CHAIRPERSON'S FOREWORD

The County Governments Additional Allocations Bill, 2026 (Senate Bills No. 8 of 2026) was published vide a Kenya Gazette Supplement No. 61 of 16th March, 2026. The Bill was read a First Time in the Senate at its sitting held on Thursday, 2nd April, 2026. The Senate passed the Bill with amendments on Wednesday, 17th June, 2026. Consequently, the Bill was referred to the National Assembly for concurrence in line with Article 110(4) of the Constitution and standing order 161 of the Senate Standing Orders. The National Assembly considered the Bill and passed it with amendments on Tuesday, 4th August, 2026.

The Bill seeks to make provisions for transferring conditional and unconditional allocations from the national government's share of revenue, from development partners to the county governments and transfers relating to statutory allocations to counties.

The Bill, as approved by the Senate, proposed total additional allocations (conditional and unconditional) of Ksh.72.26 billion to county governments for FY 2026/27.

The National Assembly considered the Bill and proposed the following amendments-

- a) The allocation on grants for construction of county headquarters to the five counties was increased by Ksh.2 million from Ksh.523 million to Ksh.525 million;
- b) The County Aggregation of Industrial Parks (CAIPs) allocation to 13 counties was deleted. The funding would be reallocated to the State Department for Industry to facilitate equipping and operationalization of already completed CAIPs in 16 counties.
- c) The allocation to the Meru County Government towards settlement for an arbitral award was deleted. This is because the allocation was not provided in the approved budget for Financial Year 2026/27.
- d) The French Development Agency (AfD)- the Kenya Informal Settlement Improvement Project (KISIP II) allocation was increased from Ksh.400 million to Ksh.720 million.
- e) The IDA-World Bank-Water and Sanitation Development Project (WSDP) allocation of Ksh.850 million was deleted. The State Department for Water and

Sanitation submitted that the last tranche of the funding was disbursed to counties in February, 2026.

- f) The IDA-World Bank -Kenya Urban Support Project (KUSP) - Urban Institutional Grant (UIG) allocation was revised from Ksh.954.7 million to Ksh.944.7 million.
- g) The IDA-World Bank-Kenya Urban Support Project (KUSP) – Urban Development Grant (UDG) was revised upwards from Ksh.16.7 billion to Ksh. 19.8 billion.

Consequently, the Bill as approved by the National Assembly, proposes total additional allocations (conditional and unconditional) amounting to Ksh.71.10 billion for FY 2026/27 to county governments.

The message from the Speaker of the National Assembly on the passage of the Bill with amendments was received in the Senate on 6th August, 2026. Upon receipt of the message, the Speaker of the Senate referred the amendments to the Standing Committee on Finance and Budget for consideration and subsequent tabling of the report to enable the Senate consider the National Assembly amendments.

Committee Deliberations and Observations

The Committee considered the amendments from the National Assembly on the County Governments Additional Allocations Bill, 2026 (Senate Bills No. 8 of 2026) and made the following observations-

- a) The allocation from IDA-World Bank-Kenya Urban Support Project (KUSP) – Urban Development Grant (UDG) was enhanced from Ksh.16.7 billion to Ksh.19.8 billion.
- b) The deletion of allocation to CAIPs programme, amounting to Ksh.3.25 billion, was informed by the need to provide enabling infrastructure to already completed projects in 16 counties. To ensure operationalization of the projects, it is proposed that the allocation be utilised by the State Department for Industry in equipping and operationalizing already-completed parks.
- c) The allocation of Ksh.480.75 million to Meru County to settle an arbitral award was deleted. This is because the allocation was not provided for in the

approved FY 2026/27 Budget Estimates, as required by clause 5(10) of the Bill.

Committee Recommendation

Having considered the National Assembly amendments to the Bill, the Committee recommends that the Senate **approves** the County Governments Additional Allocations Bill, 2026 (Senate Bills No. 8 of 2026) as amended by the National Assembly.

THE COUNTY GOVERNMENTS ADDITIONAL ALLOCATIONS BILL, 2026
(SENATE BILLS NO. 8 OF 2026)

I. INTRODUCTION

1. The County Governments Additional Allocation Bill is prepared according to Article 190(1) and 202(2) of the Constitution. Article 202(2) provides that county governments may be given additional allocations from the national government's share of revenue, either conditionally or unconditionally. Further, Article 190(1) requires Parliament to ensure county governments are adequately supported to perform their functions through legislation.
2. A draft County Governments Additional Allocation Bill for a respective financial year is prepared and submitted alongside the Budget Policy Statement (BPS) to Parliament by the National Treasury, as required by section 191 of the Public Finance Management Act, Cap. 412A. The Act provides that a Bill making allocations under Article 202(2) of the Constitution must specify any other allocations to the counties from the National Government's share of revenue and any conditions attached to those allocations.
3. The Bill was published on 16th March, 2026 and read a First Time on 2nd April, 2026 in the Senate. The Senate considered the Bill and passed it with amendments on 17th June, 2026. Subsequently, the Bill was referred to the National Assembly for consideration pursuant to Article 110 (4) of the Constitution. The Bill was introduced in the National Assembly on 30th June, 2026. The National Assembly considered and passed the Bill, with amendments, on Tuesday, 4th August 2026. Thereafter, the Bill was referred back to the Senate for reconsideration as per Article 112(1)(b) of the Constitution.

II. THE CONTENTS OF THE BILL AS PASSED BY THE SENATE

4. The Bill as passed by the Senate contained ten clauses and three Schedules. Clauses 1 and 2 provide for the title and the interpretation of terms used in the Bill, while clauses 3 to 6 set out the specific descriptions and access criteria for allocations in the Bill across different schedules. Clauses 7 to 10 establish the governance framework for implementing the programmes, with particular attention to accounting, reporting and the maintenance of fiscal discipline.

5. The Bill proposed to allocate a total of Ksh.72.26 billion as additional funding to counties in FY 2026/27. This allocation comprises of the following: Ksh.1.98 billion from Court Fines and 20% Share of Mineral Royalties (*First Schedule*), Ksh.16.46 billion from the National Government's Share of Revenue under various projects (*Second Schedule*) and Ksh.53.82 billion from Proceeds of Loans and Grants from Development Partners for various programmes (*Third Schedule*).

Unconditional additional allocation (First Schedule)

6. In FY 2026/27, unconditional additional allocations include–

- i) **Court fines-** Ksh.148.26 million. This allocation emanates from the imposition of fines where county legislation has been contravened. The allocation is for 29 counties, with the largest share going to major urban counties such as Nairobi City County - Ksh.72.9 million, Machakos - Ksh.19.2 million, Mombasa - Ksh. 4.2 million and Uasin-Gishu - Ksh.13.9 million.
- ii) **County share of mineral royalties-** Ksh.1.83 billion. These are proceeds from mineral royalties pursuant to section 183(5)(b) of the Mining Act. Under section 183 of the Mining Act, 2016, the National Government is obligated to remit 20% of all mineral royalties collected from a county back to that county.

Conditional additional allocations from the national government's share of revenue- Second Schedule

7. These are additional allocations financed by the national government from its annual share of revenue. These funds are earmarked for a specific government programme and have conditions attached to them, some of which counties are required to meet before receiving the funds. With respect to FY 2026/27, the conditional additional allocations apply to the following programmes–
- a) **Community Health Promoters (CHPs) Programme-** Ksh.3.23 billion shared among the forty-seven (47) counties as per the number of CHPs per county. The amount is intended to supplement the county government's allocation towards

the payment of a monthly stipend to CHPs. The total number of CHPs in the country is estimated to be 107,831, and they assist in providing adequate and quality health care services to citizens under the Universal Health Coverage (UHC).

- b) **Construction of County Headquarters-** an allocation of Ksh.523 million to support the construction of county administration offices in five counties that did not have adequate facilities to accommodate the new county administration at the onset of devolution. The allocation per county in FY 2026/27 is as follows: Isiolo - Ksh.158.8 million, Lamu - Ksh.71.6 million, Tana River - Ksh95.3 million, Tharaka Nithi -Ksh.30.5 million and Nyandarua - Ksh.166.8 million.
- c) **County Aggregation and Industrial Parks (CAIPs) Programme-**with allocation of Ksh.3.25 billion to thirteen (13) counties in FY 2026/27 to apply towards the construction of County Aggregation and Industrial Parks (CAIPs) The funds were to be shared equally, with each beneficiary county receiving Ksh.250 million. Every beneficiary county is expected to provide counterpart funding of a similar amount. The beneficiary counties are Bomet, Elgeyo Marakwet, Isiolo, Kisumu, Lamu, Makueni, Mandera, Nairobi, Samburu, Taita-Taveta, Tharaka-Nithi, Turkana and West Pokot. These 13 counties constitute the final group to receive support from the national government for the construction of aggregation parks.
- d) **0.5 % Housing Levy Fund -amounting to Ksh.365.9 million** to be applied towards the county rural and urban affordable housing committees pursuant to section 11(4)(c) of the Affordable Housing Act No. 2 of 2024. The law requires the Affordable Housing Board to allocate out of the Affordable Housing Fund not less than point five percent (0.5%) of the monies to the county committees for their administration expenses. The amount is shared equally among the 47 counties, with each county receiving Ksh.7.8 million. The money will be used to cover the recurrent expenses of the respective County Rural and Urban Affordable Housing Committee.
- e) **Transitioning UHC Workers to Permanent & Pensionable Terms - Ksh.8.61 billion.** This allocation is meant to formally integrate health workers who were

brought into Universal Health Coverage roles on contract or stipend arrangements into the substantive, pensionable workforce of county governments beginning July, 2026. The allocation per county is based on the number of UHC workers to be absorbed on a permanent and pensionable basis.

- f) **Settlement of the Arbitral award of Meru County Government** - Ksh.480.75 million. This allocation is for the settlement of an estimated outstanding obligation (*principal amount and the accrued interest*) of the Arbitral award of Meru County Government. This award stems from a December, 2019 ruling on the wrongful eviction of an investor by the name Leopard Rock Mico Limited from Meru National Park, which directed the Meru County Government to pay Ksh.339.1 million at an annual interest rate of 14%.

**Conditional additional allocations from loans and grants from development partners
-Third Schedule.**

8. The Third Schedule to the Bill provides for allocations from proceeds of loans and grants from development partners amounting to **Ksh.53.82 billion**. This amount includes contributions from multiple development partners directed toward various projects across the 47 counties. The projects are as follows:

- a) French Development Agency (AfD)- the Kenya Informal Settlement Improvement Project (KISIP II) - Ksh.400 million.
- b) IDA-World Bank-The Building Resilient and Responsive Health Systems (BREHS) Programme - Ksh.2.48 billion.
- c) KfW-Financing Locally Led Climate Action Program (FLLoCA) – CCRI Grant Programme-Ksh.1.2 billion.
- d) IDA-World Bank-Financing Locally Led Climate Action Program (FLLoCA) – CCRI Grant Programme-Ksh.6.19 billion.
- e) IDA-World Bank-Food Systems Resilience Project (FSRP) - Ksh.3.9 billion.
- f) IDA-World Bank-National Agricultural Value Chain Development Project-NAVCDP - Ksh.3.5 billion.

- k) KfW (German Development Bank)-Drought Resilience Programme in Northern Kenya (DRPNK) - Ksh.853.6 million
- l) International Fund for Agricultural Development (IFAD)-Integrated Natural Resources Management Programme (INReMP) - Ksh.812.4 million
- m) IDA-World Bank-Kenya Devolution Support Programme -II (KDSP-II) Level I Grant - Ksh.1.76 billion
- n) IDA-World Bank-Kenya Devolution Support Programme II (KDSP) II Level II-Grant - Ksh.7.76 billion
- o) IDA-World Bank-Kenya Water, Sanitation and Hygiene (K-WASH) Program - Ksh.4.28 billion.
- p) IDA-World Bank-Kenya Watershed Services Improvement Project (KEWASIP) - Ksh.1.8 billion.

III. CONSIDERATION OF THE BILL BY NATIONAL ASSEMBLY

- 9. The National Assembly considered the Bill and passed it with amendments. The following is a summary of the amendments–

- a) **Deletion of the Second Schedule and replacing it with a new Schedule**

The proposed new Second Schedule is intended to effect the following amendments–

- i. An amendment to the allocation for the construction of county headquarters. This was based on the need to align the actual transfers to be made to the counties for the construction works as contained in the Budget for FY 2026/27. The total allocation to the five counties was increased by Ksh.2 million from Ksh.523 million to Ksh.525 million. The proposed allocations are as follows:

SN	County	Senate	NA	Increase or decrease
1	Isiolo	158,780,000	156,710,000	(2,070,000)
2	Lamu	71,630,000	69,630,000	(2,000,000)
3	Nyandarua	166,750,000	169,650,000	2,900,000
4	Tana River	95,340,000	100,500,000	5,160,000
5	Tharaka Nithi	30,510,000	28,510,000	(2,000,000)
	Total	523,010,000	525,000,000	1,990,000

- ii. An amendment to the allocations for County Aggregation of Industrial Parks (CAIPs). The amendment entailed deleting the entire column that contained the allocation to CAIPs. The money meant for the 13 counties was re-directed to equipping and operationalization of already completed CAIPs in 16 counties in FY 2026/27. The State Department for Industry would be in charge of operationalization and equipping the CAIPs.
 - iii. Amendment to the allocation to Meru County Government towards settlement for an Arbitral award. The rationale was that in the approved budget estimates for FY 2026/27, the amount was not factored.
- b) **Deletion of the third Schedule and replacing it with a new Schedule.** This amendment was aimed at effecting the following changes in four projects-
- i. **Kenya Informal Settlement Improvement Project (KISIP II)** – with an allocation of Ksh.400 million was enhanced to Ksh.720 million through request of the State Department for Housing and Urban Development.
 - ii. **Water and Sanitation Development Project (WSDP)** – with an allocation of Ksh.850 million was deleted from the Bill. The State Department for Water and Sanitation, through a written submission to Parliament, indicated that the final tranche of Ksh.1.935 billion under the programme was disbursed to counties in February 2026; hence there are no funds available for FY 2026/27, and the project will come to an end in October, 2026.
 - iii. **Kenya Urban Support Project (KUSP) - Urban Institutional Grant (UIG)**-with an allocation of Ksh.954.7 million. The State Department for

Housing and Urban Development proposed a downward revision of this allocation from the Ksh.954.7 million contained in the Bill, to Ksh.944.7 million. Further amendment entailed separation of the Grant component from the Loan component in the Bill. This necessitated the Bill to be amended to have a column providing for KUSP-II-UIG-Loan Revenue totaling Ksh.684.7 million and another column providing for KUSP-II-UIG—Grant Revenue totaling Ksh.260 million.

- iv. **Kenya Urban Support Project (KUSP) – Urban Development Grant (UDG)** with an allocation of Ksh.16.7 billion. The State Department for Housing and Urban Development proposed an enhancement of the allocation from the proposed Ksh.16.7 billion in the bill to Ksh.19.8 billion. Further, it was proposed that this amount be broken down into the Grant component and the Loan component. Consequently, this necessitated introduction of a new column in the Bill.

IV.COMMITTEE OBSERVATIONS

10.Having considered the amendments from the National Assembly on the Bill, the Committee made the following observations. That-

- a) The allocation from IDA-World Bank-Kenya Urban Support Project (KUSP) – Urban Development Grant (UDG) was enhanced from Ksh.16.7 billion to Ksh.19.8 billion.
- b) The deletion of allocation to CAIPs programme, amounting to Ksh.3.25 billion, was informed by the need to provide enabling infrastructure to already completed projects in 16 counties. To ensure operationalization of the projects, it is proposed that the allocation be utilised by the State Department for Industry in equipping and operationalizing already-completed parks.
- c) The allocation of Ksh.480.75 million to Meru County to settle an arbitral award was deleted. This is because the allocation was not provided for in the approved FY 2026/27 Budget Estimates, as required by clause 5(10) of the Bill.

V. RECOMMENDATION

11.In light of the foregoing, the Committee recommends that the Senate approves the County Governments Additional Allocations Bill, 2026 (Senate Bills No. 8 of 2026) as amended by the National Assembly.
