be determined.
- ii) Notes to the financial statements have been inserted on the face of the financial statements, however some of the actual explanatory notes have not been included in the financial statements as required by International Public Sector Accounting Standards (IPSAS 1) on presentation of financial statements.
- iii) The use of goods and services expenditures in the statement of receipts and payments under Note 5 total to Kshs.2,444,760 while the analysis given on page 11 of the financial statements indicate Kshs.2,004,220 resulting to unreconciled difference of Kshs.440,540.

In the circumstances, the accuracy of the figures in the financial statements as at 30 June, 2014 could not be confirmed.

Adverse Opinion

In my opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion paragraph, the financial statements do not present fairly, the financial position of the Fund as at 30 June 2014, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and do not comply with Public Finance Management Act, 2012 and the Constituencies Development Fund Act, 2013.

RANGWE CONSTITUENCY DEVELOPMENT FUND
Reports and Financial Statements
For the year ended June 30, 2014

STATEMENT OF ENTITY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a county government entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Fund Account Manager in charge of the *Rangwe CDF* is responsible for the preparation and presentation of the *Constituencies* financial statements, which give a true and fair view of the state of affairs of the *Constituency* as at the end of the financial year (period), ended on June 30, 2014. This responsibility includes:

- i. Maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period;
- ii. Maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity;
- iii. Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud;
- iv. Safeguarding the assets of the *entity*;
- v. Selecting and applying appropriate accounting policies; and
- vi. Making accounting estimates that are reasonable in the circumstances.

The Fund Account Manager in charge of the *Rangwe CDF* accepts responsibility for the *entity's* financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS) and relevant legal framework of the Government of Kenya. The Fund Account Manager is of the opinion that the *Rangwe CDF* financial statements give a true and fair view of the state of *Constituency's* transactions during the financial year ended June 30, 2014, and of the *Constituency's* financial position as at that date. The Fund Account Manager in charge of the *Rangwe CDF* further confirms the completeness of the accounting records maintained for the *Constituency*, which have been relied upon in the preparation of the *Constituency* financial statements as well as the adequacy of the systems of internal financial control.

The Fund Account Manager in charge of the *Rangwe* confirms that the entity has complied fully with applicable Government Regulations and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Fund Account Manager confirms that the *Constituency's* financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

RANGWE CONSTITUENCY DEVELOPMENT FUND

Reports and Financial Statements

For the year ended June 30, 2014

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting and relevant legal framework of the Government of Kenya. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the *entity* and all values are rounded to the nearest thousand (Kshs'000). The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the *entity*.

2. Recognition of revenue and expenses

The *entity* recognises all revenues from the various sources when the event occurs and the related cash has actually been received by the *entity*. In addition, the *entity* recognises all expenses when the event occurs and the related cash has actually been paid out by the *entity*.

3. In-kind contributions

In-kind contributions are donations that are made to the *entity* in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the *entity* includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

**Reports and Financial Statements
For the year ended June 30, 2014**

SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the *entity* at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

6. Receivables and payables

These relate to provisioning balances for the GAV and Exchequer accounts as required by the current Government Financial Regulations and Procedures. These provisioning balances do not have an impact on the receipts and payments and therefore do not contravene the principles on the cash based IPSAS.

7. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The *entity's* budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the *entity's* actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

8. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

9. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2014.
