DEPARTMENT OF AGRICULTURE LIVESTOCK AND  
FISHERIES DEVELOPMENT  
KENYA CLIMATE SMART AGRICULTURE PROJECT

**REQUEST FOR EXPRESSION OF INTEREST**  
**(CONSULTANCY SERVICES - FIRMS SELECTION)**

Country: **KENYA**  
Name of Project: **Kenya Climate Smart Agriculture Project**  
Credit No.: **P157495-KE**  
Assignment Title: **CONSULTANCY SERVICES FOR APPRAISING & RE-DESIGNING ISIOLOEXPORT ABATTOIR AND FEEDLOT SYSTEM**  
Reference No.: **KE - ISIOLO COUNTY 155460-CS-QCBS**

The Government of Kenya has received financing from the World Bank toward the cost of the Kenya Climate Smart Agriculture Project, and intends to apply part of the proceeds for consulting services.

Livestock production is the backbone of Isiolo county economy. It provides food security, income, social backing and wealth to the livestock keepers. The production is mainly under extensive system (pastoralism), and on natural pastures and fodder. Approximately 80 per cent of the county's inhabitants derive their livelihoods from livestock enterprise, and close to 70 per cent of the rural labour force is employed in the livestock sub-sector (CIOP 2018-2022). Historically, pastoralists have had less access to National and international market and hence less opportunity to increase the value of their produce. In this context, the county Government of Isiolo will work with Kenya Climate-Smart Agriculture project (KCSAP) which has the objective to increase agricultural productivity and build resilience to climate change risks in the targeted smallholder farming and pastoral communities in Kenya, and in the event of an eligible Crisis or Emergency, to provide immediate and effective response. This objective is in line with County Government of Isiolo agenda to improve market access and value addition of livestock and livestock products.

The consulting services ("the Services") include redesigning the facility, upgrading it to international standards & identifying/ specifying the equipment and supervising the installation of the same. The services will also cover redesign of existing feedlot facility to modern standards. The aim is to increase livestock productivity and quality of meat along the value chain to meet the international standards for export market and Halal standards.

The County Government of Isiolo now invites both National & International eligible consulting firms ("Consultants") to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services.

The short listing criteria are:

- Duly registered firm with valid tax compliance certificate or similar certification in the Country of origin;
- Have undertaken at least three (3) assignment of similar nature in design of abattoir facilities;
- Have undertaken one assignment of similar nature in design of abattoir equipments;
- Have undertaken one assignment of similar nature in design of feedlots; and
- Demonstrable experience in waste management systems including biofiltration.

Key Experts will not be evaluated at the shortlisting stage.

The attention of interested Consultants is drawn to paragraph 1.9 of the World Bank's *Guidelines: Selection and Employment of Consultants [Under IBRD Loans and IDA Credits & Grants]* by World Bank Borrowers, January 2011 Revised July 2014 ("Consultant Guidelines"), setting forth the World Bank's policy on conflict of interest. In addition, please refer to the following specific information on conflict of interest related to this assignment: 1.9 (a - d) of Consultant Guidelines.

Consultants may submit their REOI as an individual firm or in association in the form of a joint venture or sub-consultancy. All the members of the joint venture shall be jointly and severally liable for the entire assignment. However, the experience of sub-consultant will not be considered while short-listing. A Consultant will be selected in accordance with the **Quality Cost Based Selection** method set out in the Consultant Guidelines.

# Zimbabwe orders 21 Ugandans deported

Court rules that scores trying to enter South Africa illegally be forced back home

BY KITSEPILE NYATHI  
NATION Correspondent  
HARARE, Tuesday

A Zimbabwean court has ordered the deportation of 21 Ugandans for entering the southern African country illegally.

The immigrants, who included a five-year-old who was in the company of her mother, were arrested on February 8 while travelling to Bulawayo, Zimbabwe's second largest city.

**A similar offence**

Prosecutors said the immigrants evaded immigration officials when they entered Zimbabwe through the Victoria Falls border post from Zambia.

Bulawayo magistrate Tinash Chishaya sentenced 20 of them to serve three months in prison before suspending the sentence for five years on condition that they do not commit a similar offence within the same period.

**In brief**

**ARRIVALS AND DEPARTURES**

Zimbabwe is a country with a long history of cross-border mobility that has also witnessed a significant brain drain, thanks to Robert Mugabe's tyranny. The country has also witnessed increased internal and border migration resulting in an upsurge in irregular migration and human smuggling, requiring a comprehensive migration policy to deal with.

The magistrate also ordered the deportation of the Ugandan nationals.

Zimbabwe regularly depots illegal immigrants from countries such as Ethiopia, Eritrea, Burundi, the Democratic Republic of Congo and Malawi, who take advantage of the country's porous borders to sneak into South Africa.

The country is also home to 10,000 refugees, mainly from Mozambique and the Great

Lakes region where they escape conflicts, but a significant number are economic immigrants who use Zimbabwe for transit.

The immigrants either use illegal entry points along the country's vast borders, or bribe immigration officials and police officers as they travel across to neighbouring South Africa.

Zimbabweans also cross the border into South Africa in their numbers every day, escaping the harsh economic environment and political persecution.

**Were defrauded**

The Zimbabwe Lawyers for Human Rights (ZLHR) has pleaded with court not to hand the Ugandans custodial sentences. ZLHR's representative of the Ugandans Jabulani Mhlanga and Ngobani Sithole, said the accused had adhered to the legal requirements, but were defrauded by a person who was trying to get them to South Africa through Zimbabwe.

Mr Sithole said that the Ugandans were first offenders, and they had used up almost all the resources in their possession, having been on the road for the past 10 days.

**MIN No. TPWH 023/2020: PRELIMINARIES**

The Chairman called the meeting to order at 10.00am followed by a word of prayer. Members confirmed the agenda of the meeting as approval hearing for the nominee to be appointed to the position of the Principal Secretary, State Department for Transport, Mr. Solomon Kitungu

**MIN No. TPWH 024/2020: CONFIRMATION OF THE MINUTES OF THE PREVIOUS SITTING**

Confirmation of the minutes of the previous sittings were deferred to the next meeting.

**MIN NO. TPWH 025/2020: APPROVAL HEARING FOR THE NOMINEE TO BE APPOINTED TO THE POSITION OF THE PRINCIPAL SECRETARY, STATE DEPARTMENT FOR TRANSPORT, MR. SOLOMON KITUNGU**

The nominee introduced himself as Mr. Solomon Albert Musyoki Kivanguli (AMK) Kitungu, and submitted his original documents before the Committee. He was born in 1961 in Mwingi Central, Kitui County. He holds a Masters in Arts from Manchester University (1990) and a Bachelor of Arts degree from the University of Nairobi (1987). He holds numerous certificates from other institutions nationally and globally.

The nominee has risen from an Economist II at the National Treasury in 1988 to a Principal Economist between the year 2000 and the year 2003. He was also the CEO of the Privatization Commission from April 2009 to September 2017. Currently, he is the Investment Director, Directorate of Public Investment & Portfolio Management; a position he held since 2017.

The nominee has also served as Alternate Director for the Permanent Secretary Ministry of Finance (and now Principal Secretary National Treasury) in several boards over the years including Kenya Commercial Bank, Kenya Electricity Generating Company, the Kenya Power and Lighting Company, Kenya Petroleum Refineries Limited, the National Bank of Kenya, Kenya National Assurance Company Limited, National Shipping Line and many others.

He is a member of the Institute of Economic Affairs and a member of the Mwingi Horticultural Farmers' Co-operative Society. The nominee declared that his wealth was worth Kshs. 100.7 million and it included both assets and cash.

The nominee explained that he took part in different charity work and participated in many community projects. This include donating land worth Kshs. 500,000 for construction of a community dispensary at Kalisasi Market in Mwingi Sub-County.

By virtue of his position at the National Treasury, the nominee interacted with a lot of parastatals, including those in infrastructure sector. He has also done a lot of policy work and other works include making many presentations and preparing papers such as Cabinet Memoranda.

### ***Questions Raised***

Members were concerned that despite the nominee being the CEO of the Privatization Commission, no privatization was ever achieved during his reign. Further, Members were concerned that a number of parastatals performed dismally despite the nominee associating himself with their restructuring plans. In response, the nominee explained that everything had a well-defined process and that he played his part accordingly, and that he did not have mandate or power over continuing and connecting processes.

Members were also concerned about the nominee's ability to make any meaningful change if he were to be confirmed to the position, considering that he was 58years of age and may retire in less than two years' time. The nominee assured the Committee that, given an opportunity to serve, he will definitely make significant contribution in his new capacity.

On his stand about corruption, the nominee reported that he has never had a single audit query for the nine years he was working at the Privatization Commission and further declared that he was personally not corrupt.

On the nominee's vision on the aviation sector in general and on the Kenya Airways in particular, the nominee acknowledged that as it is at the moment, Kenya Airways cannot survive. He commended the Committee for their inquiry in 2019 and their recommendations to improve and restructure the aviation sector. He explained that in his current assignment at the National Treasury, he was involved in the implementation of the Committee's report and that they had created an Aviation Holding Company with its own fund. All the funds from the company, its subsidiaries and other sources would be directed to the fund. He was hopeful that with the support from the National Assembly, the restructuring of the aviation industry would succeed as intended by Parliament.

In conclusion, the nominee allayed fears that he was more of a boardroom officer, explaining that whereas the nature of his work rightly appeared to be so, he was also the brains behind so many great policies and good works which in many cases, no direct reference was made to an individual's contribution. He explained that he was well experienced and exposed, and in a sure position to deliver and turn around the transport sector.

On behalf of the Committee, the Chairperson thanked the nominee for his presentation, and wished him well.

The Committee resolved to retreat on Monday, 24<sup>th</sup> February 2020 to prepare its report.
