Further, the Second Schedule of the Standing Orders mandates the Committee, among others, to oversee *foreign relations, diplomatic and consular services, and international relations*.

The Office of High Commissioner, Ambassador and Consul-General is an office under the Ministry of Foreign and Diaspora Affairs. Article 124(4)(a) of the Constitution provides that when a House of Parliament considers any appointment for which its approval is required under the Constitution or an Act of Parliament, the appointment shall be considered by a Committee of the relevant House.

Pursuant to Articles 132(2)(e) and Section 5 of the Public Appointments (Parliamentary Approval) Act, Cap 7F, His Excellency the President forwarded to the Speaker of the National Assembly a notification of nomination containing the names and curricula vitae of nine (9) persons for appointment to the positions of High Commissioner, Ambassadors, and Consuls-General for consideration for approval by the National Assembly.

This is pursuant to the provisions of Standing Order 45(1) and 216(5)(f), Article 124(4)(a) of the Constitution, and Section 6(1) of the Public Appointments (Parliamentary Approval) Act, Cap 7F.

Additionally, the Clerk wrote to relevant agencies in compliance with the requirements of Chapter Six of the Constitution on Leadership and Integrity. All the agencies cleared the nominees and affirmed their good standing in matters tax compliance, criminal records, higher education loan repayments, political party affiliations and ethics and integrity.

**MANAGEMENT OBSERVATIONS**

The Board of Directors announces the unaudited results of the Group for the six-month period ended June 30, 2025.

Our gross profit has decreased by 14%, influenced by macro-economic factors and a challenging trading environment in several key markets. Reductions in client spend create a further knock-on effect on our gross profits.

Despite the environment, the Company has demonstrated resilience and reduced operating and administrative expenses by Ksh 32 million.

The Kenyan shilling exhibited sustained stability during the first half of 2025, contrasting sharply with the volatility experienced in the same period of 2024. This favorable exchange rate environment substantially reduced foreign exchange pressures, limiting the Group's net forex loss to Ksh 6 million—a marked improvement from the Ksh 250 million loss recorded in the prior year's comparable period.

We are actively advancing our strategic priorities through the focused implementation of our Digital, Technology, and Influence Centers of Excellence. These initiatives serve as foundational drivers of operational excellence and are expected to significantly enhance the Group's overall performance to accelerate their return to sustainable growth. We are focusing on service lines that are growing and future-facing.

Amid global economic headwinds, we anticipate continued pressure on discretionary spending, which may moderate near-term growth. In this environment, our immediate priorities will be maintaining operational stability while making selective investments in areas such as content, data and technology.

**ACCOUNTING POLICIES**

The accounting policies used in preparing these summary financial statements are consistent with those used for the Group's 2024 annual financial statements.

**DIVIDEND**

The Board of Directors does not recommend an interim dividend.

**OUTLOOK FOR THE REST OF THE YEAR**

We continue to navigate the environment, with an approach that mitigates risks in the short term, whilst preparing the organization for future success. Our foundational strengths put us in a strong position to evolve ahead of the market. The management focus for the rest of the year remains to provide stability to the client portfolio, while preparing for growth in a cost-conscious manner.

By order of the Board:

Winifred Jumba,  
Company Secretary.

**Overview:**  
Revenue is up by 38% due to increased demand for medical and industrial gases and customer engineering projects in the current year. Meanwhile, a pricing benefit is being realized in 2025 as various 2024 tenders come to an end, allowing the Company to adjust pricing to account for increased overheads. Distribution, selling, and administration expenses have reduced in the current period, in line with deliberate management interventions to reduce costs.

Following from the above, profit after tax has increased by 170% compared to the same period last year.

The same accounting policies and methods of computation have been followed in these interim financial statements as in the most recent annual audited financial statements.

**Outlook:**  
The infrastructure projects implemented by the Company in prior years are now leading to a gradual increase in demand for, and access to, medical gases. Meanwhile, the Company expects minimal change in performance during the second half of the year, as all engineering projects are likely to be completed before year-end.

**Dividend:**  
The Board of Directors has declared an interim dividend of Kshs 2.50 per share for the six-month period ended 30 June 2025 (2024 interim dividend: Kshs 2.50), to be paid on or about 14 October 2025 to shareholders on the register at the close of business on 20 September 2025.

After lengthy deliberations, the Committee adopted the Report on the vetting of four persons nominated for appointment as High Commissioner, Ambassadors and Consuls-General. It was adopted with the following observations and recommendations.

### **OVERALL OBSERVATIONS**

- (1) All the nine (9) nominees are Kenyan citizens and do not hold dual citizenship in conformity with Article 78 of the Constitution.
- (2) All the nominees committed not to participate in any other gainful employment while serving as State officers as required by Article 77(1) of the Constitution.
- (3) In accordance with Article 77(2) of the Constitution and the Schedule of the Public Appointment (Parliamentary Approval) Act, Cap 7F, none of the nominees holds office in any political party.
- (4) All the nominees indicated compliance with Articles 75 and 76 of the Constitution on the conduct and financial probity of State officers. They indicated the nonexistence of potential conflict of interest and committed to declare any should it arise.
- (5) By the set deadline for receipt of memoranda from members of the public, the Committee had not received any written statement on oath contesting the suitability of any of the nominees. However, the Committee received an email from Kevin Wanzala dated Monday, 1<sup>st</sup> September 2025, concurring with the nominations and urging for regional balance in future nominations.

The Committee observed that the email was not a statement on oath contesting the suitability of the nominees as required by section 6(9) of the Public Appointments (Parliamentary Approval) Act, Cap. 7F.

- (6) All the nominees, save for Amb. Anthony Mwaniki Muchiri, have neither been charged in a court of law nor adversely mentioned in any investigatory report of Parliament or any Commission of Inquiry and have never been removed from office for contravention of the provisions of Article 75 of the Constitution.

Anthony Mwaniki Muchiri was adversely mentioned in the National Assembly's *Departmental Committee on Defence and Foreign Relations in its 2010 Report on the Procurement, Disposal and Construction of Properties of Kenya's Diplomatic Missions in Egypt, Japan, Nigeria, Belgium and Pakistan*. The Committee recommended that "necessary action" be taken against him and others by the relevant authorities in relation to misconduct in the purchase of the Embassy in Tokyo. Subsequently the nominee was charged with the offence of abuse of office in procuring the Tokyo Embassy without following due process in *Anticorruption Case No. 2 of 2013*, but was cleared of all the charges, for lack of evidence, in a ruling dated 30<sup>th</sup> March 2016.
- (8) The nine (9) nominees obtained all the required clearances from EACC, ORPP, KRA, HELB, DCI, and CRB. Further, no adverse submissions were received against the nominees during the public participation process conducted under Article 118 of the Constitution and Section 6(9) of the Public Appointments (Parliamentary Approval) Act, Cap. 7F.
- (9) The nine (9) nominees, having presented their academic and professional credentials and made oral submissions during the approval hearings, demonstrated their suitability for appointment in accordance with the provisions of Section 6(7) of the Public Appointments (Parliamentary Approval) Act, Cap 7F.
