2.0. CHAIRPERSON'S REPORT

The National Police Service Commission Staff Car Loan & Mortgage Scheme Fund is established under the National Police Service Commission Car loan and Mortgage Fund Scheme Regulations, 2016. The administration of the fund is done by Housing Finance Group.

The scheme fund's Committee members are drawn from all the directorates of the Commission who help in administering the fund. The National Police Service Commission Staff Car loan and mortgage scheme has benefitted the Staff in housing for decent living. In turn this has translated to high morale and better performance. The fund is expected to grow significantly and benefit more Staff in the future. In addition, the NPSC car loan and mortgage scheme fund has better terms compared to similar facilities offered by commercial institution

The fund is managed by the bank and all fund transfers are credited in a fixed deposit so as to earn interest. The fund earns the 3% interest and this will also contribute to the growth of the fund. Staff that have benefited from it have utilised the fund to acquire land, build and purchase houses.

The Commission Staff Car loan and Mortgage Scheme Fund Committee commits to prudently manage the fund for the benefit of its Staffs and for overall achievement and realization of the staff welfare objectives of the Commission.

3.0. REPORT OF THE OFFICER ADMINISTERING THE FUND

The NPSC Staff Car Loan and Mortgage Scheme Fund was established in July 2018. As at the close of the period, the fund had received **Ksh 17,000,000**.

The scheme funds were utilised in accordance with the provisions of the Public Finance Management (PFM) Act, 2012, the Public Financial Management Regulation, 2015, and all other applicable legislation and for the purpose for which it was intended.

The scheme fund's principal activity is to offer low interest loan facilities to members of the Commission, existing residential property, purchase of land and construction, construction, renovation and improvement of an existing residential property, and takeover of loans on existing mortgages or equity release.

The scheme fund's administrators hereby submit their report together with the audited financial statements for the year ended 30 June 2019, which show the state of the scheme fund's affairs.

4.0. STATEMENT OF COMPLIANCE

The National Police Service Commission Staff Car Loan and Mortgage scheme Fund is regulated by various laws and regulations. The Fund is committed to ensuring compliance with all the laws and regulations governing government entities.

On Financial reporting, Section 84 of the PFM Act, 2012, financial statements shall be prepared for a public fund established by the constitution, an Act of Parliament or Entity legislation for each financial year in a form prescribed by the Public Sector Accounting Standards Board.

Not later than three months after the end of each financial year, the administrator of the fund shall submit the financial statements prepared under this section to the Auditor General.

The administrator shall submit a copy of the report to the cabinet secretary responsible for the fund.

The Fund has complied with these requirements and submitted the reports within the stipulated timelines.

National Police Service Commission Staff Car Loan and Mortgage Scheme Fund Reports and Financial Statements for the year ended June 30, 2019

5.0. STATEMENT OF THE OFFICER ADMINISTERING FUNDS RESPONSIBILITIES

Section 84 of the PFM Act, 2012, requires that, at the end of each financial year, the Administrator of a Public Fund shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Administrator of the Public Fund is responsible for the preparation and presentation of the Fund's financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the financial year ended 30 June 2019.

This responsibility includes:

- a) Maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period;
- b) Maintaining proper accounting records, which disclose with reasonable accuracy, at any time the financial position of the Fund;
- c) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud;
- d) Safeguarding the assets of the Fund;
- e) Selecting and applying appropriate accounting policies; and
- f) Making accounting estimates that are reasonable in the circumstances.

The Administrator of the Public Fund accepts responsibility for the Fund's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with the International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012.

The Administrator of the Fund is of the opinion that the Fund's financial statements give a true and fair view of the state of Fund's transactions during the financial year ended 30 June 2019, and of the Fund's financial position as at that date. The Administrator confirms the completeness of the accounting records maintained for the Fund, which have been relied upon in the preparation of the Fund's financial statements, as well as the adequacy of the systems of internal financial control.

**National Police Service Commission Staff Car Loan and Mortgage Scheme Fund
Reports and Financial Statements for the year ended June 30, 2019**

In preparing the financial statements, the Administrator has assessed the Fund's ability to continue as a going concern and disclosed, as applicable, matters relating to the use of going concern basis of preparation of the financial statements. Nothing has come to the attention of the Administrator to indicate that the Fund will not remain a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

The Commission's Staff Car Loan & Mortgage Scheme Fund statements for 30 June 2019 were approved by the Commission and signed on its behalf by:

6.0. MANAGEMENT DISCUSSION AND ANALYSIS

6.1. Operational and financial performance

As at the close of the FY 2018/19, the scheme fund's financial position was Ksh 17,000,000 in capital and Ksh 58,636 as interest earned from utilised funds held in the deposit account. During the year, scheme fund had no withdrawals

Compliance with statutory requirements

The scheme fund terms of reference and regulations are anchored on the Commission's guidelines on Staff Car Loan and Mortgage Scheme Fund.

6.2. Key activities the scheme fund is undertaking

The main reason for setting up the scheme fund is to provide financial support for the acquisition of mortgage facility at a subsidised interest rate relating to;

- a) Purchase of a developed residential house
- b) Construction of a house
- c) Purchase of residential plot
- d) Equity release
- e) Purchase of plot and construction of a house
- f) Purchase of off plan or ongoing development
- g) Takeover of mortgage
- h) Mortgage plus loan / top-up

6.3. Major risks facing the scheme fund

Liquidity risk

Liquidity risk is the risk that the scheme fund will not be able to meet financial obligations when they fall due. This risk is managed by ensuring that the scheme fund is liquid enough to meet its obligations whenever they fall due. This has been managed by ensuring sufficient budget allocation to the scheme fund.

Credit risk

Credit risk is the possibility of a loss resulting from a borrower's failure to repay a loan or meet contractual obligations. The scheme fund's exposure to credit risk is low owing to the fact that properties acquired are charged to the Bank and thus held as security. The administrator also mitigates the risk by strictly scrutinizing the prevailing financial state of the borrower before processing an application.

6.4. The scheme fund's financial probity and governance issues

The scheme fund operates through a Committee whose main role is to oversee its operations and implementation by both the Administrator and the Commission. The Committee's membership is drawn from all directorates and departments of the Commission for inclusivity purposes.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL POLICE SERVICE COMMISSION STAFF CAR LOAN AND MORTGAGE SCHEME FUND FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the accompanying financial statements of the National Police Service Commission Staff Car Loan and Mortgage Scheme Fund set out on pages 16 to 26, which comprise the statement of financial position as at 30 June, 2019, statement of financial performance, statement of changes in net assets, statement of cash flows, statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of the National Police Service Commission staff car loan and mortgage scheme fund as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Public Finance Management Act, 2012.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Police Service Commission Staff Car Loan and Mortgage Scheme Fund Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements

are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

a) Revenue recognition

Revenue from exchange transactions

Revenue is recognised in the period in which it is earned. Income is not accrued if its recoverability is doubtful. Revenue constitutes all incomes accruing to the Fund in the form of interest earned on unutilized fund. The rate applicable during the year was 3%.

b) Budget information

The original budget for the FY 2018/2019 was approved. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the scheme fund upon receiving the respective approvals in order to conclude the final budget.

c) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and Housing Finance at the end of the financial year.

d) Fund Account

The fund is enhanced gradually on an annual basis through appropriations from the Commission's Budget. Further, all interest earned from funds held in the call account is recouped back to the fund. The Fund was mainly established in order to enable members purchase motor vehicles, acquire existing residential property, purchase of land and construct, renovate and improve existing residential property, and takeover loans on existing mortgages or equity release. The facility is extended to applicants at an interest rate of 3% which are funds utilized by the Bank for administration of the Fund.

e) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

f) Events after the reporting period

There were no material adjusting and non-adjusting events after the reporting period.

g) Ultimate and Holding Entity

The scheme fund is a Public Fund established under the Salaries and Remuneration Commission. Its ultimate parent is the Salaries and Remuneration Commission.

h) Currency

The financial statements are presented in Kenya Shillings (Ksh).

i) Financial risk management

The scheme fund's activities expose it to a variety of financial risks, including credit and liquidity risks. The scheme fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The scheme fund does not hedge any risks and has in place policies to ensure that credit is only extended to borrowers with an established credit history. The scheme fund's financial risk management objectives and policies are detailed below:

Credit risk management

Credit risk is the possibility of a loss resulting from a borrower's failure to repay a loan or meet contractual obligations. The scheme fund's exposure to credit risk is low owing to the fact that properties acquired are charged to the Bank and thus held as security. The

administrator also mitigates the risk by strictly scrutinizing the prevailing financial state of the borrower before processing an application.

Liquidity risk management

Liquidity risk is the risk that the scheme fund will not be able to meet financial obligations when they fall due. This risk is managed by ensuring that the scheme fund is liquid enough to meet its obligations whenever they fall due. This has since been managed over the previous years by ensuring sufficient budget allocations are appropriated to the scheme fund.

Interest rate risk

Interest rate risk is the risk that the scheme fund's financial condition may be adversely affected as a result of changes in interest rate levels. The scheme fund's interest rate risk arises from bank deposits. This exposes the scheme fund to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the scheme fund's deposits.

Management of interest rate risk

To manage the interest rate risk, management has endeavoured to bank with a local commercial Bank and negotiate for favourable interest rates from time to time in tandem with prevailing market rates and economic conditions.

Capital risk management

The objective of the scheme fund's capital risk management is to safeguard the scheme fund's ability to continue as a going concern. The scheme fund capital structure comprises of the following funds:
