CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR YEAR ENDED 30TH JUNE 2021

V. CHAIRMAN'S STATEMENT

The Board was appointed by the Cabinet Secretary for Education in October 2020 as the inaugural board for Chanzeywe Technical and Vocational College and inaugurated on the college grounds in December 2020. The Board's mandate is to represent the Cabinet Secretary of Ministry of Education by providing oversight on operations of the college to ensure focus on core objectives which include:-

1. Increase training opportunities for school leavers.
2. Develop and encourage culture of research, creativity, innovation among trainees and trainers.
3. Identify & develop practical skills and attitudes in trainees for employment and income generation.
4. Improve college corporate governance and image by proper management of resources.
5. Establish strategic collaboration and linkages with research institutions and professional bodies.
6. Enhance integration of ICT training and management.

The college faces challenges in implementation of market driven courses as we await equipment promised by government. Our humble request to the Kenya government to support and help actualize the dream of the many trainees who are enrolled in such courses and those who will come in future.

Judith A. Oduge
CHAIRMAN

V. REPORT OF THE PRINCIPAL

Chanzeywe TVC located in Vihiga County is a new TVC funded by the Kenya government to foster acquisition of market driven skills and realise vision 2030. It is expected to impact knowledge and skills that will help the government realise 100% transition vote.

The college had its founder Principal posted in 2020 and was registered by TVETA in 2021 with a staff of 20 (12 teaching staffs and 8 non-teaching staff) and student's population of 123. This annual report and financial statement for the year ended June 30th 2021 is part of the broader initiatives to ensure accountability in our institution.

The college awaits the AVIC-China/GOK equipment to assist it deliver on its core mandate.

The management and staff of Chanzeywe TVC are committed towards achieving the mandate of the college in realising the Vision 2030 and the Big 4 agenda in line with the TVET 2013 Act.

VII. CORPORATE GOVERNANCE STATEMENT

Chanzeywe Technical and Vocational College believes in good corporate governance. The Board of Governors provides leadership through oversight, review and guidance whilst setting the strategic direction. The BOG is the primary decision-making body for all matters considered as material to the service.

The BOG has the appropriate mix of skills, knowledge and experience members to perform its oversight role effectively and efficiently.

Council meetings are held quarterly as per Mwongozo guidelines and the TVET ACT 2013 and they have formal schedules of matters especially reserved for deliberation. The college ensures that it provides the necessary resources and expertise to the BOG to assist the ministry in their decision-making and as such, they are regularly consulted on key policy matters.

General Responsibilities

The BOG has a duty to the people of Kenya to ensure that the Chanzeywe Technical and Vocational College achieves its objectives efficiently and in compliance with PFM Act, 2012, TVET Act 2013, and all other laws related to their duties.

Statutory powers of the BOG include:

- To ensure that proper management structure is in place and the management maintain the corporate integrity, reputation and responsibility.
- To monitor and evaluate the implementation of strategies, policies and management plans of the college.
- To constantly review the viability and financial sustainability of the college.
- To ensure that college complies with all the relevant laws.

Risk management and Internal Controls.

The Board of Governors has overall responsibility for the establishment and oversight of the BOG risk management frameworks. The Risk Management Policies are established to identify and analyse the risk faced by the college and to set appropriate risk limits and controls, and monitor adherence to these limits. Risk Management policies and systems are reviewed regularly to reflect changes in operating conditions, legislation and services offered. Subsequently, the college identifies and manages risk through in-house risk review enhanced by compliance, internal and external audits.

The college has put in place a system of internal controls with defined, financial and operational controls to ensure that resources are safeguarded, transactions authorized, validated and reported in line with International Public-Sector Accounting and other treasury and ministry circulars and guidelines.

Conflict of Interest

All BOG members are under a duty to avoid conflict of Interest. This entails not engaging directly or indirectly in any business that competes or conflicts with the college business.

The Board has established a robust process requiring members to disclose their business interest for the college to know and have them in records.

Compliance

The Board of Governors confirms that it is satisfied that the college has resources to continue operating for the foreseeable future. For this reason, it continues to adopt the on-going Concern basis when preparing the financial statement.

This Board is satisfied that the College as to the best of their knowledge complied with all relevant laws and conducted its affairs in accordance with the law in particular to the PFM act 2012 and TVET act 2013.

VIII. MANAGEMENT DISCUSSION AND ANALYSIS

The college operational and Financial Performance

Generally, the college operated at a net surplus of Ksh. 1,298,085 during the financial year.

This was majorly due to the factors below;

- Reduction on expenditure as a result of reduced operations due to outbreak covid 19
- Operational structure introduced in the college like operating policies
- Application of accrual concepts where fees payable by all students enrolled in the college have been captured in the accounts.

Compliance with Statutory Requirements

By the end of the year, the Chanzeywe Technical and Vocational College had paid all its statutory requirements in terms of NSSF, NHIF, PAYE to KRA the functions of the college are also anchored on varoious law and statues and other government relations which the college operated under. By the end of the year the college did not have any issues with noncompliance to any legal and statutory requirements.

The college is operating under legal framework necessary under public sector requirements such as;

- Technical & Vocational Education Act, 2013
- The constitution of Kenya ,2010
- Public Finance Management Act, 2012
- Procurement and Assets Disposal act, 2015
- International Public Sector Accounting Standards.
- All other relevant laws in its operation (regular circulars from treasury and ministry of education)

The college has also internal policies it uses in its operation. These policies are in line with all the relevant laws stated above and only direct the specific operations on how tasks are handled.

These policies are;

- Finance Policy
- Procurement Policy
- Academic Policy
- Human Resource Policy

**CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR YEAR ENDED 30TH JUNE 2021**

Material Arrears and Financial Obligations

The College had substantial fees arrears owed by students totalling to Ksh.2,911,150 which had not been received by the year end.

The College Financial Probity and Governance Issues

The College is governed by a BOG appointed by the Cabinet Secretary for education, who are independent overseers of the running of the College. They hold quarterly meetings to discuss management affairs of the College. The full BOG has sub-committees who also meet quarterly to oversee operations in their respective areas. The BOG oversees the financial operations of the Chanzeywe Technical and Vocational College through its sub - Committee on Finance and Administration. The committee met and discussed the accounts for the financial year 2020/2021. The committee noted that the financial report under review is the first to be presented under the new International Public Sector Accounting Standards Accruals basis. (IPSAS Accruals) as directed by the National Treasury to all public tertiary institutions. The following issues were observed;

Un-paid Creditors.

By the end of the year the College had outstanding bills amounting to Ksh. 314,010 payable to Pride Kings Company Limited (Security services) and Get It Limited for maintenance of Fire Extinguishers for the college.

By order of the Board

Ms Adilla N. Anyanzwa

REPORT OF THE BOARD OF GOVERNORS

The Board members submit their report together with the audited financial statements for the year ended June 30, 2021 which show the state of the Chanzeywe Technical and Vocational College affairs.

Principal activities

The principal activities of the Chanzeywe Technical and Vocational College is to offer training in technical fields.

Results

The results of the college for the year ended June 30 2021 are set out on page 1-5

BOARD OF GOVERNORS

The members of the Board who served during the year are shown on page v

Auditors

The Auditor General is responsible for the statutory audit of the Chanzeywe Technical and Vocational College in accordance with Article 229 of the Constitution of Kenya and the Public Audit Act 2015.

By Order of the Board

Secretary

IX. ENVIRONMENTAL AND SUSTAINABILITY REPORTING

Chanzeywe Technical and Vocational College exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, putting the customer/citizen first, delivering relevant goods and services, and improving operational excellence. Below is a highlight of strategies and activities that promote the organisation's strategic objectives.

Sustainability strategy and profile

CTVC is a public tertiary institution that receives student fees and government grants. These funds are used to pay operating costs and training needs of the college. Procurement is done for goods, skills and services. The procurement process is reported to the Board during our meetings. The college expects to receive funding from CDF of Vihiga Constituency. To this end CTVC will make projections and budgets that will attract funding from other entities. The college will begin IGA once equipment are in the workshops for proper scaling up.

Environmental performance

NEMA have given the college an environment certificate that was done in preparation of a water drilling exercise that is yet to begin. The college has a valid Public Health Certificate.

Employee welfare

The college has a total of 20 employees. 12 teaching and 8 non-teaching staff. 9 male and 11 female employees

Market place practices-

CTVC promotes quality technical education, engages in sports as seen in our sports calendar of engagements, ensures compliance with NSSF and NHIF for staff, regular training in conferences and workshops, and ensuring clean water by chlorinating our rain harvested water in water tanks.

Corporate Social Responsibility / Community Engagements

CTVC is yet to start CSR activities due to the Corona pandemic that has restricted gatherings and Inter institution engagements.

CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR YEAR ENDED 30TH JUNE 2021

X. STATEMENT OF BOARD OF GOVERNORS MEMBERS' RESPONSIBILITIES

Section 81 of the Public Finance Management Act, 2012 and section 29 of schedule 2 of the Technical and Vocational Education and Training Act, 2013 - require the Board members to prepare financial statements in respect of the college, which give a true and fair view of the state of affairs of the college at the end of the financial year/period and the operating results of the college for that year/period. The council members are also required to ensure that the college keeps proper accounting records which disclose with reasonable accuracy the financial position of the college. The council members are also responsible for safeguarding the assets of the college.

The Board members are responsible for the preparation and presentation of the college's financial statements, which give a true and fair view of the state of affairs of the college for and as at the end of the financial year (period) ended on June 30 2021. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the college (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The council members accept responsibility for the college's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 and the TVET Act 2013. The Board members are of the opinion that the college's financial statements give a true and fair view of the state of college's transactions during the financial year ended June 30, 2021, and of the college's financial position as at that date. The council members further confirm the completeness of the accounting records maintained for the college, which have been relied upon in the preparation of the college's financial statements as well as the adequacy of the systems of internal financial control.

Nothing has come to the attention of the council members to indicate that the college will not remain a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

The Chanzeywe TVC financial statements were approved by the Board on _26th July 2021 and signed on its behalf by:

REPORT OF THE AUDITOR-GENERAL ON CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE FOR THE YEAR ENDED 30 JUNE, 2021

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012, and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Chanzeywe Technical and Vocational College set out on pages 1 to 46, which comprise the statement of financial position as at 30 June, 2021, and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget

and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Chanzeywe Technical and Vocational College as at 30 June, 2021, and of its financial performance and its cash flows for the year then ended, in accordance with the Public Financial Management Act, 2012, and comply with International Public Sector Accounting Standards (Accrual Basis) and the Technical and Vocational Education and Training Act, 2013.

Basis for Qualified Opinion

Unsupported Expenditure on Use of Goods and Services

The statement of financial performance reflects an amount of Kshs.1, 366,592 on use of goods and services, as disclosed in Note 15 to the financial statements. The expenditure includes Kshs.147,704 relating to travelling and accommodation. However, the expenditure was not supported by payment vouchers and other documentation.

In the circumstance, the propriety of the expenditure of Kshs.147,704 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of Chanzeywe Technical and Vocational College Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Lack of Approved Budget

The statement of comparison of budget and actual amounts indicates that the College had a budget of Kshs.8,523,000 to finance its operations and activities during the year under review. However, the College did not provide an approved budget by both the Board of Governors and Parent Ministry, contrary to the provisions of Section 22(1) of the second schedule of the Technical and Vocational Education Training Act, 2013, and Regulation 31 of the Public Finance Management (National Government) Regulations, 2015.

In the circumstance, the Management was in breach of the law.

2. Lack of Audit Committee

During the year under review, the College did not have an Audit Committee to carry out oversight functions on risk management, overall governance and follow-up on implementation of recommendations of Internal and External Auditors. This is contrary to Regulation 43(b) of Public Finance Management Regulation,2015 (National Government).

In the circumstance, the Management was in breach of the law.

3. Lack of Risk Management Policy Framework

The College operated without a documented risk management policy framework, contrary to Regulation 165(1) a and (b) of the Public Finance Management (National Government) Regulations, 2015 which requires all National Government entities to develop risk management strategies and a system of risk management and internal control that builds robust business operations.

In the circumstance, Management was in breach of the law.

4. Lack of Human Resource Policies and Manuals

Review of human resource records revealed that the College did not have a strategic plan and approved human resource manuals, contrary to the requirements of the Technical and Vocational Education and Training Act, 2013, which requires all heads of public institutions to develop and implement institution's a strategic plan.

In the circumstance, Management was in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis)] and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the College's ability to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the College or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the College's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error,

and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015, and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015, and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the College's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the College's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the College to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the College to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Nairobi

Budget notes

The college operations were affected by Covid19 Pandemic hence operated for only six months from February 2021 to June 2021. As at 30th June 2021 we had enrolled 103 students against budget of 200 students, this resulted in low income from fees. Because of few operations the college hired only accountant and casuals to clean and maintain the compound hence low staff and overall operational costs.

The Board of Governors was inaugurated during the year and hence workshop and training of members.

CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR YEAR ENDED 30 JUNE 2021

XVII. NOTES TO THE FINANCIAL STATEMENTS

1. GENERAL INFORMATION

Chanzeywe TVC is established by and derives its authority and accountability from TVET Act 2013. The entity is wholly owned by the Government of Kenya and is domiciled in Kenya. The entity's principal activity is technical training.

2. STATEMENT OF COMPLIANCE AND BASIS OF PREPARATION

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the college's accounting policies.

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of the College.

The financial statements have been prepared in accordance with the PFM Act of 2012, the TVET Act, and International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented.

CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR YEAR ENDED 30 JUNE 2021

NOTES TO THE FINANCIAL STATEMENTS

3. ADOPTION OF NEW AND REVISED STANDARDS

- i. **Relevant new standards and amendments to published standards effective for the year ended 30 June 2021.**

Standard	Impact
Other Improvements to IPSAS	<p>Applicable: 1st January 2021:</p> <p>a) Amendments to IPSAS 13, to include the appropriate references to IPSAS on impairment, in place of the current references to other international and/or national accounting frameworks.</p> <p>b) IPSAS 13, Leases and IPSAS 17, Property, Plant, and Equipment. Amendments to remove transitional provisions which should have been deleted when IPSAS 33, First Time Adoption of Accrual Basis International Public Sector Accounting Standards (IPSASs) was approved.</p> <p>c) IPSAS 21, Impairment of Non-Cash-Generating Assets and IPSAS 26, Impairment of Cash Generating Assets. Amendments to ensure consistency of impairment guidance to account for revalued assets in the scope of IPSAS 17, Property, Plant, and Equipment and IPSAS 31, Intangible Assets.</p> <p>d) IPSAS 33, First-time Adoption of Accrual Basis International Public Sector Accounting Standards (IPSASs). Amendments to the implementation guidance on deemed cost in IPSAS 33 to make it consistent with the core principles in the Standard.</p>

CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR YEAR ENDED 30 JUNE 2021
NOTES TO THE FINANCIAL STATEMENTS

ii. **New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2021.**

Standard	Effective date and impact:
IPSAS 41: Financial Instruments	<p>Applicable: 1st January 2023:</p> <p>The objective of IPSAS 41 is to establish principles for the financial reporting of financial assets and liabilities that will present relevant and useful information to users of financial statements for their assessment of the amounts, timing and uncertainty of an entity's future cash flows. IPSAS 41 provides users of financial statements with more useful information than IPSAS 29, by:</p> <ul style="list-style-type: none"> •Applying a single classification and measurement model for financial assets that considers the characteristics of the asset's cash flows and the objective for which the asset is held; •Applying a single forward-looking expected credit loss model that is applicable to all financial instruments subject to impairment testing; and •Applying an improved hedge accounting model that broadens the hedging arrangements in scope of the guidance. The model develops a strong link between an entity's risk management strategies and the accounting treatment for instruments held as part of the risk management strategy.
IPSAS 42: Social Benefits	<p>Applicable: 1st January 2023</p> <p>The objective of this Standard is to improve the relevance, faithful representativeness and comparability of the information that a reporting entity provides in its financial statements about social benefits. The information provided should help users of the financial statements and general-purpose financial reports assess:</p> <ul style="list-style-type: none"> (a) The nature of such social benefits provided by the entity; (b) The key features of the operation of those social benefit schemes; and (c) The impact of such social benefits provided on the entity's financial performance, financial position and cash flows.
Amendments to Other IPSAS resulting from IPSAS 41, Financial Instruments	<p>Applicable: 1st January 2023:</p> <ul style="list-style-type: none"> a) Amendments to IPSAS 5, to update the guidance related to the components of borrowing costs which were inadvertently omitted when IPSAS 41 was issued. b) Amendments to IPSAS 30, regarding illustrative examples on hedging and credit risk which were inadvertently omitted when IPSAS 41 was issued. c) Amendments to IPSAS 30, to update the guidance for accounting for financial guarantee contracts which were inadvertently omitted when IPSAS 41 was issued. d) Amendments to IPSAS 33, to update the guidance on classifying financial instruments on initial adoption of accrual basis IPSAS which were inadvertently omitted when IPSAS 41 was issued.

iii. **Early adoption of standards**

The college did not early – adopt any new or amended standards in year 2021.

CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR YEAR ENDED 30 JUNE 2021

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Revenue recognition

i) Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably. Recurrent grants are recognized in the statement of comprehensive income. Development/capital grants are recognized in the statement of financial position and realised in the statement of comprehensive income over the useful life of the assets that has been acquired using such funds

ii) Revenue from exchange transactions

Rendering of services

The entity recognizes revenue from rendering of services by reference to the stage of completion when the outcome of the transaction can be estimated reliably. The stage of completion is measured by reference to labour hours incurred to date as a percentage of total estimated labour hours.

Where the contract outcome cannot be measured reliably, revenue is recognized only to the extent that the expenses incurred are recoverable.

Sale of goods

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, usually on delivery of the goods and when the amount of revenue can be measured reliably and it is probable that the economic benefits or service potential associated with the transaction will flow to the entity.

Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

Dividends

Dividends or similar distributions must be recognized when the shareholder's or the entity's right to receive payments is established.

CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR YEAR ENDED 30 JUNE 2021
NOTES TO THE FINANCIAL STATEMENTS

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Revenue recognition

ii) Revenue from exchange transactions

Rental income

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and included in revenue.

b) Budget information

The original budget for FY 2020/2021 was approved by the County Director in July 2020 before the appointment of a Board. Subsequent revisions or additional appropriations were made by the current Board in July 2021

The college's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented under section ~~xxx~~ of these financial statements.

c) Taxes

Current income tax

The entity is currently paying the following statutory taxes:

Corporate tax

P.A.Y.E

CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR YEAR ENDED 30 JUNE 2021
NOTES TO THE FINANCIAL STATEMENTS

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

c) Taxes

Sales tax/ Value Added Tax

Expenses and assets are recognized net of the amount of sales tax, except:

- When the sales tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the sales tax is recognized as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
- When receivables and payables are stated with the amount of sales tax included.

The net amount of sales tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

d) Investment property

Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the replacement cost of components of an existing investment property at the time that cost is incurred if the recognition criteria are met and excludes the costs of day-to-day maintenance of an investment property.

Investment property acquired through a non-exchange transaction is measured at its fair value at the date of acquisition. Subsequent to initial recognition, investment properties are measured using the cost model and are depreciated over a period of xxx years.

Investment properties are derecognized either when they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit or service potential is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the surplus or deficit in the period of de-recognition.

Transfers are made to or from investment property only when there is a change in use.

e) Property, plant and equipment

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

NOTES TO THE FINANCIAL STATEMENTS

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

f) Leases

Finance leases are leases that transfer substantially the entire risks and benefits incidental to ownership of the leased item to the Entity. Assets held under a finance lease are capitalized at the commencement of the lease at the fair value of the leased property or, if lower, at the present value of the future minimum lease payments. The Entity also recognizes the associated lease liability at the inception of the lease. The liability recognized is measured as the present value of the future minimum lease payments at initial recognition.

Subsequent to initial recognition, lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in surplus or deficit.

An asset held under a finance lease is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Entity will obtain ownership of the asset by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating leases are leases that do not transfer substantially all the risks and benefits incidental to ownership of the leased item to the Entity. Operating lease payments are recognized as an operating expense in surplus or deficit on a straight-line basis over the lease term.

g) Intangible assets

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred. The useful life of the intangible assets is assessed as either finite or indefinite

h) Research and development costs

The Entity expenses research costs as incurred. Development costs on an individual project are recognized as intangible assets when the Entity can demonstrate:

- The technical feasibility of completing the asset so that the asset will be available for use or sale
- Its intention to complete and its ability to use or sell the asset
- How the asset will generate future economic benefits or service potential
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development.

Following initial recognition of an asset, the asset is carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete and the asset is available for use. It is amortized over the period of expected future benefit. During the period of development, the asset is tested for impairment annually with any impairment losses recognized immediately in surplus or deficit.

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

i) Financial instruments

Financial assets

Initial recognition and measurement

Financial assets within the scope of IPSAS 29 Financial Instruments: Recognition and Measurement are classified as financial assets at fair value through surplus or deficit, loans and receivables, held-to-maturity investments or available-for-sale financial assets, as appropriate. The Entity determines the classification of its financial assets at initial recognition.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. Losses arising from impairment are recognized in the surplus or deficit.

Held-to-maturity

Non-derivative financial assets with fixed or determinable payments and fixed maturities are classified as held to maturity when the Entity has the positive intention and ability to hold it to maturity. After initial measurement, held-to-maturity investments are measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The losses arising from impairment are recognized in surplus or deficit.

Impairment of financial assets

The Entity assesses at each reporting date whether there is objective evidence that a financial asset or an entity of financial assets is impaired. A financial asset or a entity of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred 'loss event') and that loss event has an impact on the estimated future cash flows of the financial asset or the entity of financial assets that can be reliably estimated. Evidence of impairment may include the following indicators:

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

i) Financial instruments

Financial assets

Impairment of financial assets

- The debtors or a entity of debtors are experiencing significant financial difficulty
- Default or delinquency in interest or principal payments
- The probability that debtors will enter bankruptcy or other financial reorganization
- Observable data indicates a measurable decrease in estimated future cash flows (e.g. changes in arrears or economic conditions that correlate with defaults)

Financial liabilities

Initial recognition and measurement

Financial liabilities within the scope of IPSAS 29 are classified as financial liabilities at fair value through surplus or deficit or loans and borrowings, as appropriate. The Entity determines the classification of its financial liabilities at initial recognition. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, plus directly attributable transaction costs.

Loans and borrowing

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in surplus or deficit when the liabilities are recognized as well as through the effective interest method amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate.

i) Inventories

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

Costs incurred in bringing each product to its present location and conditions are accounted for, as follows:

- Raw materials: purchase cost using the weighted average cost method
- Finished goods and work in progress: cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs

NOTES TO THE FINANCIAL STATEMENTS

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

i) Inventories

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost.

Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution.

Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

j) Provisions

Provisions are recognized when the Entity has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the Entity expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain.

The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

Contingent liabilities

The Entity does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

Contingent assets

The Entity does not recognize a contingent asset, but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

NOTES TO THE FINANCIAL STATEMENTS

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

k) Nature and purpose of reserves

The Entity creates and maintains reserves in terms of specific requirements. The college is yet to have any reserves

l) Changes in accounting policies and estimates

The Entity recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

m) Employee benefits

Retirement benefit plans

The Entity provides retirement benefits for its employees and directors. Defined contribution plans are post-employment benefit plans under which an entity pays fixed contributions into a separate entity (a fund), and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable.

Defined benefit plans are post-employment benefit plans other than defined-contribution plans. The defined benefit funds are actuarially valued tri-annually on the projected unit credit method basis. Deficits identified are recovered through lump sum payments or increased future contributions on proportional basis to all participating employers. The contributions and lump sum payments reduce the post-employment benefit obligation.

n) Foreign currency transactions

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

o) Borrowing costs

Borrowing costs are capitalized against qualifying assets as part of property, plant and equipment.

Such borrowing costs are capitalized over the period during which the asset is being acquired or constructed and borrowings have been incurred. Capitalization ceases when construction of the asset is complete. Further borrowing costs are charged to the statement of financial performance.

CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR YEAR ENDED 30 JUNE 2021

NOTES TO THE FINANCIAL STATEMENTS

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

p) Related parties

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa. Members of key management are regarded as related parties and comprise the directors, the CEO/principal and senior managers.

q) Service concession arrangements

The Entity analyses all aspects of service concession arrangements that it enters into in determining the appropriate accounting treatment and disclosure requirements. In particular, where a private party contributes an asset to the arrangement, the Entity recognizes that asset when, and only when, it controls or regulates the services. The operator must provide together with the asset, to whom it must provide them, and at what price. In the case of assets other than 'whole-of-life' assets, it controls, through ownership, beneficial entitlement or otherwise – any significant residual interest in the asset at the end of the arrangement. Any assets so recognized are measured at their fair value. To the extent that an asset has been recognized, the Entity also recognizes a corresponding liability, adjusted by a cash consideration paid or received.

r) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

s) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

t) Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2021.

5. SIGNIFICANT JUDGMENTS AND SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the Entity's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Entity. Such changes are reflected in the assumptions when they occur. IPSAS 1.140

Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the Entity
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- The nature of the processes in which the asset is deployed
- Availability of funding to replace the asset
- Changes in the market in relation to the asset

Provisions

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date and are discounted to present value where the effect is material.

Depreciation

It's the policy of the college to depreciate its assets on written down value as follows

Building	2%
Machinery	12.5%
Furniture and Fittings	12.5%
Motor Vehicle	25%
Computers	33.3%
Loose tools	50%

CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR YEAR ENDED 30 JUNE 2021

NOTES TO THE FINANCIAL STATEMENTS

44. FINANCIAL RISK MANAGEMENT

The entity's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The company's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The company does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The entity's financial risk management objectives and policies are detailed below:

(i) Credit risk

The entity has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments.

Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the company's management based on prior experience and their assessment of the current economic environment.

The carrying amount of financial assets recorded in the financial statements representing the entity's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

	Total amount Kshs	Fully performing Kshs	Past due Kshs	Impaired Kshs
At 30 June 2020				
Receivables from exchange transactions	-	-	-	-
Receivables from non-exchange transactions	-	-	-	-
Bank balances	-	-	-	-
Total	-	-	-	-
At 30 June 20xx	-	-	-	-
Receivables from exchange transactions	-	-	-	-
Receivables from non-exchange transactions	-	-	-	-
Bank balances	-	-	-	-
Total	-	-	-	-

(NB: The totals column should tie to the individual elements of credit risk disclosed in the entity's statement of financial position)

CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR YEAR ENDED 30 JUNE 2021
NOTES TO THE FINANCIAL STATEMENTS

44. FINANCIAL RISK MANAGEMENT

(i) Credit risk (continued)

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the company has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The board of directors sets the company's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

(ii) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the entity's directors, who have built an appropriate liquidity risk management framework for the management of the entity's short, medium and long-term funding and liquidity management requirements. The entity manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

The table below represents cash flows payable by the company under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

	Less than 1 month	Between 1-3 months	Over 5 months	Total
	Kshs	Kshs	Kshs	Kshs
At 30 June 2020				
Trade payables	-	-	-	-

CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR YEAR ENDED 30 JUNE 2021

NOTES TO THE FINANCIAL STATEMENTS

44. FINANCIAL RISK MANAGEMENT

(iii) Market risk

The entity has put in place an internal audit function to assist it in assessing the risk faced by the entity on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the entity's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The entity's Finance Department is responsible for the development of detailed risk management policies (subject to review and approval by Audit and Risk Management Committee) and for the day to day implementation of those policies.

There has been no change to the entity's exposure to market risks or the manner in which it manages and measures the risk.

a) Foreign currency risk

The entity has transactional currency exposures. Such exposure arises through purchases of goods and services that are done in currencies other than the local currency. Invoices denominated in foreign currencies are paid after 30 days from the date of the invoice and conversion at the time of payment is done using the prevailing exchange rate.

The carrying amount of the entity's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

	Ksh	Other currencies	Total
	Kshs	Kshs	Kshs
At 30 June 20xx			
Financial assets(investments, cash, debtors)	-	-	-
Liabilities	-	-	-
Trade and other payables	-	-	-
Borrowings	-	-	-
	-	-	-
Net foreign currency asset/(liability)	-	-	-

The entity manages foreign exchange risk from future commercial transactions and recognised assets and liabilities by projecting for expected sales proceeds and matching the same with expected payments.

CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR YEAR ENDED 30 JUNE 2021

NOTES TO THE FINANCIAL STATEMENTS

44. FINANCIAL RISK MANAGEMENT

(iii) Market risk (Continued)

a) Foreign currency risk (Continued)

	Ksh	Other currencies	Total
	Kshs	Kshs	Kshs
At 30 June 201xx			
Financial assets(investments, cash ,debtors)	-	-	-
Liabilities	-	-	-
Trade and other payables	-	-	-
Borrowings	-	-	-
Net foreign currency asset/(liability)	-	-	-

Foreign currency sensitivity analysis

The following table demonstrates the effect on the company's statement of comprehensive income on applying the sensitivity for a reasonable possible change in the exchange rate of the three main transaction currencies, with all other variables held constant. The reverse would also occur if the Kenya Shilling appreciated with all other variables held constant.

	Change in currency rate	Effect on Profit before tax	Effect on equity
	Kshs	Kshs	Kshs
20xx			
Euro	10%	-	-
USD	10%	-	-
20xx		-	-
Euro	10%	-	-
USD	10%	-	-

b) Interest rate risk

Interest rate risk is the risk that the entity's financial condition may be adversely affected as a result of changes in interest rate levels. The company's interest rate risk arises from bank deposits. This exposes the company to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the company's deposits.

Management of interest rate risk

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

CHANZEYWE TECHNICAL AND VOCATIONAL COLLEGE
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR YEAR ENDED 30 JUNE 2021
NOTES TO THE FINANCIAL STATEMENTS (Continued)

44 FINANCIAL RISK MANAGEMENT (Continued)

(iii) Market risk (Continued)

b) Interest rate risk(continued)

Sensitivity analysis

The entity analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year.

Using the end of the year figures, the sensitivity analysis indicates the impact on the statement of comprehensive income if current floating interest rates increase/decrease by one percentage point as a decrease/increase of KShs xxx (2016: KShs xxx). A rate increase/decrease of 5% would result in a decrease/increase in profit before tax of KShs xxx (2020 – KShs xxx)

iv) Capital Risk Management

The objective of the entity's capital risk management is to safeguard the entity's ability to continue as a going concern. The entity capital structure comprises of the following funds:

	2020-2021	2019-2020
	Kshs	Kshs
Revaluation reserve	-	-
Retained earnings	1,298,505	-
Capital reserve	59,844,400	-
Total funds	61,142,485	-
Total borrowings	-	-
Less: cash and bank balances	(48,635)	-
Net debt/(excess cash and cash equivalents)	-	-
Gearing	00%	00%
