The Hon Speaker vide a communication made on Tuesday, 6th June, 2023 conveyed to the House the Message from the President and subsequently referred the name of the nominee, curricula vitae, and the report of the Selection Panel on her recruitment to the Departmental Committee on Finance and National Planning for approval hearing and reporting to the House.

While referring the nominee to the Committee, the Hon Speaker directed that the Committee undertakes the vetting within twenty-eight (28) days pursuant to Section 8 of the Public Appointments Parliamentary Approval Act (No. 33 of 2011). The Speaker further directed the Clerk of the National Assembly to notify the nominee and the general public of the vetting. In this regard, advertisements were placed in two newspapers of nationwide circulation and on the Parliamentary Website, of the time and place of holding the approval hearing on Thursday, 22nd June 2023.

In compliance with Article 118 (b) of the Constitution and section 6 (4) of the Public Appointments (Parliamentary Approval) Act (No. 33 of 2011), the Committee placed an advertisement in the print media on Tuesday, 14th June 2023 informing the public of the nomination, date, time and place of the approval hearing. The Committee also invited the public to submit memoranda by way of written statements on oath on the suitability of the nominee in conformity with section 6 (9) of the Public Appointments (Parliamentary Approval) Act (No. 33 of 2011). The memoranda were to be received on or before Wednesday, 21st June, 2023 at 5.00 p.m. (East African Time). The Committee received no memoranda (affidavits) contesting the suitability of the nominee by the set deadline.

The Committee examined her suitability based on the criteria set out in Section 6 of the Commission on Revenue Allocation Act 2011 and Section 7 of the Public Appointments (Parliamentary Approval) Act (No. 33 of 2011). In addition, the Committee examined her academic credentials, relevant experience, knowledge of sector issues and on leadership and integrity. The Committee paid due regard to the procedure used to arrive at the nominee; any constitutional or statutory requirements relating to the office in question and the suitability of the nominee for the appointment proposed having regard to whether the nominee's abilities, experience and qualities meet the needs of the Commission.

- d) **On the subject of Own Source Revenue (OSR)**, the nominee intimated that it was important that each county focuses on its own source revenue generation as a remedy to address exchequer delay issues that were being experienced. She noted that, the challenges counties were experiencing on own source revenue were a result of a lack of legal policy framework and manual collection of revenue which results in revenue leakages. To address the challenges, she stated that the Commission should come up with a legal framework for the collection of own source revenue and ensure that each county automates revenue collection. In addition, she proposes that the officers in charge of revenue collection at the county level are properly trained.

The assessment of all pending bills should be undertaken to establish genuine ones. There was a need for counties to record pending bills as Public debt which should form the first charge. If approved she would engage the National Treasury, County Government and the Office of Auditor General to address the challenges of the pending bill. She would also ensure automation of revenue collection so that more money can be collected and made available for use.
- k) **Concerning the fight against corruption in counties**, she said that fighting corruption needed political goodwill if we must succeed and ensure prudent use of revenue collected.
