Kipkelion East NG-CDF has in the last financial year disbursed up to **Ksh. 110,179,589.00** up from **Ksh. 108,065,790.00** disbursed in the financial year 2014/15. This shows an improvement in the disbursement in the last two financial years. We have made achievements in infrastructural developments across the constituency more especially on the education and health sectors. This therefore, reflects on improved service delivery to the people of Kipkelion East.

We are however hopeful that during amendment in the NG-CDF Act, there will be increased disbursement to the NG-CDF from 2.5% to 5% since it is evident that NG-CDF has since been a success in developments at the grass root level.

The challenges we face mostly is delays in preparation of Bills of Quantity by line Ministry thus delaying the process of cheque preparation. We are thus looking forward to ensuring accountability in project management as well as increased disbursement of funds to all the approved projects in time.

Thank you.

OFFICE OF THE AUDITOR-GENERAL

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND-KIPKELION EAST CONSTITUENCY FOR THE YEAR ENDED 30 JUNE 2016

REPORT ON THE FINANCIAL STATEMENTS

I have audited the accompanying financial statements of National Government Constituencies Development Fund – Kipkelion East set out on pages 5 to 24, which comprise the statement of financial assets and liabilities as at 30 June 2016, and the statement of receipts and payments, statement of cash flows, summary statement of appropriation for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of the audit.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair representation of these financial statements in accordance with the International Public Sector Accounting Standards (Cash Basis) and for such internal control as management determines is necessary to enable preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

Auditor-General's Responsibility

My responsibility is to express an opinion on the financial statements based on the audit and report in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229 of the Constitution. The audit was conducted in accordance with the International Standards of Supreme Audit Institutions. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the

Report Of the Auditor-General on the Financial Statements of National Government Constituencies Development Fund - Kipkelion east Constituency for the year ended 30 June 2016

financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Basis for Qualified Opinion

1. Compensation to Employees

The statement of receipts and payments for the year ended 30 June 2016 reflects compensation of employee's balance of Kshs.1,992,592. However, this amount was not in agreement with the payroll summary figure of Kshs.2, 250,344 resulting in unexplained and unreconciled difference of Kshs.257,752. In the circumstance, the accuracy and completeness of the reported balance of Kshs.1,992,592 could not be confirmed.

2. Bursary

The statement of receipts and payments for the year ended 30 June 2016 reflects other grants and transfers of Kshs.38,826,662 . Included in this amount are bursary disbursements to secondary schools and tertiary institutions of Kshs.13,120,218 and Kshs.8,345,999 as revealed by note 8. However, only bursary disbursements totaling Kshs.7,218,477 were acknowledged leaving a balance of Kshs.14,247,740 not acknowledged by the beneficiaries. In the circumstance, accuracy and completeness of other grants and other transfers balance of Kshs.38,826,662 could not be confirmed.

Qualified Opinion

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund – Kipkelion East Constituency as at 30 June 2016, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the National Government Constituencies Development Fund Act, 2015.

Other Matter

1. Bank Balance

The statement of assets as at 30 June 2016 reported a bank balance of Kshs.37,994,253. Examination of bank reconciliation statement in support of this balance revealed unrepresented cheques of Kshs.21,101,140. Included in this amount are cheques totalling Kshs.727,430 dating back to April 2014 which have not been presented to the bank thereby becoming stale. No reversal has been done in the cash book. In the

circumstance, the accuracy and validity of the bank balance of Kshs.37,994,253 as at 30 June 2016 could not be confirmed.

2. Budgetary Performance

According to the summary statement of appropriation the fund final budget was Kshs.149,473,842 compared to the total expenditure of Kshs.110,179,589 resulting to unspent balance of Kshs.39,294,253. Consequently, the absorption of funds against the final budgeted fund was seventy four percent. (74%) The under absorption implies delay in implementation of projects and failure to provide public services to the constituents.

X. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the *NG-CDF* and all values are rounded to the nearest shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the *NG-CDF*.

2. Recognition of revenue and expenses

The *NG-CDF* recognises all revenues from the various sources when the event occurs and the related cash has actually been received by the *NG-CDF*. In addition, the *NG-CDF* recognises all expenses when the event occurs and the related cash has actually been paid out by the *NG-CDF*.

3. In-kind contributions

In-kind contributions are donations that are made to the *NG-CDF* in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the *NG-CDF* includes such value in the statement of receipts and payments both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For

the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.
