**1. Key Fund information and management**

**a) Background Information**

The National Land Commission (NLC) is an Independent Constitutional Commission established under Article 67 of the Constitution of Kenya, 2010. It was operationalized through Acts of Parliament that gave effect to Article 67 of the Constitution, namely; the National Land Commission Act, 2012; the Land Act, 2012 and the Land Registration Act, 2012, to carry out its mandate as outlined both in the Constitution and in the aforementioned legislations. The Commission is not subject to direction or control by any person or authority; it is subject only to the Constitution and the law as stated in Article 249 (2) of the Constitution of Kenya.

National Land Commission Mortgage Loan Fund is established by and derives its authority and accountability from The Public Finance Management Act (No. 18 of 2012) in the financial year 2018/2019. The Fund is wholly owned by National Land Commission and is domiciled in Kenya. The fund's objective is to facilitate state officers and other public officers within the Commission to benefit from government funded loans to access affordable housing

The CEO of National Land Commission being the accounting officer of the Commission was appointed the administrator of the fund.

**b) Principal Activities**

The Fund's principal activity is to offer low interest loan facilities to staff members of the commission to access affordable housing.

The Fund is administered by the CEO. There is a committee charged with the responsibility of processing loans from applicants in accordance with laid down approved regulations, setting up a revolving Fund for the disbursement of loans, and supervising the day-to-day operations of the Fund.

NLC day-to-day management is under the following key organs:

Nine (9) Commissioners comprising of the Chairman and Eight (8) Commissioners. The Commissioners were engaged on a full-time basis. The Commissioners assumed office in December 2019 after the first Commission came to an end in February 2019

*National Land Commission Housing Scheme fund  
Annual Reports and Financial Statements  
For the year ended June 30th 2022*

The Secretariat is headed by the Ag. Secretary/Chief Executive Officer supported by eleven (11) Directors and County coordination offices across the 47 counties. The Entity offices are headed by the County coordinators.

**Gershom Otachi B'wonamwa-Chairman**

Commissioner Gershom Otachi is the Chairman of the National Land Commission and a graduate of the University of Nairobi (LLB, 1989). He was admitted to the Bar in 1990. He has been in Legal practice as an Advocate for 29 years, appearing before all levels of Courts and Specialized Tribunals in Civil, Criminal, Land and property, Succession and Election disputes besides practice in other aspects of Commercial law and Conveyancing. He has also simultaneously practiced law in international courts for a period of over twenty years. He has served as the Chairman in two State Corporations; Policy Holders' Compensation Fund (PHCF) and Geothermal Development Company (GDC) for a total of six years. He is a member of the Law Society of Kenya, East African Law Society, International Commission of Jurists (Kenya), International Criminal Bar (ICB), International Association of Defiance Lawyers (IADAD), Association of Defence Lawyers at the UNICTR (ADAD) of which he was Vice – Chairman for 6 years and is on the ICC list of Counsel.

**Getrude Nduku Nguku - Vice-Chair**

Gertrude Nduku Nguku is the Vice Chairperson of the National Land Commission. She is a Kenyan Advocate who was admitted to the bar in 1990. She holds a LLB degree from the University of Nairobi and a Master of Advanced Studies in Peace and Conflict Studies from the European University Center for Peace Studies in Austria. She has researched and written extensively on administrative and management reforms of Kenya land law and policy to end conflict and structural marginalization. She is a recognized United Nations legal and judicial reform expert who has advised governments on issues of land management, adjudication, settlement, investigations and registration. She represented public and private clients during litigation and arbitration of land cases in Kenya and advised International Judge Panels during the investigations, trial and appeal of land, corruption and war crime cases. She managed a United Nations Operations land program as a Deputy Head to investigate, adjudicate and mediate on historical land injustices and illegal occupations in Kosovo, Serbia and Macedonia. As an Advisor of the United Nations Police Commissioner in Timor-Leste, she collaborated with development partners, national and municipality government authorities to spearhead the development of the first administrative and investigation policy of the police Vulnerable Persons Unit.

**Prof. James K. Tuitoek - Commissioner**

Prof, James K Tuitoek joined the Commission in November, 2019 and brings on board over 35 years' wealth of experience from diverse backgrounds. A research specialist with a bias towards animal science, Prof Tuitoek holds a PhD from the University of Guelph, Canada, MSc in Animal Science, University of Manitoba Canada and a BSc in Agriculture from the University of Nairobi. Prof Tuitoek has immense experience in the area of Management and Administration having served in various senior management roles at the Egerton University for a combined period of 19 years, half of which he was at the helm of the University as the Vice Chancellor. Prior to this, he also served as a Lecturer, Dean of Faculty (Agriculture) and Deputy Vice Chancellor (Administration and Finance). Prof. Tuitoek played a key role in the management of University Pension Plans, he was also instrumental in establishing favourable employee/ labour relations and corporate governance.

Prof. Tuitoek is also the Chairman of the Audit & Risk Management Committee of the Commission and a member of other Commission Committees.

**Hon. Samwel Kazungu Kambi - Commissioner**

Hon. Commissioner Samwel Kazungu Kambi holds a Master in Business Administration (MBA) from University of East Africa, Baraton and a Bachelor of Arts Degree in Development Studies from the same University. He worked as a Manager at Post Bank from 1990 to 1992. He started his political journey as a Member of Parliament for Kaloleni Constituency from 2007-2012. He served as an Assistant Minister for Medical Services from 2008 to 2013 under the Coalition Government.

In May 2013, Hon. Kazungu Kambi was nominated by President Uhuru Kenyatta as a Cabinet Secretary (CS) for the Ministry of Labor and Social Services, a position he held from 2013 to 2015. During his tenure he was instrumental in spearheading transition of staff from National to the 47 County governments. While at the helm as a Cabinet Secretary for Labor and Social Services, Hon. Kambi oversaw NSSF increase its revenue from Ksh 400m to Ksh. 1.2 billion by the time he was leaving. He revived National Industrial Training Authority (NITA), and was instrumental in the establishment of the National Employment Authority vide an Act of Parliament which seeks to connect job seekers with employers. He enhanced the growth of the National Cash Transfer Program, a support program for the elderly and the disabled from 1000 to over 7000 beneficiaries. At the Child Welfare Association, he spearheaded establishment of the National Adoption Society and the National Emergency Response, Welfare and Rescue Organization for children through a legal notice No. 58 of 23/05/1955. He has served as the Chairman of Coast Development Authority and also as a Director at the Betting Control and Licensing Board. He is pursuing a Doctorate of Philosophy (PhD) in Finance and Management at Baraton University.

**Hubbie Hussein Al-Haji - Commissioner**

Commissioner Hubbie Hussein Al-haji was the County Executive Committee member in Garissa County having held two different departments for the period between 2013 and 2017. She was first in charge of Agriculture, Livestock, Fisheries and Irrigation for Garissa County, she later held the same position in the department of Health Services; this follows the devolution of service from a national government to a County government. During her tenure several policies have been passed and initiative taken to attain the objective of the ministry. Under the Health docket, Garissa County was ranked as the best County in Kenya in the area of maternal and new borne health, due to enhanced referral mechanism and the established.

Ms. Hubbie is a former Executive Director, and a founding member of Womankind Kenya (WOKIKE). It was founded in 1989 as a welfare society by local Somali pastoral women who were committed to improving the living standards and the level of decision making of their fellow pastoral women and the girls in the North Eastern province. Through her work at the organization, she has been instrumental in helping the community develop and institutionalize unique, innovative approaches to eradicate poverty, human rights abuse and empower women to foster community sustainability.

Ms. Hubbie is also a former member of the Pay Review Board of the Kenya Armed Forces (Kenya Defence Forces) for the year 2009 to 2012. The major responsibility had to continuously review and assess the work condition of the Kenya military personnel and recommend favorable working conditions.

Ms. Hubbie is also a former member of the famous Bomas of Kenya delegates for the Constitution Review; she was an active member of the legal committee, which was then chaired by Prof. Kivutha Kibwana (Current Governor of Makueni County). She played a critical role in looking in to a devolved governance system, the major focus by then was federalism.

***National Land Commission Housing Scheme fund

**Hon. Esther M. Mathenge-Commissioner**

Hon. Esther Murugi Mathenge EGH is currently a Commissioner with the National Land Commission, Kenya who has vast experience on matters of land administration and Valuation and Estate Agents.

She serves as a Council Member to the University of Tangaza. Tangaza University is a constituent college of Catholic University of East Africa (CUEA) working towards a charter. She was appointed in February 2020. The role of the Council is to direct the affairs of the University.

Hon. Esther M. Mathenge is the current chair of the University Council's Corporate Affairs Committee. The role of the Committee is amongst others to oversee the University's compensation and benefits policies, evaluate senior executive performance, oversee succession planning for the senior management and to review and to recommend to the University Council corporate governance guidelines and the Code of Conduct for the University. She is also a trustee of the Nairobi Hospital.

Hon. Esther M. Mathenge has a Master's degree from the UNIVESITA CATTOLICA DEL SACRO CUORE in Global Business and Sustainability in Social Entrepreneurship.

She holds a BA in Land Economics from the University of Nairobi, and is a registered member of the Institute of Surveyors in the Valuation and Estate Agents' Chapter and Land Management Chapter.

Hon. Esther M. Mathenge worked with Government of Kenya as Land Administrator and several real estate companies.

Hon. Esther M. Mathenge has been a member of parliament representing Nyeri Town Constituency from 2008- 2017. As a Member of Parliament, her job was to represent the people; legislate and oversight both the executive and judiciary.

Hon. Esther M. Mathenge has had opportunity to serve as a Minister (currently referred to as Cabinet Secretaries) for two ministries. She was the minister for Gender, Children and Social Affairs. This involved the formulation for the care of children and most vulnerable in society i.e. Elderly and persons with disability (2008-2010).

She also served as the Minister of Special Programmes. The appointment entailed dealing with disasters both manmade and natural. Her responsibilities also required her to formulate disaster management and HIV policies (2010-2013)

Hon. Esther M. Mathenge has a love for women and encourages them to step up and aim high. She has in the past worked very closely with international organization SORPTIMIST INTERNATIONAL Kenyan Chapter. This organization worked with women to improve their social economic and education standards. She served as the Chairperson of the Kenya Chapter in (1998-2001).

**Ms. Kabale Tache Arero – Ag. Secretary/Chief Executive Officer**

Ms. Kabale Tache Arero was appointed as the Acting CEO of the National Land Commission on 18th December 2018. She was instrumental in managing the transition following the exit of former commissioners and the incoming of the, then, newly appointed commissioners. Before her appointment to her current position, she was Director of Human Resources and Administration. She holds a Master's

Degree in Business Administration (MBA) from Kenyatta University and a Bachelor's Degree in Human Resources. She is a full member of the Institute of Human Resource Management among other professional bodies.

Ms. Kabale is a seasoned career professional with over 20 years' wealth of successful experience providing human Resources, Operational and Strategic leadership in uniquely challenging environments. Dynamic, results-oriented leader with a strong track record of performance in both Government and quasi Government institutions including the banking sector. She is exemplary at the utilization of keen analysis, insights and team approach to drive organizational improvements and implementation of best practices. Her superior interpersonal skills have in the past, enabled her to resolve multiple and complex issues while also motivating staff to peak performance.

#### **4. Chairman's Report**

It is my pleasure to present, on behalf of the Fund Management Committee, The National Land Commission's Mortgage loan scheme fund financial statements for the year ended 30th June 2022. The financial statements present the financial performance of the fund over the accounting period. National Land Commission Mortgage loan Fund is established by and derives its authority and accountability from The Public Finance Management Act (No. 18 of 2012) in the financial year 2018/2019. The Fund is wholly owned by National Land Commission Mortgage loan Fund and is domiciled in Kenya.

The fund's objective is to facilitate state officers and other public officers within the Commission to benefit from government funded loans to access Mortgage loan facilities.

The CEO of National Land Commission being the accounting officer of the Commission was appointed the administrator of the fund.

The National Land Commission Staff Mortgage loan Scheme Fund was established in the financial year 2018/2019. The funding were obtained from the parent entity being the National Land Commission

	<b>Financial Year</b>	<b>Amount disbursed</b>
1	2018/2019	39,605,593
2	2019/2020	27,130,760
3	2020/2021	10,151,190
4	2021/2022	20,151,100
		<b>97,038,643</b>

During the year under review and amount of Ksh. 4,535,000 was refunded back from the Car Loan Account making the total Revolving Fund for Mortgage Loan Scheme stand at **Ksh. 101,891,702.**

#### **Review of performance**

##### **Income**

The fund earned revenues amounting to Kshs. **2,566,017** which were from the interest earned on the loans disbursed to Staff of Ksh **1,199,989**, Interest earned on the deposits maintained at National Bank of Kenya of Ksh **1,366,029** and a further levy of application fees of Ksh **9,000**

*National Land Commission Housing Scheme fund  
Annual Reports and Financial Statements  
For the year ended June 30th 2022*

**Expenditures**

The total expenditures during the period amounted to Kshs **719,993**. This figure represents the administrative costs. This is the 4% of the interest charged on the Mortgage which the administrator (National Bank of Kenya) deducts as per the agency agreements with the commission.

**Future Outlook**

The fund's main objective is to build a robust and sustainable fund base. We expect to disburse more loans due to the many number of applications (9) we have since received. The fund looks forward to benefit from continued support from the parent entity in the realization of its mandate.

**Appreciation**

I take this opportunity to express my sincere gratitude and appreciation to the administrator, stakeholders, management, staff and fellow committee members for their continued support which made us achieve these results.

I look forward to your continued support in the year 2022/2023.

Signed:  \_\_\_\_\_

Prof. David Kuria  
Chairman of the Board

By Order of the Board

.....  
**Chair of the Board/Fund Administration Committee**

## **11. Statement of Management's Responsibilities**

Section 84 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Administrator of a Fund established by an Act of parliament (PFM Act 2912) shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Administrator of the Fund is responsible for the preparation and presentation of the Fund's financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the financial year ended on June 30, 2022. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period, (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the fund, (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud, (iv) Safeguarding the assets of the fund; (v) Selecting and applying appropriate accounting policies, and (vi) Making accounting estimates that are reasonable in the circumstances.

The Administrator of the Fund accepts responsibility for the Fund's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 The Administrator of the Fund is of the opinion that the Fund's financial statements give a true and fair view of the state of Fund's transactions during the financial year ended June 30, 2022, and of the Fund's financial position as at that date.

The Administrator further confirm the completeness of the accounting records maintained for the Fund, which have been relied upon in the preparation of the Fund's financial statements as well as the adequacy of the systems of internal financial control.

In preparing the financial statements, the Administrator of the Fund has assessed the Fund's ability to continue as a going concern and disclosed, as applicable, matters relating to the use of going concern basis of preparation of the financial statements.

***National Land Commission Housing Scheme fund  
Annual Reports and Financial Statements  
For the year ended June 30th 2022***

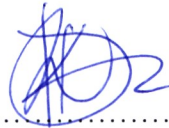

Nothing has come to the attention of the Administrator to indicate that the Fund will not remain a going concern for at least the next twelve months from the date of this statement.

**Approval of the financial statements**

The Fund's financial statements were approved by the Board on 25<sup>th</sup> August 2022 and signed on its behalf by:

Kabale Tache Arero  
Ag. Secretary /CEO

Prof. David Kuria  
Chairperson of the Fund.

## **REPORT OF THE AUDITOR-GENERAL ON NATIONAL LAND COMMISSION HOUSING SCHEME FUND FOR THE YEAR ENDED 30 JUNE, 2022**

---

### **PREAMBLE**

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment and the internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

### **REPORT ON THE FINANCIAL STATEMENTS**

#### **Qualified Opinion**

I have audited the accompanying financial statements of National Land Commission Housing Scheme Fund set out on pages 1 to 27, which comprise of the statement of

---

*Report of the Auditor-General on National Land Commission Housing Scheme Fund for the year ended 30 June, 2022*

financial position as at 30 June, 2022, and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Land Commission Housing Scheme Fund as at 30 June, 2022, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Public Finance Management Act, 2012 and the Public Finance Management (National Land Commission Housing Scheme Fund) Regulations, 2016.

### **Basis for Qualified Opinion**

#### **1. Unreconciled Long-Term Receivables from Exchange Transactions**

The statement of financial position reflects long-term receivables from exchange transactions balance of Kshs.48,993,645 and as disclosed in Note 5 to the financial statements. However, the loan statements from the bank reflects a total amount of Kshs.41,875,799 resulting to an unexplained variance of Kshs.7,117,846 as detailed below:

<b>Employee No.</b>	<b>Ledger Balance (Kshs)</b>	<b>Loan Statement Balance as at June, 2022 (Kshs)</b>	<b>Variance (Kshs)</b>
NLC20130002	3,553,849	3,553,849	-
NLC20130011	9,415,623	9,415,623	-
NLC20140019	16,667,953	11,042,770	5,625,183
NLC20140039	15,469,840	14,772,942	696,898
NLC20150143	3,886,380	3,090,615	795,765
<b>TOTAL</b>	<b>48,993,645</b>	<b>41,875,799</b>	<b>7,117,846</b>

Further, the current amount receivable in the next twelve (12) months was not separated from the long-term receivables from exchange transactions balance of Kshs.48,993,645 contrary to the requirement of the reporting template.

In the circumstances, the accuracy and fair presentation of the long-term receivables from exchange transactions balance of Kshs.48,993,645 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Land Commission Housing Scheme Fund Management in accordance with ISSAI 130 on Code of Ethics. I have

fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

## **REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES**

### **Conclusion**

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matter described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### **Basis for Conclusion**

#### **Failure by the Steering Committee to Hold Requisite Meetings**

A perusal of the steering committee meetings minutes revealed that during the year under review, the committee held three(3) meetings contrary to Regulation 6(5) of the National Land Commission Housing Scheme Fund Regulations, 2016 which states that, the Committee shall meet at least four times in a year and the period between one meeting of the Committee and the next shall not exceed four(4) months.

In the circumstances, the Management was in breach of the Regulations.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

## **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **Responsibilities of Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

## **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect

a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's

ability to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

## **18. Notes to Financial Statement**

### **Significant Accounting Policies**

#### **1. General Information**

National Land Commission Mortgage loan Fund is established by and derives its authority and accountability from The Public Finance Management Act (No. 18 of 2012) in the financial year 2018/2019. The Fund is wholly owned by National Land Commission Mortgage loan Fund and is domiciled in Kenya.

The fund's objective is to facilitate state officers and other public officers within the Commission to benefit from government funded loans to access Mortgage loan facilities. The CEO of National Land Commission being the accounting officer of the Commission was appointed the administrator of the fund.

#### **2. Statement of Compliance and Basis of Preparation**

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant, and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the Fund's accounting policies. The areas involving a higher degree of judgment or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed in the Notes

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of the Fund.

The financial statements have been prepared in accordance with the PFM Act, and International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented.

*National Land Commission Housing Scheme fund

Annual Reports and Financial Statements  
For the year ended June 30th 2022*

<b>Standard</b>	<b>Effective date and impact:</b>
IPSAS 43	<p><b><i>Applicable 1<sup>st</sup> January 2025</i></b></p> <p>The standard sets out the principles for the recognition, measurement, presentation, and disclosure of leases. The objective is to ensure that lessees and lessors provide relevant information in a manner that faithfully represents those transactions. This information gives a basis for users of financial statements to assess the effect that leases have on the financial position, financial performance and cash flows of the Fund.</p> <p>The new standard requires entities to recognise, measure and present information on right of use assets and lease liabilities.</p>
IPSAS 44: Non- Current Assets Held for Sale and Discontinued Operations	<p><b><i>Applicable 1<sup>st</sup> January 2025</i></b></p> <p>The Standard requires,</p> <p>Assets that meet the criteria to be classified as held for sale to be measured at the lower of carrying amount and fair value less costs to sell and the depreciation of such assets to cease and:</p> <p>Assets that meet the criteria to be classified as held for sale to be presented separately in the statement of financial position and the results of discontinued operations to be presented separately in the statement of financial performance.</p>

*iii.* **Early adoption of standards**

The Fund did not early – adopt any new or amended standards in the year 2021/22.

*National Land Commission Housing Scheme fund  
Annual Reports and Financial Statements  
For the year ended June 30th 2022*

**4. Significant Accounting Policies**

**a. Revenue recognition**

**i) Revenue from non-exchange transactions**

**Transfers from other government entities**

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the Fund and can be measured reliably.

**ii) Revenue from exchange transactions**

**Interest income**

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income for each period.

**b. Budget information**

The original budget for FY 2021/22 was approved on July 1, 2022. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the Fund upon receiving the respective approvals in order to conclude the final budget.

Accordingly, the Fund recorded additional appropriations of **Kshs. 20,151,100** for the FY 21/22 budget following the governing body's approval.

The Fund's budget is prepared on a different basis from the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in

*National Land Commission Housing Scheme fund  
Annual Reports and Financial Statements  
For the year ended June 30th 2022*

**Significant Accounting Policies continued**

the statement of comparison of budget and actual amounts. In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts as per the statement of financial performance has been presented under section 17 and page 5 of these financial statements.

**c. Property, plant, and equipment (PPE)**

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the Fund recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

**d. Intangible assets**

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred. The useful life of the intangible assets is assessed as either finite or indefinite.

*National Land Commission Housing Scheme fund  
Annual Reports and Financial Statements  
For the year ended June 30th 2022*

**Significant Accounting Policies continued**

**e. Financial instruments**

**1) Financial assets**

***Initial recognition and measurement***

Financial assets within the scope of IPSAS 29 Financial Instruments; Recognition and Measurement are classified as financial assets at fair value through surplus or deficit, loans and receivables, held-to-maturity investments, or available-for-sale financial assets, as appropriate. The Fund determines the classification of its financial assets at initial recognition.

***Loans and receivables***

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. Losses arising from impairment are recognized in the surplus or deficit.

***Held-to-maturity***

Non-derivative financial assets with fixed or determinable payments and fixed maturities are classified as held to maturity when the Fund has the positive intention and ability to hold it to maturity. After initial measurement, held-to-maturity investments are measured at amortized cost using the effective interest method, with less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The losses arising from impairment are recognized in surplus or deficit.

***Impairment of financial assets***

The Fund assesses at each reporting date whether there is objective evidence that a financial asset or a Fund of financial assets is impaired. Management then follows the procedure required by Regulation 145 of the PFM Act. A financial asset of the Fund is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more

**Significant Accounting Policies continued**

events that has occurred after the initial recognition of the asset (*an incurred 'loss event'*) and that loss event has an impact on the estimated future cash flows of the Fund that can be reliably estimated. Evidence of impairment may include the following indicators:

- The debtors of the Fund are experiencing significant financial difficulty
- Default or delinquency in interest or principal payments
- The probability that debtors will enter bankruptcy or other financial reorganization
- Observable data indicates a measurable decrease in estimated future cash flows (e.g. changes in arrears or economic conditions that correlate with defaults)

**2) Financial liabilities**

***Initial recognition and measurement***

Financial liabilities within the scope of IPSAS 29 are classified as financial liabilities at fair value through surplus or deficit or loans and borrowings, as appropriate. The Fund determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, plus directly attributable transaction costs.

**Significant Accounting Policies (Continued)**

**f. Contingent liabilities**

The Fund does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

**g. Contingent assets**

The Fund does not recognize a contingent asset but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Fund in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

*National Land Commission Housing Scheme fund  
Annual Reports and Financial Statements  
For the year ended June 30th 2022*

**Significant Accounting Policies continued**

**h. Nature and purpose of reserves**

The Fund creates and maintains reserves in terms of specific requirements. *(Fund to state the reserves maintained and appropriate policies adopted).*

**i. Changes in accounting policies and estimates**

The Fund recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

**j. Foreign currency transactions**

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

**Significant Accounting Policies (Continued)**

**k. Related parties**

The Fund regards a related party as a person or entity with the ability to exert control individually or jointly, or to exercise significant influence over the Fund, or vice versa. Members of key management are regarded as related parties and comprise the Directors/Trustee, the Fund Managers, and Fund Accountant.

**l. Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call, and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various commercial banks at the end of the financial year.

*National Land Commission Housing Scheme fund  
Annual Reports and Financial Statements  
For the year ended June 30th 2022*

**Significant Accounting Policies continued**

**m. Comparative figures**

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

**n. Events after the reporting period**

There were no material adjusting and non-adjusting events after the reporting period.

**o. Ultimate and Holding Fund**

The Fund is established under Section 24 (4) PFM Act under the National Land Commission. Its ultimate parent is the Government of Kenya.

**p. Currency**

The financial statements are presented in Kenya Shillings (Kshs.).

**Significant Accounting Policies continued**

**5. Significant judgments and sources of estimation uncertainty**

The preparation of the Fund's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

**a) Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Fund. Such changes are reflected in the assumptions when they occur. (*See IPSAS 1.140.*)

**b) Useful lives and residual values**

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- i) The condition of the asset is based on the assessment of experts employed by the Fund
- ii) The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- iii) The nature of the processes in which the asset is deployed
- iv) Availability of funding to replace the asset
- v) Changes in the market in relation to the asset

For the year ended June 30th 2022*

**Other important disclosures**

**12. Financial risk management**

The Fund's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The Fund does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The Fund's financial risk management objectives and policies are detailed below:

**a) Credit risk**

The Fund has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments.

Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the Fund's management based on prior experience and their assessment of the current economic environment.

The carrying amount of financial assets recorded in the financial statements representing the Fund's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

*National Land Commission Housing Scheme fund  
Annual Reports and Financial Statements  
For the year ended June 30th 2022*

**Other Disclosures Continued**

<b>Description</b>	<b>Total amount Kshs.</b>	<b>Fully performing Kshs.</b>	<b>Past due Kshs.</b>	<b>Impaired Kshs.</b>
<b>At 30 June 2022</b>				
Receivables From Exchange Transactions-Mortgage loans	48,993,645	48,993,645		
Bank Balances	55,557,861	55,557,861		
<b>Total</b>	<b>104,551,506</b>	<b>104,551,506</b>		
<b>At 30 June 2021</b>				
Receivables From Exchange Transactions- Mortgage loans	24,126,961	24,126,961		
Bank Balances	53,883,421	53,883,421		
<b>Total</b>	<b>78,010,382</b>	<b>78,010,382</b>		

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the Fund has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The board of trustees sets the Fund's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

**b) Liquidity risk management**

Ultimate responsibility for liquidity risk management rests with the Fund Administrator, who has built an appropriate liquidity risk management framework for the management of the Fund's short, medium, and long-term funding and liquidity management requirements. The Fund manages liquidity risk through continuous monitoring of forecasts and actual cash flows. The table below represents cash flows payable by the Fund under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed

*National Land Commission Housing Scheme fund  
Annual Reports and Financial Statements  
For the year ended June 30th 2022*

**Other Disclosures Continued**

in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

**c) Market risk**

The board has put in place an internal audit function to assist it in assessing the risk faced by the Fund on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the Fund's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee. The Fund's Finance Department is responsible for the development of detailed risk management policies (*subject to review and approval by the Audit and Risk Management Committee*) and for the day-to-day implementation of those policies.

There has been no change to the Fund's exposure to market risks or the manner in which it manages and measures the risk.

*National Land Commission Housing Scheme fund  
Annual Reports and Financial Statements  
For the year ended June 30th 2022*

**Other Disclosures Continued**

**d) Interest rate risk**

Interest rate risk is the risk that the Fund's financial condition may be adversely affected as a result of changes in interest rate levels. The Fund's interest rate risk arises from bank deposits. This exposes the Fund to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the Fund's deposits.

**Management of interest rate risk**

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

**Sensitivity analysis**

The Fund analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year.

Using the end of the year figures, the sensitivity analysis indicates the impact on the statement of comprehensive income if current floating interest rates increase/decrease by one percentage point as a decrease/increase.

**e) Capital risk management**

The objective of the Fund's capital risk management is to safeguard the Fund's ability to continue as a going concern. The Fund capital structure comprises of the following funds:

<b>Description</b>	<b>2021/22</b>	<b>2020/21</b>
