CHAIRPERSON'S FOREWORD

The Cabinet Secretary for Agriculture, Livestock, Fisheries and Cooperatives in exercise of the powers conferred by section 40 of the Crops Act (*No. 16 of 2013*), made the Crops (Coffee) (General)(Amendment) Regulations, 2022 (hereinafter referred to as “the Regulations”).

During the scrutiny, the Committee confirmed that the Regulations were published in the Kenya Gazette on the 9th June, 2022, submitted to the Clerk of the National Assembly on 9th of June, 2022 and laid in the House on 4th October, 2022 being within the statutory timelines set out in section 11(1) of the Statutory Instruments Act.

The purpose of the Regulations was to amend the provisions of the Crops (Coffee) (General) Regulations, 2019 (**hereinafter referred to as “principal regulation”**) and the **effect or implication of the amendment would transfer the authority of issuing milling licences from the Country Government to the Agriculture and Food Authority.**

The Committee noted, with concern, that contrary to the requirements for public participation set out in Articles 10 and 118 of the Constitution, sections 5, 5A, 13 (a), and the Schedule to the Statutory Instruments Act (*No.23 of 2013*) read with Standing Order 210 that requires the Regulation-Making Authority (RMA) to conduct public participation and sufficient consultation with the stakeholders and persons likely to be affected by the regulations, the public participation was not sufficiently conducted with those affected .

The Council of Governors *vide* a letter dated 12th May, 2022 addressed to the Cabinet Secretary, Ministry of Agriculture, Livestock, Fisheries and Co-operatives raised concerns that the Regulations as published, were contrary to the provisions of section 1 of Part II of the Fourth Schedule to the Constitution for failure by the Ministry to consult them. Further, in a letter from coffee- farmers registered organization addressed to the Clerk of the National Assembly and copied to the Chairman of the Committee on Delegated Legislation, the coffee farmers also expressed concerns on the failure of the Ministry in incorporating their proposals in the published Regulations.

Sections 7, 8 and 9 of the Statutory Instruments Act provide for the time a Regulatory Impact Assessment (RIA) is necessary. The Committee resolved upon scrutiny that the Regulations by their very nature, required a Regulatory Impact Assessment to be conducted as they have a significant economic implication to a part of the community being the coffee farmers and other players in the coffee value chain and industry.

The Committee further observed that there was no evidence that a Regulatory Impact Assessment was conducted on the Amended Regulations contrary to section 7 of the Statutory Instruments Act. The Ministry only provided a Certificate of Compliance to imply that the Regulatory Impact Assessment requirements had been complied with, without tangible evidence of having undertaken a Regulatory Impact Assessment.

Committee on Delegated Legislation-Report on the Crops (Coffee) (General) (Amendment) Regulations, 2022

Having examined the Crops (Coffee) (General) (Amendment) Regulations, 2022 published vide Kenya Gazette Notice, Special Issue Supplement No. 97 on 9th of June, 2022 in line with the Constitution, the Interpretations and General Provisions Act (*Cap 2*), the Statutory Instruments Act, 2013, the Crops Act (*No. 18 of 2013*), pursuant to which they are made, the Committee resolved to recommend to the House **to annul the Regulations in entirety** for non-compliance with the Constitution and the relevant statutes.

I wish to most sincerely thank the Speaker and the Office of the Clerk of the National Assembly for the invaluable support accorded to the Committee in the discharge of its mandate.

On behalf of the Members of the Select Committee on Delegated Legislation and pursuant to Standing Order 210 (4) (b) it is my pleasure and duty to present to the House, the Committee's **Report on the Consideration of the Crops (Coffee) (General) (Amendment) Regulations, 2022.**

HON. CHEPKONGA KIPRONO SAMUEL, CBS, MP.

2.0 CONSIDERATION OF THE CROPS (COFFEE) (GENERAL) (AMENDMENT) REGULATIONS, 2022

2.1 Introduction

5. The Cabinet Secretary for Agriculture, Livestock, Fisheries and Cooperatives in exercise of the powers conferred by section 40 of the Crops Act (*No. 16 of 2013*), made the Crops (Coffee) (Amendment) Regulations, 2022. The Regulations were published in the Kenya Gazette Notice Special Issue Supplement No. 97 on 9th of June, 2022.

6. The Regulations were submitted to the Clerk, National Assembly on 9th of June, 2022 and laid in the House on 4th October, 2022.

2.2 Scrutiny of the Statutory Instrument

8. The Committee considered the Crops (Coffee) (General) (Amendment) Regulations, 2022 to check its conformity with the Constitution, the Interpretations and General Provisions Act (*Cap 2*), the Crops Act (*No. 18 of 2013*), the Statutory Instruments Act, 2013 (*No. 23 of 2013*), and the Crops (Coffee) (General) Regulations, 2019 pursuant to which they are made, which regulates the making, scrutiny and publication of the Regulations.

2.3 Policy Background

9. The Crops (Coffee) (General) (Amendment) Regulations, 2022 gives effect to section 40 of the Crops Act and provides for amendments to various provisions under the principal regulations, such as:

- (i) provide for licenses to be issued by the licensing authorities;
- (ii) provide for the obligations of license holders and service providers, and the protection and regulation of their interests along the value chain;
- (iii) recognize the coffee grower as the owner of the coffee until the coffee is sold and paid for;
- (iv) provide for the protection of growers' rights along the value chain;

- (vi) provides for various forms to be used for applications in compliance with the requirement set out therein;
- (vii) provide for the collection and maintenance of data related to coffee;
- (viii) ensure improvement of coffee standards, increased production and support; and
- (ix) regulate the coffee industry in Kenya.
- (x)

3.0 COMMITTEE FINDINGS

10. The Committee examined the Crops (Coffee) (General) (Amendment) Regulations, 2022, in line with the Constitution, the Interpretations and General Provisions Act (*Cap 2*), the Crops Act, and the Statutory Instruments Act (*No 23 of 2013*) and made the following observations.

3.1 Statutory Timelines

11. The Regulations were published in the Kenya Gazette Notice Special Issue Supplement No. 97 on 9th of June, 2022, submitted to the Clerk, National Assembly on 9th of June, 2022 and laid in the House on 4th October, 2022 being within the statutory timelines set out in section 11(1) of the Statutory Instruments Act.

3.2 Consultation / Public participation

12. According to the Explanatory Memorandum submitted to the Committee, the Ministry demonstrated that consultations were done while preparing the Regulations.
13. However, vide a letter dated 12th May, 2022, the Council of Governors wrote to the Cabinet Secretary, Ministry of Agriculture, Livestock, Fisheries and Co-operatives raising *inter alia* the following concerns ,:
 - (i) That the Amendmend Regulations are contrary to provisions of Part 2 section 1 of the Fourth Schedule of the Constitution,2010, since the implication of the Amennded Regulations is the transfer of authority of issuing milling and roasters' licenses from the county government to the Agriculture and Food Authority.
 - (ii) That contrary to Section 40 of the Crops Act (No. 16 of 2013), which requires that the Cabinet Secretary may make regulations for the better carrying into effect of the provisions of the Act, in consultation with the Authority and the county governments, there was no proof of such consultations. Lack of such consultations contravenes Article 259(11) of the Constitution and section 13(a) of the Statutory Instruments Act, 2013;
 - (iii) That, the Ministry of Agriculture, Livestock, Fisheries and Co-operatives failed to take into consideration the reservations they had on the Amendment Regulations and thus in contravention of section 13(a) of the Statutory Instruments Act.
14. In a further letter from farmers addressed to the Clerk of the National Assembly and copied to the Chairman of the Committee on Delegated Legislation, the coffee farmers expressed concerns that the application of the Amendment Regulations would adversely affect coffee farmers, and that their concerns were not taken into account. This being contrary to article 10 and 118 of the Constitution,2010, Section 5, 5A, 13 (a) and the Schedule to the Act, and Standing Order 210 that requires the regulation-making authority to conduct public participation and sufficient consultation with the stakeholders and persons likely to be affected by the regulations.

3.3 Regulatory Impact Assessment

15. Section 6 of the Statutory Instruments Act provides that Regulatory Impact Assessment should be done and a statement alongside the Regulations as they are likely to impose significant costs on the community or a part of the community in this case coffee licensees.
16. The Ministry only provided a Certificate of Compliance implying that the Regulatory Impact Assessment requirements had been complied with without providing tangible

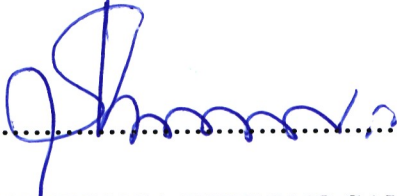

evidence of having undertaken a Regulatory Impact Assessment. This was contrary to section 7 of the Statutory Instruments Act.

Court Decision in respect to Public Participation

17. Further in a Court Ruling on the case, *Murang'a County Coffee Dealers Company Ltd. And Kipkelion Brokerage Company Limited and 3 others Vs Cabinet Secretary Ministry of Agriculture, Livestock, Fisheries and Co-operatives and Nairobi Coffee Exchange* [HCJR/E148/2021], the courts ordered for a stop to the publication of the Regulations which Ruling, the Ministry did not consider hence barring the jurisdiction of the Courts contrary to section 13 of the Statutory Instruments Act, 2013.

4.0 COMMITTEE RECOMMENDATION

18. Having examined the **Crops (Coffee) (General) (Amendment) Regulations, 2022** published vide Kenya Gazette Notice, Special Issue Supplement No. 97 on 9th of June, 2022 in line with the Constitution, the Interpretations and General Provisions Act (*Cap 2*), the Statutory Instruments Act, 2013 (*No. 23 of 2013*), the Crops Act (*No. 16 of 2013*), pursuant to which they are made, **the Committee recommends that the House annuls in entirety the said statutory instrument** for noncompliance with the Constitution and the relevant Statutes.

**REQUEST FOR SPECIAL SITTINGS OF THE PARLIAMENTARY COMMITTEES ON DELEGATED
LEGISLATION AND AGRICULTURE TO DELIBERATE ON THE CROPS (COFFEE) (GENERAL)
(AMENDMENT) REGULATIONS, 2022**

The above subject matter refers.

The attention of the Council of Governors has been drawn to the **Legal Notice No. 102 of 2022: the Crops (Coffee) (General) (Amendment) Regulations, 2022** published by the Cabinet Secretary for Agriculture on 7th June, 2022 amending the **Legal Notice No. 102 of 2019: the Crops (Coffee) (General) Regulations, 2019** (hereafter referred to as the "parent regulations").

In the said amendments, the Cabinet Secretary has limited the licensing authority of the County Governments by removing the milling license purview of the County Governments and giving the licensing power to Agriculture and Food Authority contrary to the sections 1 and 7(b) of the Part 2 of the Fourth Schedule to Constitution which has devolved agriculture and Trade development and regulation, including- issuance of trade licenses to the counties. The regulatory functions includes:

- i. **Grower marketer licence** authorizing the grower to market own coffee;
- ii. **Miller- marketer licence** authorizing the holder to conduct the business of milling and marketing coffee at a fee; (*Attached is a copy of the regulation for ease of Reference*).

21

It is important to note that the aforementioned **Crops (Coffee) (General) (Amendment) Regulations, 2022** were developed without consultations with the Council of Governors contrary to section 40 of the Crops Act, 2013. This is also despite the Council writing several letters to the Ministry calling for consultations before such amendments are published for implementation. **(Attached are copies of the letters for ease of Reference).**

We wish to also inform you that the Attorney General through a letter addressed to the Cabinet Secretary dated **8th June, 2022** advised the Ministry to consult the Council of Governors before publishing the said regulations to avoid an impasse. **(Attached is a copy of the letter for ease of Reference).** The Ministry deliberately decided not to address the concerns raised by the Council and Attorney General but rather proceeded to publish the impugned regulations.

In view of the above, the Council opines that the impugned regulations are not only unconstitutional but also claw back on the functions of the County Governments and as such should be annulled by Parliament.

The purpose of this letter is to kindly request your good office to urgently convene a joint special sittings of the Parliamentary Committees of Delegated Legislation and Agriculture to deliberate on the impugned regulations as per the provisions of the Statutory Instruments Act.

**PETITION TO THE NATIONAL ASSEMBLY
BY
COFFEE CO-OPERATIVE SOCIETIES, UNIONS LICENSED AS COFFEE BROKERAGES
TO TRADE THEIR COFFEE**

The Crops (Coffee) (General) (Amendment) Regulations 2022 were gazetted on June 10th, 2022, by the Cabinet Secretary, Ministry of Agriculture, Livestock, Fisheries, and Cooperatives Hon. Peter Munya vide Legal Notice No. 102. The amendments sought to reverse the gains made on account of implementation of the Crops (Coffee) (General) Regulations 2019 and the Capital Markets (Coffee Exchange) Regulations 2020. These regulations were developed following the recommendations of the 2016

Whereas;

- i. A National Task Force on Coffee Sub Sector Reforms was gazetted vide Gazette Notice No. 1332 of 4th March 2016 to conduct a rigorous value chain analysis on the coffee subsector.
- ii. Upon submission of the Taskforce Report, the Coffee Subsector Implementation Committee (CSIC) was gazetted vide Gazette Notice No. 7745 to implement the recommendations in the Taskforce Report.
- iii. The CSIC spearheaded the formulation and enactment of the new legal and regulatory framework embedded in the Crops (Coffee) (General) Regulations, 2019 (hereinafter referred to as the Coffee General Regulations) and Capital Markets (Coffee Exchange) Regulations, 2020 (hereinafter referred to as the Coffee Exchange Regulations) to govern the coffee subsector.
- iv. The new legal framework abolished the marketing agents licences and provided for coffee brokerage companies to carry out the coffee marketing function.
- v. Pursuant to regulation 11 of the Coffee Exchange Regulations, the Capital Markets Authority (CMA) granted coffee broker licences to several Coffee Cooperative Unions through their brokerage firms namely:
 - United Eastern Kenya Coffee Marketing Company
 - Meru County Coffee Marketing Agency Limited
 - Kipkelion Brokerage Company Limited
 - Mt Elgon Coffee Marketing Agency; and
 - Muranga County Coffee Dealers Limited

The CMA communicated the grant of the licenses to Nairobi Coffee Exchange and published a Public Notice to that effect.

- vi. The brokerage firms underwent rigorous and stringent application process including a no-objection clearance letter from Nairobi Coffee Exchange as provided for in regulation 8(2) (c) of Coffee Exchange Regulations.
- vii. The Cabinet Secretary for Agriculture, Livestock, Fisheries and Co-operatives Hon. Peter Munya without engaging coffee stakeholders, issued a Legal Notice No. 102 Of 2022 The Crops (Coffee) (General) (Amendment) Regulations, 2022 to amend the Coffee General Regulations to reinstate/extend marketing agents licences . However, a copy of the Legal Notice was not transmitted to the Clerk of the National Assembly within seven (7) days of publication for parliamentary scrutiny contrary to the provisions in the Statutory Instruments Act.
- viii. On 19th August 2021 the United Eastern Kenya Coffee Marketing Company owned by Machakos Coffee Co-operative Union, a licensed coffee broker, sought admission to Nairobi Coffee Exchange auction floor by requesting allocation of lots range and brokers code. The Nairobi Coffee Exchange rejected their request citing Legal Notice 104 and the need to seek advisory opinion from the Cabinet Secretary for Agriculture, Livestock, Fisheries and Cooperatives. Notably, this Legal Notice has been revoked by the CS, Agriculture, Livestock, Fisheries, and Cooperatives and cannot legally be used to deny licensed coffee growers access to the exchange to trade their coffee.

There no policy or law that supports the Nairobi Coffee Exchange's rejection to admit a duly licensed brokerage firm. Regulation's mandate Nairobi Coffee Exchange to give reasonable access to the auction for all persons licensed to trade and empower Capital Markets Authority to direct Nairobi Coffee Exchange to facilitate the participation at the auction. Third, the Legal Notice No. 104 is unlawful because it contravenes the Statutory Instruments Act 2013 and has since been revoked by the National Assembly.

The Nairobi Coffee Exchange should immediately as per the Capital Market Authority Regulation 41 (1) of Coffee Exchange Regulations select a provider of Direct Settlement System (DSS) to enable farmers enjoy the transparency of payment of their coffee proceeds.

The DSS is a banking facility provided by commercial banks regulated by the Central Bank of Kenya (CBK) for clearing and settlement of coffee sales proceeds in an auction. The aim of the DSS is to bring transparent and timely clearing and settlement of coffee sale proceeds to the growers and service providers. It is a digital platform based on automation, computerization, and integration across the coffee value-chain. It converts the current manual process to automated and computerized process; or paper documents into digital formats for efficient service delivery and information dissemination.

In view of the aforementioned, we thank the National Assembly and Senate for approving the Crops Act (Coffee) (General) Regulations 2019 and the Capital Markets (Coffee Exchange) Regulations 2020 and the Council of Governors for their support on the same. These regulations for the first time in the history of Kenya have minimized farmers' risk along the coffee value chain and empowered them to control their coffee and its proceeds, despite opposition by vested interests.

RESOLUTIONS

1. Nairobi Coffee Exchange must admit the duly licensed brokerage firms to trade their coffee with immediate effect in compliance with the law.
2. Nairobi Coffee Exchange must appoint Direct Settlement System provider immediately to enable coffee farmers access their coffee payments in a timely manner.
3. That the Legal Notice No. 102 and any subsequent notice issued by the CS, Agriculture, Livestock, Fisheries, and Cooperatives Hon. Peter Munya and other agents, be declared unlawful since it was not subjected to public participation and not approved by the National Assembly and Senate.
4. Marketing licenses issued under the revoked, Coffee (General) Rules 2002 or any Legal Notice extending their operation be cancelled.

Dear *Waziri Peter Munya, EGH*

PROPOSED AMENDMENTS TO THE CROPS COFFEE (GENERAL) REGULATIONS, 2019

The above subject matter refers.

The attention of the Council of Governors has been drawn to the proposed amendments to the Crops Coffee (General) Regulations, 2019 being spearheaded by the Agriculture and Food Authority (AFA) Coffee Directorate. We note with concern that the proposed amendments will not only claw back on the progressive reforms in the coffee subsector but also on devolution.

The Council is also concerned and opposed to the proposal to amend regulation 10 of the regulations by removing the milling license from the purview of the County Governments and returning the same to AFA as well as the new additional requirements prescribed before counties can issue warehouse or roaster licenses.

We further note that the Crops Coffee (General) Regulations 2019 were developed through extensive consultations with County Governments and coffee farmers across the country in which distinct roles were assigned between the two levels of Government in line with the Constitution.

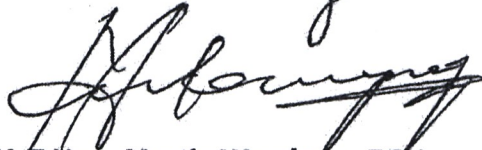

14

In addition, Counties are currently implementing the regulations and therefore the Council opposes the proposed amendments as the same will negatively affect the efforts by Counties.

In view of the above, the Council calls upon the Ministry through AFA Coffee Directorate to refrain from making unilateral amendments to the regulations.

We further urge the Directorate to focus on collaborating and fostering synergies with County Governments and the key actors and support the full implementation of the regulations.

Yours *Sincerely*

PETITION TO THE NATIONAL ASSEMBLY

BY

COFFEE CO-OPERATIVE SOCIETIES, UNIONS LICENSED AS COFFEE BROKERAGES TO TRADE THEIR COFFEE

The Crops (Coffee) (General) (Amendment) Regulations 2022 were gazetted on June 10th, 2022, by the Cabinet Secretary, Ministry of Agriculture, Livestock, Fisheries, and Cooperatives Hon. Peter Munya vide Legal Notice No. 102. The amendments sought to reverse the gains made on account of implementation of the Crops (Coffee) (General) Regulations 2019 and the Capital Markets (Coffee Exchange) Regulations 2020.

These regulations were developed following the recommendations of the 2016

Whereas;

- i. A National Task Force on Coffee Sub Sector Reforms was gazetted vide Gazette Notice No.1332 of 4th March 2016 to conduct a rigorous value chain analysis on the coffee subsector.
- ii. Upon submission of the Taskforce Report, the Coffee Subsector Implementation Committee (CSIC) was gazetted vide Gazette Notice No. 7745 to implement the recommendations in the Taskforce Report.
- iii. The CSIC spearheaded the formulation and enactment of the new legal and regulatory framework embedded in the Crops (Coffee) (General) Regulations, 2019 (hereinafter referred to as the Coffee General Regulations) and Capital Markets (Coffee Exchange) Regulations, 2020 (hereinafter referred to as the Coffee Exchange Regulations) to govern the coffee subsector.
- iv. The new legal framework abolished the marketing agents licences and provided for coffee brokerage companies to carry out the coffee marketing function.
- v. Pursuant to regulation 11 of the Coffee Exchange Regulations, the Capital Markets Authority (CMA) granted coffee broker licences to several Coffee Cooperative Unions through their brokerage firms namely:
 - United Eastern Kenya Coffee Marketing Company
 - Meru County Coffee Marketing Agency Limited

- Kipkelion Brokerage Company Limited
- Mt Elgon Coffee Marketing Agency; and
- Muranga County Coffee Dealers Limited

The CMA communicated the grant of the licenses to Nairobi Coffee Exchange and published a Public Notice to that effect.

- vi. The brokerage firms underwent rigorous and stringent application process including a no-objection clearance letter from Nairobi Coffee Exchange as provided for in regulation 8(2) (c) of Coffee Exchange Regulations.
- vii. The Cabinet Secretary for Agriculture, Livestock, Fisheries and Co-operatives Hon. Peter Munya without engaging coffee stakeholders, issued a **Legal Notice No. 102 Of 2022 The Crops (Coffee) (General) (Amendment) Regulations, 2022 to amend the Coffee General Regulations to reinstate/extend marketing agents licences** . However, a copy of the Legal Notice was not transmitted to the Clerk of the National Assembly within seven (7) days of publication for parliamentary scrutiny contrary to the provisions in the Statutory Instruments Act.
- viii. On 19th August 2021 the United Eastern Kenya Coffee Marketing Company owned by Machakos Coffee Co-operative Union, a **licensed coffee broker**, sought admission to Nairobi Coffee Exchange auction floor by requesting allocation of lots range and brokers code. **The Nairobi Coffee Exchange rejected their request** citing Legal Notice 104 and the need to seek advisory opinion from the Cabinet Secretary for Agriculture, Livestock, Fisheries and Cooperatives. Notably, this Legal Notice has been revoked by the CS, Agriculture, Livestock, Fisheries, and Cooperatives and cannot legally be used to deny licensed coffee growers access to the exchange to trade their coffee.

There no policy or law that supports the Nairobi Coffee Exchange's rejection to admit a duly licensed brokerage firm. Regulation's mandate Nairobi Coffee Exchange to give reasonable access to the auction for all persons licensed to trade and empower Capital Markets Authority to direct Nairobi Coffee Exchange to facilitate the participation at the auction. Third, the Legal Notice No. 104 is unlawful because it contravenes the Statutory Instruments Act 2013 and has since been revoked by the National Assembly.

The Nairobi Coffee Exchange should immediately as per the Capital Market Authority Regulation 41 (1) of Coffee Exchange Regulations select a provider of Direct Settlement System (DSS) to enable farmers enjoy the transparency of payment of their coffee proceeds.

The DSS is a banking facility provided by commercial banks regulated by the Central Bank of Kenya (CBK) for clearing and settlement of coffee sales proceeds in an auction. The aim of the DSS is to bring transparent and timely clearing and settlement of coffee sale proceeds to the growers and service providers. It is a digital platform based on automation, computerization, and integration across the coffee value-chain. It converts the current manual process to automated and computerized process; or paper documents into digital formats for efficient service delivery and information dissemination.

In view of the aforementioned, we thank the National Assembly and Senate for approving the **Crops Act (Coffee) (General) Regulations 2019** and the **Capital Markets (Coffee Exchange) Regulations 2020** and the Council of Governors for their support on the same. These regulations for the first time in the history of Kenya have minimized farmers' risk along the coffee value chain and empowered them to control their coffee and its proceeds, despite opposition by vested interests.

RESOLUTIONS

1. Nairobi Coffee Exchange must admit the duly licensed brokerage firms to trade their coffee with immediate effect in compliance with the law.
2. Nairobi Coffee Exchange must appoint Direct Settlement System provider immediately to enable coffee farmers access their coffee payments in a timely manner.
3. That the **Legal Notice No. 102** and any subsequent notice issued by the CS, Agriculture, Livestock, Fisheries, and Cooperatives Hon. Peter Munya and other agents, be declared unlawful since it was not subjected to public participation and not approved by the National Assembly and Senate.
4. Marketing licenses issued under the revoked, Coffee (General) Rules 2002 or any Legal Notice extending their operation be cancelled.

RE: THE CROPS (COFFEE) (GENERAL) (AMENDMENT) REGULATIONS, 2022

Reference is made to your letters, both under Ref. No. MOALF/CS/CROP/78, dated the 21st April, 2022 and the 2nd June, 2022, and to our letter dated the 2nd June, 2022 with respect to the subject matter. We also refer to our request to all the relevant stakeholders to attend a meeting at our offices on the 7th June, 2022.

Please note that the said meeting was held at our Office and the issues raised in our letter dated the 2nd June, 2022 were deliberated upon by the representatives from the Coffee Directorate, the National Treasury, the Council of Governors and the Capital Markets Authority. The meeting noted the following:

1. The Ministry of Agriculture, Livestock, Fisheries and Cooperatives was not represented. However, the position taken by the Ministry's Cabinet Secretary as per the letters referenced hereinabove was considered.
2. The Council of Governors reiterated the need to maintain the licensing provisions as contained in the Crops (Coffee) (General) Regulations, 2019 as they were developed through a comprehensive consultative process. The Council further stated that the proposed amendments will be a usurpation of the counties' constitutional mandate. The Ministry is advised to take note and ensure concurrence from the Council of Governors to avoid an impasse on the subject matter.
3. The proposed amendment to transfer the regulatory function over the Nairobi Coffee Exchange from the Capital Markets Authority to the Agriculture and Food Authority will require a significant policy shift, the amendment of the Capital Markets Act and the revocation of the Capital Markets (Coffee Exchange)

Regulations, 2020, in order to avoid inconsistencies in regulation of the exchange/proposed auction. It is important to note that the policy framework that anchors the reform efforts to establish structured commodities trading in Kenya is articulated in the Vision 2030 Development Strategy, the Northern Corridor Integration Projects (NCIP) Summit of Heads of States/Governments Presidential Directives (2014) and the 'Big 4' Agenda. Specifically, under the NCIP, the capital markets regulators (CMA Kenya, CMA Uganda and CMA Rwanda) were identified as commodity exchanges regulators in the region. Consequently, the framework was developed through a comprehensive stakeholder-driven process and includes the Capital Markets Master Plan (2014-2023), the Commodities Exchange Feasibility Study Report (2015), the Capital Markets Authority Policy Paper on the Development of Commodities Markets in Kenya (2016), the Presidential National Task Force Report on Coffee Sub-Sector Reforms (2016) as well as the Joint Cabinet Memorandum on the Establishment of Commodities Exchanges in Kenya (2016), submitted by the Cabinet Secretaries for National Treasury; the then Ministry of Industry, Investment and Trade; and the then Ministry of Agriculture, Livestock and Fisheries.

4. The aforementioned policy informed the amendment of the Capital Markets Act to include regulation of commodity markets and spot commodities. Section 12 (1) (ka) of the Capital Markets Act provides that the Cabinet Secretary of the National Treasury shall make regulations on spot commodity trading and commodity markets and defines a commodity as *"agricultural, livestock, fishery, forestry, mining or energy goods or any product that is manufactured or processed from any such goods"*. In this context, coffee falls within the definition of agricultural commodities sold at the Nairobi Coffee Exchange. In addition, we note that there are the Capital Markets Act (Coffee Exchange) Regulations, 2020, which currently regulate the operations of the said Exchange.
5. As the law has not been amended to exclude agricultural commodities from the scope of the said Capital Markets Act and the aforementioned Regulations, it is our considered opinion that there is need to ensure compliance with the existing legal and policy framework. It is our respectful recommendation that the Ministry of Agriculture, Livestock, Fisheries and Cooperatives should engage with the National Treasury and the Capital Markets Authority on whether there is need to change the current policy and to amend the Capital Markets Act and revoke the Capital Markets Act (Coffee Exchange) Regulations, 2020. In our humble view, this would facilitate consensus-building and avert the possibility of legal challenges in the implementation of the draft regulations.

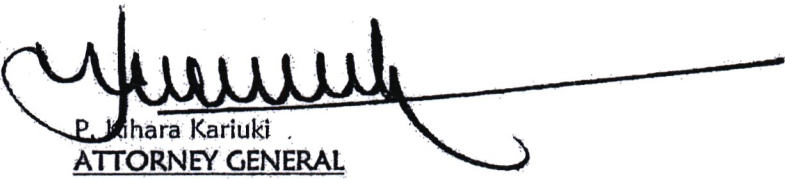

However, should the Ministry still hold the view expressed in its letter of the 2nd June, 2022 referenced hereinabove that the draft regulations should be published, despite our advice hereinabove, we will be obliged to submit the same to the Government Printer for immediate publication. The said regulations are enclosed herewith for your further action and instructions to us in this regard.

In the meantime, please note that Section 11 of the Statutory Instruments Act, 2013 requires the respective Cabinet Secretary to ensure that a copy of a statutory instrument is submitted to the Clerk of the National Assembly within seven (7) days of publication for Parliamentary scrutiny. We also wish to draw your attention to Section 5A of the said Act which requires that every statutory instrument shall be accompanied by an explanatory memorandum which shall contain the following:

- (a) a statement on the proof and demonstration that sufficient public consultation was conducted as required under Articles 10 and 118 of the Constitution;
- (b) a brief statement of all the consultations undertaken before the statutory instrument was made;
- (c) a brief statement of the way the consultation was carried out;
- (d) an outline of the results of the consultation; and
- (e) a brief explanation of any changes made to the legislation as a result of the consultation.

In view of the strict timelines between the date of publication and the date of submission to Parliament as indicated hereinabove, it is imperative that should the Ministry make the decision to have the regulations published, all the requisite documents as stipulated in the Statutory Instruments Act, 2013 should be ready in time for submission to Parliament.

We trust that what we have stated hereinabove may be of assistance and remain at hand to provide such assistance and or guidance that may be expedient.

Dear Sir,

RE: COFFEE FARMERS DENIED ACCESS TO A PUBLIC FORUM TO DISCUSS THE CROPS (COFFEE) (GENERAL) (AMENDMENT) REGULATIONS 2022 AT TEA HOUSE

Pursuant to a Public Gazette Notice Dated 1st April, 2022 stating " There shall be a public forum on 19th April 2022 to discuss the Draft Crops (Coffee) (General) (Amendment) Regulations, 2022 and stakeholders' comment received to be held at Agriculture and Food Authority Offices (AFA), Tea House, Naivasha Road, off Ngong Road, Nairobi starting at 9.00 am", We coffee farmers and leaders of coffee Co-operative Societies travelled from all over the country to present our memorandum and to our surprise we were denied entry into the forum.

The AFA team stated that they had done special invite to a few chosen people and the rest of the public was locked out.

This is a violation of our constitutional right, and we request you to consider this public participation forum illegal and recommend that the outcome of today's forum be annulled for non-compliance with the constitution and relevant statutes.

Yours sincerely

RULING

By way of a chamber summons dated 2nd November 2021 and brought under a certificate of urgency the Ex Parte applicants seek leave to apply for the prerogative writs of certiorari, prohibition and mandamus.

For reasons well articulated in the certificate of urgency, am satisfied the matter is urgent and is certified as such.

I have had occasion to consider the application and grounds in support thereof. At this stage the court's singular duty is to determine whether the applicants have established sufficient grounds to warrant the grant of leave sought.

On the material before court am satisfied that the applicants have demonstrated sufficient interest in the matter (locus standi) and that they are affected by the impugned decision. They have shown they have an arguable case and the issue at hand is a public law matter.

In those circumstances, the applicants have achieved the legal threshold for grant of the leave sought. I accordingly grant leave in terms of prayers 2,3,4,5,6 and 7 of the chamber summons and make directions as follows;

1. The substantive motion be taken out and served within 7 days hereof.
2. Responses be filed within 7 days of service.
3. Matter be mentioned on 30.11.21 for directions on disposal.
