**I. Key Entity Information and Management**

**(a) Background information**

Lung'a Vocational Training Centre is a technical training institution founded in 1973 by the surrounding Lung'a community who donated Land to the institution where it is currently situated. It was then referred to as "Village Polytechnic" which later changed its name to Lung'a Youth polytechnic in the early 1990s and later to its current name; Lung'a Vocational Training Centre. Lung'a VTC is currently under the County Government of Kisumu, Directorate of Vocational Education & Training. The centre is registered by TVETA under TVET Act, 2013 section 20(1) with registration certificate No TVETA/PUBLIC/VTC/0004/2016 and licensed by TVETA under training license number TVETA/PUBLIC/VTC/0004/2016 A1

**(b) Principal Activities**

The principal activity/mission/ mandate of Lung'a Vocational Training Centre is to offer vocational skills training to the youth in the following trades

1. Building Technology (Masonry)
2. Fashion Design & Garment Making
3. Food Processing Technology
4. Electrical and Electronics Technology
5. Motor Vehicle Technology
6. Information Communication Technology (Computer)
7. Hairdressing and Beauty Therapy

The aims of this vocational training include:

- a) To impart marketable skills and technical know-how that respond to contemporary labour market demands by the industry, the informal sector and for self-employment;
- b) To develop practical skills that will promote and enable the youth to fully participate in the affairs of their community and country;
- c) To provide skills for sustainable livelihoods, work and self-sustainability;
- d) To promote and sustain entrepreneurial and technological innovations among the youth;
- e) To unleash and redirect the potential of the youth towards productive economic activities;
- f) To provide life skills to the youth that will enable them cope with the challenges of life;

**VISION**

To be the most preferred technical provider in Kenya

**MISSION**

To equip the youths with skills, knowledge and attitude for employment and self-reliance

**MOTTO**

Skill is power

### CORE VALUES

Our core values are informed by our firm commitments that define who we are as an institution and the qualities and principles that we integrate in all our activities within the institution. These are:

- excellence
- respect
- integrity
- honesty
- responsibility
- openness

#### (c) **Key Management**

The Lung's Vocational Training centre day-to-day management is under the following key organs:

- Board of Governors
- County Directorate
- Centre Management

#### (d) **Fiduciary Management**

The key management personnel who held office during the financial year ended 30<sup>th</sup> June 2020 and who had direct fiduciary responsibility were:

No.	Designation	Name
1.	CECM	<b>Mr. John Awiti</b>
2.	Chief Officer	<b>Mrs. Peninah Onyango</b>
3.	Director	<b>Mrs. Paschalia Ouma</b>
4.	Centre Manager	<b>Mrs. Rose Akoth</b>
5.	BOG chairman	<b>Mr. Daniel Olanga Oketch</b>

#### (e) **Fiduciary Oversight Arrangements**

- *Audit committee activities*
- *Development partner oversight activities*
- *County Executive*

8.	Mr. Rawlings Angira	Sub County Admin - Seme
9.	Mrs. Paschalia Ouma	Director, VET
10.	Mrs. Rose Akoth	Contact: 0725907377

**III. Management Team**

No.	Member/ Director	Details
1.	Centre Manger-Rose Akoth	Overall, in charge of the centre
2.	Deputy Centre Manager	Deputizing the Centre Manager and overseeing the day to day running of the institution in the Manager's absence
3.	Heads of Departments	In charge of their respective departments

#### **IV. Chairman's Statement**

I humbly take this opportunity to present to the Annual Report and Financial Statements of Lung'a vocational training centre for the financial year ended 30th June 2020. This annual report goes a long way in helping us evaluate our performance for the year giving us an opportunity to identify the gaps to enable the institution make improvements.

The year 2019/2020 financial performance was achieved through concerted effort by the board of governors and the entire staff of Lung'a VTC as well as the county government of Kisumu and the National government through funding.

Over the past years, Lung'a VTC has continued to build on the progress that the institution has made since its establishment in 1973. We are in the process of developing a 5-year strategic plan aimed at providing us with a road map and strategies for further sustainable development in the future.

As a Board and with the consultation of a wide array of stakeholders, we felt the need to put in place a general framework that would guide and direct the institution's development agenda and priority areas over the longer term in order to effectively and swiftly respond to the ever-changing technology in education and training.

The five-year plan recognizes the unique role that Lung'a VTC plays in the surrounding community and the need to steer it further towards becoming a more accessible and diverse institution that provides unequalled skill development opportunities to the youths.

With our vision, mission and objective in mind, we are committed to providing quality and relevant skills to our trainees to align with the president's big four agenda namely;

1. Expansion of manufacturing sector
2. Affordable housing
3. Affordable health care
4. Food security

In order to achieve this, it is important for us to identify strategic areas upon which to direct our efforts and resources to mitigate the negative impact of inconsistent government funding. By taking advantage of our existing strengths and opportunities, we can expand and diversify our entrepreneurial activities and achieve a sustainable solution to our funding challenges.

#### **CHALLENGES**

Our most pressing challenges are;

- inadequate infrastructural development.
- inadequate staffing.
- untimely disbursement of funds from the National and County governments, which greatly disrupt our training programs.

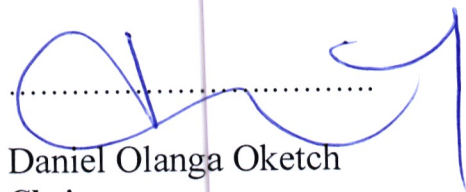

- Inadequate modern tools and equipment.
- Few courses offered.

I take this opportunity to hail the consultative and participatory approach embraced by this strategic plan process and appreciate the input of all our stakeholders in developing the same. These include the BOG, manager, instructors, National government and County Government of Kisumu, our sponsors, area leaders, and members of the community, non-teaching staff and trainees of Lung'a VTC among others.

**Future expectations**

With the new Strategic plan in place, we look forward to improving physical infrastructure of the centre and putting up key facilities for quality training.

In conclusion, I take this opportunity to thank my colleagues in the Board for supporting me in providing leadership. I also commend the management and staff for working tirelessly to achieve the objectives of the centre despite the limited resources. I am confident that we will continually spare no effort to attain and surpass the targets set for the new financial year. I also appreciate the County Government of Kisumu, the community at large and all other stakeholders for supporting Lung'a Vocational Training Centre.

Daniel Olanga Oketch  
**Chairperson**

**Lung'a Vocational Training Centre**  
**Annual Report and Financial Statements for the year ended 30th June 2022**

---

**V. Report of the Centre Manager**

I am delighted to see our institution come to the end of its second financial year since its inception. Just like the other year, the financial year 2019/2020 had its own unique challenges including Covid 19 pandemic among others which had rendered the institution closed at the time of making the financial report.

**STAFF ESTABLISHMENT.**

**Training staff**

Lung'a VTC has a total of five instructors as follows;

<b>NO.</b>	<b>Course</b>	<b>Current instructors</b>	<b>Deficit</b>
1.	Building Technology(masonry)	1	1
2.	Fashion Design & Garment Making	2	1
3.	Hair dressing and beauty therapy	1	1
4.	Motor vehicle technology	1	1

**Non-training staff**

Lung'a VTC has one non-training staff engaged as a night security officer.

**Challenges**

- The centre experienced low trainee enrolment in the year 2020 which was occasioned by the Covid 19 pandemic;  
Low enrolment has affected the institution's capitation funding since its pegged on every trainee admitted ksh 15,000 per trainee admitted.
- Inadequate infrastructural development.  
Lack of Library, theory classrooms and modern workshops for training
- Inadequate staffing.  
This has affected the delivery of quality training
- Untimely disbursement of funds from the National and County governments, which greatly disrupt our training programs.

**Lung'a Vocational Training Centre**  
**Annual Report and Financial Statements for the year ended 30th June 2022**

---

This has affected the timely procurement of goods and services as well as honouring supplier commitments.

- Inadequate modern tools and equipment.  
This has compromised the quality and quantity of training.

I take this opportunity to thank all our stake holders for their unwavering support in helping us achieve our institution's vision.

  
LUNG'A VOCATIONAL TRAINING  
CENTRE

.....  
ROSE AKOTH P.O. Box 22-40181  
Centre Manager LAWA-ARUCHE

**VI. Statement of Performance against Predetermined Objectives**

Section 81 Subsection 2 (f) of the Public Finance Management Act, 2012 requires the accounting officer to include in the financial statement, a statement of the national government entity's performance against predetermined objectives.

Lung'a has 3 strategic pillars and objectives within its Strategic Plan for the FY 2018/2019-2022/2023. These strategic pillars are as follows:

Pillar 1: Increasing student admissions

Pillar 2: Provide quality training to Instructors

Pillar 3: Provide a conducive environment for training through development of classrooms

Lung'a develops its annual work plans based on the above 3 pillars. Assessment of the Board's performance against its annual work plan is done on a quarterly basis. The institution achieved its performance targets set for the FY 2021/2022 period for its three strategic pillars, as indicated in the diagram below:

Strategic Pillar	Objective	Key Performance Indicators	Activities	Achievements
Pillar 1:	Increasing student admissions		Mobilization through use of chief and public platforms like Nyanam Radio	The institution has managed to increase student admission by approximately 10%
Pillar 2:	Provide quality training to Instructors		Through employing the best trainers	Enrolment of approximately over 70 students to sit for NITA exams
Pillar 3:	Provide a conducive environment for training through development of classrooms		Development plans targeting improvement of infrastructure. Renovation of classrooms and staff offices	Commencement of a new administration building and the renovation of latrines and hairdressing and beauty therapy class.

## **VII. Corporate Governance Statement**

The appointment of the Board of Governors was done in accordance with the provisions of the TVET Act, 2013 following a nomination panel meeting held at the institution on 29/06/2022. The Board was inaugurated on 29/7/2022. The BOG has two sub-committees

The functions of the BOG include:

- a) promote the best interests of the institution and ensure its development;
- b) promote quality education for all trainees in accordance with the standards set under this Act or any other written law;
- c) ensure and assure the provision of proper and adequate physical facilities for the institution;
- d) manage the institution's affairs in accordance with the rules and regulations governing the occupational safety and health;
- e) provide for the welfare and observe the human rights and ensure safety of the trainees, trainees and non-teaching staff at the institution;
- f) encourage a culture of dialogue and participatory democratic governance at the institution;
- g) promote the spirit of cohesion, integration, peace, tolerance, inclusion, elimination of hate speech, and elimination of tribalism at the institution;
- h) allow reasonable use of the facilities of the institution for community, social and other lawful purposes, subject to such reasonable and equitable conditions as it may determine including the charging of a fee;
- i) administer and manage the resources of the institution;
- j) receive, collect and account for any funds accruing to the institution;
- k) Recruit, employ and remunerate such number of trainers and non-teaching staff as may be required by the institution in accordance with the relevant policies and guidelines.

## **VIII. Management Discussion and Analysis**

**(Two- three pages)**

*(Under this section, the management gives a report on the operational and financial performance of the organisation during the period, entity's key projects or investments decision implemented or ongoing, entity's compliance with statutory requirements, major risks facing the organisation, material arrears in statutory and other financial obligations, and any other information considered relevant to the users of the financial statements.) The management should make use of tables, graphs, pie charts and other descriptive tools to make the information as understandable as possible.)*

**IX. Environmental And Sustainability Reporting Statement**

Lunga Vocational Training Centre exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, putting the customer/Citizen first, delivering relevant goods and services, and improving operational excellence. Below is a highlight of strategies and activities that promote the organisation's strategic objectives).

**Sustainability strategy and profile**

*(The top management especially the accounting officer should make reference to sustainable efforts, broad trends in political and macroeconomic affecting sustainability priorities, reference to international best practices and key achievements and failure).*

**Environmental performance**

*(Outline clearly, environmental policy guiding the organisation, provide evidence of the policy. Outline successes, shortcomings, efforts to manage biodiversity, waste management policy and efforts to reduce environmental impact of the organisation's products).*

### **Employee welfare**

*(Give account of the policies guiding the hiring process and whether they take into account the gender ratio, whether they take in stakeholder engagements and how often they are improved. Explain efforts made in improving skills and managing careers, appraisal and reward systems. The organisation should also disclose their policy on safety and compliance with Occupational Safety and Health Act of 2007, (OSHA).*

### **Market place practices-**

The organisation should outline its efforts to:

- a) Responsible competition practice.  
Explain how the organisation ensures responsible competition practices with issues like anti-corruption, responsible political involvement, fair competition and respect for competitors.
- b) Responsible Supply chain and supplier relations- explain how the organisation maintains good business practices, treats its own suppliers responsibly by honouring contracts and respecting payment practices.
- c) Responsible marketing and advertisement-outline efforts to maintain ethical marketing practices.
- d) Product stewardship- outline efforts to safeguard consumer rights and interests.

*(The statement may also include how the organisation promotes education, sports, healthcare, labour relations, staff training and development, water and sanitation initiatives)*

### **Corporate Social Responsibility / Community Engagements**

*(The organisation gives details of CSR activities carried out in the year and the impact to the society. Give evidence of community engagement including charitable giving (cash and material), Corporate Social Investment and other forms of community engagements).*

**X. Report of the Council/Board of Governors**

The Council/Board members submit their report together with the audited financial statements for the year ended June 30, 2022, which show the state of the Lung'a Vocational Training Centre affairs.

**Principal activities**

The principal activities of the entity are provided excellent and top credited education to the trainees.

**Results**

The results of the entity for the year ended June 30 are set out on page 1-7.

**Council/Board of Governors**

The members of the Board /Council who served during the year are shown on page VI. During the year 2022 the board term limit elapsed and a new board was voted in, and Daniel was appointed with effect from 25/07/2022 date.

**Auditors**

The Auditor General is responsible for the statutory audit of Lung'a Vocational Training Centre in accordance with Article 229 of the Constitution of Kenya and the Public Audit Act 2015 or XYZ Certified Public Accountants were nominated by the Auditor General to carry out the audit of the Lung'a Vocational Training Centre for the year/period ended June 30, 2022, in accordance to section 23 of the Public Audit Act, 2015 which empowers the Auditor General to appoint an auditor to audit on his behalf.

By Order of the Board

  
LUNG'A VOCATIONAL TRAINING  
CENTRE  
P.O. Box 22-40131

.....  
**Secretary of the Board/Council**

**Kisumu**

**Date:** 16/05/2023

**XI. Statement of Board of Governors/ Council's Responsibilities**

Section 81 of the Public Finance Management Act, 2012 and (section 14 of the State Corporations Act, and section 29 of schedule 2 of the Technical and Vocational Education and Training Act, 2013 - (entities should quote the applicable legislation under which they are regulated)) require the council members to prepare financial statements in respect of that entity, which give a true and fair view of the state of affairs of the entity at the end of the financial year/period and the operating results of the entity for that year/period. The Council members are also required to ensure that the entity keeps proper accounting records which disclose with reasonable accuracy the financial position of the entity. The council members are also responsible for safeguarding the assets of the entity.

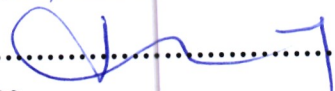

The Council members are responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2022. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period, (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity, (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud, (iv) safeguarding the assets of the Lung'a Vocational Training Centre, (v) selecting and applying appropriate accounting policies, and (vi) making accounting estimates that are reasonable in the circumstances.

The Council members accept responsibility for the Lung'a Vocational Training Centre's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 and (the State Corporations Act, and the TVET Act) – entities should quote applicable legislation as indicated under). The council members are of the opinion that the entity's financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2022, and of the entity's financial position as at that date. The Council members further confirm the completeness of the accounting records maintained for the Lung'a Vocational Training Centre, which have been relied upon in the preparation of the Lung'a Vocational Training Centre's financial statements as well as the adequacy of the systems of internal financial control.

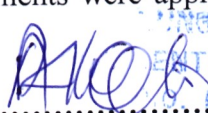

Nothing has come to the attention of the Council members to indicate that the Lung'a Vocational Training Centre will not remain a going concern for at least the next twelve months from the date of this statement.

**Approval of the financial statements**

The Lung'a Vocational Training Centre's financial statements were approved by the Board on 16/5/2023 and signed on its behalf by:

.....  
  
Name

**Chairperson of the Board/Council**

.....  
  
Name

**Accounting Officer/Principal**

## **REPORT OF THE AUDITOR-GENERAL ON LUNG'A VOCATIONAL TRAINING CENTRE FOR THE YEAR ENDED 30 JUNE, 2022**

---

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazetted notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment and the internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

### **REPORT ON THE FINANCIAL STATEMENTS**

#### **Qualified Opinion**

I have audited the accompanying financial statements of Lung'a Vocational Training Centre set out on pages 1 to 31, which comprise of the statement of financial position as at 30 June, 2022, and the statement of financial performance, statement of changes in equity, statement of cash flows and the statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015.

---

*Report of the Auditor-General on Lung'a Vocational Training Centre for the year ended 30 June, 2022*

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the Lung'a Technical Vocational Training Center at 30 June, 2022, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Public Finance Management Act, 2012 and the Technical and Vocational Education and Training Act, 2013.

## **Basis for Qualified Opinion**

### **1. Inaccuracies in the Financial Statements**

Review of the financial statements balances for the year under review revealed the following anomalies:

- i. The financial statements reflect comparative balances for the prior year 2020/2021. However, financial statements for the prior year and earlier years were not submitted to the Auditor-General for audit as required by the Section 23 of the Public Finance Management Act, 2012.
- ii. A comparison between the initial financial statements and revised financial statement balances revealed adjustments. However, these adjustments were not supported by journal vouchers and documents to evidence the movement from the initial account balances to the amended balances as tabulated below;

<b>Item</b>	<b>Initial Account Balance (Kshs.)</b>	<b>Revised Account Balance (Kshs.)</b>	<b>Variances (Kshs.)</b>
Transfers from National Government Entities	2,880,000	3,150,000	270,000
Transfers From other Levels of Government	-	807,000	807,000
Rendering of Services-Fees from Students	-	96,600	96,600
Other Income	-	5,000	5,000
Use of Goods and Services	1,969,710	3,203,506	1,233,796
Employee Cost	190,000	421,000	231,000
Board/Council Expenses	-	50,000	50,000
Repairs and Maintenance	633,600	615,700	-17,900

- iii. Management prepares its budget based on the calendar years which is not in line with the financial reporting period of July to June each year. Further, the budget amounts reflected in the statement of comparison of budgets and actual amounts are not based on an approved budget.

In the circumstances, the accuracy and completeness of the financial statements could not be confirmed.

### **2. Unsupported Cash and Cash Equivalents**

The statement of financial position reflects cash and cash equivalents and as disclosed in Note 14 to the financial statements reflects Kshs.133,083 in respect of cash and cash equivalents which was not supported with bank reconciliation statements, certificates of

bank balances and board of survey reports. Further, statement of financial performance reflects employee costs of Kshs.421,000 while payments in the cashbook revealed Kshs.375,000 resulting to unreconciled variance of Kshs.46,000.

In the circumstances, the accuracy and completeness of the cash and cash equivalents balance of Kshs.133,083 could not be confirmed.

### **3. Unsupported Rendering of Services-Fees from Students**

The statement of financial performance and as disclosed in Note 8 to financial statements reflects rendering of services-fees from students amounting to Kshs.96,600. However, a review of the bank statements revealed fees payments totaling to Kshs.3,967,000. Further, there were no fees prepayments reported in the financial statements which therefore implied that all fees deposited during the year under review of Kshs.3,967,000 should have been recognized as revenue for the year. In addition, the fees structure of the Centre required each student should pay an annual fee of Kshs.26,300, and with a recorded student population one hundred and twenty-six (126) students. However, a total fee collectable translates to Kshs.3,313,800 resulting to under collection of Kshs.3,217,200.

In the circumstances, the accuracy and completeness of the rendering of services-fees from students of Kshs.96,600 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Lung'a Vocational Training Centre Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

## **REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES**

### **Conclusion**

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### **1. Irregular Appointment of Board of Governors**

During the year under review, the Training Centre had seven (7) members in its Board of Governors (BOG). However, one member's appointment letter revealed that the member was appointed by the County Executive Committee Member (CECM) for Education, Information Communication Technology (ICT) and Human Capacity Development (HCD)

at the County Government of Kisumu on 29 July, 2022. This was contrary to Section 1 of the Second Schedule of the Technical and Vocational Education and Training Act, 2013. Further, review of resumes of BOG members revealed that one member was an employee of the Public Service Commission working as an internal auditor. Therefore, not eligible for appointment to a Board of Management in a public institution.

In the circumstances, Management was in breach of the law.

## **2. Irregular Employment of Instructors**

During the year under review, the Centre had one (1) permanent employee who was serving as the Centre Manager and the other five (5) employees were employed on contract basis. However, there were no defined recruitment procedures and qualifications requirement for instructors employed under contract terms. Further, contracts for the five (5) employees were not provided for audit review.

In the circumstances, Management was in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

### **Lack of Capacity in Procurement and Accounts Functions**

During the year under review, the Centre did not have an accountant and a procurement officer in its workforce. This hindered the Management capacity to perform both procurement and accounting functions effectively.

In the circumstances, the effectiveness of internal controls in respect of procurement and accounting functions could not be confirmed.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standard requires that I plan and perform the audit to obtain assurance about whether processes and systems of internal controls, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **Responsibilities of Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Centre's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Center or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Center's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

## **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the constituency policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Centre's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Centre to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Centre to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

(Note:

- For items that are not common in the financial statements, the entity should include a note on what they relate to – either on the face of the statement of changes in equity/net assets or among the notes to the financial statements.
- Prior year adjustments should have an elaborate note describing what the amounts relate to. In such instances a restatement of the opening balances needs to be done.

(Budget notes)

1. Transfer from national government and transfer from other level of government had a positive variance of 41.89% and 60% respectively because of changes in the number of trainees and funding per trainee at the time of budget preparation and the actual disbursement.
2. Revenue from fees dropped by 96.92% compared to the budgeted because the trainees did not pay fees as was expected.
3. The expenditure on use of goods and repair maintenance and improvement went down by 21% and 25.49% respectively because of the drop in expected revenues making it difficult to spend as planned.

**XVII. Notes to the Financial Statements**

**1. General Information**

Lung'a VCT is established by and derives its authority and accountability from TVET Act. The entity is wholly owned by the Government of Kenya and is domiciled in Kenya. The entity's principal activity is education.

**2. Statement of Compliance and Basis of Preparation**

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the *entity's* accounting policies. The areas involving a higher degree of judgement or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed in Note xx.

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of Lung'a VCT.

The financial statements have been prepared in accordance with the PFM Act, the State Corporations Act, the TVET Act, (*include any other applicable legislation*), and International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented.

Notes to the Financial Statements (Continued)

3. Adoption of New and Revised Standards

i. Relevant new standards and amendments to published standards effective for the year ended 30 June 2022.

IPSASB deferred the application date of standards from 1st January 2022 owing to covid 19. This was done to provide entities with time to effectively apply the standards. The deferral was set for 1st January 2023.

ii. New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2022.

Standard	Effective date and impact:
<p><b>IPSAS 41:</b> Financial Instruments</p>	<p><b>Applicable: 1<sup>st</sup> January 2023:</b></p> <p>The objective of IPSAS 41 is to establish principles for the financial reporting of financial assets and liabilities that will present relevant and useful information to users of financial statements for their assessment of the amounts, timing and uncertainty of an Entity's future cash flows. IPSAS 41 provides users of financial statements with more useful information than IPSAS 29, by:</p> <ul style="list-style-type: none"> <li>• Applying a single classification and measurement model for financial assets that considers the characteristics of the asset's cash flows and the objective for which the asset is held;</li> <li>• Applying a single forward-looking expected credit loss model that is applicable to all financial instruments subject to impairment testing; and</li> <li>• Applying an improved hedge accounting model that broadens the hedging arrangements in scope of the guidance. The model develops a strong link between an Entity's risk management strategies and the accounting treatment for instruments held as part of the risk management strategy.</li> </ul>

**Lung'a Vocational Training Centre  
Annual Report and Financial Statements for the year ended 30th June 2022**

Standard	Effective date and impact:
	<i>(State the impact of the standard to the Entity if relevant)</i>
<b>IPSAS 42:</b> Social Benefits	<b>Applicable: 1<sup>st</sup> January 2023</b> The objective of this Standard is to improve the relevance, faithful representativeness and comparability of the information that a reporting Entity provides in its financial statements about social benefits. The information provided should help users of the financial statements and general-purpose financial reports assess: (a) The nature of such social benefits provided by the Entity; (b) The key features of the operation of those social benefit schemes; and  (c) The impact of such social benefits provided on the Entity's financial performance, financial position and cash flows. <i>(State the impact of the standard to the Entity if relevant)</i>
Amendments to Other IPSAS resulting from IPSAS 41, Financial Instruments	<b>Applicable: 1st January 2023:</b> a) Amendments to IPSAS 5, to update the guidance related to the components of borrowing costs which were inadvertently omitted when IPSAS 41 was issued. b) Amendments to IPSAS 30, regarding illustrative examples on hedging and credit risk which were inadvertently omitted when IPSAS 41 was issued. c) Amendments to IPSAS 30, to update the guidance for accounting for financial guarantee contracts which were inadvertently omitted when IPSAS 41 was issued.  Amendments to IPSAS 33, to update the guidance on classifying financial instruments on initial adoption of accrual basis IPSAS which were inadvertently omitted when IPSAS 41 was issued. <i>(State the impact of the standard to the Entity if relevant)</i>
Other improvements to IPSAS	<b>Applicable 1<sup>st</sup> January 2023</b> <ul style="list-style-type: none"> <li>• <i>IPSAS 22 Disclosure of Financial Information about the General Government Sector.</i></li> </ul>

**Lung'a Vocational Training Centre  
Annual Report and Financial Statements for the year ended 30th June 2022**

Standard	Effective date and impact:
	<p>Amendments to refer to the latest System of National Accounts (SNA 2008).</p> <ul style="list-style-type: none"> <li>• <i>IPSAS 39: Employee Benefits</i></li> </ul> <p>Now deletes the term composite social security benefits as it is no longer defined in IPSAS.</p> <ul style="list-style-type: none"> <li>• <b>IPSAS 29: Financial instruments: Recognition and Measurement</b> Standard no longer included in the 2021 IPSAS handbook as it is now superseded by IPSAS 41 which is applicable from 1<sup>st</sup> January 2023. <p><i>State the impact of the standard to the Entity if relevant</i></p> </li></ul>
IPSAS 43	<p><i>Applicable 1<sup>st</sup> January 2025</i></p> <p>The standard sets out the principles for the recognition, measurement, presentation, and disclosure of leases. The objective is to ensure that lessees and lessors provide relevant information in a manner that faithfully represents those transactions. This information gives a basis for users of financial statements to assess the effect that leases have on the financial position, financial performance and cashflows of an Entity. The new standard requires entities to recognise, measure and present information on right of use assets and lease liabilities.</p> <p><i>State the impact of the standard to the Entity if relevant</i></p>
IPSAS 44: Non- Current Assets Held for Sale and Discontinued Operations	<p><i>Applicable 1<sup>st</sup> January 2025</i></p> <p>The Standard requires,</p> <p>Assets that meet the criteria to be classified as held for sale to be measured at the lower of carrying amount and fair value less costs to sell and the depreciation of such assets to cease and:</p> <p>Assets that meet the criteria to be classified as held for sale to be presented separately in the statement of financial position and the results of discontinued operations to be presented separately in the statement of financial performance.</p> <p><i>State the impact of the standard to the Entity if relevant</i></p>

**iii. Early adoption of standards**

**Lung'a Vocational Training Centre**  
**Annual Report and Financial Statements for the year ended 30th June 2022**

---

Lung'a Vocational Training Centre did not early-adopt any new or amended standards in year 2022.

**4. Summary of Significant Accounting Policies**

**a) Revenue recognition**

**i) Revenue from non-exchange transactions**

**Transfers from other government entities**

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably. Recurrent grants are recognized in the statement of comprehensive income. Development/capital grants are recognized in the statement of financial position and realised in the statement of comprehensive income over the useful life of the assets that has been acquired using such funds

**ii) Revenue from exchange transactions**

**Rendering of services**

The entity recognizes revenue from rendering of services by reference to the stage of completion when the outcome of the transaction can be estimated reliably. The stage of completion is measured by reference to labour hours incurred to date as a percentage of total estimated labour hours.

Where the contract outcome cannot be measured reliably, revenue is recognized only to the extent that the expenses incurred are recoverable.

**Sale of goods**

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, usually on delivery of the goods and when the amount of revenue can be measured reliably, and it is probable that the economic benefits or service potential associated with the transaction will flow to the entity.

**Interest income**

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

**Dividends**

Dividends or similar distributions must be recognized when the shareholder's or the entity's right to receive payments is established.

**4 Summary of Significant Accounting Policies (Continued)**

**a) Revenue recognition (Continued)**

**ii) Revenue from exchange transactions (continued)**

**Rental income**

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and included in revenue.

**b) Budget information**

The original budget for FY 2021/2022 was approved by the Council or Board on xxxx. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the entity upon receiving the respective approvals in order to conclude the final budget. Accordingly, the entity recorded additional appropriations of xxxx on the FY 2021/2022 budget following the Council/ Board's approval.

The entity's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented under section xxx of these financial statements.

**c) Taxes**

***Current income tax***

The entity is exempt from paying taxes as per schedule xxx of the xxx Act.

***Sales tax/ Value Added Tax***

**Notes to the Financial Statements (Continued)**

Expenses and assets are recognized net of the amount of sales tax, except:

- When the sales tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the sales tax is recognized as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
- When receivables and payables are stated with the amount of sales tax included.

**Lung'a Vocational Training Centre**  
**Annual Report and Financial Statements for the year ended 30th June 2022**

---

The net amount of sales tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

**d) Investment property**

Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the replacement cost of components of an existing investment property at the time that cost is incurred if the recognition criteria are met and excludes the costs of day-to-day maintenance of an investment property.

Investment property acquired through a non-exchange transaction is measured at its fair value at the date of acquisition. Subsequent to initial recognition, investment properties are measured using the cost model and are depreciated over a period of xxx years.

Investment properties are derecognized either when they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit or service potential is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the surplus or deficit in the period of de-recognition.

Transfers are made to or from investment property only when there is a change in use.

**Notes to the Financial Statements (Continued)**

**e) Property, plant and equipment**

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred.

**Lung'a Vocational Training Centre**  
**Annual Report and Financial Statements for the year ended 30th June 2022**

---

Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

**Notes to the Financial Statements (Continued)**

**4 Summary of Significant Accounting Policies (Continued)**

**f) Leases**

Finance leases are leases that transfer substantially the entire risks and benefits incidental to ownership of the leased item to the Entity. Assets held under a finance lease are capitalized at the commencement of the lease at the fair value of the leased property or, if lower, at the present value of the future minimum lease payments. The Entity also recognizes the associated lease liability at the inception of the lease. The liability recognized is measured as the present value of the future minimum lease payments at initial recognition.

Subsequent to initial recognition, lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in surplus or deficit.

An asset held under a finance lease is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Entity will obtain ownership of the asset by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating leases are leases that do not transfer substantially all the risks and benefits incidental to ownership of the leased item to the Entity. Operating lease payments are recognized as an operating expense in surplus or deficit on a straight-line basis over the lease term.

**g) Intangible assets**

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred. The useful life of the intangible assets is assessed as either finite or indefinite

**h) Research and development costs**

The Entity expenses research costs as incurred. Development costs on an individual project are recognized as intangible assets when the Entity can demonstrate:

- The technical feasibility of completing the asset so that the asset will be available for use or sale
- Its intention to complete and its ability to use or sell the asset
- How the asset will generate future economic benefits or service potential
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development.

Following initial recognition of an asset, the asset is carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete, and the asset is available for use. It is amortized over the period of expected future benefit.

**Lung'a Vocational Training Centre**  
**Annual Report and Financial Statements for the year ended 30th June 2022**

---

During the period of development, the asset is tested for impairment annually with any impairment losses recognized immediately in surplus or deficit.

Notes to the Financial Statements (Continued)

4 Summary of Significant Accounting Policies (Continued)

i) Financial instruments

*Financial assets*

*Initial recognition and measurement*

Financial assets within the scope of IPSAS 29 Financial Instruments: Recognition and Measurement are classified as financial assets at fair value through surplus or deficit, loans and receivables, held-to-maturity investments or available-for-sale financial assets, as appropriate. The Entity determines the classification of its financial assets at initial recognition.

*Loans and receivables*

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. Losses arising from impairment are recognized in the surplus or deficit.

*Held-to-maturity*

Non-derivative financial assets with fixed or determinable payments and fixed maturities are classified as held to maturity when the Entity has the positive intention and ability to hold it to maturity. After initial measurement, held-to-maturity investments are measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The losses arising from impairment are recognized in surplus or deficit.

*Impairment of financial assets*

The Entity assesses at each reporting date whether there is objective evidence that a financial asset or an entity of financial assets is impaired. A financial asset or an entity of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred 'loss event') and that loss event has an impact on the estimated future cash flows of the financial asset or the entity of financial assets that can be reliably estimated. Evidence of impairment may include the following indicators:

Notes to the Financial Statements (Continued)

4 Summary of Significant Accounting Policies (Continued)

i) Financial instruments (Continued)

*Financial assets (Continued)*

*Impairment of financial assets (Continued)*

- The debtors or an entity of debtors are experiencing significant financial difficulty
- Default or delinquency in interest or principal payments
- The probability that debtors will enter bankruptcy or other financial reorganization
- Observable data indicates a measurable decrease in estimated future cash flows (e.g. changes in arrears or economic conditions that correlate with defaults)

*Financial liabilities*

*Initial recognition and measurement*

Financial liabilities within the scope of IPSAS 29 are classified as financial liabilities at fair value through surplus or deficit or loans and borrowings, as appropriate. The Entity determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, plus directly attributable transaction costs.

*Loans and borrowing*

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in surplus or deficit when the liabilities are derecognized as well as through the effective interest method amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate.

Notes to the Financial Statements (Continued)

j) Inventories

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

Costs incurred in bringing each product to its present location and conditions are accounted for, as follows:

- Raw materials: purchase cost using the weighted average cost method

- Finished goods and work in progress: cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs

#### **4 Summary of Significant Accounting Policies (Continued)**

##### **Inventories (Continued)**

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost.

Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution.

Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

##### **k) Provisions**

Provisions are recognized when the Entity has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the Entity expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain.

The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

##### ***Contingent liabilities***

The Entity does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

##### ***Contingent assets***

The Entity does not recognize a contingent asset but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

#### **4 Summary of Significant Accounting Policies (Continued)**

**l) Nature and purpose of reserves**

The Entity creates and maintains reserves in terms of specific requirements. (*Entity to state the reserves maintained and appropriate policies adopted*).

**m) Changes in accounting policies and estimates**

The Entity recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

**n) Employee benefits**

**Retirement benefit plans**

The Entity provides retirement benefits for its employees and directors. Defined contribution plans are post-employment benefit plans under which an entity pays fixed contributions into a separate entity (a fund) and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable.

Defined benefit plans are post-employment benefit plans other than defined-contribution plans. The defined benefit funds are actuarially valued tri-annually on the projected unit credit method basis. Deficits identified are recovered through lump sum payments or increased future contributions on proportional basis to all participating employers. The contributions and lump sum payments reduce the post-employment benefit obligation.

**o) Foreign currency transactions**

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

**p) Borrowing costs**

Borrowing costs are capitalized against qualifying assets as part of property, plant and equipment. Such borrowing costs are capitalized over the period during which the asset is being acquired or constructed and borrowings have been incurred. Capitalization ceases when construction of the asset is complete. Further borrowing costs are charged to the statement of financial performance.

**Notes to the Financial Statements (Continued)**

**4 Summary of Significant Accounting Policies (Continued)**

**q) Related parties**

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa. Members of key management are regarded as related parties and comprise the directors, the Principal and senior managers.

**r) Service concession arrangements**

The Entity analyses all aspects of service concession arrangements that it enters into in determining the appropriate accounting treatment and disclosure requirements. In particular, where a private party contributes an asset to the arrangement, the Entity recognizes that asset when, and only when, it controls or regulates the services. The operator must provide together with the asset, to whom it must provide them, and at what price. In the case of assets other than 'whole-of-life' assets, it controls, through ownership, beneficial entitlement or otherwise – any significant residual interest in the asset at the end of the arrangement. Any assets so recognized are measured at their fair value. To the extent that an asset has been recognized, the Entity also recognizes a corresponding liability, adjusted by a cash consideration paid or received.

**s) Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

**t) Comparative figures**

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

**u) Subsequent events**

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2022.

**Notes to the Financial Statements (Continued)**

**5. Significant Judgments and Sources of Estimation Uncertainty**

The preparation of the Entity's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

**Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Entity. Such changes are reflected in the assumptions when they occur. IPSAS 1.140

**Useful lives and residual values**

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the Entity
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- The nature of the processes in which the asset is deployed
- Availability of funding to replace the asset
- Changes in the market in relation to the asset

**Provisions**

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included in Note xxx.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date and are discounted to present value where the effect is material.

*(Include provisions applicable for your organisation e.g. provision for bad debts, provisions of obsolete stocks and how management estimates these provisions).*

17. Financial Risk Management

The entity's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The company's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The company does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The entity's financial risk management objectives and policies are detailed below:

(i) Credit risk

The entity has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments.

Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by

**Lung'a Vocational Training Centre**  
**Annual Report and Financial Statements for the year ended 30th June 2022**

**Notes to the Financial Statements (Continued)**

the company's management based on prior experience and their assessment of the current economic environment.

The carrying amount of financial assets recorded in the financial statements representing the entity's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

Description	Total amount Kshs	Fully performing Kshs	Past due Kshs	Impaired Kshs
<b>At 30 June 2021</b>				
Receivables from exchange transactions	0.00	0.00	0.00	0.00
Receivables from non-exchange transactions	0.00	0.00	0.00	0.00
Bank balances	502,437.05	502,437.05	0.00	0.00
<b>Total</b>	<b>502,437.05</b>	<b>502,437.05</b>	<b>0.00</b>	<b>0.00</b>
<b>At 30 June 2022</b>				
Receivables from exchange transactions	0.00	0.00	0.00	0.00
Receivables from non-exchange transactions	0.00	0.00	0.00	0.00
Bank balances	133,083.00	133,083.00	0.00	0.00
<b>Total</b>	<b>133,083.00</b>	<b>133,083.00</b>	<b>0.00</b>	<b>0.00</b>

*(NB: The totals column should tie to the individual elements of credit risk disclosed in the entity's statement of financial position)*

**20. Financial Risk Management (Continued)**

**(i) Credit risk (continued)**

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the company has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The entity has significant concentration of credit risk on amounts due from xxxx

The board of directors sets the company's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

**(ii) Liquidity risk management**

Ultimate responsibility for liquidity risk management rests with the entity's directors, who have built an appropriate liquidity risk management framework for the management of the entity's short, medium and long-term funding and liquidity management requirements. The entity manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

**Lung'a Vocational Training Centre**  
**Annual Report and Financial Statements for the year ended 30th June 2022**

**Notes to the Financial Statements (Continued)**

The table below represents cash flows payable by the company under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

Description	Less than 1 month	Between 1-3 months	Over 5 months	Total

<b>Total</b>	<b>0.00</b>	<b>0.00</b>	<b>0.00</b>	<b>0.00</b>

**20. Financial Risk Management (Continued)**

**(iii) Market risk**

The entity has put in place an internal audit function to assist it in assessing the risk faced by the entity on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the entity's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The entity's Finance Department is responsible for the development of detailed risk management policies (subject to review and approval by Audit and Risk Management Committee) and for the day-to-day implementation of those policies.

There has been no change to the entity's exposure to market risks or the manner in which it manages and measures the risk.

**Notes to the Financial Statements (Continued)**

**20. Financial Risk Management (Continued)**

(iii) **Market risk (Continued)**

**a) Interest rate risk**

Interest rate risk is the risk that the entity's financial condition may be adversely affected as a result of changes in interest rate levels. The company's interest rate risk arises from bank deposits. This exposes the company to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the company's deposits.

***Management of interest rate risk***

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

**20. Financial Risk Management (Continued)**

(iii) **Market risk (Continued)**

**b) Interest rate risk(continued)**

***Sensitivity analysis***

The entity analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year.

Using the end of the year figures, the sensitivity analysis indicates the impact on the statement of comprehensive income if current floating interest rates increase/decrease by one percentage point as a decrease/increase of Kshs xxx (2022: Kshs xxx). A rate increase/decrease of 5% would result in a decrease/increase in profit before tax of Kshs xxx (2022 – Kshs xxx)

Notes To The Financial Statements (Continued)

**iv)Capital Risk Management**

The objective of the entity's capital risk management is to safeguard the entity's ability to continue as a going concern. The entity capital structure comprises of the following funds:

Description	2021-2022	2020-2021
	Kshs	Kshs
Revaluation Reserve	0.00	0.00
Retained Earnings	133,083.05	502,437.05
