## **NANDI COUNTY ASSEMBLY SCHEME FUND**

### **Annual Report and Financial Statements for the year ended June 30, 2023**

#### **4. REPORT OF THE FUND ADMINISTRATOR**

It is my pleasure to present, on behalf of the Management Committee of Committee Members, the Nandi County Assembly Scheme Fund-Mortgage and Car Loans financial statements for the year ended 30<sup>th</sup> June 2021. The financial statements present the financial performance of the fund over the past year.

##### **Sustainability**

The fund and its stakeholders are increasingly emphasizing on the need to ensure sustainability for both its investments and its resource mobilization and financing capabilities with an objective of ensuring that the fund's going concern is secured.

The fund has conducted a basic assessment of available options for feasible financing tools that would assure the fund of its long-term sustainability. The fund has reviewed its current resource mobilization strategies and proposed feasible sustainability financing options.

##### **Loans Management Committee Changes**

The Management Committee established a taskforce with the mandate to review and interrogate the adequacy and effectiveness of the fund's organogram in carrying out its mandate and make recommendations. The taskforce carried out the assignment and made several recommendations key among them the automation of the fund's operations. The organisation arrangement is expected to enhance efficiency in service delivery.

The following Scheme Fund management reports that six (6) members of the Loan Management are exiting the fund after exiting the County Assembly Service upon the conclusion of the General Election on the 9<sup>th</sup> August 2022;

<b>Name of the LMC Member</b>	<b>Designation</b>	<b>Entry Date to Scheme Fund LMC</b>	<b>Exit Date to Scheme Fund LMC</b>	<b>Reason for Exit</b>
Osborn Komen	Chair, LMC	18 <sup>th</sup> November 2019	9 <sup>th</sup> August 2022	Unsuccessful re-election bid
Eliud Kirongo	Member, LMC	18 <sup>th</sup> November 2019	9 <sup>th</sup> August 2022	Unsuccessful re-election bid

Margaret Nyauntu	Member, LMC	18 <sup>th</sup> November 2019	9 <sup>th</sup> August 2022	Unsuccessful re-election bid

##### **Review of performance**

##### **Income**

The fund anticipates to be earning its revenues from public contributions and donations, the County Assembly and other revenues from other exchange transactions. While the incomes from both public contributions/donations and the transfers from the County government of Nandi were nil, principal loans repayments were **KShs. 38,037,518** in the period and **KShs. 4,302,420** earned as interests from loan disbursements. Income from exchange transactions

## **NANDI COUNTY ASSEMBLY SCHEME FUND**

contributed nil balance during the year under review. Income before deductions of expenses decreased by 9.23% from **KShs. 4,739,698** to **KShs. 4,302,420** owing to increased number of borrowers and favourable environment that enabled transfers from county government operations in the period under review.

Projects implementations during the period were carried out as per the plan with the coordinated efforts by all stakeholders. The performance was also attributed to a favourable opening cash balance of **KShs. 92,167,983** at the beginning the year.

#### **Expenditures**

The Use of Good and Services during the period amounted to **KShs. 3,117,920**. Loan processing costs (insurance costs) were **KShs. 2,668,000**. Thus the gross expenditure was **KShs. 3,117,920** during the period, a rise compared to previous year.

#### **Future outlook**

The outlook of the Fund for 2023/2024 looks brighter. The fund established other funds for 18-month car loan scheme to staff from recoveries arising from loans to Member of County Assembly. The aim is to ensure that the asset balance of the fund grows. The fund focus is looking to build a robust and sustainable fund with a motivated workforce and structures that enhance efficiency and effectiveness in the service delivery. The fund looks forward to continued support from the county government and development partners to the realization of its mandate.

#### **Appreciation**

I take this opportunity to express my sincere gratitude and appreciation to the county government, development partners, stakeholders, management, staff and fellow Committee Members for their continued support which made us achieve these results.

I look forward to the year 2023/2024.

Signed:

Barnaba GK Kosgei,  
**Chairperson, the Fund Administration Committee**

**6. CORPORATE GOVERNANCE STATEMENT**

**Preface**

The NCA Member’s Scheme Fund for Mortgage and Car Loan is a revolving fund established pursuant to the Salaries and Remuneration Commission (SRC) circular number SRC/TS/WH/3/14 of 14<sup>th</sup> February 2014. In line with Section 167 of the PFM Act 2012, the fund administrator caused the preparation of these financial statements in FY 2017/2018, in FY 2018/2019 and in FY 2019/2020 which have already been audited. Its mandate is to provide mortgage and car loans to public and state officers of the County Assembly of Nandi.

The fund is committed to ensuring compliance with regulatory and supervisory corporate governance requirements. The operations of the fund were then governed by a Public Finance Management Regulations enacted in 2014 which were repealed by the County Assembly of Nandi on January 31, 2018 upon enactment of Public Finance Management (Nandi County Assembly Members’ Scheme Fund Mortgages and Car Loans) Regulations, 2018 to govern the operations of the fund. The structure is designed to ensure an informed decision-making process based on accurate reporting to the board.

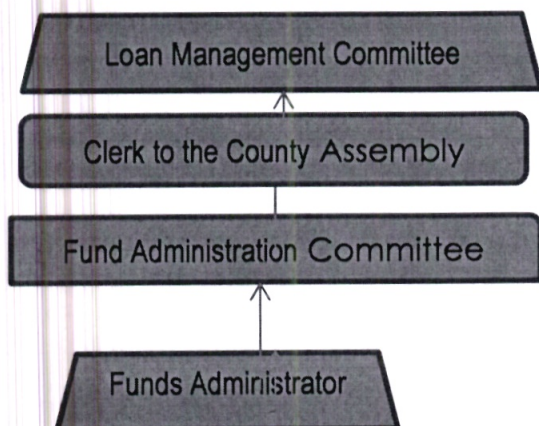

**Fund Committees**

Essential to the establishment of a corporate governance framework in the fund is a formal governance structure with the two committees;

- (a) the Fund Administration Committee and
- (b) Loans Management Committee.

While the Fund Administration Committee constituted from among administrative staff of the County Assembly of Nandi who hold fiduciary responsibilities, the Loan Management Committee is the apex body of the Fund. The Clerk to the County Assembly sits in both committees; as a Chairman of the Fund Administration Committee and a secretary to the LMC. However, as at the end of the FY 2018/2019, the LMC membership had not been adopted by the County Assembly as a required by the regulations and therefore the Fund Administration Committee ran all the activities as the only fully constituted committee. The Fund Administration Committee meets quarterly or as required in order to monitor the implementation of the fund’s strategic plan and achievement of the targets in the performance contract signed with the county assembly. The Fund Administration Committee also plays an oversight role over all other financial and operational issues.

**Organization Structure**

**NANDI COUNTY ASSEMBLY SCHEME FUND**  
**Annual Report and Financial Statements for the year ended June 30, 2023**

---

**Statement of Compliance**

The Fund Administration Committee confirms that the fund has throughout the FY2021/2022 complied with all statutory and regulatory requirements and that the fund has been managed in accordance with the principles of good corporate governance.

**Committee meetings**

The Fund Administration Committee held two (2) meetings in each of the twelve months throughout the year ending June 2022 while the Loans Management Committee met seven times during the year. Therefore, during the year under review, the Fund Committees held 31 meetings in total and members' attendance during the period was as follows;

	Loans Management Committee		Fund Administration Committee		Total No of Meetings
	No of Meetings	Members' Attendance	No of Meetings	Members' Attendance	
Jul-22	1	5	2	7	3
Aug-22	0	0	2	6	2

**Succession plan**

The Fund Committees are to transition in the next financial year with the election campaign period commencing, this phenomenon especially affecting the membership of the Loans Management Committee. To this extend the Scheme Fund has the following plans;

1. Drafting regulations to introduce new membership of the Loans Management Committee who shall be representatives of the Scheme Fund banks, an external member representing the public interest and representative of the County Assembly Service Boards secretariat. The approval of these regulations, in either its current form or amended version, will be largely dependent upon the County Assembly of Nandi.
2. **Employment of one staff.** The Loans Management Committee had in the year 2021-2022 considered this proposal, advertised for applications and a selection of Mrs Eunice Chebitok who qualified during the interview for the position of a Fund Clerk had been done. A meeting to ratify this decision is scheduled to be undertaken at the County Assembly Service Board of Nandi in due course during the year 2021-2022.

#### **Existence of a service charter**

While currently there is no approved service charter, the Scheme Fund awaits the approval of regulations to enhance the promulgation of service charter consistent with those regulations.

#### **Process of appointment and removal of trustees**

Currently the process of appointment and removal of trustees is within the discretion of the accounting officer to the Fund, the Clerk of the County Assembly of Nandi, as per the approved regulations.

#### **The roles and functions of Trustees**

The primary purpose of the loans management and fund administration committees are to approve loans disbursements, financial statements and strategy reports.

#### **Induction and training**

The members of the committees underwent various trainings during the year.

#### **Conflict of interest**

There have been no reports in the conflict of interest register to warrant discussion. There are no imminent threats of compromise of integrity of officers at the moment. However, with the anticipated employment of the clerical staff to the Fund.

#### **Board Remuneration**

There were no board remunerations during the year under review.

#### **Ethics and Conduct**

The officers' assigned responsibilities to work within the structures of the fund are guided by the laws governing the public finance management and the constitutional foundations guiding ethics and integrity.

#### **Governance audit**

The governance audit was undertaken by a team of consultants and report was tabled at the County Assembly Service Board for review and possible adoption. The audit comments, advisory opinions and recommendations arising from the exercise shall

inform the Loans Management Committee and the Board on establishment of scheme of service of officers to serve in the Scheme Fund.

**Fund Administration Committee changes**

There were neither fund administration committee changes or loan management committee member's reconstitution or amendment of list of members during the period.

**Auditor**

The fund is audited by the Auditor-General. The Office of the Auditor conducted the first external audit for the financial operations of FY 2016/2017 which gave the fund an adverse opinion. The subsequent two audits have consequently given the Fund qualified opinion.

**Approval of the corporate governance statement**

The corporate governance statement was approved by the Fund Administration Committee on and signed on its behalf by:

Isaac Kiplagat Tum, Fund Administrator,  
NCA MEMBERS' SCHEME FUND

## **7. MANAGEMENT DISCUSSION AND ANALYSIS**

### **7.1 PREFACE**

The fund has continued to grow over the 5 years since its establishment and the management has put measures in place to safeguard against risks. The management has ensured that we comply with statutory requirements relating to the functions of the fund

### **7.2 BUSINESS PERFORMANCE**

#### **7.2.1 Revenues**

The performance of business in FY 2022/2023 was **KShs. 761,556** down from business performance of **KShs. 4, 735,378** in a similar period in the FY 2021/2022. This represents a positive business performance. There was a decrease in interest incomes in FY 2022/2023 from **KShs. 4,739,698** charged on loans in FY 2021/2022 to **KShs. 3,880,196** charged on loans in FY 2022/2023 mainly because the running loan recoveries of loans of MCAs were completed and elected or nominated members exited the membership.

The total expenses in the financial year 2022/2023 amounted to **KShs. 3,118,640** comprised of;

- a) Bank charges and commissions of KShs. 6,840 in FY 2022/2023 up by KShs. 2,520 (-58.3%) from KShs. 4,320 in FY 2021/2022

#### **7.2.2 Cash flow**

The cash and cash equivalents decreased from **KShs 92,167,983** as at 30 June 2021 to **KShs. 2,697,880** as at 30 June 2022. There was net decrease in cash and cash equivalents of **KShs. 89,470,103** during the period under review.

Summarily, the net changes in;

- 1) Cash flows from operations resulted in a net decrease of **KShs. 761,556** comprising of incomes totalling **KShs. 3,880,196** less expenses totalling **KShs. 3,118,640**.
- 2) Cash flow from investing activities were net decrease of **KShs. 193,231,658** comprising of proceeds from loan principal repayments totalling **KShs. 41,158,342** less loan disbursements paid out totalling **KShs. 234,390,000**.
- 3) Cash flows from financing activities were **KShs. 103 million** in the FY 2022/2023. These arose from transfer from County Treasury of **KShs. 33,123,665** above the acknowledged debt of **KShs. 69,876,335**.

The regulations mandated the Fund committees with strategic decision making including on investing activities.

### **7.3 OPERATIONAL PERFORMANCE**

7.3.1 The Fund continues to encounter challenges in its cash flow management mainly because of the following reasons;

7.3.1.1 Historically, there exists an unfavourable decision making set up in the approval of the Nandi County Budgetary decisions and delayed treasury

releases to the County Assembly. In all approvals the specific allocations for the transfers to the Fund became donor votes to other needy areas. In FY 2017/2018, the appropriation as at July 1, 2017 KShs. 61 million earmarked for loans were reduced on April 30, 2018 to KShs. 20 million, while in FY 2018/2019, the County Assembly of Nandi allocation as at July 1, 2018 budgeted to be transferred to the Fund was KShs. 44 million which were later reduced to KShs.22 million on May 2019. Similarly, in FY 2019/2020, owing the Covid-19 virus pandemic and prior amendment of County priorities and objectives, the provision of KShs. 20,800,000 in the County Assembly of Nandi Budget Estimates were transferred to more needy programs much to the detriment of the Scheme Fund. In FY 2020/2021, the budget of transfers from the County Government operations was KShs. 15 million but only KShs. 4.1 million were received in respect of those transfers, a dismal performance of 27.33%.

- 7.3.2 The Fund disbursed a total of **KShs. 234,390,000** as loans based as approved loan application(s) of the 3 public officers.

**7.4 CONCLUSION**

We, the management team of the Nandi County Assembly Scheme Fund, reviewed the prospects of the Fund and affirm that the Fund's outlook is bright.  
We look forward to a better FY 2023/2024!

## **8. ENVIRONMENTAL AND SUSTAINABILITY REPORTING**

Nandi County Assembly Scheme Fund exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on four pillars: putting the customer/Citizen first, delivering relevant goods and services, and improving operational excellence. Below is a brief highlight of our achievements in each pillar

### **1. Sustainability strategy and profile -**

The top management especially the accounting officer should make reference to sustainable efforts, broad trends in political and macroeconomic affecting sustainability priorities, reference to international best practices and key achievements and failure.

### **2. Environmental performance**

Outline clearly, environmental policy guiding the organisation, provide evidence of the policy. Outline successes, shortcomings, efforts to manage biodiversity, waste management policy and efforts to reduce environmental impact of the organisation's products.

### **3. Employee welfare**

Give account of the policies guiding the hiring process and whether they take into account the gender ratio, whether they take in stakeholder engagements and how often they are improved. Explain efforts made in improving skills and managing careers, appraisal and reward systems. The organisation should also disclose their policy on safety and compliance with Occupational Safety and Health Act of 2007, (OSHA).

### **4. Market place practices-**

The organisation should outline its efforts to:

#### **a) Responsible competition practice.**

Explain how the organisation ensures responsible competition practices with issues like anti-corruption, responsible political involvement, fair competition and respect for competitors

#### **b) Responsible Supply chain and supplier relations- explain how the organisation maintains good business practices, treats its own suppliers responsibly by honouring contracts and respecting payment practices.**

#### **c) Responsible marketing and advertisement-outline efforts to maintain ethical marketing practices**

#### **d) Product stewardship- outline efforts to safeguard consumer rights and interests**

### **5. Community Engagements-**

Give evidence of community engagement including charitable giving (cash & material), Community Social Investment and any other forms of community

#### **10. STATEMENT OF MANAGEMENT'S RESPONSIBILITIES**

Section 167 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Administrator of a County Public Fund established by Public Finance Management (Nandi County Assembly Scheme Fund) Regulations of 2018 shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board. The Administrator of the County Public Fund is responsible for the preparation and presentation of the Fund's financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the financial year ended on June 30, 2021. This responsibility includes:

- (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period;
- (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Fund
- (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud
- (iv) safeguarding the assets of the Fund;
- (v) selecting and applying appropriate accounting policies; and
- (vi) making accounting estimates that are reasonable in the circumstances.

The Administrator of the County Public Fund accepts responsibility for the Fund's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 and Public Finance Management (Nandi County Assembly Scheme Fund) Regulations of 2018. The Administrator of the Fund is of the opinion that the Fund's financial statements give a true and fair view of the state of Fund's transactions during the financial year ended June 30, 2021, and of the Fund's financial position as at that date. The Administrator further confirm the completeness of the accounting records maintained for the Fund, which have been relied upon in the preparation of the Fund's financial statements as well as the adequacy of the systems of internal financial control. In preparing the financial statements, the Administrator of the County Public Fund has assessed the Fund's ability to continue as a going concern and disclosed, as applicable, matters relating to the use of going concern basis of preparation of the financial statements. Nothing has come to the attention of the Administrator to indicate that the Fund will not remain a going concern for at least the next twelve months from the date of this statement.

#### **Approval of the financial statements**

## **REPORT OF THE AUDITOR-GENERAL ON NANDI COUNTY ASSEMBLY SCHEME FUND FOR THE YEAR ENDED 30 JUNE, 2023**

---

### **PREAMBLE**

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment and the internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

### **REPORT ON THE FINANCIAL STATEMENTS**

#### **Qualified Opinion**

I have audited the accompanying financial statements of Nandi County Assembly Scheme Fund set out on pages 24 to 64, which comprise the statement of financial

position as at 30 June, 2023 and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Nandi County Assembly Scheme Fund as at 30 June, 2023, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Nandi County Assembly Car Loan and Nandi County Assembly Scheme Fund Regulations, 2021 and the Public Finance Management Act, 2012.

### **Basis for Qualified Opinion**

#### **1. Unconfirmed Long - Term Receivables from Exchange Transactions Balance**

The statement of financial position and Note 12 to the financial statements reflects long - term receivables from exchange transactions balance of Kshs.318,090,579 which include a balance of Kshs.69,876,335 owed to the Fund by the County Executive of Nandi being payroll recoveries from staff salaries which were not remitted to the Fund. This amount has been outstanding over a long period of time and had not been reflected as a pending bill in the financial statements of the County Executive of Nandi.

In the circumstances, the accuracy and completeness of long - term receivables from exchange transactions balance of Kshs.318,090,579 could not be confirmed.

#### **2. Unsupported Insurance Costs**

The statement of financial performance and Note 7 to the financial statements reflects expenditure in respect of general expenses totalling to Kshs.3,118,640 which includes insurance costs of Kshs.2,668,000 paid to a local insurance firm being insurance for loans granted by the Fund. However, the payment of Kshs.2,668,000 was not supported by details of the loanees and amounts of loans insured.

In the circumstances, the accuracy and completeness of insurance costs of Kshs.2,668,000 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Nandi County Assembly Scheme Fund Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

## **Emphasis of Matter**

### **Budgetary Control and Performance**

The statement of comparison of budget and actual amounts reflects final receipts budget and actual on comparable basis of Kshs.4,593,072 and Kshs.3,880,196 respectively resulting into a revenue shortfall of Kshs.712,876 or 16% of the budget. Similarly, the statement reflects final expenditure budget and actual on comparable basis of Kshs.4,540,000 and Kshs.3,118,640 respectively resulting into an under-expenditure of Kshs.1,421,360 or 31% of the budget. Further, the approved budget was not provided for audit review. The revenue shortfall and underutilization of funds affected the planned activities and this may have impacted negatively on provision of loans to the scheme Fund members.

My opinion is not modified in respect of this matter.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

## **REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES**

### **Conclusion**

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### **Basis for Conclusion**

#### **1. Interest Income Earned from Ineligible Activities**

The statement of financial performance and Note 4 to the financial statements reflects interest income totalling to Kshs.3,880,196. Included in this amount is Kshs.30,352 being interest earned from short term loans advanced to staff members which are not related to the core function of the Fund contrary to Regulation 4 of the Nandi County Assembly Scheme Fund Regulations, 2021 which states that the object and purpose of the Fund shall be to provide car loans, mortgage and grant scheme for the members of the scheme.

In the circumstances, the Management was in breach of the law.

#### **2. Failure to Register Charges on Title Deeds Used as Collateral**

The statement of financial position and Note 12 to the financial statements reflects long term receivables from exchange transactions balance of Kshs.318,090,579. However,

review of schedules and documents provided in support of loan disbursements totalling to Kshs.234,390,000 during the year under review revealed that there were no charges registered against the title deeds used to secure the loans contrary to Regulation 10(1) of the Nandi County Assembly Scheme Fund Regulations, 2021 which states that loans or grants approved under Regulation 7 shall be released from the Fund in such a manner, considering the security of funds, as may be prescribed by the committee.

In the circumstances, the recoverability of the loans could not be confirmed and Management was in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

### **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### **Responsibilities of Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may

occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of noncompliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

**17. NOTES TO THE FINANCIAL STATEMENTS**

**1. General Information**

Nandi County Assembly is established by and derives its authority and accountability from Public Finance Management Act. The entity is wholly owned by the County Government of Nandi and is domiciled in Kenya. The entity's principal activity is lending mortgage and car loans.

**2. Statement of compliance and basis of preparation**

The Fund's financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the Fund. The accounting policies have been consistently applied to all the years presented.

The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The cash flow statement is prepared using the direct method. The financial statements are prepared on accrual basis.

**3. Adoption of new and revised standards**

**(i) Relevant new standards and amendments to published standards effective for the year ended 30 June 2022**

IPSASB deferred the application date of standards from 1<sup>st</sup> January 2022 owing to Covid 19. This was done to provide entities with time to effectively apply the standards. The deferral was set for 1<sup>st</sup> January 2023.

**(ii) New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2022**

**1. Significant Accounting Policies**

**a) Revenue recognition**

**i. Revenue from non-exchange transactions**

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably.

**ii. Revenue from exchange transactions**

*Interest income*

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

**b) Budget information**

The original budget for FY 2022-2023 was approved by the County Assembly on 24<sup>th</sup> June 2022. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the entity upon receiving the respective approvals in order to conclude the final budget.

The entity's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented under section 12 of these financial statements.

***Summary of Significant Accounting Policies (Continued)***

**c) Property, plant and equipment**

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

**d) Intangible Assets**

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred.

The useful life of the intangible assets is assessed as either finite or indefinite.

**e) Financial instruments**

***Financial assets***

***Initial recognition and measurement***

Financial assets within the scope of IPSAS 29 Financial Instruments: Recognition and Measurement are classified as financial assets at fair value through surplus or deficit, loans and receivables, held-to-maturity investments or available-for-sale financial assets, as appropriate. The Entity determines the classification of its financial assets at initial recognition.

***Loans and receivables***

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. Losses arising from impairment are recognized in the surplus or deficit.

**NANDI COUNTY ASSEMBLY SCHEME FUND**  
**Annual Report and Financial Statements for the year ended June 30, 2023**

---

***Summary of Significant Accounting Policies (Continued)***

***Held-to-maturity***

Non-derivative financial assets with fixed or determinable payments and fixed maturities are classified as held to maturity when the Entity has the positive intention and ability to hold it to maturity. After initial measurement, held-to-maturity investments are measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The losses arising from impairment are recognized in surplus or deficit.

***Impairment of financial assets***

The Entity assesses at each reporting date whether there is objective evidence that a financial asset or a entity of financial assets is impaired. A financial asset or a entity of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred 'loss event') and that loss event has an impact on the estimated future cash flows of the financial asset or the entity of financial assets that can be reliably estimated. Evidence of impairment may include the following indicators:

- The debtors or a entity of debtors are experiencing significant financial difficulty
- Default or delinquency in interest or principal payments
- The probability that debtors will enter bankruptcy or other financial reorganization
- Observable data indicates a measurable decrease in estimated future cash flows (e.g. changes in arrears or economic conditions that correlate with defaults)

***Financial liabilities***

***Initial recognition and measurement***

Financial liabilities within the scope of IPSAS 29 are classified as financial liabilities at fair value through surplus or deficit or loans and borrowings, as appropriate. The Entity determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, plus directly attributable transaction costs.

***Loans and borrowing***

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in surplus or deficit when the liabilities are derecognized as well as through the effective interest method amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate.

***Summary of Significant Accounting Policies (Continued)***

**f) Inventories**

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

Costs incurred in bringing each product to its present location and conditions are accounted for, as follows:

- Raw materials: purchase cost using the weighted average cost method
- Finished goods and work in progress: cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost.

Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution.

Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

**g) Provisions**

Provisions are recognized when the Entity has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the Entity expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain.

The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

***Contingent liabilities***

The Entity does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

**NANDI COUNTY ASSEMBLY SCHEME FUND**  
**Annual Report and Financial Statements for the year ended June 30, 2023**

---

***Summary of Significant Accounting Policies (Continued)***

***Contingent assets***

The Entity does not recognize a contingent asset, but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

**h) Nature and purpose of reserves**

The Entity creates and maintains reserves in terms of specific requirements.

**i) Changes in accounting policies and estimates**

The Nandi County Assembly Scheme Fund recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

**j) Employee benefits – Retirement benefit plans**

The Entity provides retirement benefits for its employees and directors. Defined contribution plans are post-employment benefit plans under which an entity pays fixed contributions into a separate entity (a fund) and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable.

Defined benefit plans are post-employment benefit plans other than defined-contribution plans. The defined benefit funds are actuarially valued tri-annually on the projected unit credit method basis. Deficits identified are recovered through lump sum payments or increased future contributions on proportional basis to all participating employers. The contributions and lump sum payments reduce the post-employment benefit obligation.

**k) Foreign currency transactions**

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

***Summary Of Significant Accounting Policies (Continued)***

**l) Borrowing costs**

Borrowing costs are capitalized against qualifying assets as part of property, plant and equipment. Such borrowing costs are capitalized over the period during which the asset is being acquired or constructed and borrowings have been incurred. Capitalization ceases when construction of the asset is complete. Further borrowing costs are charged to the statement of financial performance.

**m) Related parties**

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa. Members of key management are regarded as related parties and comprise the directors, the CEO and senior managers.

**n) Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

**o) Comparative figures**

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

**p) Events after the reporting period**

There were no material adjusting and non- adjusting events after the reporting period.

**q) Ultimate and Holding Entity**

The entity is a County Public Fund established by Public Finance Management Act, 2012 under the County Assembly of Nandi. Its ultimate parent is the County Assembly of Nandi

**r) Currency**

The financial statements are presented in Kenya Shillings (Kshs).

**Summary of Significant Accounting Policies (Continued)**

**5. Significant judgments and sources of estimation uncertainty**

The preparation of the Entity's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

State all judgements, estimates and assumptions made e.g.

**a) Estimates and assumptions** – The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Entity. Such changes are reflected in the assumptions when they occur. IPSAS 1.140.

**b) Useful lives and residual values**

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the Entity
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- The nature of the processes in which the asset is deployed
- Availability of funding to replace the asset
- Changes in the market in relation to the asset

**c) Provisions**

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included in Note xxx.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date and are discounted to present value where the effect is material.

## NANDI COUNTY ASSEMBLY SCHEME FUND

### Annual Report and Financial Statements for the year ended June 30, 2023

#### Other Disclosures Continued

#### 1. Financial risk management

The Fund's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The Fund does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The Fund's financial risk management objectives and policies are detailed below:

#### a) Credit risk

The Fund has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments.

Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the entity's management based on prior experience and their assessment of the current economic environment.

The carrying amount of financial assets recorded in the financial statements representing the entity's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

	Total amount KShs	Fully performing KShs	Past due KShs	Impaired KShs
<b>At 30 June 2022</b>				
Receivables From Exchange Transactions	0	0	0	0
Receivables From Non-Exchange Transactions	0	0	0	0

## NANDI COUNTY ASSEMBLY SCHEME FUND

### Annual Report and Financial Statements for the year ended June 30, 2023

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the entity has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The entity has significant concentration of credit risk on amounts.

The board of trustees sets the Fund's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

#### b) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the Fund Administrator, who has built an appropriate liquidity risk management framework for the management of the entity's short, medium and long-term funding and liquidity management requirements. The entity manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

The table below represents cash flows payable by the Fund under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

**Annual Report and Financial Statements for the year ended June 30, 2023**

**c) Market risk**

The board has put in place an internal audit function to assist it in assessing the risk faced by the entity on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the entity's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The Fund's Finance Department is responsible for the development of detailed risk management policies (subject to review and approval by Audit and Risk Management Committee) and for the day-to-day implementation of those policies.

There has been no change to the entity's exposure to market risks or the manner in which it manages and measures the risk.

**i. Foreign currency risk**

The entity has transactional currency exposures. Such exposure arises through purchases of goods and services that are done in currencies other than the local currency. Invoices denominated in foreign currencies are paid after 30 days from the date of the invoice and conversion at the time of payment is done using the prevailing exchange rate.

The carrying amount of the entity's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

	Kshs	Other currencies Kshs	Total Kshs
<b>At 30 June 2021</b>	0	0	0
Financial Assets	0	0	0
Investments	0	0	0
Cash	0	0	0

<b>Liabilities</b>	0	0	0
Trade And Other Payables	0	0	0
Borrowings	0	0	0
Net Foreign Currency Asset/(Liability)	0	0	0

*The Fund manages foreign exchange risk from future commercial transactions and recognised assets and liabilities by projecting for expected sales proceeds and matching the same with expected payments.*

**NANDI COUNTY ASSEMBLY SCHEME FUND**  
**Annual Report and Financial Statements for the year ended June 30, 2023**

**Foreign currency sensitivity analysis**

The following table demonstrates the effect on the Fund's statement of financial performance on applying the sensitivity for a reasonable possible change in the exchange rate of the three main transaction currencies, with all other variables held constant. The reverse would also occur if the Kenya Shilling appreciated with all other variables held constant.

	Change in currency rate	Effect on surplus/ deficit	Effect on equity
	KShs	KShs	KShs
<b>2022</b>			
Euro	10%	0	0
USD	10%	0	0
<b>2021</b>		0	0
Euro	10%	0	0
USD	10%	0	0

**ii. Interest rate risk**

Interest rate risk is the risk that the entity's financial condition may be adversely affected as a result of changes in interest rate levels. The entity's interest rate risk arises from bank deposits. This exposes the Fund to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the Fund's deposits.

***Management of interest rate risk***

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

***Sensitivity analysis***

The Fund analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year.

**d) Capital risk management**

The objective of the Fund's capital risk management is to safeguard the Fund's ability to continue as a going concern. The entity capital structure comprises of the following funds:
