## **A. BACKGROUND OF THE SETTLEMENT SCHEME**

Masongaleni Settlement Scheme is located in Kibwezi East in Makueni County and occupies an area of 30,754 acres. It was established on land purchased by the Ministry of Lands and Housing from Brooke Bond Kenya Ltd on 5<sup>th</sup> August, 1984 at a cost of ksh.6.2 million to settle poor people from Makueni who had been evicted from the forest at Kyulu Hills water towers.

The scheme consisted of five (5) LR.Numbers namely;

- LR. NO. 11070 (1,000 acres)
- LR. NO. 23269 (1,600 acres)
- LR. NO. 5903 (20,000 acres)
- LR. NO. 2949 (2,219 acres)
- LR. NO. 11515 (5,935 acres)

The planning, demarcation, survey and allocation of plots in the scheme was carried out in two phases which commenced in August 1985 and completed on 28<sup>th</sup> February, 1988. From the survey, the resultant number of plots was 378 measuring between 30-202.8 acres. The list of the 378 beneficiaries was forwarded to the Ministry of Lands by the then Provincial Commissioner on the 10<sup>th</sup> May, 1991.

However, a Presidential statement halting the allocation exercise was issued on 22<sup>nd</sup> July, 1991 pending verification of beneficiaries. Re-planning of the settlement scheme was undertaken on 19<sup>th</sup> December, 1991 during which parcel LR. NO. 11515 (5,935 acres), was set aside for 717 squatters who were evicted from land owned by the university of Nairobi in Kibwezi.

Subsequently, another list of 1809 beneficiaries was forwarded by the Provincial Commissioner on the 27<sup>th</sup> August, 1992 that contained plots ranging between 3.22Ha to 74.7 Ha.

To date, only 93 out of 1809 beneficiaries have been issued with title deeds. Consequently the Ministry of Lands intends to request the Cabinet to waive land charges so that the remaining 1716 beneficiaries can be issued with title deeds during the ongoing title issuance programme.

## **B. STATEMENT SOUGHT**

On 26<sup>th</sup> September, 2013 **Senator Mutula Kilonzo (Jnr),M.P** requested for a statement from the Chairperson of the Standing Committee on Agriculture, Land and Natural Resources on Masongaleni Settlement Scheme as follows;

- a) The number of persons issued with allotment letters
- b) The size of land allotted to each person
- c) Whether there is a data base for persons issued with allotment letters

- e) The reasons for the delay in the issuance of title deeds.

## **C. RESPONSE TO THE STATEMENT**

On the 4<sup>th</sup> June, 2014 the Chairperson of the Standing Committee on Land and Natural Resources presented the response on the allotment exercise of Masongaleni Settlement Scheme and;-

- a) Gave the background of the settlement scheme and tabled the entire list of beneficiaries,
- b) Concurred that indeed some officials of government were allotted land in the scheme and
- c) Explained that waiver of land fees and charges for the poor could be considered by the Cabinet to which the Cabinet Secretary for Lands was making a follow-up.

## **D. DELIBERATIONS**

The following deliberations ensued in the Senate.

- a) Objected to the answer citing article 210 (1) of the constitution which states that, “.No tax or licensing fee may be imposed, waived or varied except as provided by legislation” and

- b) Sought to know measures the government would take to correct the injustices committed by allotting land to government officers.

### **E. RESOLUTION**

The Senate resolved that **the Committee interrogates the Cabinet Secretary Ministry of Lands, Housing and Urban Settlement and the National Land Commission (NLC) on the allotments in the scheme and presents a comprehensive report within four weeks..**

### **F. ACTION**

Pursuant to the Senate Resolutions of the plenary session held on 4<sup>th</sup> June, 2014, the Standing Committee on Lands and Natural Resources invited the Cabinet Secretary responsible for land and the Chairman of the National Land Commission to appear before the Committee on 15<sup>th</sup> and 17<sup>th</sup> July, 2014 respectively to respond to all matters raised pertaining to the allocation of land allocation to squatters in Masongaleni Settlement Scheme in Makueni County.

### **G. MEETING WITH THE CABINET SECRETARY MINISTRY OF LAND, HOUSING AND URBAN DEVELOPMENT**

On 15<sup>th</sup> July, 2014 at 11.30am, the Cabinet Secretary Ministry of Lands, Housing and Urban Development Hon. Charity K.Ngilu appeared before the Standing Committee accompanied by the Director for Land Adjudication in the Ministry.

The following Members of Parliament who had shown interest in the matter were also present;- Sen.Mutula Kilonzo Jnr, M.P., Sen. Catherine Mukiite, M.P. and Hon. Moroto.

Before the submissions by the Cabinet Secretary, the Committee noted that;-

- a) Out of 1809 allottees only 93 have acquired title deeds and most of these allottees are able and undeserving individuals,
- b) Due to lack of demarcations and title deeds, the allottees cannot develop or put up permanent structures or bury their dead ones,
- c) The total land purchased has not been fully allocated,

- ~~d) Some allottees who were allocated land have not settled on their land to date,~~
- e) Charges for processing titles have escalated beyond the capacity of the allottees,
- f) Some of the beneficiaries of the allotment were not among those targeted in the scheme as there was no audit of the beneficiaries,
- g) Some of the allottees did not know the exact location of their land,
- h) There were some people occupying the land but who were not on the list of allottees,
- i) Land disputes resulting from mal-practices in the allocations has been source of conflicts and insecurity challenges facing the country,

The Committee requested the Cabinet Secretary to Address the following issues;-

- a) How much of the scheme had not been allocated and whether there will be further allocations or allotments in Masongaleni Settlement scheme,
- b) Whether those who are occupying land and are not in the list of allottees can be given the remaining land that was not allocated,
- c) The circumstances under which people who were not from Kyulu hills were allocated land and Whether rich and undeserving allottees could surrender their allotments to the poor and landless,
- d) Whether land allotted to the able and undeserving beneficiaries and who have not occupied could be repossessed and allocated to the landless,
- e) The timeframe within which title deeds will be issued to the beneficiaries and if government could waive the title charges for the poor allottees and
- f) Whether there was government long term policy on wrongful allotment of land in Kenya.

#### **H. RESPONSE FROM THE CABINET SECRETARY**

The Cabinet Secretary thanked the Committee and confirmed that the concerns raised in the statement were correct, weighty and required political leadership to offer solution.

The responses were as follows;

- a) The allocations in Masongaleni were characteristic of past political dispensation where politically correct individuals were allocated land meant for the poor and landless,
- b) The government has hardly issued title deeds to the landless in the last 50 years. However, the Ministry of Lands has targeted to issue 1.5 million new title deeds during the FY 2014/15 including Masongaleni. The Ministry has employed new technology and personnel to help achieve the set targets and improve revenue generation,
- c) The settlement policy of the government in all schemes was in ratios of 60:40 for local community and others respectively,
- d) There was no official subdivision of land in Masongaleni but informal transfers of land may have taken place and in such situations, the Ministry would consider such transfers through regularization,
- e) The Ministry could not ascertain whether all the land in the scheme had been allocated but would undertake ground verification exercise to determine how much land remained un- allocated and also do a re-profiling of the allottees before issuing new title deeds as per original allocation,
- f) Political leadership was required in identifying the allottees who could not afford the title charges so that any consideration by the government to waive these charges must help the poor and landless and
- g) The Ministry was taking the issuance of title deeds seriously in order to avert current wave of conflicts arising out of land ownership in the country.

## **I. MEETING WITH NATIONAL LAND COMMISSION,**

On the 17<sup>th</sup> July, 2014 at 10.00am, the Chairman of the National Land Commission Mr Mohammed A. Swazuri appeared before the Standing Committee on Lands and Natural Resources accompanied by the Vice Chairperson and other officers from the Commission.

The following Senators were also In-Attendance;- Sen. Johnstone Muthama, M.P, Sen. Mutula Kilonzo Jnr, M.P. and Sen. Catherine Mukiite, M.P.

~~Before the submissions by the Chairman of the National Land Commission, the Committee noted that;-~~

- a) Out of 1809 allottees only 93 have acquired title deeds all who are able and undeserving individuals,
- b) Due to lack of demarcations and title deeds, the allottees cannot develop or put up permanent structures or bury their dead ones,
- c) The total land purchased has not been fully allocated,
- d) There was no clear criteria in the allotment of land,
- e) There were restrictive covenants in the utilization of the land such as building permanent structures, burying the dead and
- f) Some of the allottees did not know the exact location of their land since it was not clear whether survey, demarcation and sub divisions had been done.

## **J. RESPONSE FROM THE NATIONAL LAND COMMISSION**

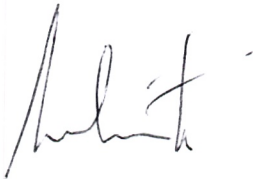

The chairman of the commission thanked the Committee for the invitation on the matter and responded as follows;-

- a) The total land area allocated for the Scheme was 30, 754 acres that comprised of 1,809 plots,
- b) The Scheme is planned, surveyed and fully settled,
- c) The Scheme was first allocated in 1991 to settle landless Kenyans,
- d) In 1992, there was a Presidential Directive that annulled the first allocation that paved way for the second allocation, meaning that the first allocation of 377 plots was disregarded and cancelled and that the second allocation bearing 1,809 plots stands as valid,
- e) Masongaleni Settlement Scheme is different from Kibwezi Settlement Scheme,
- f) In the original list that was cancelled, Kibwezi Settlement Scheme had ten (10) individuals who were allocated land but the list was disregarded a new allocation of 98 plots still stands a valid beneficiaries,

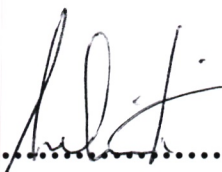

- g) The initial land charge for Masongaleni Settlement Scheme was Ksh. 600 per acre although the fee was not indicated on the initial letters of allotment,
- h) After 1999, the land charges were reviewed afresh to Ksh. 2,500 per acre and payable within a period of 28 years,
- i) A total of 93 beneficiaries have cleared the SFT loans and have been issued with title deeds,
- j) The Commission affirmed that there were undeserving allottees in most settlement schemes and had received similar complaints from different parts in Kenya,
- k) The criteria for determining the size of land during allotments was skewed in all schemes and leading to disparities in sizes of land parcels,
- l) A survey exercise had been done where titles had been prepared and were awaiting collection once payment is done by allottees,
- m) The commission was not aware of any restrictive covenants for use of the land by the land by the allottees,
- n) The Commission could not ascertain if there were any Kyulu Hills evictees who were not allocated land,
- o) The criteria used in the settlement of poor and landless by the government in all schemes including Masongaleni was in percentages of 60:40 for local community and others respectively. However this was a practice rather than policy and was subject to manipulation,
- p) The Commission explained that indeed there were three different sets of lists which included other evictees from Kibwezi settlement scheme but were later nullified and harmonized into one and
- q) The Commission confirmed that from the list, Sen. Johnstone Muthama, MP was not allocated land in Masongaleni Settlement Scheme.

**K. RESOLUTIONS**

- a) The need for political and administrative interventions to solve the matter in Masongaleni. The Ministry of Land, Housing & Urban Development and National Land Commission to constitute an Independent Committee that will look into issues of resettlement which should include inter alia key stakeholders and leaders from the area,
- b) The Independent Committee to collect data from the settlement schemes on the available land so that considerations can be made of another settlement. The report of the Independent Committee be tabled before the Senate Committee,
- c) The original intention of reclaiming Kyulu Hills as a water tower must not be compromised,
- d) There is need for public awareness on the government's interventions in addressing the matter and
- e) The title deeds to be issued to all the plots that have been surveyed and allotted.

RE: MASONGALENI AND KIBWEZI SETTLEMENT SCHEMES.

Please refer to your letter Ref. No. PF/C/532760 of 20th March, 1991 regarding the ABOVE SUBJECT.

I herewith now forward a complete list of allottees for the above two schemes for your necessary action.

Please inform your Planning Division to excise 20 acres from plot No. 300 including the residential house which has been allocated to Mr. Philip Moi who is the allottee of plot No. 286.

I also propose that the school should remain with a 100 acres only. The balance of the proposed school plot after taking 120 acres will be 99 acres. The 99 acres can again be planned into small plots of 5 acres which I shall allocate to some needy cases of landless persons from that area. We shall discuss details when I come to your office.

The statement said that President Moi would visit the area which is in Kibwezi Division to evaluate the situation at ground level.

It said that officers engaged in land allocations could tarnish the image of the Government through partiality and unfair practices would alienate people from the Government.

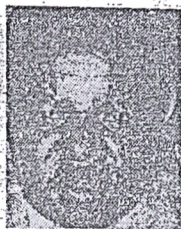

"In deciding the final allocations, a principal guiding criterion is that land in this area should be allocated to the landless people in the area, except for parcels which had been cleared and allocated before 1989," the statement added.

The full statement said: "Following several and various complaints on the allocation of plots at Masongaleni Settlement Scheme in Kibwezi Division, Machakos District, the Government has nullified the allocations to enable the allocations to be scrutinised.

"The Provincial Administration and the Ministry of Lands and Housing have consequently been directed to halt any processing and formalisation of the allocations in this settlement scheme until

"Land matters are so delicate and sensitive and they touch the heart of every Kenyan. This is why His Excellency the President always emphasised that impartially and fair play prevail in carrying out land allocations. District allocation committees should never lose sight of this while dealing with land affairs. The exercise should be expeditiously completed in order to enable the needy to start productive utilisation of the land allocated to them.

members of land-buying companies have been able to own portions of land. The President has ordered sub-division of such farms and allocation to shareholders.

The directors of such land buying companies, with the intentions of exploiting the members had dragged their feet in sub-dividing the farms.

Following his directive, more than 37,000 shareholders of such land-buying companies have benefited and been issued with title deeds by the President personally.

Early this year, the President directed all buying companies which had not subdivided their land to do so quickly so that genuine shareholders could be issued with title deeds.

The President's concern for poor Kenyans has not been limited to land issues alone.

Last Saturday he directed the Provincial Administration and Kanu officials throughout the country to meet and chart out programmes to construct institutions for destitute children.

addressing a Kanu rally at Nakuru's Aireba stadium, said all leaders should concern themselves with the welfare of the wananchi in their respective areas and find ways of alleviating their suffering.

He said he was concerned with the large number of youths from poor families who were roaming the streets of Nakuru and said that through such institutions, they can attain skills to make them self-employed.

The President has on several occasions stepped in to save land belonging to poor families from being sold over unpaid loans — acts which have warned the hearts of Kenyans towards their leader.

Early this year, in another act of kindness, President Moi found a secondary school student writhing in pain by the roadside in Nakuru, President Moi ordered his motorcade to stop and gave a lift to the 16-year-old Beatrice Wanjiku of Kenyatta High School to hospital where he arranged for her treatment.

meant for landless squatters in Kibwezi Division.

He said those who had grabbed the land at the scheme had land elsewhere and wondered why they needed to grab land meant for the poor.

The MP claimed that MPs, a minister, senior civil servants and party officials were among those who had allocated themselves chunks of land at the scheme.

Two days after the disclosure by Mr Makau, a Minister in the Office of the President, Mr Joseph Ngutu, and Kathiani MP Mr Laban Kitele denied being among those who grabbed the land.

Mr Makau repeated his claim at a rally held at Nzi-koni market in Kathiani Division where he challenged the 19 Members of Parliament who had been allocated 200 acres of land each in the scheme to defend themselves in public.

The Machakos Kanu branch chairman, who is also a nominated MP, said at the

The MPs from the area, including Mr Stephen Kyonda (Makueni) disassociated themselves from the allocations and criticised the MP for Mbooni, Mr Johnstone Makau, for making the allegations.

At a press conference at the Parliament Buildings on July 8, MPs from Ukambani said Masongaleni land was not meant for the squatters but for those "able to continue with the horticultural farming standards" established by the former owners, Sulmac Company Limited.

They told Mr Makau not to pretend that he was the champion of the landless and to stop inciting innocent wananchi who were otherwise peaceful and aware of what the Nyayo Government was doing for them.

During the press conference, the MPs also charged that the land had been allocated to the people by the Government and "any questions regarding the matter should be directed to the Eastern Provincial Commissioner, Mr Anthony Oyier".

While the MPs were claiming proper allocations, owners of some of the plots in the area were crying foul, saying they had been replaced by new allottees.

Some of the people affected showed the letter of allotment bearing the signature of the Eastern Provincial Commissioner, Mr Oyier, but said the plots had since been occupied by other people.

## Suit against Kamotho adjourned

By EDWARD OLOIRHIAA and RICHARD MUNGUTI

THE hearing of a contempt suit against the Minister for Transport and Communications, Mr. Joseph Kamotho, was yesterday adjourned by the High Court until September 17.

Nairobi Resident Judge, Mr. Justice Gedion Mbao, adjourned the case following an application by a lawyer, Mr. Mohamed Ibrahim, who told the court that the prosecuting lawyer, Mr. James Ratin K'owade, was sick and that he could not proceed with the case. Mr. Kamotho was represented by a Nairobi lawyer, Mr. Mutula Kilonzo. The case will be heard for two days from September 17 to 18.

against the party. The architects claim more than Sh39 million from Kanu.

Meanwhile, the High Court yesterday dismissed an application filed by the director of Orchestra Super Mazembe, Mr. Mohammed Omar Masumbuko, seeking the court to restrain six members of the band from using the name, since they had left his employment.

Mr. Masumbuko filed the suit before Nairobi Resident Judge, Lady Justice Joyce Aluoch, seeking the court to restrain six musicians of his company — Orchestra Super Mazembe Limited — from using the name, arguing that they were misleading the public by saying they had shifted from Mombasa to Nairobi.

Mr. Kamau Kinga representing Mr. Masumbuko, said the six musicians, Mutokole Longwa wa Ngoie, Kayembe Miketo, Thisbambee, Bua Mungala, Kitege Ngole wa Kitombole, Mwanza wa Mwanza Mulunguluke and Okello Joseph, were employees of his client. He

said the six deserted employment and shifted to Nairobi where they are performing at the Garden Square Restaurant, using the same names.

Mr. Kinga added that the defendants were causing a lot of damage to the client's company by cheating fans that they had shifted from their base. He added that they were saying that they were making arrangements to bring to Kenya, a renowned Zaire musician based in Paris, Diblo Dibala. Mr. Kinga said his client had registered the company under that name on April 29, this year.

Mr. Antony Khamati, representing the six defendants, said they have used the name for many years, since the 1970s. He said they were approached by the plaintiff, who employed them using the same name. He further said the six have been known to use the name and have produced records with several companies using the same name.

Limited, and the certificate issued. She also produced another file which she alleged was being registered under the same name, and another of Akuche Biashara Consultants.

The last two had similarities as the applicants had similar names. They are Mutongole Longwa, Kayembe Miketo and Mwanza wa Mwanza. She said the registrar's office rejected the application and sent the applicants letters of rejection, since there was another company registered under the same name.

Making her ruling, Justice Aluoch said neither side proved that they deserved the name. She ordered that the case be forwarded to the duty judge for a date to be fixed for hearing so that an injunction can be allowed.

Regarding the demand for damages by the plaintiff (Masumbuko), she said she will not award anything as no *prima facie* case had been established by the plaintiff. The application was dismissed with costs.

Concerned with the plight of children from poor families in meeting their school fees, the President appealed to the affluent in the country to donate towards a bursary fund he had launched.

Through the bursary fund, thousands of secondary school children from poor families throughout the Republic have benefited.

Following the recent tragedy, President Moi expressed shock at the tragic death of the 19 girls students at the secondary school after a riot by male students where other girls were also raped.

The President toured the school personally and visited the girls hospitalised for injuries they received during the incident to console them.

He immediately appointed a committee to investigate the incident and report to him.

The Masongaleni land scandal has been featuring in the newspapers over the last few months.

It was sparked by the MP for Mbooni, Mr. Johnstone Makau, when he disclosed in Parliament that some leaders in the district had grabbed thousands of acres of land

who had been allocated 200 acres of land each in the scheme to defend themselves in public.

The Machakos Kanu branch chairman, who is also a nominated MP, said at the same meeting that those who were making the allegations did not know what they were saying and were ignorant of land issues.

Mr. Ngutu, who is the MP for Kaggundo, told the meeting that he had not been aware of any land scandal until he read about it in the national dailies.

The issue took a dramatic turn when the MP for Mwala, Mr. Gedion Wambua, appealed to the Government to publish a list of the allottees to expose any shady allocations.

Mr. Mutisa admitted that he had been allocated 200 acres in the scheme six years ago.

He also admitted having assisted other leaders and prominent personalities in the area to acquire land at the same scheme, although denying that he had been involved in the actual allocations.

The Eastern Provincial Commissioner, Mr. Anthony Oyer, entered the fray, saying he was responsible for the allocations, but denied that there were any irregularities in the exercise.

## Report to DC, Kizito girls told

By ALEX RUTHI

THE Eastern Provincial Education Officer, Mr. Sammy Kyungu, yesterday announced that St Kizito girls should report at the Meru District Commissioner's office accompanied by their parents tomorrow (Wednesday) at 8.00am.

Mr. Kyungu, who could not divulge why the girls were being summoned together with their parents, however, said the girls and their parents

Meanwhile, the Meru Medical Officer of Health, Mr. Augustine Mnyiri confirmed that all the 19 girls who lost their lives during the tragedy died of suffocation as revealed by the post-mortem.

The doctor said at the moment, there were only six girls who were still in the hospital recovering. Three of the six are at Tigania Hospital while the other three are at the Meru District Hospital.

A team of senior security officers, led by a Senior Assistant Commissioner of

The controversial land is reported to measure between 30,000 and 40,000 acres as have been. Only 25 per cent was trust land, meaning it was owned by the people but entrusted to the local authorities.

The controversy took yet another turn when a former councillor in the area, Mr. Bernard Katika, charged that as the Masongaleni debate gained tempo, there was panic of selling land in the area in a hurry in fear that the Government may revoke the allocations as requested by various Machakos leaders and residents.

He said the authorities concerned should ensure that the plots did not change hands until the matter was solved to avoid complicating the issue.

He called on the administration to make public the names of the allottees and the acreage allocated. But the administration declined.

Instead 11 Ukambani MPs decided to call a press conference to defend their being allocated land in the scheme. But the MPs walked out on the press when journalists started asking how much land each of them had gotten.

Mr. Obatu, who is attached to the Interpol section at the CID headquarters in Nairobi, said the officers were now going through the statements made by various people, including the boys and girls from the school, which is now closed.
