Part II

1. PURPOSE OF THE STATUTORY INSTRUMENT

1.1. The primary purpose of the Parliamentary Service (Constituency and County Offices) Regulations, 2026 is to provide a comprehensive framework for the establishment, operation, financial management, and human resource administration of constituency and county offices for Members of Parliament. Specifically, the regulations seek to:

- (i) Facilitate elected and nominated Members of Parliament in establishing suitable office spaces within their respective jurisdictions to effectively carry out their constitutional mandates.
- (ii) Provide clear procedures for the procurement and disposal of assets, budget allocations, bank account operations and financial record management.

- (iii) Provide structured mechanisms for human resource operations, including the hiring of staff, and terms of service.
- (iv) Establish smooth transitional procedures and accountability mandates when the office of a Member of Parliament falls vacant.

2. LEGISLATIVE CONTEXT

- 2.1. The Regulations are made pursuant to powers conferred by **Section 41 of the Parliamentary Service Act (Cap. 186)**, which grants the Parliamentary Service Commission (PSC) the authority to make regulations generally for the better carrying out of the provisions of the Act.
- 2.2. The instrument also draws legislative synchronization from:
 - (i) **Article 118(1)(b) of the Constitution of Kenya**, which mandates public participation and engagement in legislative processes.
 - (ii) **The Public Procurement and Asset Disposal Act (Cap. 412C) and Public Finance Management Act (Cap. 412A)**, which govern public financial prudence, asset handling, and office expenditure compliance.
 - (iii) **The Employment Act (Cap. 226)**, aligning staff regulations, contracts, and leave allocations with Kenyan statutory labor standards.
 - (iv) This Memorandum complies with **Section 5A and the Schedule of the Statutory Instruments Act**, requiring regulation-making authorities to lay out the policy background, consultation outcomes, and specific impacts of subsidiary legislation.

3. POLICY BACKGROUND

- 1.1. Pursuant to the provisions of Article 127 (6) (e) (ii) of the Constitution, Parliament enacted the Parliamentary Service Act, Cap 186 in October, 2019 which sought to repeal and replace the Parliamentary Service Act, 2000.
- 1.2. Section 41 of the Parliamentary Service Act, 2019, confers powers to the Commission to make regulations on services and facilities for members.
- 1.3. Prior to these regulations, constituency offices operated under the *Parliamentary Service (Constituency Offices) Regulations, 2005* (L.N. No. 77 of 2005). Over the last two decades, significant structural shifts have occurred, most notably the implementation of the devolved system of governance under the Constitution of Kenya, which introduced County representatives (Senators and Single County Woman Representatives).
- 1.4. Reviewing the 2005 framework became a policy priority to address:
 - (i) Inadequate governance safeguards surrounding office lease agreements, rent ceilings, and geographic accessibility.
 - (ii) Lack of technical proficiency requirements for crucial office administrative roles (e.g., procurement and accounting assistants) handling public funds.
 - (iii) Unmitigated accumulation of statutory penalties and liabilities inherited by incoming members due to improper end-of-term office handovers.
- 1.5. In light of this, the Commission has developed the Parliamentary Service (Constituency and County Offices) Regulations, 2026 to give effect to section 41 of the Parliamentary Service Act, 2019.

4. CONSULTATION OUTCOME

4.1. In line with Article 118 of the Constitution and Section 5 of the Statutory Instruments Act, the Parliamentary Service Commission carried out consultations in 2024, 2025 and 2026 as follows-

- (i) **Members' Sensitization ("Kamukunji"):** On 14th November, 2024, the Speaker of the National Assembly convened a consultative meeting where Members endorsed the initial draft text and directed extensive grass-roots staff outreach.
- (ii) **Staff Workshops:** A structured five-day workshop was held at the Kenya School of Government, Lower Kabete, from 24th to 28th November 2024, engaging 249 constituency and county office managers.
- (iii) **Written Memoranda:** The Commission received 11 memoranda from Members of Parliament alongside legal inputs generated by the National Assembly General Legislative Caucus.
- (iv) **Senate Consultations:** The draft was considered by the Senate Committee on Delegated Legislation on 26th March 2026, culminating in adjustments to safeguard incoming members from the accumulated debts of predecessors.

4.2. The Regulations have thus taken into account the views of key stakeholders such as the Members of the National Assembly, Senators and officers at the constituency and county offices, among others.

KEY AMENDMENTS MADE POST-CONSULTATION

4.3. The table below highlights modifications integrated into the final text of the 2026 Regulations based on stakeholder inputs-

Prescribed a minimum of an Accountant Technicians Diploma for account assistants, and a procurement diploma + KISM registration for procurement assistants. Inserted a sub-regulation clarifying that if statutory deduction penalties occur due to delays in Commission funding releases, the Commission bears the liability.	Fairly cushions local offices from operational bottlenecks occurring at the exchequer level.
Regulation 43 (2)	General end-of-term handovers.	Explicitly provides for the withholding of the Office Manager's final dues/gratuity if unaccounted liabilities remain.	Prevents the transmission of illicit debts and financial fraud onto incoming representatives.

5. GUIDANCE

- 5.1. CLERK OF THE SENATE/ SECRETARY TO THE PARLIAMENTARY SERVICE COMMISSION

PSC/RES/MWCR/054/2026

11th March, 2026

Mr. Mohamed Ali, M.B.S.,
Deputy Clerk of the Senate,

Ms. Eunice Gichangi, MBS.,
Deputy Clerk of the Senate,
Parliament Buildings,
NAIROBI.

REVIEW OF THE PARLIAMENTARY SERVICE (CONSTITUENCY/COUNTY OFFICES) REGULATIONS, 2025- STAKE-HOLDER ENGAGEMENT.

The Parliamentary Service Commission facilitates Members of Parliament to operate offices at the County/Constituency level to enable Members undertake their representation and other constitutional obligations. The current Regulations governing the functioning of County/Constituency offices are outdated and require review. The Parliamentary Service Commission is in the process of reviewing the Regulations and has been engaging stakeholders to receive views on the proposed Regulations.

The Parliamentary Service Commission has already received the feedback from the National Assembly and County/Constituency office managers. The Commission is yet to receive the views of Senators who are a major stake-holder when it comes to the operations of County Offices.

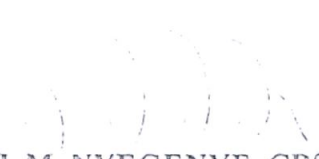

At its 188th Meeting held on 9th March, 2026, the Commission Committee on Members' Welfare considered Committee Paper No. 251A titled, *Review of the Parliamentary Service (Constituency/County Offices) Regulations, 2025- Post Public Participation* and noted that

while the input of the Senate was sought, the same has not yet been received, and resolved that-

the proposed Parliamentary Service (Constituency/County Offices) Regulations, 2025, be forwarded to the Senators for their input within fourteen (14) days before its consideration by the Commission.

This is therefore to forward to you the draft Parliamentary Service (Constituency/County Offices) Regulations, 2025 for onward transmission to Honourable Senators. Kindly request Senators to submit their views on the draft Regulations to the Office of the Clerk/Secretary, Parliamentary Service Commission by **Thursday, the 26th March 2026**.

Please take necessary action(s) to implement the above Resolution of the Committee.

Dear

**RE: COMMENTS ON THE DRAFT PARLIAMENTARY SERVICE
COMMISSION (CONSTITUENCY AND COUNTY OFFICES)
REGULATIONS, 2025**

The Committee on Delegated Legislation is established under standing order 195(1) of the Senate Standing Orders and is mandated to scrutinize statutory instruments laid before the Senate.

At a meeting held on Thursday, 26th March, 2026, the Committee considered the draft Parliamentary Service Commission (Constituency and County Offices) Regulations, 2025, and made the following observations-

1. The maximum rent provided under Regulation 6 and 14 may not account for possible rent increase by landlords. It is almost impossible for rent to remain constant over a period of 5 years. The Parliamentary Service Commission (PSC) should determine a practical anticipatory rate of rent increase to avoid unnecessary relocation due to unanticipated rent increases;
2. Regulation 43 should be amended to provide that any outstanding dues for employees and statutory deductions be borne by the Commission so that the incoming Member is not subjected to debts of the previous office holder. In addition, the Regulation should be amended to provide for the withholding of salaries of the constituency or county office manager until all payments are made;
3. The Regulations should provide for punitive measures against the constituency or county manager or the outgoing office holder for misuse of office funds and equipment as well as failure to remit statutory deductions;
4. Regulation 44 should be amended to provide that the incoming office holder also signs the handover report, and there should be specific provisions on office funds and equipment provided in the report;

5. New office managers are tasked with clearing outgoing managers; however, this is easily bypassed by avoidance and/or forgery of documents, resulting in pending liabilities after clearance. The PSC should be custodian of the contracts of the office managers to hold them accountable for any liabilities accrued by them while in office;
6. The Regulations should be amended to provide for notification of Members within 3-6 months of assumption of office, on office operations, statutory deductions among others; and
7. Some offices hand over nothing, no assets or inventory, yet receive the same amount in the furniture voucher whether or not the office assets were properly managed. In addition, office furniture and other inventory deplete with time. Proposal was made that the furniture voucher be paid at least twice within the five-year term and offices that inherited no furniture be given a special consideration under Regulation 30(2).

This is to bring to your attention the afore-mentioned observations.

Yours
