## **REPORT OF THE AUDITOR-GENERAL ON FINCHARO MIXED SECONDARY SCHOOL FOR THE YEAR ENDED 30 JUNE, 2024 – MANDERA COUNTY**

---

### **PREAMBLE**

I draw your attention to the contents of my report which is in three parts:

- A. Report on Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements;
- B. Report on Lawfulness and Effectiveness in the Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose; and,
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

A Qualified Opinion is issued when the Auditor-General concludes that, except for material misstatements noted, the financial statements are fairly presented in accordance with the applicable financial reporting framework. The Report on Financial Statements should be read together with the Report on Lawfulness and Effectiveness in the Use of Public Resources and the Report on Effectiveness of Internal Controls, Risk Management and Governance.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

### **REPORT ON THE FINANCIAL STATEMENTS**

#### **Qualified Opinion**

I have audited the accompanying financial statements of Fincharo Mixed Secondary School set out on pages 1 to 11, which comprise of the statement of assets and liabilities as at 30 June, 2024 and statement of receipts and payments, statement of cash flows and the statement of budgeted versus actual amounts for the year then

ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Fincharo Mixed Secondary School as at 30 June, 2024 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Basic Education Act, 2013 and Public Finance Management Act, 2012.

### **Basis for Qualified Opinion**

#### **Unsupported Cash and Cash Equivalents**

The statement of assets and liabilities reflects cash and cash equivalents balance of Kshs.127,769 as disclosed in Notes 7 to the financial statements. However, bank reconciliation statements for the Schools' Infrastructure Account were not provided. Further, cash books were not checked and approved by an officer different from the one who updates it resulting in lack of segregation of duties.

In the circumstances, the accuracy and completeness of cash and cash equivalents balance of Kshs.127,769 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Fincharo Mixed Secondary School Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Emphasis of Matter**

#### **Budgetary Control and Performance**

The statement of budgeted versus actual amounts reflects total receipts budget and actual on a comparable basis of Kshs.3,400,000 and Kshs.3,242,761 respectively, resulting in an under-funding of Kshs.157,239 or 5% of the budget. However, the School spent Kshs.3,254,134 against actual receipts of Kshs.3,242,761 resulting in an over-expenditure of Kshs.11,373 or 0.3% of actual receipts.

The under-funding affected the planned activities and may have impacted negatively on the operations of the School.

My opinion is not modified in respect of this matter.

## **Key Audit Matters**

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. Except for the effects of the matter described in the Basis for Qualified Opinion section, I have determined that there are no other key audit matters to communicate in my report.

## **Other Information**

The Management is responsible for the Other Information set out on page iii to viii which comprise of Key School Information and Management, Summary Report of Performance of the School and the Statement of School Management Responsibilities. The Other Information does not include the financial statements and my audit report thereon.

In connection with my audit on the School's financial statements, my responsibility is to read the Other Information and in doing so, consider whether the Other Information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this Other Information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the Other Information and accordingly, I do not express an audit opinion or any form of assurance conclusion thereon.

## **REPORT ON LAWFULNESS AND EFFECTIVENESS IN THE USE OF PUBLIC RESOURCES**

### **Conclusion**

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the effect of the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in the Use of Public Resources section of my report, I confirm that nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### **Basis for Conclusion**

#### **1. Late Submission of Financial Statements**

The financial statements were submitted to the Auditor-General on 2 March, 2026 instead of 30 September, 2024. This was contrary to Section 81 of Public Finance Management Act, 2012 which requires financial statements to be submitted to the Auditor-General within three (3) months after the end of each financial year.

In the circumstances, Management was in breach of the law.

#### **2. Failure to Transfer Infrastructure Funds from Operations Bank Account**

The statement of statement of receipts and payments reflects Capitation grant for operations amount of Kshs.1,886,709 as disclosed in Note 2 to the financial

statements. Included in the amount is Kshs.614,900 in respect of infrastructure grants which were to be transferred to infrastructure bank account for maintenance and improvement of the School's facilities. However, only Kshs.185,000 was transferred to infrastructure account, leaving a balance of Kshs.429,900 as at 30 June, 2024. This was contrary to the Ministry of Education Circular Ref. No: MOE.HQS/3/13/3 dated 16 June, 2021.

In the circumstances, Management was in breach of the guideline.

### **3. Lack of Approved Budget**

The budget amounts presented in the statement of budgeted versus actual amounts were not supported by an approved budget. This was contrary to Section 68(2)(h) of the Public Finance Management Act, 2012 which provides that an accounting officer shall prepare estimates of expenditure and revenues of the entity in conformity with the strategic plan of the entity.

In the circumstances, Management was in breach of the law.

### **4. Failure to Prepare a Balanced Budget**

The statement of budgeted versus actual amounts reflects a final income budget of Kshs.3,400,000 and final expenditure budget of Kshs.3,354,550 resulting to a difference of Kshs. 45,450. This was contrary to the provisions of Regulation 33(a) and (c) of the Public Finance Management (National Government) Regulations, 2015 which provides that all revenue and expenditure shall be entered into the national government budget estimates and that the budget shall be balanced.

In the circumstances, Management was in breach of the law.

### **5. Non-Compliance with Capitation Funds Accountability Requirements**

Audit review established that the Principal did not submit to the County Director of Education the fund allocation acknowledgement forms duly signed by individual students to confirm receipt of capitation grants. In addition, the School did not display the capitation receipts and the accompanying circular on the School noticeboard, as required to enhance transparency and accountability. This was contrary to the Ministry of Education Circular No. MOE.HQS/3/13/3 dated 16 June, 2021 which mandates that public schools adhere to strict financial guidelines, including displaying capitation receipts and circulars on noticeboards for transparency.

In the circumstances, Management was in breach of the guideline.

### **6. Excess Supply of Books by Ministry of Education**

During the year under review, the School received books from the Ministry of Education. Examination of the records provided revealed that textbooks allocation shows significant oversupply of textbooks against student enrollment number of one hundred and eighty (180) as shown in the table below. This means that the number of textbooks supplied were significantly more than the number of learners enrolled as at the end of the financial year as a result of oversupply of textbooks, the excess textbooks may be prone to damages or theft.

| Title of Textbook       | Student Enrollment Data | Number of Copies Supplied | Variance |
|-------------------------|-------------------------|---------------------------|----------|
| English Pupils Book     | 180                     | 249                       | 69       |
| Kiswahili Pupils' Book  | 180                     | 240                       | 60       |
| Chemistry Pupils Book   | 180                     | 240                       | 60       |
| Mathematics Pupils Book | 180                     | 255                       | 75       |
| Biology Pupils Book     | 180                     | 247                       | 67       |

In the circumstances, value for money on the excess text books could not be confirmed.

## **7. Lack of a Functional Procurement Unit**

The School did not have an established procurement function managed by qualified procurement professional as required under Section 47(2) of the Public Procurement and Asset Disposal Act, 2015 and Regulation 33 of the Public Procurement and Asset Disposal Regulations, 2020. Procurement activities were undertaken by individuals lacking the requisite qualifications.

In the circumstances, Management was in breach of law.

The audit was conducted in accordance with ISSAI 3000 and ISSAI 4000. The standards require that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the effect of the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

### **Basis for Conclusion**

#### **1. Failure to Maintain a Fixed Assets Register**

Review of records revealed that the Management did not maintain a fixed asset register for buildings, motor vehicles, office equipment, furniture and fittings and other assets. This was contrary to Regulation 143(1) of Public Finance Management (National Government) Regulations, 2015 which provides that the Accounting Officer shall be responsible for maintaining a register of assets under his or her control or possession as prescribed by the relevant laws.

In the circumstances, the effectiveness of the Schools' internal control system on fixed assets management could not be confirmed.

## **2. Lack of Internal Audit Function and Audit Committee**

During the year under review, the School did not have an Audit Committee and an Internal Audit Unit. This was contrary to Regulation 174(1) of the Public Finance Management (National Government) Regulations, 2015, which requires each National Government entity to establish an Audit Committee and Section 73(1)(a) of the Public Finance Management Act, 2012, which provides that every National Government entity shall ensure that it has appropriate arrangements in place for conducting internal audit according to the guidelines of the Accounting Standards Board.

In the circumstances, the existence of an effective oversight mechanisms could not be confirmed.

## **3. Lack of Risk Management Policy and IT policy**

During the year under review, the School did not have a Risk Management Policy in place. This was contrary to Regulation 165(1) (a-b) of the Public Finance Management (National Governments) Regulations, 2015 which requires the accounting officer to ensure that the National Government entity develops risk management strategies. In addition, the School did not have approved Information Technology Policy for governance and management of its ICT resources.

In the circumstances, the effectiveness of risk management systems at the School could not be confirmed.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk Management and overall governance were operating effectively in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **Responsibilities of the Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the School's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the

activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the School financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management and ensuring the adequacy and effectiveness of the control environment.

### **Auditor-General's Responsibilities for the Audit**

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the International Standards of Supreme Audit Institutions (ISSAIs). The standards require that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48 of the Public Audit Act, 2015. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In conducting the audit, Article 229(6) of the Constitution also requires that I express a conclusion on whether or not in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way. In addition, I consider the entity's control environment in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015.

Further, I am required to submit the audit report in accordance with Article 229(7) of the Constitution.

Detailed description of my responsibilities for the audit is located at the Office of the Auditor-General's website at: <https://www.oagkenya.go.ke/auditor-generals-responsibilities-for-audit/>. This description forms part of my auditor's report.

**FINCHARO MIXED SECONDARY SCHOOL**  
**Reports and Financial Statements For the year ended 30th June 2024**

**XI. SIGNIFICANT ACCOUNTING POLICIES**

The principal accounting policies adopted in the preparation of these financial statements are set out below:

**1. Statement of compliance and basis of preparation**

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting and applicable government legislations and regulations. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprest, salary advances and other receivables and b) payables that include deposits and retentions and payables from operations.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the *school* and all values are rounded to the nearest Kenya Shilling (Kshs). The accounting policies adopted have been consistently applied to all the years presented.

**2. Recognition of receipts and payments**

The *school* recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the *school*. In addition, the *school* recognises all expenses when the event occurs and the related cash has actually been paid out by the *school*.

**3. In-kind contributions**

In-kind contributions are donations that are made to the *school* in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the *school* includes such value in the statement of receipts and payments both as a receipt and as a payment in equal and opposite amounts; otherwise, the contribution is not recorded.

**4. Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various financial institutions at the end of the financial year.

### SIGNIFICANT ACCOUNTING POLICIES (Continued)

**5. Accounts Receivable**

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as expenditure when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

**6. Accounts Payable**

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and agencies. Other liabilities including pending bills are disclosed in the financial statements. Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years.

**7. Non-current assets**

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the school fixed asset register a summary of which is provided as a memorandum to these financial statements.

**8. Budget**

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The *school's* budget was approved by the School Board of Management. A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

**9. Comparative figures**

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

**10. Subsequent events**

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2025.
