I. KEY SCHOOL INFORMATION AND MANAGEMENT

(a) Background information

The school is domiciled in Kenya and its operations are governed under the Basic Education Act, 2013. It is located in Kiambu County, Githunguri Sub-County

The school was registered in 24th February, 2010 under registration number GP/A/4/8196/10 and is currently categorized as a sub county public school established, owned or operated by the Government.

The school is a day/boarding school and had 368 number of students as at 30th June 2022. It has 2 streams and 20 teachers of which 3 teachers are employed by the School Board Of Management.

(b) School Board of Management - Board Members

The School Board of Management established under Section 55 of the Basic Education Act, 2013; is composed of the following members:

Ref:	Name of Board Member	Designation	Date of appointment
1	Bishop Peter Karanja	Chairman	7th March, 2022
2	Mr. Kabau Robert	Secretary - Principal	7th March, 2022
3	Mrs. Keziah Ruguru	Member	7th March, 2022
4	Mr. John Mbugua Ngaii	Member	7th March, 2022
5	Mrs. Elizabeth Njeri Ngere	Member	7th March, 2022
6	Mrs. Deborah Wairimu Kirori	Member	7th March, 2022
7	Mr. Stephen Ndirangu kamau	Member	7th March, 2022
8	Mr. Timothy Kariuki Mutuota	Member – Rep CEB	7th March, 2022
9	Mr. Samuel Mucheru	Member Rep Teachers	7th March, 2022
10	Mrs. Margaret Maina	3 Members - Sponsor	7th March, 2022
11	Mr. Samuel Kimani Kamau	Member - Community	7th March, 2022
12	Mrs. Charity Njambi Kagiri	Member Special Needs	7th March, 2022
14	Mrs. Hannah Njeri Ng'ang'a	Member	7th March, 2022
15	Joel Mbuthi	Rep Students	7th March, 2022

KEY SCHOOL INFORMATION AND MANAGEMENT (Continued)

The function of the School Board of Management include:

- Promote the best interests of the School and ensure its development.
- Promote quality education for all pupils in accordance with the standards set under the Basic Education Act, 2013
- Ensure and assure the provision of proper and adequate facilities for the School
- Manage the School's affairs in accordance with the rules and regulations governing occupational safety and health.
- Advise the County Education Board on the staffing needs of the School.
- Determine cases of pupils discipline and make reports to the CEB
- Prepare comprehensive termly report on all areas of its mandate and submit the report to CEB
- Administer and manage the resources of the School

III. STATEMENT OF SCHOOL MANAGEMENT RESPONSIBILITY

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, each National Government School shall prepare financial statements in respect of that school. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed by the Public Sector Accounting Standards Board of Kenya from time to time.

Schedule 4 (Section 23) of the Education Act, 2013 requires the Board of Management of a public institution of basic education to be keep all proper books and records of accounts of the income, expenditure and assets of the institution.

The Board of Management of Githunguri Tech.& Sec.School accepts responsibility for the school's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS).

The Board of Management is of the opinion that the school's financial statements give a true and fair view of the state of the school's transactions during the financial year ended 30th June, 2022, and of the school's financial position as at that date.

REPORT OF THE AUDITOR-GENERAL ON GITHUNGURI TECHNICAL AND SECONDARY SCHOOL FOR THE YEAR ENDED 30 JUNE, 2022 - KIAMBU COUNTY

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment and the internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Githunguri Technical and Secondary School - Kiambu County set out on pages 1 to 15, which comprise of the statement of financial assets and financial liabilities as at 30 June, 2022, and the

statement of receipts and payments, statement of cash flows and the statement of budgeted versus actual amounts for the year then ended and, a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Githunguri Technical and Secondary School - Kiambu County as at 30 June, 2022, and of its financial performance and its cash flows for the year then ended, in accordance with the International Public Sector Accounting Standards (Cash Basis) and comply with the Basic Education Act, 2013 and the Public Finance Management Act, 2012.

Basis for Qualified Opinion

1. Unexplained Variances in Capitation Grants for Tuition

The statement of receipts and payments and Note 1 to the financial statements reflects tuition capitation grants of Kshs.1,268,475. However, an audit of the tuition bank account statement and cash book revealed capitation grants received during the year of Kshs.1,123,635, resulting in an unexplained variance of Kshs.144,840.

In the circumstances, the accuracy and completeness of capitation grants for tuition of Kshs.1,268,475 could not be confirmed.

2. Unsupported Bank Balances

The statement of financial assets and financial liabilities and Note 8 to the financial statements reflects bank balances of Kshs.277,811. Included in the balance are tuition, school fund, and savings account balances of Kshs.3,117, Kshs.36,262, and Kshs.14,313, respectively. These differ from the cash book balances of Kshs.288,970, Kshs.132,329, and Kshs.12,814, leading to unexplained variances of Kshs.285,853, Kshs.96,067, and Kshs.1,499.

In the circumstances, the completeness and accuracy of the bank balances of Kshs.277,811 could not be confirmed.

3. Unbalanced Statement of Budgeted versus Actual Amounts

The statement of budgeted versus actual amounts reflects budgeted receipts and payments figures for the year under review. However, the grand totals for income and expenditure were not indicated resulting in unbalanced budget. No explanation was given for the anomaly.

In the circumstances, the accuracy and completeness of the statement of budgeted versus actual amounts could not be confirmed.

4. Accounts Receivables

4.1 Unsupported Accounts Receivables

The statement of financial assets and financial liabilities reflects accounts receivable balance of Kshs.1,951,076 as disclosed in Note 11 to the financial statements. However, the supporting schedules, detailed aging analysis and issued invoices were not provided for audit review.

In the circumstances, the accuracy of the accounts receivables balance of Kshs.1,951,076 could not be confirmed.

4.2 Long-Outstanding Receivables

The statement of financial assets and financial liabilities reflects accounts receivables balance of Kshs.1,951,076 in respect of fee arrears as disclosed in Note 11 to the financial statements. Included in the balance are receivables amounting to Kshs.1,712,319 which had been outstanding for more than two (2) years. However, there was no policy on the impairment of long outstanding fees arrears casting doubt on the fair statement of the accounts receivables balance.

In the circumstances, the accuracy and full recoverability of the outstanding receivables balance of Kshs.1,951,076 could not be confirmed.

4.3 Unsupported Accounts Payables

The statement of financial assets and liabilities and Note 11 to the financial statements reflects accounts payables balance of Kshs.2,900,566. The balance includes amounts totalling Kshs.802,265 which was not supported with schedules and demand invoices. Further, amounts totalling Kshs.1,126,712 was outstanding for more than two (2) years.

In the circumstances, the accuracy and completeness of the balance of Kshs.2,900,566 could not be confirmed.

The audit was conducted in accordance with the International Standards for Supreme Audit Institutions (ISSAIs). I am independent of the Githunguri Technical and Secondary School Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Unresolved Prior Year Matters

In the audit report of the previous year, several issues were raised under the Report on Financial Statements, Report on Lawfulness and Effectiveness in use of Public Resources, and Report on Effectiveness of Internal Controls, Risk Management and Governance. However, Management had not resolved the issues as at 30 June, 2022.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution and based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Uncollected Kenya Certificate of Secondary Education Certificates

Analysis of the School's records revealed that as at the end of the year, 577 Kenya Certificate of Secondary Education (KCSE) Certificates were uncollected. This is contrary to Section 10(1)(b) of the Kenya National Examination Council (KNEC) Act, 2012 which outline the function of examination body and prohibits schools from withholding certificates for any candidate.

In the circumstances, Management was in breach of the law.

2. Failure to Transfer Maintenance and Improvement Funds to Infrastructure Account

Review of the operation bank account statement revealed that total capitation grants received for operations was Kshs.5,538,846, out of which, Kshs.2,005,000 was to be transferred to the infrastructure account as approved by the Ministry of Education. However, only Kshs.1,475,000 was transferred resulting to unexplained non-transfer of funds amounting to Kshs.530,000. This is contrary to Regulation 54(1) of the Public Finance Management (National Government) Regulations, 2015, which states that an Accounting Officer of an entity may not authorize payments to be made out of funds earmarked for specific activities for purposes other than those activities.

Further, maintenance and improvement funds of Kshs.1,475,000 were not transferred to the infrastructure bank account within the fifteen (15) days upon the receipt of the funds as required by the Ministry of Education Circular referenced MOE.HQS/3/13/3 of 16 June, 2021, which requires that infrastructure grants as well as maintenance and

improvement funds should be transferred to the school infrastructure account fifteen (15) days upon receipt of the funds in the operations account.

In the circumstances, Management was in breach of the law.

3. Irregular Cash Withdrawals

Review of the bank statement revealed cash withdrawals amounting to Kshs.2,749,597 during the financial year. However, the cash withdrawals were not supported with payment vouchers, standing imprest warrants, imprest register; approval letters; and memorandum cash books. This is contrary to Regulation 100 of the Public Finance Management (National Government) Regulations, 2015 which states that Accounting Officers shall keep in all offices concerned with receiving cash or making payments a cash book showing the receipts and payments and shall maintain such other books and registers as may be necessary for the proper maintenance and production of the accounts for which he or she is responsible.

In the circumstances, Management was in breach of the law.

4. Irregular Transfer of Funds to Kenya Secondary School Heads Association

The statement of receipts and payments and Note 6 to the financial statements reflects payments for operations of Kshs.6,373,821. The payments include transfer of Kshs.625,330 to the Kenya Secondary School Heads Association (KESSHA). However, the payments were unauthorised as they were not budgeted for, contrary to Regulation 54(1) of the Public Finance Management (National Government) Regulations, 2015 which states that an Accounting Officer of an entity may not authorize payment to be made out of funds earmarked for specific activities for purposes other than those activities.

Further, KESSHA is a welfare organization that draws its membership from School Principals only. The organization is not defined in Government funding system and there is no assurance that it has implemented effective, efficient and transparent financial management and internal control systems to manage the funds transferred by schools.

In the circumstances, value for money transferred to KESSHA amounting to Kshs.625,330 could not be confirmed.

5. Lack of Procurement Function

Review of the School's organization structure revealed that the School did not have a procurement function. This is contrary to Regulation 37(1) of the Public Procurement and Asset Disposal Regulations, 2020 which states that a procuring entity shall establish a procurement function in accordance with Section 47 of the Act. Further, the procurement functions were being performed by the Bursar resulting in the lack of segregation of duties in terms of procurement and making of payments.

In the circumstances, Management was in breach of the law.

6. Failure to Refund Caution Money to Students

The statement of financial assets and financial liabilities reflects account payable balances of Kshs.2,900,566, which include caution money balance of Kshs.662,478. However, since the abolishment of caution money levies by the Ministry of Education (MOE) as per Circular referenced MOE/HQS/3/13/3 of 16 June, 2021, the School is yet to refund caution monies to its former students.

Further, the school fund bank account balances as at 30 June, 2022 of Kshs.36,262 were insufficient to cover the caution money of Kshs.662,478, implying that caution monies were diverted to other purposes. This is contrary to Regulation 54(1) of the Public Finance Management (National Government) Regulations, 2015 which requires that an Accounting Officer of an entity may not authorize payment to be made out of funds earmarked for specific activities for purposes other than those activities.

In the circumstances, Management was in breach of the law.

7. Undisbursed Capitation Grants

Review of the Ministry of Education capitation data revealed that the school received capitation (Operations and Tuition) grants during the year ended 30 June, 2022 amounting to Kshs.7,385,481 for 376 students, translating to capitation per learner of Kshs.19,642. This was below the approved capitation per student of Kshs.22,244 by Kshs.2,602 as prescribed by the Ministry of Education Circular referenced MOE/HQS/3/13/3 of 16 June, 2021 which prescribed the approved Free Day Secondary School Education (FDSE) Capitation grants to schools.

In the circumstances, capitation grants of Kshs.978,352 were undisbursed to the School by the Ministry of Education.

8. Unapproved Fee Structure

Review of the school records revealed that the fee per student per academic year was Kshs.12,000. However, the fee structure had not been approved by the Cabinet Secretary, Ministry of Education, contrary to Regulation 44 of the Basic Education Regulations, 2015 which states that no public school or institution shall issue alternative fee structures other than those approved by the Cabinet Secretary.

In the circumstances, Management was in breach of the Ministry of Education Circular.

9. Non-Compliance with the Public Sector Accounting Standards Reporting Template

The financial statements presented for audit did not include all information provided in the format prescribed and published by the Public Sector Accounting Standards Board (PSASB) as follows;

- i. The financial statements were prepared and endorsed by the Bursar who is neither Certified Public Accountant of Kenya nor a member of the Institute of the Certified Public Accountants of Kenya (ICPAK).

- ii. The cover page is incorrectly numbered.
- iii. The table of contents is not titled and no page header in Page i.
- iv. The statement of receipts and payments does not disclose a note explaining that the prior year (2021) results relates to a period of six (6) months, and therefore, the information is not comparable.
- v. Page numbering from the statement of budgeted versus actuals to the progress on follow-up of auditors recommendations not following the correct sequence.
- vi. Note numbering in the statement of financial assets and financial liabilities is not consistent with the actual numbering in the notes section of the financial statements.
- vii. The basis for the preparation of the statement of cash flows not disclosed.
- viii. Excluded from the Annual Report and Financial Statement is the Annexures section that contain Annex 1 on the Summary of the Accounts Payable and Annex 2 on the Summary of the fixed Asset Register.
- ix. The statement of budgeted versus actual amounts is incomplete as it does not present budgeted total receipts and payments, and disclosure notes explaining budget utilization.

In the circumstances, Management was in breach of the PSASB Guidelines. Further, lack of relevant information may affect user's reliance on the financial statements for decision-making.

10. Late Submission of Financial Statements for Audit

During the year under review, Management submitted the financial statements to the Auditor-General on 14 April, 2023 instead of the statutory deadline of 30 September, 2022. This was contrary to Section 81(4) of the Public Finance Management Act, 2012 which requires that not later than three (3) months after the end of each financial year, the Accounting Officer for the entity shall submit the entity's financial statements to the Auditor-General.

In the circumstances, Management was in breach of the law.

The audit was conducted in accordance with the ISSAI 4000. The Standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON THE EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015 and based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

1. Lack of Information Technology Internal Controls

Review of the information systems revealed that the School's computers were not installed with antivirus software and accounting system (SCHACCS Software) used was not up-to-date and could not generate historical information. Inspection of the server room revealed that access to the room is not restricted. Further, the School did not have an approved IT security policy and a disaster recovery plan in place.

In the circumstances, the School's data confidentiality, integrity and availability could not be confirmed.

2. Unexplained Variances in Student Enrollment Data

Review of the enrollment data revealed that the School had 368 students during the financial year under review. However, data obtained from the National Education Management Information System (NEMIS) portal revealed that the School had 380 students resulting to an unreconciled variance of 12 students. The variance resulted to an overfunding of capitation grants by Kshs.234,768.

In the circumstances, the overfunding was irregular and resulted to inequitable distribution of capitation grants between schools.

3. Excess Supply of Text Books

Audit of text books revealed that during the year ended 30 June, 2022, the School had a total of 98 students in Forms 3 and 4. However, the 101 books titled "Bembea ya Maisha", "An artist of the Floating World" and "Mapambazuko ya Machweo" delivered were in excess of the student population resulting to oversupply of 3 books. Further, physical inspection of the book store also revealed that the storage of the text books is a challenge for the School because of the big volumes of books delivered by the Ministry of Education.

In the circumstances, School books were prone to misuse, loss and damages.

4. Excluded Asset Register Summary

Excluded from the Annual Report and Financial Statements is Annex 2 on the summary of the fixed asset register. As a result, the category, location and historical cost of assets

owned by the School such as land, motor vehicle, buildings, computers and intangible assets could not be confirmed. Further, the School's asset register did not indicate the assets' serial numbers, make and model, location, and condition. Also, movable physical assets such as computers, tables and chairs were not tagged.

In the circumstances, the effectiveness of controls on asset management could not be confirmed.

5. Lack of Functional Committees of the Board

The Key School Information and Management section of the Annual Report and Financial Statements discloses six (6) permanent committees of the Board of Management out of which none held any meeting during the financial year under review.

In the circumstances, the effectiveness of governance by the Board of Management could not be confirmed.

The audit was conducted in accordance with the (ISSAIs) 2315 and 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the School's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the School or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in-compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the School's financial reporting process, reviewing the effectiveness of how Management monitors compliance

with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal controls in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal controls would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the School's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the School to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the School to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

VIII. SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting and applicable government legislations and regulations. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprest, salary advances and other receivables and b) payables that include deposits and retentions and payables from operations.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of Githunguri Tech. & sec. school and all values are rounded to the nearest Kenya Shilling (Kshs). The accounting policies adopted have been consistently applied to all the years presented.

2. Recognition of receipts and payments

Githunguri Tech. & Sec. School recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the school. In addition, the school recognises all expenses when the event occurs and the related cash has actually been paid out by the school.

3. In-kind contributions

In-kind contributions are donations that are made to Githunguri Tech. & Sec. School in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the school includes such value in the statement of receipts and payments both as a receipt and as a payment in equal and opposite amounts; otherwise, the contribution is not recorded.

4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various financial institutions at the end of the financial year.

**GITHUNGURI TECHNICAL AND SECONDARY SCHOOL
PUBLIC SECONDARY SCHOOL**

Annual Report and Financial Statements

For the year ended 30th June 2022

SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as expenditure when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

6. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and agencies. Other liabilities including pending bills are disclosed in the financial statements. Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years.

7. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the school fixed asset register a summary of which is provided as a memorandum to these financial statements.

8. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The school's budget was approved by the School Board of Management. A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

9. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

10. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2022.
