Dear

RE: PETITION TO THE SENATE CONCERNING PROPOSAL FOR ONE TERM, TEN YEARS LIMIT PRESIDENT

I acknowledge with thanks receipt of your petition on the above subject matter.

Upon reviewing the petition in terms of Senate Standing Order 220 (3), it has been noted that the petition, though it raises important issues for consideration by the Senate, is not admissible in its present form.

This is for reasons that –

- i) the subject-matter of the petition has not been indicated on every sheet, as required under Section 3 (e) of the Petition to Parliament (Procedure) Act (No. 22 of 2012), and Senate Standing Order 223 (e);
- ii) the petition fails to state whether the issues in respect of which it is made are pending before any court of law or other constitutional or legal body, as required under Section 3 (g) of the said Act, and Senate Standing Order 223 (g);
- iii) the Petition does not conclude with a clear, proper and respectful prayer, reciting the definite object of the petitioner in regard to the matter to which it relates, as required under Section 3 (h) of the said Act, and Senate Standing Order 223 (h);
- iv) the petition does not indicate whether any efforts have been made to have the subject matter of the petition addressed by a relevant body and whether there has been any response from that body or whether the response has been unsatisfactory. This is a requirement under Section 3 (f) of the said Act, and Senate Standing Order 223 (f); and

- v) the identification number of the petitioner has not been indicated on the petition, which is a requirement under Section 3 (i) of the said Act, and Senate Standing Order 223 (i).

In the circumstances, it is requested that you amend the petition to comply with the said requirements. Attached in this regard are the applicable provisions of the Petition to Parliament (Procedure) Act and the Senate Standing Orders, on the form of a public petition, as well as a template which you may adopt in redrafting the petition.

Mrs. Serah Kioko, Director, Legislative & Procedural Services (Tel No. 0722881777 and Email, skioko@parliament.go.ke or kiokoserah@gmail.com) is the officer responsible for facilitating this matter.

Yours

Dear Sirs/Madams,

Re: AUGUST 2017 GENERAL ELECTIONS.

Greetings to you all Ladies & Gentlemen!

MALIKI YOUTH GROUP is a youth organization that is based at the grassroots in Kitale founded in 1996 with the aim of:

- ✓ Fighting HIV/AIDS.
- ✓ Fighting poverty through self-help groups and income generating activities.
- ✓ Career guidance for the youths.
- ✓ Fight drugs and substance abuse.
- ✓ Identify and encourage positive leisure activities.
- ✓ Mobilize youths to register and vote.

We have done our best and almost managed to achieve all our objectives. We would like to give credit to your Government your Excellency for creating an enabling environment that has given prominence to the youth agenda. Your government has given a lot of attention to youth programs. Many youths are now property owners due to various business tenders they have won. This was unheard of before. Youths were always relegated to the back seat of *VIONGOZI WA KESHO*. That kesho we have realized it under your able leadership sir. Keep it up and May the good Lord always walk ahead of you!

Again, we thank THE NATIONAL AIDS CONTROL COUNCIL, GTZ and GEREEDS IN NETHERLANDS for their support to our various programs. Many youths can now afford a smile, a plot and a car, thanks to MALIKI programs. Having been elected on the platform of youth agenda, your Excellency has actually done a lot for the youths. You have managed to rally the youths together for a common cause, uhuru na kazi!!

Sir, MALIKI supports and celebrates your achievements so far and it's on this basis that we are filing this petition.

Our constitution mandates the president to be elected on a two five year term. That means we must have elections after every five years. A lot of money and resources is going to be used by various leaders bidding for various elective posts. This will definitely run into billions of Kenya shillings. Why waste all this money on useless campaigns? Why can't we channel the same resources to paying better salaries to our doctors, teachers, lecturers and build hospitals, buy equipment and improve on agriculture! We are an average country economically. We really need to go back and note where the rain started to beat us, hard! Do we really need to waste all that amount?

We are Kenyans who made this constitution. It's not cast in stone. We can still change it, amend it. Must we copy paste everything western? That do or die, we must have elections after every five years? Are we thinking of our fellow Kenyans starving in Turkana, Baringo etc.? Our relatives dying before our own eyes because doctors are on strike demanding for a better pay? Our own children back in the house because university lecturers are on strike demanding money? Yet we have to spend billions trying to remove JUBILEE from power!

We all agree that no one is perfect. President UHURU KENYATTA as a person is occasioned to go wrong here and there, it's human. But surely, must it be a very expensive exercise to correct these small human errors! Must we plunder our economy, maim and kill each other simply because one has committed a small human error!

Hey, please let's give credit where it deserves. We are aware that JUBILEE could have erred on one or two areas but as Kenyans, we really need to reason together. This election thing is a very expensive undertaking for us Kenyans. In Kiswahili they say; MGHALA MUUWE LAKINI HAKI UMPE! To mean: As much as we criticize someone, but recognize his positive contribution also! JUBILEE really has tried it's based. Let's sample some of these achievements:

- Free maternity for all expectant mothers.
- Exam fees paid for all candidates in the country regardless of private or public.
- The flagship STANDARD GAUGE RAILWAY.
- Tarmacking of roads.
- Improvement of agriculture.
- Overseeing the devolvement of Government.
- Improvement of health [beyond zero campaign]
- Connecting all schools and households to electricity.
- Promoting cohesiveness in the country.

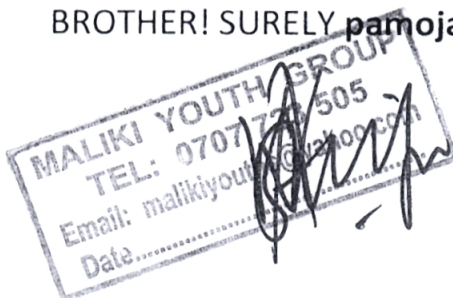

Surely, suppose HON.UHURU KENYATTA goes back for another five years, we bet he will do a wonderful job.

OUR PROPOSAL

- ✓ That the presidential five year two term limit be immediately changed to a ten year one term limit in order to save us from wastage of our scarce resources on expensive elections.
- ✓ That the deputy president automatically takes over after the ten years.
- ✓ That a national debate/ referendum is initiated on the same immediately through parliament.
- ✓ That all elective posts adhere to the above formula.
- ✓

Ladies & Gentlemen, please, Kenya belongs to us all. Kenya ni mama yetu! We are all brothers and sisters therefore from the same mother ,Kenya. Why then should we rise up against each other simply because of an election?

NASA LEADERS, TUNASE AMANI NA MAENDELEO. LET US CORRECT OUR PRESIDENT POSITVELY FOR A BETTER KENYA. HE IS OURS, OUR SON, OUR BROTHER! SURELY *pamoja tutaimarika!!!!!!!!!! Vita waseya havina maana!!!!*
