4. Fund Chairperson's Report

Section 164 of the Public Finance Management Act 2012, requires the county governments to prepare financial statements with respect to the entity by 30th September each year and submit the same to the Auditor General with copies to the County Treasury, OCOB, CRA and the National treasury.

In view of the above, it is my pleasure to present the Wajir County Disaster Management Fund's financial statements for the period ending 30th June 2025. The financial statements present the financial performance of the County Disaster Management on the just concluded fiscal year. The Statements are prepared in accordance with accrual basis of accounting method under the international public sector Accounting Standards (IPSAS)

The statements presented include a statement of Receipts and Payments, a statement of Assets and Liabilities, Cash flow statement, Statement of Comparative Budget and Actual Amounts and Notes to the Financial Statements.

The Financial Year 2024/2025 was the twelfth full financial year under the devolved governance structure after the count government came into office since March 2013.

Mohamed Hassan Hussein

CECM FIANCE AND ECONOMIC PLANNING

COUNTY GOVERNEMNT OF WAJIR

Wajir County Disaster Management Fund
Annual Report and Financial Statements for the year ended June 30, 2025

5. Report of the Fund Administrator

The Fund formed pursuant to Wajir County Disaster Management Act, 2014 (Revised 2019) to provide for resources to handle situation of urgent need for expenditure to alleviate human suffering or loss of life and destruction of property in instances where there is no budgetary allocation under ordinary county appropriation and the expenditure cannot be deferred.

This report is prepared and submitted to the county in accordance with the provisions of section 164 of the PFM ACT, 2012.

The County Government of Wajir set aside Ksh. 200,000,000 (Two hundred Million) for allocation to Wajir County Disaster Management Fund during the financial year 2024/2025 in order to protect the lives of the communities and to cushion them from the vagaries of food insecurity. The County has prioritized emergency procurement of Food targeting the vulnerable households across the county.

This intervention has high and immediate impacts that include improved food consumption score and reduction in Malnutrition rates.

The summary of receipts and payments are in the tables below:

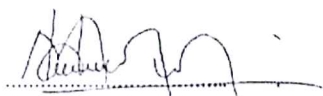

Receipts

Description	Budget Ksh	Actual Ksh	Variance Ksh
County Executive Allocation	200,000,000	200,000,000	-
Previous bal b/f	153,015	153,015	
Total	200,153,015	200,153,015	-

Payments

Description	Budget Ksh	Actual Ksh	Variance Ksh
Emergency Expenses	200,153,015	199,939,147	213,868
Total	200,153,015	199,939,147	213,868

During the year, Ksh 199,939,147 was incurred in mitigating the effects of food insecurity within the county. A balance of Ksh 213,868 is carried forward to the subsequent year.

6. Statement of Performance against the County Fund’s Predetermined Objectives

Introduction

Section 164 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting officer when preparing financial statements of each County Government entity Government entities in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the county government entity’s performance against predetermined objectives.

Wajir County has a vision to be

‘A Secure, Resilient and Globally Competitive First Class County in Service Delivery for All’
This vision will be achieved through the county’s strategic objectives in the various sectors listed here after.

The County Government prepared the third generation CIDP 2023-2027 which is the county development blue print. Tracking of programmes and projects implementation status is done through a number of activities including: field inspection reports, quarterly M&E reports and annual M&E reports. Annual reports are carried out as per Section 164 (2) (f) of the Public Finance Management Act, 2012.

The County Government of Wajir plans to undertake a CIDP Mid-Term Review during the current Financial Year. Similarly, we also prepare County Annual Progress Reports (C-APR) on Yearly basis from the data collected during the M & E exercise. Yet, the County has developed a Counter Indicator Handbook from the Wajir CIDP 2023-2027 Indicator that is used to review performance outcomes against the CIDP target outcomes.

Progress on the attainment of strategic development objectives.

For purposes of implementing and cascading the development objectives to specific sectors, all the development objectives were made specific, measurable, achievable, realistic and time-bound (SMART) and converted into development outcomes. Attendant indicators were identified for reasons of tracking progress and performance measurement. Below we provide the progress on attaining the stated objectives:

Programme 2: Disaster Management						
Objective: To reduce the effects of disasters to the community						
Outcome: Improved resilience to disasters in the county						
Sub-Program	Key Outputs	Key performance	Baseline	Planned	Achieved	Remarks
Disaster Risk management and Humanitarian Coordination	Vulnerable Households supported with Cash Transfer/in-kind	Number of Households received cash transfer/in-kind	25,000	25,000	12,000	Vulnerable Households supported with in-kind with Emergency food supplies

Wajir County Disaster Management Fund
Annual Report and Financial Statements for the year ended June 30, 2025

7. Corporate Governance Statement

The Wajir County Disaster Management Fund is made up of 7 Administration Committee members. Members meet to deliberate on the performance of the management team by evaluating and considering Disability assistance to the people living with disabilities. The committee members are not remunerated from the fund but paid sitting allowances based on the Budget allocation and as per the act. In the coming years we will be able to report on the governance structure based on:

- a) Number of Fund Administration Committee meetings held and the attendance to those meetings by members,
- b) Succession plan,
- c) Existence of a service charter,
- d) Process of appointment and removal of board/ Administration Committee members,
- e) Roles and functions of the Administration Committee members,
- f) Induction and training, Administration Committee members and member's performance,
- g) Conflict of interest,
- h) Board remuneration,
- i) Ethics and conduct as well as governance audit undertaken if any.

**Wajir County Disaster Management Fund
Annual Report and Financial Statements for the year ended June 30, 2025**

8. Management Discussion and Analysis

The Wajir County Disaster Management Fund received a disbursement of Ksh 200,000,000 during the year, which was disbursed in response to support the initiatives for food security. The bank accounts had an opening balance of Ksh 152,535. During the financial year, the total expenditure amounted to Ksh 199,939,147 which was equivalent to 100% performance.

Below is graphical representation of financial performance of the Disaster Management Fund for the Financial Year 2024/2025.

9. Environmental and Sustainability Reporting

1. Sustainability strategy and profile

The Wajir County Development Agenda is informed by the need to increase and expand sustainable development opportunities and build people's capacities to enable them create wealth and transform their lives for growth and prosperity. The County Envisions being a competitive, industrialized and socio-economically self-sustaining and securing county. This will be attained by providing quality and efficient services through innovative and sustainable utilization of resources for a better quality of life to all citizens of Wajir County. This is what the county intends to attain and sustain it through creation of a county culture anchored on; Transparency; Inclusiveness and Equity; Empowerment; Quality and result oriented in provision of the county services.

2. Environmental performance

As outlined in the County 2023-2027 CIDP, Environment is one of the key thematic areas that the county has put a lot of focus in its developments agenda. Land is a natural resource which can be sustainably used to satisfy man's unlimited needs and wants as long as the concept of scarcity is recognized. Cognizant of the need for responsible land use for environmental sustainability, The County has developed a number of policies, programmes and structures guiding environmental matters within the County.

3. Employee welfare

Wajir County Recognises the value of its employees in the implementation and long term sustainability of its development strategy. As a result, it has always ensured a fair recruitment process where competences and qualification has been key in hiring of its employees to ensure value from its human resource. All recruitments observe the one third Gender rule and the inclusivity. All senior management staff from the level of county directors and above are placed under performance Contract while the junior staff are under performance Appraisal system.

This is aimed at inculcating a results culture and also helps to identify skills Gap for capacity building and future development the County staff as they inform approvals for Promotion and training for carrier growth. For a better and health work force, the county has also placed all staff under a medical cover which on terms as provided by the Salaries and Remuneration Commission's guideline of Employee Medical benefits.

4. Market place practices

The County embraces diversity and offers services to all county residents without discrimination. All county fees and charges are levied after wide consultation with the citizens through public participation.

5. Community Engagements

The County has been engaging its citizens in all its development programmes through public participation in all the county plans, Budget and legislations. This participation ensures that the views of the citizen are included from planning to implementation stages. Participation is done by the county through its established participation structures such as, the County Budget and Economic Forum, The County Citizen education and Civic Education Unit etc.

The Auditor General is responsible for the statutory audit of the Fund in accordance with Article 229 of the Constitution of Kenya and the Public Audit Act 2015

By Order of the Board

Date: 18/08/2025

Chairman,

Wajir County Disaster Management Fund

Wajir County Disaster Management Fund
Annual Report and Financial Statements for the year ended June 30, 2025

11. Statement of Management's Responsibilities

Section 167 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Administrator of Wajir County Disaster Management Fund established by the Wajir County Disaster Management Act, 2014 (Revised 2019) shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Administrator of Wajir County Disaster Management Fund is responsible for the preparation and presentation of the Fund's financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the financial year ended on June 30, 2025. This responsibility includes:

- (i) Maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period;
- (ii) Maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Fund;
- (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud;
- (iv) Safeguarding the assets of the Fund;
- (v) Selecting and applying appropriate accounting policies; and
- (vi) Making accounting estimates that are reasonable in the circumstances.

The Administrator of Wajir County Disaster Management Fund accepts responsibility for the Fund's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 and the Wajir County Disaster Management Act, 2014 (Revised 2019).

The Administrator of the Fund is of the opinion that the Fund's financial statements give a true and fair view of the state of Fund's transactions during the financial year ended June 30, 2025, and of the Fund's financial position as at that date. The Administrator further confirm the completeness of the accounting records maintained for the Fund, which have been relied upon in the preparation of the Fund's financial statements as well as the adequacy of the systems of internal financial control.

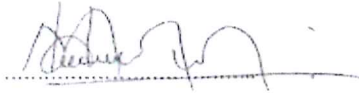

Wajir County Disaster Management Fund
Annual Report and Financial Statements for the year ended June 30, 2025

In preparing the financial statements, the Administrator of the County Public Fund has assessed the Fund's ability to continue as a going concern and disclosed, as applicable, matters relating to the use of going concern basis of preparation of the financial statements.

Nothing has come to the attention of the Administrator to indicate that the Fund will not remain a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

The Fund's financial statements were approved by the Board on 18th August 2025 and signed on its behalf by:

Mohamed Hassan Hussein
Administrator of the Wajir County disaster Management Fund

REPORT OF THE AUDITOR-GENERAL ON WAJIR COUNTY DISASTER MANAGEMENT FUND FOR THE YEAR ENDED 30 JUNE, 2025

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements;
- B. Report on Lawfulness and Effectiveness in the Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose; and,
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

A Qualified Opinion is issued when the Auditor-General concludes that, except for material misstatements noted, the financial statements are fairly presented in accordance with the applicable financial reporting framework. The Report on Financial Statements should be read together with the Report on Lawfulness and Effectiveness in the Use of Public Resources and the Report on Effectiveness of Internal Controls, Risk Management and Governance

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Wajir County Disaster Management Fund set out on pages 1 to 16, which comprise of the statement of financial position as at 30 June, 2025 and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget

Report of the Auditor-General on Wajir County Disaster Management Fund for the year ended 30 June, 2025

and actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Wajir County Disaster Management Fund as at 30 June, 2025 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Wajir County Disaster Management Act, 2014 and the Public Finance Management Act, 2012.

Basis for Qualified Opinion

Unsupported Emergency Expenditure

The statement of financial performance reflects emergency expenditure of Kshs.199,933,600. However, Management did not provide documentary evidence in support of formal declaration of a state of emergency by the Governor, as required under Section 12(a) of the Wajir County Disaster Management Act, 2014 which provides that a disaster exists when the Governor declares, by notice, that an emergency exists after receiving advice from the Committee with the approval of the County Assembly that a disaster has occurred. In the absence of evidence of existence of a disaster, it was not possible to confirm whether funds appropriated to the fund were utilized for the indented purpose.

In the circumstances, the occurrence and validity of expenditure amounting Kshs.199,933,600 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Wajir County Disaster Management Fund Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Other Matter

Unresolved Prior Year Matters

In the prior year audit reports three issues under Report on Lawfulness and Effectiveness in Use of Public Resources were raised. These included; lack of notice of emergency, failure to enact Fund Regulations and prepare Disaster Management Plan and lack of Disaster Management Committee. Review of the status during audit of the Fund in 2024/2025 revealed that the issues remained unresolved.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. Except for the effects of the matter described in the Basis for Qualified Opinion section, I have determined that there are no other key audit matters to communicate in my report.

Other Information

The Management is responsible for the Other Information set out on page iii to xvii which comprise of Key Entity Information and Management, Management Team, Report of the Fund Administrator, Statement of Performance Against Predetermined Objectives Corporate Governance Statement, Management Discussion and Analysis, Environmental and Sustainability Reporting, Report of the Fund administration committee and Statement of Management Responsibilities. The Other Information does not include the financial statements and my audit report thereon.

In connection with my audit on the Fund's financial statements, my responsibility is to read the Other Information and in doing so, consider whether the Other Information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work I have performed, I conclude that there is a material misstatement of this Other Information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the Other Information and accordingly, I do not express an audit opinion or any form of assurance conclusion thereon.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN THE USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the effect of the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in the Use of Public Resources section of my report, I confirm that nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Failure to Prepare Disaster Management Plan

Management did not provide evidence that Disaster Management Plan was prepared and approved for the period under review, as required under Section 9(1) of the Wajir County Disaster Management Fund Act, 2014 which provides that the directorate on disaster management shall prepare the County Disaster Management plan which shall be reviewed and updated annually.

In the circumstances, Management was in breach of the law.

2. Operation of the Fund After Lapse of the Lifespan

The Wajir County Disaster Management Fund was established by the Wajir County Disaster Management Act, 2014. This implies that as at 30 June, 2025 the Fund was operational for more than ten (10) years. Regulation 197(1)(i) of the Public Finance Management (County Governments) Regulations, 2015 provides that the initial approval for establishment of a County Public Fund shall be for a maximum period of ten (10) years, beyond which the County Executive Committee and County Assembly approvals shall be sought. Management did not provide evidence to confirm that approval was sought.

In the circumstances, Management was in breach of the law.

3. Irregular Constitution of the Disaster Management Committee

Review of the Disaster Risk Management Committee's composition revealed that its constitution did not include the County Commissioner, the County Executive Committee Member (CECM) responsible for environmental matters, the County Liaison Officer of the Kenya Red Cross Society (or a representative of an auxiliary humanitarian organization), and two (2) representatives of non-state actors. No satisfactory explanation was provided for the omission of these mandatory members as stipulated under Section 4(1) of the Wajir County Disaster Management Act, 2014 which provides for establishment of a committee to be known as the Disaster Management Committee comprising of among others the County Commissioner, the CECM responsible for environmental matters, the County Liaison Officer of the Kenya Red Cross Society.

In the circumstances, Management was in breach of the law. In addition, the regularity of decisions made by the Disaster Management Committee could not be confirmed.

The audit was conducted in accordance with ISSAI 3000 and ISSAI 4000. The standards require that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON THE EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015 and based on the audit procedures performed, I confirm that nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of the Management and the Fund Administration Committee

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them and that public resources are applied in an effective way.

The Fund Administration Committee is responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the International Standards of Supreme Audit Institutions (ISSAIs). The standards require that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48

of the Public Audit Act, 2015. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In conducting the audit, Article 229(6) of the Constitution also requires that I express a conclusion on whether or not in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way. In addition, I consider the entity's control environment in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7 (1) (a) of the Public Audit Act, 2015.

Further, I am required to submit the audit report in accordance with Article 229(7) of the Constitution.

Detailed description of my responsibilities for the audit is located at the Office of the Auditor-General's website at: <https://www.oagkenya.go.ke/auditor-generals-responsibilities-for-audit/>. This description forms part of my auditor's report.

FCPA Nancy Gathungu, CBS

18. Notes to the Financial Statements

1. General Information

Wajir County Disaster Management Fund is established by and derives its authority and accountability from the Wajir County Disaster Management Act 2014 (Revised 2019). The Fund is wholly owned by the County Government of Wajir and is domiciled in Kenya. The entity’s principal activity is to provide funds to mitigate on possible loss of life and property in an event of an emergency and the County has not made budgetary allocation to provide expenditure to manage the situation.

2. Statement of compliance and basis of preparation

The Fund’s financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the Fund. The accounting policies have been consistently applied to all the years presented. The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The cash flow statement is prepared using the direct method. The financial statements are prepared on accrual basis.

3. Adoption of new and revised standards

(i) *New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2025*

Standard	Effective date and impact
<p>IPSAS 41: Financial Instruments</p>	<p>Applicable: 1st January 2023</p> <p>The objective of IPSAS 41 is to establish principles for the financial reporting of financial assets and liabilities that will present relevant and useful information to users of financial statements for their assessment of the amounts, timing and uncertainty of an Entity’s future cash flows.</p> <p>IPSAS 41 provides users of financial statements with more useful information than IPSAS 29, by:</p> <ul style="list-style-type: none"> • Applying a single classification and measurement model for financial assets that considers the characteristics of the asset’s cash flows and the objective for which the asset is held; • Applying a single forward-looking expected credit loss model that is applicable to all financial instruments subject to impairment testing; and

Wajir County Disaster Management Fund
Annual Report and Financial Statements for the year ended June 30, 2025

Standard	Effective date and impact
IPSAS 42: Social Benefits	Applicable: 1st January 2023 The objective of this Standard is to improve the relevance, faithful representativeness and comparability of the information that a reporting Entity provides in its financial statements about social benefits. The information provided should help users of the financial statements and general-purpose financial reports assess: (a) The nature of such social benefits provided by the Entity; (b) The key features of the operation of those social benefit schemes; and (c) The impact of such social benefits provided on the Entity's financial performance, financial position and cash flows.
Amendments to Other IPSAS resulting from IPSAS 41, Financial Instruments	Applicable: 1st January 2023 a) Amendments to IPSAS 5, to update the guidance related to the components of borrowing costs which were inadvertently omitted when IPSAS 41 was issued. b) Amendments to IPSAS 30, regarding illustrative examples on hedging and credit risk which were inadvertently omitted when IPSAS 41 was issued. c) Amendments to IPSAS 30, to update the guidance for accounting for financial guarantee contracts which were inadvertently omitted when IPSAS 41 was issued. Amendments to IPSAS 33, to update the guidance on classifying financial instruments on initial adoption of accrual basis IPSAS which were inadvertently omitted when IPSAS 41 was issued.
Other improvements to IPSAS	Applicable 1st January 2023 <ul style="list-style-type: none"> • <i>IPSAS 22 Disclosure of Financial Information about the General Government Sector.</i> Amendments to refer to the latest System of National Accounts (SNA 2008). <ul style="list-style-type: none"> • <i>IPSAS 39: Employee Benefits</i> Now deletes the term composite social security benefits as it is no longer defined in IPSAS. <ul style="list-style-type: none"> • IPSAS 29: Financial instruments: Recognition and Measurement Standard no longer included in the 2021 IPSAS handbook as it is now superseded by IPSAS 41 which is applicable from 1 st January 2023.

Wajir County Disaster Management Fund

Annual Report and Financial Statements for the year ended June 30, 2025

(ii) *New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2025.*

Standard	Effective date and impact:
IPSAS 43	<p><i>Applicable 1st January 2025</i></p> <p>The standard sets out the principles for the recognition, measurement, presentation, and disclosure of leases. The objective is to ensure that lessees and lessors provide relevant information in a manner that faithfully represents those transactions. This information gives a basis for users of financial statements to assess the effect that leases have on the financial position, financial performance and cashflows of an Entity.</p> <p>The new standard requires entities to recognise, measure and present information on right of use assets and lease liabilities.</p>
IPSAS 44: Non-Current Assets Held for Sale and Discontinued Operations	<p><i>Applicable 1st January 2025</i></p> <p>The Standard requires,</p> <p>Assets that meet the criteria to be classified as held for sale to be measured at the lower of carrying amount and fair value less costs to sell and the depreciation of such assets to cease and:</p> <p>Assets that meet the criteria to be classified as held for sale to be presented separately in the statement of financial position and the results of discontinued operations to be presented separately in the statement of financial performance.</p>

(iii) Early adoption of standards

The Entity did not early – adopt any new or amended standards in the financial year.

1. Significant Accounting Policies

a) Revenue recognition

i. Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably.

b) Budget information

The original budget for FY 2024/2025 was approved by the County Assembly on 2nd August 2024. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the entity upon receiving the respective approvals in order to conclude the final budget.

The entity's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented under section 17 of these financial statements.

d) Provisions

Provisions are recognized when the Entity has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Where the Entity expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

e) Social Benefits

Social benefits are cash transfers provided to i) specific individuals and / or households that meet the eligibility criteria, ii) mitigate the effects of social risks and iii) Address the need of society as a whole. The entity recognises a social benefit as an expense for the social benefit scheme at the same time that it recognises a liability. The liability for the social benefit scheme is measured at the best estimate of the cost (the social benefit payments) that the entity will incur in fulfilling the present obligations represented by the liability.

f) Contingent liabilities

The Entity does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

Contingent assets

The Entity does not recognize a contingent asset, but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

g) Changes in accounting policies and estimates

The Entity recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

h) Employee benefits – Retirement benefit plans

The Entity provides retirement benefits for its employees and directors. Defined contribution plans are post-employment benefit plans under which an entity pays fixed contributions into a separate entity (a fund) and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable.

Defined benefit plans are post-employment benefit plans other than defined-contribution plans. The defined benefit funds are actuarially valued tri-annually on the projected unit credit method basis. Deficits identified are recovered through lump sum payments or increased future contributions on proportional basis to all participating employers. The contributions and lump sum payments reduce the post-employment benefit obligation.

i) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

j) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

Total		213,388.01	152,535.16

6. Related party balances

a) Nature of related party relationships

The Wajir County Disaster Management Fund is related to the following entities:

- a) The County Government;
- b) The Parent County Government Ministry;
- c) Key management;
- d) Board of Trustees

b) Related party transactions

Description	FY2024/2025	FY2023/2024
	Kshs	Kshs
Transfers From The County Government of Wajir	200,000,000	150,000,000

7. Financial risk management

The Fund's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The Fund does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The Fund's financial risk management objectives and policies are detailed below:

a) Credit risk

The Fund has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments. Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables,

estimated by the entity's management based on prior experience and their assessment of the current economic environment.

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the entity has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The entity has no significant concentration of credit risk.

b) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the Fund Administrator, who has built an appropriate liquidity risk management framework for the management of the entity's short, medium and long-term funding and liquidity management requirements. The entity manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

c) Market risk

The board has put in place an internal audit function to assist it in assessing the risk faced by the entity on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the entity's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The Fund's Finance Department is responsible for the development of detailed risk management policies (subject to review and approval by Audit and Risk Management Committee) and for the day-to-day implementation of those policies.

There has been no change to the entity's exposure to market risks or the manner in which it manages and measures the risk.

i. Interest rate risk

Interest rate risk is the risk that the entity's financial condition may be adversely affected as a result of changes in interest rate levels. The entity's interest rate risk arises from bank deposits. This exposes the Fund to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the Fund's deposits.

Management of interest rate risk

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

8. Events after the reporting period

There were no material adjusting and non- adjusting events after the reporting period.

9. Ultimate and Holding Entity

The entity is a County Public Fund established by Wajir County Disaster Management Act (2014) under the department of Finance and Economic Planning. Its ultimate parent is the County Government of Wajir.

10. Currency

The financial statements are presented in Kenya Shillings (Kshs).
