##### **49. On removal of road blocks from the Kitengela-Namanga Highway when he served as County Commissioner for Kajiado County**

Mr. Harsama stated that his decision to remove road blocks was informed by members of the public who complained that they were being harassed on the road blocks. Additionally, there were eleven (11) road blocks between Kitengela and Namanga which to him were too many. Only two road blocks were allowed on the road to control movement of contraband goods.

He averred that contrary to reports that went round during that time, he did not benefit from removal of the roadblocks.

##### **50. On whether he was demoted when he moved from the position of Secretary Administration in the State Department of Crops Development to the position of Acting Director General Agriculture and Food Authority (AFA)**

He stated that both positions are in Job Group T but in his opinion it was a promotion because he was selected as one of the best performing officers to solve the issues that AFA was faced with at that time.

##### **51. On achievements as the acting Director General for AFA**

He submitted that when he joined AFA, the processing of documents was slow. He computerised the import and export documents and this reduced the processing time.

In 2021, Mr. Harsama stopped the importation of maize from Uganda and Tanzania when he realised that they were contaminated with aflatoxins. After diplomatic intervention by former President Uhuru Kenyatta and Tanzania's President, the borders were opened but lab officials were stationed there so as to ensure that maize allowed into the country had passed the aflatoxin test.

During his tenure, AFA collected samples of vegetables in supermarkets and tested them for chemicals in order to ensure that they were safe for consumption.

##### **52. On food safety in the country**

Mr. Harsama averred that he is determined to tackle the issue of food safety in the country. He will empower the Pest Control Board to effectively discharge their mandate.

**53. On Genetically Modified Organisms (GMO)**

Mr. Harsama informed the Committee that GMO crops do not cause cancer contrary to the misconception that has been propagated mainly by multinationals selling pesticides because GMO foods are resistant to pests and will reduce demand for pesticides.

**54. On aflatoxins**

He submitted that the Government is committed to dealing with the issue of aflatoxins in the country. He however noted that management of cereal stores was a function of county governments and it was underfunded by the National Treasury. He undertook to champion for increased funding for storage and aggregation of cereals to ensure that post harvest losses are minimised. Further, the State Department of Crop Development will train the county agriculture staff on ways of dealing with aflatoxins and they will pass the information to farmers.

**55. On extension services**

Mr. Harsama observed that extension services are a function of county governments as provided for in the Fourth Schedule of the Constitution. He stated that agriculture in the country cannot grow without extension services. He undertook to handle the issue through intergovernmental meetings with county governments.

**56. On involvement of MPs in the State Department's activities**

Mr. Harsama assured Members that if appointed as PS, he will ensure that MPs are appraised on all ongoing and future donor funded projects, Ministry initiated projects and county government projects in order to ensure that objectives of the projects are met.

Mr. Harsama assured the Committee that if the Regulations are illegal, he will advise H.E. the President through the Cabinet to order for the de-gazettement of the same. He promised to ensure that all regulations gazetted by the Ministry will follow the due process.

**61. Regarding the Strategic Food Reserve Trust Fund (SFRTF)**

Mr. Harsama stated that the Fund was proposed to be moved to NCPB. However, the Regulations to actualise this were not gazetted. The Fund had KSh. 10 billion in its account when the proposal to move it to NCPB was made. The money was used by the Ministry of Agriculture, Livestock, Fisheries and Cooperatives to offset pending bills. The Fund is now domiciled under the Kenya National Trading Corporation.

**62. On enhancement of crop cultivation in ASAL areas**

Mr. Harsama observed that there is a lot of agricultural potential in the ASAL areas. If appointed as PS, he will advise the Government to invest heavily in ASAL regions. He stated that the Government had plans to irrigate 1.5 million hectares of land in Kenya most of which will be in ASAL areas. Most of the one-hundred (100) dams in the Government's plan will be dug in these areas.

**63. On the low uptake of agricultural loans in Muslim counties**

To address this, Mr. Harsama submitted that he will organise consultative forums for religious leaders to come up with the best way forward in order to ensure that Muslims benefit from the loans within one-hundred (100) days of his appointment.

**64. Regarding marketing of crop products**

The Agricultural Sector Transformation and Growth Strategy provides for agroprocessing zones in different parts of the country which will add value to better market agricultural produce found in the areas.

He added that plans are underway to widen the market for 'miraa' in countries like Congo, Sierra Leone, Mozambique, Democratic Republic of Congo, Israel, Germany among others. Value addition for 'miraa' and 'muguka' is also in the plans of the State Department.

**66. Regarding policies in the State Department**

Mr. Harsama stated that he will adopt policies in the State Department that have worked. He averred that farmers need to shift from rain fed agriculture to irrigated agriculture in order to deal with the issue of climate change.

**67. On mechanisation of farming**

If confirmed to the Office, Mr. Harsama will encourage farmers to form co-operative societies or cluster themselves into groups and bring on board financial institutions that will provide low cost machinery required for farming where farmers will pay for the machines within an agreed period of time.

**68. Regarding the sugar sector**

Mr. Harsama averred that the sugar sector in the country had been mismanaged. He stated that there were plans to privatise sugar companies in order to make them profitable. This may however be delayed by the eight (8) cases that were pending in court. He further stated that sugarcane prices will be increased so as to increase sugarcane plantations.

**69. On the Galana Kulalu Project**

Mr. Harsama informed the Committee that there has been a lot of misinformation on the Project. He undertook to make plans for the Committee to carry out a field visit of the Project in order to ascertain the true position if appointed as PS.

**70. On how he will work with his counterpart with regards to research given that it is under his docket**

Mr. Harsama submitted that he will follow the thematic and institutional outlay in order to harmonise research services in the Ministry.

#### **MIN. NO. NA./A&L/2022/009: CONFIRMATION OF MINUTES OF THE PREVIOUS SITTING**

Minutes of the First Sitting held on 2<sup>nd</sup> November 2022 were adopted as a true reflection of the sitting having been proposed by Hon. Jared Okello Odoyo, MP and seconded by Hon. Patrick Kibagendi Osero, MP.

#### **MIN. NO. NA./A&L/2022/010: MATTERS ARISING**

No matters arose from the confirmed Minutes.

#### **MIN. NO. NA./A&L/2022/011: PRE-VETTING MEETING FOR NOMINEES TO BE APPOINTED AS PRINCIPAL SECRETARIES FOR THE STATE DEPARTMENTS OF CROP DEVELOPMENT AND LIVESTOCK DEVELOPMENT**

1. The Chairperson invited the Committee Secretariat to take Members through the vetting process for Mr. Phillip Harsama, nominee for appointment as Principal Secretary, State Department for Crop Development and Mr. Harry Kimtai, nominee for appointment as Principal Secretary, State Department for Livestock Development.

2. Ms. Brigitta Mati, Legal Counsel informed the Committee that the vetting process is anchored under the Constitution, the Public Appointments (Parliamentary Approval) Act (No. 33 of 2011) and the National Assembly Standing Orders.
3. She took Members through the legal requirements for the approval hearings with an emphasis on what the Committee is expected to do before, during and after the vetting process.
4. Ms. Mati also took Members through the vetting Questionnaire and the importance of the information required in the Questionnaire.
5. Ms. Lauren Wesonga, Committee Clerk, took the meeting through a summary of the curricula vitae of the two nominees.

## **DELIBERATIONS**

1. Members observed that some information required in the Questionnaire like county of origin and gender were not necessary in this vetting exercise because the Committee will only vet two (2) out of the fifty-one (51) nominees submitted by H.E. the President to the National Assembly for vetting. The Committee cannot therefore determine whether regional balance and the two thirds gender rule were observed in the nominations.
2. The approval hearings for the two nominees will take place on Monday, 14<sup>th</sup> November 2022 from 9.00 a.m. Members agreed to meet at 8.30 a.m. so as to plan for the vetting exercise.

## **MIN. NO. NA./A&L/2022/012:**

## **ANY OTHER BUSINESS**

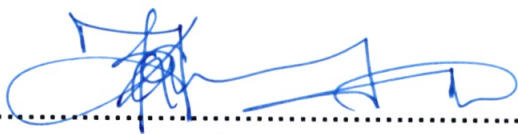

1. Members noted that there was need to have the State Department for Agricultural Research and Innovation where all research for the Ministry of Agriculture and Livestock will be domiciled.
2. The Committee observed that there was need to amend the Standing Orders so that irrigation is a subject of the Departmental Committee on Agriculture and Livestock as opposed to the current scenario where it is under the Departmental Committee on Blue Economy and Irrigation. This is because irrigation goes hand in hand with agriculture.
3. The Committee resolved that the Cabinet Secretary, Ministry of Agriculture and Livestock Development and management of the Agricultural Finance Corporation be invited for a meeting with the Committee to explain the issues that the Agricultural Finance Corporation is facing.
4. The Committee also resolved to have a meeting with the Cabinet Secretary, Ministry of Agriculture and Livestock Development and the management of the Strategic Food Reserve Trust Fund so as to find out the status of the Fund in light of the ongoing drought.
