5. Chairman's Statement

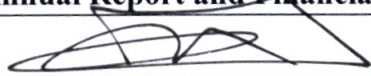

The institution faces a myriad of challenges to mention but a few, lack of well-equipped science laboratory, lack of piped water, few classes, limited accommodation facilities and limited land for expansion and agricultural fields for trainers, all of which require funds. Irregular cash flows in form of M.O.E capitation and unfulfilled promises from CDF for bursaries, to poor and needy students who form the bulk of the student population has not done much to improve the much-needed infrastructure.

Equipping of the institutions laboratory which hampered technical training has affected the institution mandate in its motto to develop skills and personal for market and industry. This inadequacy has to the institution spending much of its resource in purchasing the critical equipment's for the science spheres offered. This has greatly affected even on the introduction of more current courses/academic programmes. This would have indeed increased on the enrolment third fold, but nevertheless there's has still been gradual and steady enrolled for the programmes offered.

Limited number of classes as said in the previous financial year is still a tall order for the institution. An ultra-modern tuition block is required and deliberate efforts must be done to achieve this especially in the financial years ahead.

The completion of the female hostels was a relieve but it cannot currently accommodate all the female students. Since most of the trainees come from the surrounding with humble backgrounds, the cost of accommodation is still too high for them. This has forced most of our trainees to look for alternative accommodation in the nearby informal sectors. The alternative accommodation is still kilometres away from the institute with poor roads network thus posing difficulties for staff and students access the institute during rainy seasons. The area Member of County Assembly is still looking into this and we expect that good roads will be done to ease access into and out of the institution.

Endebess Technical Training Institute
Annual Report and Financial Statements for the year ended 30th June 2025

.....
Chairman Board of Governors

6. Report of the Chief/Senior Principal

The financial year 2024/2025 was characterized by increased enrolment into the various courses/programmes that were being offered by the institute. The gradual rise in this was as result of the country's deliberate efforts of enhancement of technical empowerment to the growing market for skilled labour.

This led to consistent financial strain to the resources that are not adequate from the funding agency – Government of Kenya.

In the year, the plan was to realigned Government's priority policies with specific reference to the Vision 2030 and the Big 4 agenda which forms the agenda for transforming Kenya to a mid-level industrial country.

With all this ambitions, there's great efforts to invest on technical courses which is capital intensive on terms of acquisition of training materials and equipment's. The institution acquired more learning materials and equipping our labs with modern equipment's. This was dismally done because of lack of enough resources to equip and modernise of labs to the state of art status in which its being critically being looked into.

The institution managed to continue to improve on its repairs and maintenance. There was additional fabrication of 120 lecture chairs. This was a great milestone.

The on-going construction of the Females hostels together with the Multipurpose Hall that will serve as a dining Hall unsuited with a modern kitchen progressed on well. Except for minor works to be done, the project was deemed complete in which arrangements for Grand opening and use of the same was on a higher notch.

Amidst all the financial challenges the entity went through, it was able to full fill its mandate of training and subjecting students to various examination series (March, July and November examination series).

The institution faces a myriad of challenges as mentioned by the chair that are but not limited to but a few, lack of well-equipped science laboratory, lack of piped water, few classes, limited accommodation facilities and limited land for expansion and agricultural fields for trainers, all of which require funds. Irregular cash flows in form of M.O.E capitation and unfulfilled promises from CDF for bursaries, to poor and needy students who form the bulk of the student population has not done much to improve the much-needed infrastructure

7. Statement of Performance against Predetermined Objectives

In its attaining of its objective, Endebess TTI has look through aspects that promotes its mandates through Quality and relevance engagement with all the stakeholder’s government of Kenya included. This will strengthen institutional human and organizational capacity as its objectives are met. The institution which is heavily dependent on Government for funding its development and recurrent expenditure performed averagely towards attaining of this.

Endebess TTI which has 10 strategies objectives within its current Strategic Plan for the FY 2020-FY 2025 .The institution needs to position itself competitively in the market in order to realize her vision and mission. The strategic issues, objectives and strategies’ were tailored to development and subsequent operations in the next five years.

Endebess TTI developed its annual work plans based on the above 10 pillars. Assessment of the Board’s performance against its annual work plan is done on a quarterly basis. The institute achieved its performance targets set for the FY 2024/25 period for its 4 strategic pillars, as indicated in the diagram below:

Strategic Pillar	Objective	Key Performance Indicators	Activities	Achievements
Vocational & Technical Programmes & quality teaching	To develop quality academic programmes and teaching pedagogy	-curriculum review reports -Implemented recommendation of review report	Evaluate existing vocational & Technical curricula through internal and external approach	Developed academic Policy document
Identifying, recruiting, training and developing quality staff	To attract, develop and retain highly motivated staff.	-Identify, recruit and retain relevant staff. -Develop human resource manual -Carry out continuous development	-Recruit staff who are qualified and competent	-Number of staff recruited -Qualification of staff -Staff establishment report
Learning facilities	To establish and maintain learning facilities, infrastructure and services	-ICT and Library Services -Development and Maintenance of Infrastructure and Facilities	-provide quality network infrastructure -improve level of library holdings	-Network upgrade in the institution -procure ICT equipments

Endebess Technical Training Institute
Annual Report and Financial Statements for the year ended 30th June 2025

HIV & AIDS pandemic and substance abuse	To provide a framework for addressing HIV and AIDS pandemic as well as substance abuse	-Policy on HIV/AIDS and substance abuse -Establish G& c office	Prevent discrimination and/or stigmatization of staff and Trainees because of real or perceived HIV and substance abuse status.	-Policy on HIV/AIDS -Established office of G& C -
---	--	---	---	---

8. Corporate Governance Statement

The current governance and leadership structure and system needs to be continuously reviewed to serve the challenging, dynamic and competitive environment in which Endebess TTI is operating. The Institution's governance and leadership should embrace prudent and more business-like approach in its management in order to seize the emerging opportunities.

A Board of Governors (BOG) is a governing body that helps manage the school's vision, policies, and performance. BOGs also work to improve the school's community relations and involve all the stakeholders.

The responsibilities of a BOG include but not limited to; Managing finances, Monitoring performance, manage the school's budget and raise funds for projects. Its also mandated with Recruiting and managing staff. The institution resources are managed by the board. BOGs are legally mandated by the Ministry of Education, its membership is voluntary

The members of the board are appointed through a transparent process where stakeholders are involved and reputable members of the public are drawn from the various categories

The members of the board are drawn from the following categories

-Chairpersons, Leadership, Finance, Technology, Industry, Engineering and ICT/law. From each category, three members are nominated and forwarded to Permanent Secretary (PS) for final nominations and appointments.

They are then appointed and issued appointment letters. After receipt of appointment letters, members acknowledge through acceptance of the appointments. Immediately after acceptance, the members are inaugurated into the Board. This activity is undertaken by the County TVET director.

This is followed by an induction training which is normally between 2-3 days and carried out by trained facilitators on matters governance.

Endebess Technical Training Institute
Annual Report and Financial Statements for the year ended 30th June 2025

The Board of management will be ready to discharge on their mandate. They shall then constitute themselves into operative committees namely; Finance, Administration and Infrastructure development committee, Education training and Research and audit, Risk and Compliance.

The board did hold meetings in the course of the term.

9. Management Discussion and Analysis

The institute has been able to operate for the entire period though with financial challenges but it has been able to fulfil its mandate of imparting technical skills to learners. The institution faces a myriad of challenges to mention but a few, lack of well-equipped science laboratory, lack of piped water, few classes, limited accommodation facilities and limited land for expansion and agricultural fields for trainers, all of which require funds. Irregular cash flows in form of M.O.E capitation and unfulfilled promises from CDF for bursaries, to poor and needy students who form the bulk of the student population has not done much to improve the much-needed infrastructure.

A number of investments were earmarked to be undertaken but because of limited resources a few were achieved. Completion /partial completion of the multipurpose hall together with the female students were among the completed projects. Fabrication of lecture chairs and beds for newly completed female hostels were successfully undertaken. The completion of the sewage line for the new female hostel was done. Purchase of more equipment's for our laboratories was undertaken and more so the purchase of all requirements for practical's during national examinations.

The institute has complied with statutory requirements. The operating acts from the M.O.E are in place, Safety standards; curriculum implementation from the MOE is being adhered to. The Kenya Constitution and its guidelines are being adhered to.

The risk factors facing the institution are constant review of curriculums which is causing a lot of uncertainty in implementation of the already established curriculum.

Also the high rates of students drop out from the surrounding high schools (Sabwani and Sabwani girls) possess a challenge in the drop in enrolment, because most of the students are from the surrounding high schools from endebess Sub-County.

The funding model is posing a risk to admissions because the area is occupied by casual laborers working at the nearby ADC and Kenya Seed farms. Revised fee guidelines by the ministry of Education has lots unpredictability in the student's enrolments.

The economic activities of the surrounding possess a risk to the institution because afforded of technical Education to the natives is subject to their economic wellbeing to afford technical education.

10. Environmental And Sustainability Reporting Statement

Sustainability strategy and profile

Sustainability which is the management and coordination of environment, financial social and economic resources to ensure success and continuity of the institution. Social, environmental and economic demands are considered as they greatly influence operations and sustainability of the institution. A sustainable organization is an organization that plans ahead. For sustainability purposes, an organization has to put forward a strong argument as to why it needs to be in place. The future of an organization depends highly on its capability to address problems within the community in which it plans to exist.

This has been addressed through involvement of all stakeholders in well-orchestrated marketing drive in the surrounding community. Outreach programmes spearhead by the local leaders will go well in ensuring suitability by having better enrolment for every intake. Prudent use of finances will ensure sustainability as this will build trust and confidence in the use of resources.

Environmental performance

The National Environmental Management Agency guidelines are being adhered to by the institution at all the levels for its operation. The institution is keen on its waste disposal even though such wastes are very less because the institution is still expanding and not so much wastes currently.

Employee welfare

In the matters of employment, Endebess Technical Training Institute is an equal opportunity employer. Hiring of employees is guided by the principles of the various job descriptions in strict compliance to the Human Resource Policy (2023). Theirs stake holder engagement and approvals for all vacancies declared or are available.

Every year, Appraisals are undertaken by the Human Resource Office and a report is put forward giving detailed information on performances per individuals, Gaps identified, strengths and weak areas.

The appraisal report details the on the areas of improvements, individuals requiring capacity building, retooling etc.

Market place practices-

In the sphere of market place practice, the institute has ensured that competition is fair to all the stakeholders. In the discharge of its mandate, all biddings, marketing are done fairly, dupped with the slogan that the institution is corruption free and its service are available as outlined in the Service Chatter.

Good business practices are maintained by the organization by timely honouring its entire financial obligation to all its creditors, Suppliers or any other service provider. All the drawn contracts have been in spite of the financial challenges being experienced.

Corporate Social Responsibility / Community Engagements

During the year, quite a number of corporate social responsibilities undertaken. The Institute community (All staff and Students participated in the community cleaning exercise at the Endebess market. The exercise clearly illustrated to the community on the need to live in a clean environment. This has been accepted and the element of cleanliness adopted in the surrounding community.

Tree planting is an activity in which the surrounding community has not been left. the institution which received tree seeds and after the establishment of the seedling nursery, there was a community outreach in which members of the public together with staff and students planted trees in the compounds of neighbouring persons, along highways and feeder roads.

There's has been a visit by members of staff and students to the sick/admitted patients at Endebess sub- County hospital on numerous occasions.

Endebess Technical Training Institute
Annual Report and Financial Statements for the year ended 30th June 2025

11. Report of the Council/Board of Governors

The Board members submit their report together with the audited financial statements for the year ended June 30, 2025, which show the state of the *Endebess T.T.I* affairs.

Principal activities

The principal Activities of the Technical Institute is drawn from its vision to be a centre of excellence in technical skills development and Innovation. This enhanced through training and enhancing the practical aspects relevant to industry demand and needs.

In line with this it aims to train competent and innovative manpower in Technical and vocational disciplines to meet the needs of industry and society and the country's goal in the achievement of the objectives of VISION 2030.

Board of Governors

The members of the Board who served during the year are shown on page (VII). During the year no director retired/ resigned.

Auditors

The Auditor General is responsible for the statutory audit of the *Endebess Technical Training Institute* in accordance with Article 229 of the Constitution of Kenya and the Public Audit Act 2015 to carry out the audit of the *Endebess Technical Training Institute* for the year/period ended June 30, 2025, in accordance to section 23 of the Public Audit Act, 2015 which empowers the Auditor General to appoint an auditor to audit on his behalf.

By Order of the Board

.....
Secretary Board Of Governors, Endebess TTI

Date: 29/08/2025

12. Statement of Board of Governors/ Council's Responsibilities

The Board of Governors shall continuously prepare financial statements in respect of that *Endebess T.T.I*, which give a true and fair view of the state of affairs at the end of the financial year/period and the operating results of *Endebess T.T.I* for that year/period. The Board members shall ensure that *Endebess T.T.I* keeps proper accounting records which disclose with reasonable accuracy the financial position of the *Institution*. The council members are also responsible for safeguarding the assets of the *Institution*.

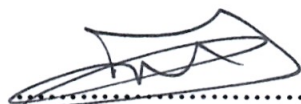

The Board Members have prepared and presented Endebess T.T.I financial statements, which give a true and fair view of the state of affairs of the *Endebess T.T.I* for and as at the end of the financial year ended on June 30, 2025. The Board has done the above by undertaking the following: (i) Maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period, (ii) Maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity, (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud, (iv) Safeguarding the assets of the *Institution*, (v) Selecting and applying appropriate accounting policies, and (vi) Making accounting estimates that are reasonable in the circumstances.

The Board members accept responsibility for Endebess T.T.I financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 and *and the TVET Act of 2013*). The Board members are of the opinion that Endebess T.T.I financial statements give a true and fair view of the state of *Institutions* transactions during the financial year ended June 30, 2025, and of the *Institutions* financial position as at that date. The Board members further confirm the completeness of the accounting records maintained for the *Institution*, which have been relied upon in the preparation of the *Institutions* financial statements as well as the adequacy of the systems of internal financial control.

In preparing the financial statements, the Principal has assessed the *Endebess Technical Training Institute* ability to continue as a going concern. Nothing has come to the attention of the Board members to indicate that the *Institution* will not remain a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

The entity's financial statements were approved by the Board on 29/08/2025 and signed on its behalf by:

REPORT OF THE AUDITOR-GENERAL ON ENDEBESS TECHNICAL TRAINING INSTITUTE FOR THE YEAR ENDED 30 JUNE, 2025

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements;
- B. Report on Lawfulness and Effectiveness in the Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose; and,
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

A Qualified Opinion is issued when the Auditor-General concludes that, except for material misstatements noted, the financial statements are fairly presented in accordance with the applicable financial reporting framework. The Report on Financial Statements should be read together with the Report on Lawfulness and Effectiveness in the Use of Public Resources, and the Report on Effectiveness of Internal Controls, Risk Management and Governance.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012, and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Endebess Technical Training Institute set out on pages 1 to 60, which comprise of the statement of financial position

Report of the Auditor-General on Endebess Technical Training Institute for the year ended 30 June, 2025

as at 30 June, 2025 and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Endebess Technical Training Institute as at 30 June, 2025 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Technical and Vocational Education and Training Act, 2013 and the Public Finance Management Act, 2012.

Basis for Qualified Opinion

1. Unsupported Biological Assets

The statement of financial position reflects biological assets balance of Kshs.455,000 as disclosed in Note 35 to the financial statements. However, the balance does not include the value of thirty (30) sheep and two (2) goats owned by the Institute. Further, the asset movement register and valuation report on the biological assets were not provided for audit.

In the circumstances, the accuracy and completeness of biological assets balance of Kshs.455,000 could not be confirmed.

2. Inaccuracies in Property, Plant and Equipment

The statement of financial position reflects property, plant and equipment balance of Kshs.47,647,482 as disclosed in Note 32(b) to the financial statements. However, review of records revealed that the Institute stands on a five (5) acres parcel of land allocated by the Agricultural Development Corporation (ADC) and a total of five (5) tractors donated by the Ministry of Education. However, their values have not been determined and included in the financial statements. Further, the Institution did not have title deeds of the parcel of land while the tractors did not have registration number plates and log books.

In the circumstances, the accuracy, ownership, existence and completeness of property, plant and equipment balance of Kshs.47,647,482 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Endebess Technical Training Institute Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical

requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Emphasis of Matter

1. Budgetary Control and Performance

The statement of comparison of budget and actuals reflects actual receipts amounting to Kshs.72,584,980 against a budget of Kshs.92,861,100 resulting in under-realization of Kshs.20,276,120 or 22% of the budget. Similarly, the statement reflects budgeted expenditure of Kshs.92,861,100 and actual expenditure of Kshs.41,336,711 resulting in under-absorption of Kshs.51,524,389 or 55% of the budget.

The under-realization and under-utilization of the budget may have impacted negatively on the Institute's programs and activities and affected service delivery to the public.

2. Long Outstanding Payables

The statement of financial position reflects trade and other payables from exchange transactions balance of Kshs.11,189,289 as disclosed in Note 36 to the financial statements which includes a balance of Kshs.6,781,733 which has remained unpaid for over one year. This was contrary to Regulation 150(1) of the Public Procurement and Asset Disposal Regulations, 2020 which requires a procuring entity to make prompt payments for all performed contracts and shall make payment within sixty (60) days from the date of receipt of the invoice.

Failure to settle pending bills during the year in which they relate distorts the financial statements and adversely affects the budgetary provisions for the subsequent year as they form a first charge.

My opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. Except for the effect of the matters described in the Basis for Qualified Opinion section, I have determined that there are no other key audit matters to communicate in my report.

Other Information

The Management is responsible for the Other Information set out on page iii to xix which comprise of Key Entity Information and Management, The Board of Governors, Key Management Team, Chairman's Statement, Report of the Principal, Statement of Performance Against Predetermined Objectives, Corporate Governance Statement,

Management Discussion and Analysis, Environmental and Sustainability Reporting, Report of the Board of Governors, Statement of Board of Governors Responsibilities, The Other Information does not include the financial statements and my audit report thereon.

In connection with my audit on the Institute's financial statements, my responsibility is to read the Other Information and in doing so, consider whether the Other Information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work I have performed, I conclude that there is a material misstatement of this Other Information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the Other Information and accordingly, I do not express an audit opinion or any form of assurance conclusion thereon.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN THE USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the effect of the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in the Use of Public Resources section of my report, I confirm that nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Non-Compliance with the Law on Staff Ethnic Composition

Review of human resources records at the Institute revealed that the Institution had a workforce of seventy-seven (77) members of staff out of whom forty-four (44) or 57% were from the dominant community. This was contrary to Section 7(1) and (2) of the National Cohesion and Integration Act, 2008 which provides that all public establishments shall seek to represent the diversity of the people of Kenya in the employment of staff and no public establishment shall have more than one-third of its staff from the same ethnic community.

In the circumstances, Management was in breach of the law.

2. Non-Remittance of Public Procurement Capacity Building Levy

Review of documents revealed that Management did not deduct and remit the public procurement capacity building levy. This was contrary to Paragraph 3(1) of Legal Notice 206 of the Levy Order 2023 which provides that there shall be paid a levy by a supplier on all procurement contracts signed between the supplier and a procuring entity, at the

rate of zero point zero three per centum (0.03%) of the value of the signed contract, exclusive of applicable taxes.

In the circumstances, Management was in breach of the law.

The audit was conducted in accordance with ISSAI 3000 and ISSAI 4000. The standards require that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the effects of the matter described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

Lack of Approved Board Charter

Review of documents revealed that the Management did not prepare and adopt the approved Board charter. This document would define the roles, responsibilities and functions of the Board in the governance of the institution.

In the circumstances, the effectiveness of the Board in governance and policy making of the Institute could not be confirmed.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk Management and overall governance were operating effectively in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of the Management and Board of Governors

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material

misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Institute's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management is aware of the intention to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them and that public resources are applied in an effective way.

The Board of governors is responsible for overseeing the Institute's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the International Standards of Supreme Audit Institutions (ISSAIs). The standards require that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48 of the Public Audit Act, 2015. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In conducting the audit, Article 229(6) of the Constitution also requires that I express a conclusion on whether or not in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way. In addition, I consider the entity's control environment in order to give an assurance on the

effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015.

Further, I am required to submit the audit report in accordance with Article 229(7) of the Constitution.

Detailed description of my responsibilities for the audit is located at the Office of the Auditor-General's website at: <https://www.oagkenya.go.ke/auditor-generals-responsibilities-for-audit/>. This description forms part of my auditor's report.

FCPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Notes:

1. There was short-fall of Kshs 11,878,669 as government sponsorship. The reason behind it was the MOE was not able to receive complete scholarship from the government.
2. Most poor and needy students who form the bulky of our student population were not able to meet their fee obligation Payment
3. Not manage to rent our tractors to farmer because they are restricted for movement, no insurance is issued with no ownership documents & number plates.

19. Notes to the Financial Statements

1. General Information

Endebess Technical Training Institute is established by and derives its authority and accountability from TVET Act. The entity is wholly owned by the Government of Kenya and is domiciled in Kenya. The entity's principal activity is to provide quality and relevant technical entrepreneurial and management training.

2. Statement of Compliance and Basis of Preparation

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgment in the process of applying the *entity's* accounting policies. The areas involving a higher degree of judgment or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed in the Notes. The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of the *Endebess Technical Training Institute*. The values are rounded off to the nearest shilling. The financial statements have been prepared in accordance with the PFM Act, the State Corporations Act, the TVET Act and International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented.

3. Adoption of New and Revised Standards

i. New and amended standards and interpretations in issue effective in the year ended 30 June 2025.

There are no new standards in the year ended 30th June 2025

ii. New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2025.

Standard	Effective date and impact:
IPSAS 43: Leases	<i>Applicable 1st January 2025</i> The standard sets out the principles for the recognition, measurement, presentation, and disclosure of leases. The objective is to ensure that lessees and lessors provide relevant information in a manner that faithfully represents those transactions. This information gives a basis for users of financial statements to assess the effect that leases have on the financial position, financial performance and cash flows of an Entity. The new standard requires entities to recognise, measure and present information on right of use assets and lease liabilities.
IPSAS 44: Non- Current Assets Held for Sale and Discontinued Operations	<i>Applicable 1st January 2025</i> The Standard requires, Assets that meet the criteria to be classified as held for sale to be measured at the lower of carrying amount and fair value less costs to sell and the depreciation of such assets to cease and: Assets that meet the criteria to be classified as held for sale to be presented separately in the statement of financial position and the results of discontinued operations to be presented separately in the statement of financial performance.
IPSAS 45: Property Plant and Equipment	<i>Applicable 1st January 2025</i> The standard supersedes IPSAS 17 on Property, Plant and Equipment. IPSAS 45 has additional guidance/ new guidance for heritage assets, infrastructure assets and measurement. Heritage assets were previously excluded from the scope of IPSAS 17 in IPSAS 45, heritage assets that satisfy the definition of PPE shall be recognised as assets if they meet the criteria in the standard. IPSAS 45 has additional application guidance for infrastructure assets, implementation guidance and illustrative examples. The standard has clarified existing principles e.g. valuation of land over or under the infrastructure assets, under- maintenance of assets and distinguishing significant parts of infrastructure assets.
IPSAS 46: Measurement	<i>Applicable 1st January 2025</i> The objective of this standard was to improve measurement guidance across IPSAS by:

**Endebess Technical Training Institute
Annual Report and Financial Statements for the year ended 30th June 2025**

	<p>i. Providing further detailed guidance on the implementation of commonly used measurement bases and the circumstances under which they should be used.</p> <p>ii. Clarifying transaction costs guidance to enhance consistency across IPSAS.</p> <p>iii. Amending where appropriate guidance across IPSAS related to measurement at recognition, subsequent measurement and measurement related disclosures.</p> <p>The standard also introduces a public sector specific measurement bases called the current operational value.</p>
IPSAS 47: Revenue	<p><i>Applicable 1st January 2026</i></p> <p>This standard supersedes IPSAS 9- Revenue from exchange transactions, IPSAS 11 Construction contracts and IPSAS 23 Revenue from non- exchange transactions. This standard brings all the guidance of accounting for revenue under one standard. The objective of the standard is to establish the principles that an entity shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and</p>
IPSAS 48: Transfer Expenses	<p><i>Applicable 1st January 2026</i></p> <p>The objective of the standard is to establish the principles that a transfer provider shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of expenses and cash flow arising from transfer expense transactions. This is a new standard for public sector entities geared to provide guidance to entities that provide transfers on accounting for such transfers.</p>
IPSAS 49: Retirement Benefit Plans	<p><i>Applicable 1st January 2026</i></p> <p>The objective is to prescribe the accounting and reporting requirements for the public sector retirement benefit plans which provide retirement to public sector employees and other eligible participants. The standard sets the financial statements that should be presented by a retirement benefit plan.</p>

iii. Early adoption of standards

(The Endebess Technical Training Institute) did not early adopt any new or amended standards in year 2025.

Summary of Significant Accounting Policies

- a) Revenue recognition
- i) Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably. To the extent that there is a related condition attached that would give rise to a liability to repay the amount, the amount is recorded in the statement of financial position and realised in the statement of financial performance over the useful life of the assets that have been acquired using such funds.

- ii) Revenue from exchange transactions

Rendering of services

The entity recognizes revenue from rendering of services by reference to the stage of completion when the outcome of the transaction can be estimated reliably. The stage of completion is measured by reference to labour hours incurred to date as a percentage of total estimated labour hours. Where the contract outcome cannot be measured reliably, revenue is recognized only to the extent that the expenses incurred are recoverable.

Sale of goods

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, usually on delivery of the goods and when the amount of revenue can be measured reliably, and it is probable that the economic benefits or service potential associated with the transaction will flow to the entity.

Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

Rental income

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and included in revenue.

b) Budget information

The original budget for FY 2024/2025 was approved by the Council or Board on 28th *September 2024*. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the entity upon receiving the respective approvals to conclude the final budget. Accordingly, the entity recorded additional appropriations of 0 on the FY 2024/2025 budget following the Council/ Board's approval. The entity's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts. In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget. A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented on page 8 of these financial statements.

c) Taxes

Current income tax

The entity is exempt from paying taxes as per (CAP 470); Revised Edition, 2021

Sales tax/ Value Added Tax

Expenses and assets are recognized net of the amount of sales tax, except:

- When the sales tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the sales tax is recognized as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
- When receivables and payables are stated with the amount of sales tax included.

The net amount of sales tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

d) Investment property

Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the replacement cost of components of an existing investment property at the time that cost is incurred if the recognition criteria are met and excludes the costs of day-to-day maintenance of an investment property. Investment property acquired through a non-exchange transaction is measured at its fair value at the date of acquisition. Investment properties are derecognized either when they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit or service potential is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the surplus or deficit in the period of de-recognition. Transfers are made to or from investment property only when there is a change in use.

e) Property, plant and equipment

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition or construction of the item of property appropriately according to the acronyms you use in your financial statements plant and equipment. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus, or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

f) Leases

Finance leases are leases that transfer substantially the entire risks and benefits incidental to ownership of the leased item to the Entity. Assets held under a finance lease are capitalized at the commencement of the lease at the fair value of the leased property or, if lower, at the present value of the future minimum lease payments. The Entity also recognizes the associated lease liability at the inception of the lease. The liability recognized is measured as the present value of the future minimum lease payments at initial recognition. Subsequent to initial recognition, lease payments are apportioned between finance charges and reduction of the lease liability to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in surplus or deficit. An asset held under a finance lease is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Entity will obtain ownership of the asset by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term. Operating leases are leases that do not transfer substantially all the risks and benefits incidental to ownership of the leased item to the Entity. Operating lease payments are recognized as an operating expense in surplus or deficit on a straight-line basis over the lease term.

g) Intangible assets

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred. The useful life of the intangible assets is assessed as either finite or indefinite. Intangible assets with an indefinite useful life are assessed for impairment at each reporting date.

h) Research and development costs

The Entity expenses research costs as incurred. Development costs on an individual project are recognized as intangible assets when the Entity can demonstrate:

- The technical feasibility of completing the asset so that the asset will be available for use or sale.
- Its intention to complete and its ability to use or sell the asset.
- How the asset will generate future economic benefits or service potential
- The availability of resources to complete the asset.
- The ability to measure reliably the expenditure during development.

Following initial recognition of an asset, the asset is carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete, and the asset is available for use. It is amortized over the period of expected future benefit. During the period of development, the asset is tested for impairment annually with any impairment losses recognized immediately in surplus or deficit.

i) Financial instruments

IPSAS 41 addresses the classification, measurement and de-recognition of financial assets and financial liabilities, introduces new rules for hedge accounting and a new impairment model for financial assets. A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. At initial recognition, the entity measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through surplus or deficit, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability.

Financial assets

Classification

The entity classifies its financial assets as subsequently measured at amortised cost, fair value through net assets/ equity, or fair value through surplus and deficit on the basis of both the entity's management model for financial assets and the contractual cash flow characteristics of the financial asset. A financial asset is measured at amortized cost when the financial asset is held within a management model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding. A financial asset is measured at fair value through net assets/ equity if it is held within the management model whose objective is achieved by both collecting contractual cashflows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. A financial asset shall be measured at fair value through surplus or deficit unless it is measured at amortized cost or fair value through net assets/ equity unless an entity has made an irrevocable election at initial recognition for particular investments in equity instruments.

Subsequent measurement

Based on the business model and the cash flow characteristics, the entity classifies its financial assets into amortized cost or fair value categories for financial instruments. Movements in fair value are presented in either surplus or deficit or through net assets/ equity subject to certain criteria being met.

Amortized cost

Financial assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest, and that are not designated at fair value through surplus or deficit, are measured at amortized cost. A gain or loss on an instrument that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is de-recognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through net assets/ equity

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through net assets/ equity. Movements in the carrying amount are taken through net assets, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in surplus/deficit. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through surplus or deficit

Financial assets that do not meet the criteria for amortized cost or fair value through net assets/equity are measured at fair value through surplus or deficit. A business model where the entity manages financial assets with the objective of realizing cash flows through solely the sale of the assets would result in a fair value through surplus or deficit model.

Trade and other receivables

Trade and other receivables are recognized at fair values less allowances for any uncollectible amounts. Trade and other receivables are assessed for impairment on a continuing basis. An estimate is made of doubtful receivables based on a review of all outstanding amounts at the year-end.

Impairment

The entity assesses, on a forward-looking basis, the expected credit loss ('ECL') associated with its financial assets carried at amortized cost and fair value through net assets/equity. The entity recognizes a loss allowance for such losses at each reporting date. Critical estimates and significant judgments made by management in determining the expected credit loss..

Financial liabilities

Classification

The entity classifies its liabilities as subsequently measured at amortized cost except for financial liabilities measured through profit or loss.

j) Inventories

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

Costs incurred in bringing each product to its present location and conditions are accounted for, as follows:

- Raw materials: purchase cost using the weighted average cost method.
- Finished goods and work in progress: cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity but excluding borrowing costs.

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost.

Inventories (Continued)

Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution. Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the *Endebess Technical Training Institute*.

k) Provisions

Provisions are recognized when the *Endebess Technical Training Institute* has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Where the *Endebess Technical Training Institute* expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

Contingent liabilities

The *Endebess Technical Training Institute* does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

Contingent assets

The *Endebess Technical Training Institute* does not recognize a contingent asset but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the *Endebess Technical Training Institute* in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

l) Social Benefits

Social benefits are cash transfers provided to i) specific individuals and/or households that meet the eligibility criteria, ii) mitigate the effects of social risks and iii) Address the need of society as a whole. The entity recognises a social benefit as an expense for the social benefits scheme at the same time that it recognises a liability. The liability for the social benefit scheme is measured at the best estimate of the cost (the social benefit payments) that the entity will incur in fulfilling the present obligations represented by the liability.

m) Nature and purpose of reserves

The *Endebess Technical Training Institute* creates and maintains reserves in terms of specific requirements

n) Changes in accounting policies and estimates

The *Endebess Technical Training Institute* recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

o) Employee benefits

Retirement benefit plans

The *Endebess Technical Training Institute* provides retirement benefits for its employees and directors. Defined contribution plans are post-employment benefit plans under which an entity pays fixed contributions into a separate entity (a fund) and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable. Defined benefit plans are post-employment benefit plans other than defined-contribution plans. The defined benefit funds are actuarially valued tri-annually on the projected unit credit method basis. Deficits identified are recovered through lump sum payments or increased future contributions on proportional basis to all participating employers. The contributions and lump sum payments reduce the post-employment benefit obligation.

p) Foreign currency transactions

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

q) Borrowing costs

Borrowing costs are capitalized against qualifying assets as part of property, plant and equipment. Such borrowing costs are capitalized over the period during which the asset is being acquired or constructed and borrowings have been incurred. Capitalization ceases when construction of the asset is complete. Further borrowing costs are charged to the statement of financial performance.

r) Related parties

The *Endebess Technical Training Institute* regards a related party as a person or an entity with the ability to exert control individually or jointly or to exercise significant influence over the Entity, or vice versa. Members of key management are regarded as related parties and comprise the directors, the Principal and senior managers.

s) Service concession arrangements

The *Endebess Technical Training Institute* analyses all aspects of service concession arrangements that it enters into in determining the appropriate accounting treatment and disclosure requirements. In particular, where a private party contributes an asset to the arrangement, the *Endebess Technical Training Institute* recognizes that asset when, and only when, it controls or regulates the services. The operator must provide together with the asset, to whom it must provide them, and at what price. In the case of assets other than 'whole-of-life' assets, it controls, through ownership, beneficial entitlement or otherwise – any significant residual interest in the asset at the end of the arrangement. Any assets so recognized are measured at their fair value. To the extent that an asset has been recognized, the *Endebess Technical Training Institute* also recognizes a corresponding liability, adjusted by a cash consideration paid or received.

t) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short-term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

u) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

v) Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2025.

4. Significant Judgments and Sources of Estimation Uncertainty

The preparation of the *Endebess Technical Training Institute* financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and assumptions.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Entity. Such changes are reflected in the assumptions when they occur. IPSAS 1.140

Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the *Entity*.
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes.
- The nature of the processes in which the asset is deployed.
- Availability of funding to replace the asset.
- Changes in the market in relation to the asset

Provisions

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date and are discounted to present value where the effect is material.

47. Financial Risk Management

The entity's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The company's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The company does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The entity's financial risk management objectives and policies are detailed below:

(i) Credit risk

The entity has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments.

Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the company's management based on prior experience and their assessment of the current economic environment.

The carrying amount of financial assets recorded in the financial statements representing the entity's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

Description	Total amount Kshs	Fully performing Kshs	Past due Kshs	Impaired Kshs
At 30 June 2024				
Receivables from exchange transactions	0.00	0.00	0.00	0.00
Receivables from non-exchange transactions	0.00	0.00	0.00	0.00
Bank balances	0.00	0.00	0.00	0.00
Total	0.00	0.00	0.00	0.00
At 30 June 2025				
Receivables from exchange transactions	0.00	0.00	0.00	0.00
Receivables from non-exchange transactions	0.00	0.00	0.00	0.00
Bank balances	0.00	0.00	0.00	0.00
Total	0.00	0.00	0.00	0.00

Endebess Technical Training Institute
Annual Report and Financial Statements for the year ended 30th June 2025

Financial risk management (continued)

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the company has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The board of directors sets the company's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

(ii) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the entity's directors, who have built an appropriate liquidity risk management framework for the management of the entity's short, medium and long-term funding and liquidity management requirements. The entity manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

The table below represents cash flows payable by the company under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

Description	Less than 1 month	Between 1-3 months	Over 5 months	Total
	Kshs	Kshs	Kshs	Kshs
At 30 June 2024				
Trade Payables	7,772,801	5,645,720	-	13,418,521

Endebess Technical Training Institute
Annual Report and Financial Statements for the year ended 30th June 2025

(iii) Market risk

The entity has put in place an internal audit function to assist it in assessing the risk faced by the entity on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the entity's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The entity's Finance Department is responsible for the development of detailed risk management policies (subject to review and approval by Audit and Risk Management Committee) and for the day-to-day implementation of those policies.

There has been no change to the entity's exposure to market risks or the manner in which it manages and measures the risk.

a) Foreign currency risk

The entity has transactional currency exposures. Such exposure arises through purchases of goods and services that are done in currencies other than the local currency. Invoices denominated in foreign currencies are paid after 30 days from the date of the invoice and conversion at the time of payment is done using the prevailing exchange rate. The carrying amount of the entity's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Description	In Kshs	Other currencies	Total
	Kshs	Kshs	Kshs
At 30 June 2025			
Financial Assets (Investments, Cash, Debtors)	119,499,915	0.00	119,499,915
Liabilities			
Trade and Other Payables	11,189,289	0.00	11,189,289
Borrowings	0.00	0.00	0.00
Net Foreign Currency Asset/(Liability)	11	0.00	11

The entity manages foreign exchange risk from future commercial transactions and recognised assets and liabilities by projecting for expected sales proceeds and matching the same with expected payments.

Foreign currency sensitivity analysis

The following table demonstrates the effect on the company’s statement of comprehensive income on applying the sensitivity for a reasonable possible change in the exchange rate of the three main transaction currencies, with all other variables held constant. The reverse would also occur if the Kenya Shilling appreciated with all other variables held constant.

	Change in currency rate	Effect on Profit before tax	Effect on equity
	Kshs	Kshs	Kshs
2024			
Euro	10%	0.00	0.00
Usd	10%	0.00	0.00
2024			
Euro	10%	0.00	0.00
Usd	10%	0.00	0.00

b) Interest rate risk

Interest rate risk is the risk that the entity’s financial condition may be adversely affected as a result of changes in interest rate levels. The company’s interest rate risk arises from bank deposits. This exposes the company to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the company’s deposits.

Management of interest rate risk

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

Sensitivity analysis

The entity analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year.

Annual Report and Financial Statements for the year ended 30th June 2025

iv) Capital Risk Management

The objective of the entity's capital risk management is to safeguard the entity's ability to continue as a going concern. The entity capital structure comprises of the following funds:

Description	2024-2025	2023-2024
	Kshs	Kshs
Revaluation Reserve	-	-
Retained Earnings	55,908,361	26,566,343

20. Appendices

Appendix 1: Implementation Status of Auditor-General Recommendations

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor.

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
1	<p>Understatement of Property, Plant and Equipment</p> <p>The statement of financial position reflects property plant and equipment balance of Kshs.43,076,904 as detailed in Note 31 to the financial statements. However, reviews of records revealed that the Institute stands on five (5) acres parcel of land allocated by the Agricultural Development Corporation (ADC) and a total of five (5) tractors donated by the Ministry of Education. However, their values have not been determined and included in the financial statements. Further, the institution does not have the title deed of the parcel of land while the tractors do not have registration number plates and log books.</p> <p>In the circumstances, the accuracy, ownership, existence and completeness of property, plant and equipment balance of Kshs.43,076,904 could not be confirmed.</p>	<p>The management should write letter to the Parent Ministry requesting registration number plates and logbooks for the five donated tractors and their valuation.</p> <p>The management also should write to Agricultural Development Corporation (ADC) requesting allocation of land and the title deed. Once title deed is received valuation be done for the assets to be reflected in property plant and equipment balances</p>	Not Resolved	
2	<p>Unsupported Biological Assets</p> <p>The statement of financial position reflects biological assets balance of Kshs.455,000 as disclosed in Note 34 to the financial statements. This was an increase of Kshs.100,000 from the previous year's balance of</p>	<p>The management should avail supporting schedule to justify new acquired biological asset to the auditor for verification</p>	Not Resolved	End the FY 25/26

Annual Report and Financial Statements for the year ended 30th June 2025

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
	<p>Kshs.355,000. However, no evidence of assets valuation was provided. In addition, there was no assets movement schedule for biological assets to justify the increase of biological assets from Kshs.355,000 to Kshs.445,000. In the circumstances, the accuracy and completeness of the biological assets balance of Kshs.455,000 could not be confirmed.</p>			
3	<p>Budgetary Control and Performance The statement of comparison of budget and actual amounts reflects final receipts budget and actual on comparable basis totalling to Kshs.78,548,999 and Kshs.52,949,592 respectively, resulting in an underfunding amounting to Kshs.25,599,407 or 33% of the budget. Similarly, the statement reflects total actual income of Kshs.52,949,592 against total actual expenditure of Kshs.25,429,956 resulting in under-utilization Kshs.27,519,636 or 52% of the total income. The underfunding and under-utilization affected the planned activities and may have impacted negatively on the training Institute performance.</p>	<p>The management should in future set realistic budget estimates to avoid underfunding or over expenditure and in case there is over or under in the budget, supplementary budget be done correct it</p>	Resolved	
4	<p>Failure to Approve Budget During the period under review, it was established that the Board of Governance approved the revenue and expenditure budget of Kshs.78,549,000 on 14 July 2023. However, there was no evidence to indicate that the</p>	<p>The management should ensure that after budget has been approved by board should submit to the Cabinet Secretary at the</p>	Resolved

	budget was approved by the Cabinet Secretary at the Ministry of Education as required by section 22(1) of the Technical and Vocational Education and Training Act 2013. In the circumstances, Management was in breach of the law.	Ministry of Education for approval before implementation.		
5	<p>Late Submission of Annual Report and Financial Statements</p> <p>The annual report and financial statements for the year ended 30 June 2024 were submitted to the Auditor General for audit on 25 February, 2025. This was contrary to Section 47(1) of the Public Audit Act, 2015 which requires that financial statements should be submitted to the Auditor-General within three months after the end of the fiscal year to which the accounts relate. In addition, there was no evidence to show that the Institute submitted the annual financial statements to the Controller of Budget as required by Section 68(2)(k) of the Public Finance Management Act, 2012. In the circumstances, Management was in breach of the law.</p>	The management should prepare and submit annual report and financial statements within three months after the end of the fiscal year to which the accounts relate to avoid breach of the law.	Resolved	
6	Non-Compliance with the One Third - Rule on Staff Ethnicity Composition	The management should gradually comply with One Third	Not Resolved	

Endebess Technical Training Institute
Annual Report and Financial Statements for the year ended 30th June 2025

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
	<p>An examination and analysis of the human resource records staff biodata and the staff and non-staff ethnicity summary for the year ended 30 June 2024 indicated that, one hundred and fifty-eight (158) teaching and non-teaching staff out of which ninety-nine (99) or 65% from the same ethnic community. The staff ethnic composition contradicts section 7(1) and (2) of National Cohesion and Integration Act, 2008.</p> <p>In the circumstances, Management was in breach of the law.</p>	<p>Rule on Staff Ethnicity Composition</p>		
7	<p>Lack of Risk Management Policy</p> <p>During the year ended 30 June 2024, there was no evidence to show that Endebess Technical Training Institute had a risk management policy in place contrary to Section 165 (1) of the Public Finance Management (National Government) Regulations, 2015.</p> <p>In the circumstances, lack of risk management policy may lead to non-identification of risks and appropriate measures to manage risks.</p>	<p>The management should draft Risk Management Policy and present to the board for approval to comply with the law</p>	<p>Not Resolved</p>	<p>End the FY 25/26</p>
8	<p>Lack of Internal Audit Function</p> <p>During the year under review, the institution did not have an internal audit function/department to review and evaluate budgetary performance, financial management, transparency and accountability mechanisms and processes in Institute as required by Regulation 160 (1) (a) of the Public Finance Management (National Government) Regulations, 2015.</p>	<p>The management should avail the external auditor appointment letter for the internal auditor, copies of the minutes and internal audit report and minutes appointing audit committee for their verification</p>	<p>Resolved</p>	

Endebess Technical Training Institute
Annual Report and Financial Statements for the year ended 30th June 2025

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
	In the circumstances, the effectiveness of the internal controls could not be confirmed.			
9	<p>Weaknesses in Information and Communication Technology Control Environment</p> <p>Review of IT governance documents and interviews with the management revealed that Endebess Technical Training Institute did not have an approved ICT policy for the period under review. Further, the institute lacked IT Strategy Committee & IT Steering committee to oversee the institution's IT assets, IT strategic plan and a formal, documented and tested emergency procedure in place. Further, during the system audit for the financial year that ended in 30 June, 2019, audit review revealed that the Institute failed to secure an offsite backup location to enhance business continuity in case of a natural disaster or malicious damage of the Institute's data and information. In circumstances, the effectiveness of the IT internal controls could not be confirmed.</p>	The management should develop ICT policy and present it to the board for approval. The management should also appoint IT Strategy Committee & IT Steering committee to oversee the institution's IT assets, IT strategic plan and a formal, documented and tested emergency procedure in place and secure an offsite backup location	Resolved	
10	<p>Incomplete Fixed Assets Register</p> <p>Review of the fixed asset register revealed that the Institute had not updated the asset register. The asset register lacked important information such as the acquisition costs, opening balances and closing at the end of the year, serial numbers, models and make. Further, it was established management did not maintain, approved detail orders, fuel register, work tickets for each tractor and the fuel statements.</p>	<p>The management should update the asset register to capture the missing details as highlighted by the auditor.</p> <p>The management also should maintain, approved detail orders, fuel register, work tickets for each tractor and the fuel statements</p>	Resolved

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
	In the circumstances, the effectiveness and reliability of internal controls on management of the fixed assets could not be confirmed.			
11	<p>Failure to Establish an Approved Board Charter</p> <p>Review of documents revealed that management did not prepare and adopt the approved Board charter, that was to define the roles, responsibilities and functions of the Board in the governance of the institution. This is contrary to Section 1(11) of The State Corporation Advisory Committee (SCAC), 2015 which states that Board should develop and adopt a Board Charter. The Board Charter should define responsibilities and functions of the Board in the governance of the organization. Further, the board failed to prepare and submit their annual ALMANAC to SCAC through the parent ministry by the end of 30 June of every year which indicates the annual organizational plan, the mandatory statutory obligation of the institute and the approved budget.</p> <p>In the circumstances, without clear definition of roles and responsibilities of the Board, the optimal functioning of the Board of Management will be hindered.</p>	The principal in liaison with Board Chair should develop board charter within a month and present it to the board for approval and operationalization.	Not Resolved	End the FY 25/26

Guidance Notes:

- (i) Use the same reference numbers as contained in the external audit report;
- (ii) Obtain the “Issue/Observation” and “management comments”, required above, from final external audit report that is signed by Management;
- (iii) Before approving the report, discuss the timeframe with the appointed Focal Point persons within your entity responsible for the implementation of each issue;
- (iv) Indicate the status of “Resolved” or “Not Resolved” by the date of submitting this report to the National Treasury.
